“Alternative Bid” means a response to a bid that does not meet the exact requirements of the specification but offers an alternative for consideration. An alternative bid is submitted with an intentional variation to a provision, specification, term or condition of the solicitation. This alternative, in the opinion of the bidder, achieves the same end result. Alternative bids may be rejected as non-responsive.

“Bid” means the Bidder’s bid submitted in response to the RFB.

“Bidder” means a Contractor or Vendor submitting a bid in response to this RFB.

“Contract” means the Contract(s) entered into with the successful Bidder(s).

“Responsible Bidder” means a Bidder that has the capability in all respects to perform the requirements of the Contract. In determining whether a Bidder is a Responsible Bidder, the DNR may consider various factors including, but not limited to, the Bidder’s competence and qualifications to provide the goods or services requested, the Bidder’s integrity and reliability, the past performance of the Bidder relative to the quality of the goods or services offered by the Bidder and the best interest of the DNR and the State.

“Responsive Bid” means a Bid that complies with each of the provisions of this RFB or is either an alternative bid or a bid with an exception, if accepted by the DNR.

“RFB” means this Request for Bids and any addenda hereto.

1.5 Background Information

This RFB is designed to provide Bidders with the information necessary for the preparation of competitive Bids. The RFB process is for the DNR's benefit and is intended to provide the DNR with competitive information to assist in the selection process. It is not intended to be comprehensive. Each Bidder is responsible for determining all factors necessary for submission of a comprehensive Bid.

SECTION 2 – ADMINISTRATIVE INFORMATION

2.1 Issuing Officer

The Issuing Officer will respond only to electronic questions regarding the procurement process. Questions related to the interpretation of this RFB must be submitted as provided in this solicitation. Oral questions related to the interpretation of this RFB will not be accepted. Bidders may be disqualified if they contact any State employee other than the Issuing Officer about the RFB except that Bidders may contact the State Targeted Small Business Office on issues related to the preference for Targeted Small Businesses.

The DNR assumes no responsibility for oral representations made by its officers or employees unless such representations are confirmed in writing and incorporated into the RFB through an addendum.

2.3 Amendment to the RFB

The DNR reserves the right to amend the RFB at any time using an addendum. The Bidder will acknowledge receipt of all addenda in its Bid.

It is the Bidder's sole responsibility to check daily for addenda to posted documents.

The Bidder may amend or withdraw and resubmit its Bid at any time before the Bids are due. The amendment must be submitted and received by the time set for the receipt of Bids.

2.5 Submission of Bids

The DNR is requiring each Contractor to **EMAIL** its Bid to procurement@dnr.iowa.gov so that it is received by the Issuing Officer no later **December 4, 2023 at 2:00 PM Central Time**. **The Contractor must ensure the subject line of the email includes the RFB number as identified in the solicitation document. This is a mandatory specification and will not be waived by the DNR.** Any Bid received after this deadline will be rejected. It is the Contractor's responsibility to ensure that the Bid is received prior to the deadline.

Contractors must furnish all information necessary to evaluate the Bid. Bids that fail to meet the mandatory requirements of the RFB will be disqualified. Verbal information provided by the Contractor will not be considered part of the Contractor's Bid unless it is reduced to writing.

2.6 Bid Opening

The names of Bidders who submitted timely Bids will be publicly available after the Bid opening. See Iowa Code Section 72.3. The announcement of Bidders who timely submitted Bids does not mean that an individual Bid has been deemed technically compliant or accepted for evaluation.

2.7 Costs of Preparing the Bid

The costs of preparation and delivery of the Bid are solely the responsibility of the Bidder.

2.8 Rejection of Bids

The DNR reserves the right to reject any or all Bids, in whole and in part, received in response to this RFB at any time prior to the execution of a written Contract. Issuance of this RFB in no way constitutes a commitment by the DNR to award a Contract. This RFB is designed to provide Bidders with the information necessary to prepare a competitive Bid. This RFB process is for the DNR's benefit and is intended to provide the DNR with competitive information to assist in the selection of a Bidder to provide goods and/or services. It is not intended to be comprehensive and each Bidder is responsible for determining all factors necessary for submission of a comprehensive Bid.

2.9 Disqualification

The DNR will reject outright and will not evaluate Bids if the Bidder fails to **email** the Bid by the due date and time. The DNR may reject outright and may not evaluate Bids for any one of the following reasons:

- The Bidder acknowledges that a requirement of the RFB cannot be met.
- The Bidder's Bid materially changes a requirement of the RFB or the Bid is not compliant with the requirements of the RFB.
- The Bidder's Bid limits the rights of the DNR.

- The Bidder alters the language in Certification Letter or Authorization to Release Information Letter.

- The Bidder has been convicted of a fish or game violation in the last 24 months.
- The Bidder has defaulted or had a similar contract terminated for cause in the last 24 months.

2.10 Nonmaterial Variances

The DNR reserves the right to waive or permit cure of nonmaterial variances in the Bid if, in the judgment of the DNR, it is in the DNR's best interest to do so. Nonmaterial variances include minor informalities that do not affect responsiveness, that are merely a matter of form or format, that do not change the relative standing or otherwise prejudice other Bidders, that do not change the meaning or scope of the RFB, or that do not reflect a material change in the requirements of the RFB. In the event the DNR waives or permits cure of nonmaterial variances, such waiver or cure will not modify the RFB requirements or excuse the Bidder from full compliance with RFB specifications or other Contract requirements if the Bidder is awarded the Contract. The determination of materiality is in the sole discretion of the DNR.

2.11 Reference Checks

The DNR reserves the right to contact any reference to assist in the evaluation of the Bid, to verify information contained in the Bid and to discuss the Bidder's qualifications and the qualifications of any subcontractor identified in the Bid.

2.14 Bid Clarification Process

The DNR reserves the right to contact a Bidder after the submission of Bids for the purpose of clarifying a Bid to ensure mutual understanding. This contact may include written questions, interviews, site visits, a review of past performance if the Bidder has provided goods and/or services to the State or any other political subdivision wherever located, or requests for corrective pages in the Bidder's Bid. The DNR will not consider information received if the information materially alters the content of the Bid or alters the type of goods and/or services the Bidder is offering to the DNR. An individual authorized to legally bind the Bidder must sign responses to any request for clarification. Responses must be submitted to the DNR within the time specified in the DNR's request. Failure to comply with requests for additional information may result in rejection of the Bid as non-compliant.

2.15 Disposition of Bids

All Bids become the property of the DNR and will not be returned to the Bidder at the conclusion of the selection process, the contents of all Bids will be part of the public record and be available for inspection by interested parties except for information for which Bidder properly requests confidential treatment according to exceptions provided in *Iowa Code Chapter 22*, other applicable law below.

2.16 Public Records and Requests for Confidential Treatment

The DNR's release of public records is governed by Iowa Code chapter 22. Bidders are encouraged to familiarize themselves with Chapter 22 before submitting a Bid. The DNR will copy and produce public records upon request as required to comply with Chapter 22 and will treat all information submitted by a Bidder as non-confidential records unless Bidder requests specific parts of the Bid be treated as confidential at the time of the submission as set forth herein **AND the information is confidential under Iowa or other applicable law.**

2.16.1 Form 22 Request for Confidentiality

Form 22 must be completed and included with Bidders Bid. Completion and submittal of Form 22 is required whether the Bid does or does not contain information for which confidential treatment will be requested. **Failure to submit a completed Form 22 will result in the Bid being considered non-responsive and not evaluated.**

2.17 Copyrights

By submitting a Bid, the Bidder agrees that the DNR may copy the Bid for purposes of facilitating the evaluation of the Bid or to respond to requests for public records. The Bidder consents to such copying by submitting a Bid and warrants that such copying will not violate the rights of any third party. The DNR will have the right to use ideas or adaptations of ideas that are presented in the Bids.

2.18 Release of Claims

By submitting a Bid, the Bidder agrees that it will not bring any claim or cause of action against the DNR based on any misunderstanding concerning the information provided herein or concerning the DNR's failure, negligent or otherwise, to provide the Bidder with pertinent information in this RFB.

2.19 Bidder Presentations

At the sole discretion of the State, Bidders may be required to make a presentation of the Bid. The presentation may occur at the DNR's offices or at the offices of the Bidder. The determination as to need for presentations, the location, order, and schedule of the presentations is at the sole discretion of the DNR. The presentation may include slides, graphics and other media selected by the Bidder to illustrate the Bidder's Bid. The presentation will not materially change the information contained in the Bid.

2.20 Evaluation of Bids Submitted

To be deemed a Responsible Bidder and a Responsive Bid, the Bid must comply with the bid format instructions and answer "Yes" to all parts and include information demonstrating the Bidder will be able to comply with the bid requirements.

2.23 Evaluation Criteria

The DNR will evaluate the Responsive Bids submitted by Responsible Bidders to determine the bids that are most advantageous to the state and will award the Contract(s) to the Bidder(s) submitting the most advantageous bid(s) to the state.

2.24 Award Notice and Acceptance Period

Notice of Intent to Award the Contract(s) will be sent to all Bidders submitting a timely Bid. Negotiation and execution of the Contract(s) must be completed no later than ninety (90) days from the date of the Notice of Intent to Award. If the apparent successful Bidder fails to negotiate and deliver an executed Contract by that date, the DNR, in its sole discretion, may cancel the award and award the Contract to the remaining Bidder the DNR believes is most advantageous to the state.

2.25 Definition of Contract

The full execution of a written Contract will constitute the making of a Contract for services requested by the RFB and no Bidder will acquire any legal or equitable rights relative to the Contract for services until the Contract has been fully executed by the successful Bidder and the DNR.

2.26 Choice of Law and Forum

This RFB and the Contract are to be governed by the laws of the state of Iowa. Changes in applicable laws and rules may affect the award process or the Contract.
