### 1.3 Overview of the RFP Process

This RFP is designed to provide Respondents with the information necessary for the preparation of competitive Proposals. The RFP process is for the Agency’s benefit and is intended to provide the Agency with competitive information to assist in the selection process. It is not intended to be comprehensive. Each Respondent is responsible for determining all factors necessary for submission of a comprehensive Proposal.

**Respondent should review Attachment 3, Form 22 Request for Confidentiality, for more information if its Proposal contains confidential information. Any Proposal marked “Confidential” or “Proprietary” on every page may be disqualified.**

Respondents will be required to submit their Proposals electronically through the State of Iowa Vendor Self Service portal at [https://vss.iowa.gov/webapp/VSS\\_ON/AltSelfService](https://vss.iowa.gov/webapp/VSS_ON/AltSelfService). It is the Agency’s intention to evaluate Proposals from all Respondents that submit timely Responsive Proposals, and award the Contract(s) in accordance with Section 5, Evaluation and Selection.

#### **1.4 Background Information**

For more than a decade, the Iowa Insurance Division’s Mission Statement has specifically emphasized education: “The IID protects consumers through consumer education and by effectively and efficiently providing a fair, flexible and positive regulatory environment.” Through consumer education, informed consumers and investors are enabled to protect themselves from fraud and unethical sales practices. The Iowa Uniform Securities Act specifically requires the agency to develop and implement investor education and financial literacy initiatives to inform the public. To facilitate that mission, the Act also provides for a securities investor education and financial literacy training fund. Additionally, the program clearly aligns with Iowa’s Healthiest State Initiative, which includes three pillars, “physical, emotional and financial wellbeing.”

Being financially literate is the foundation for successfully managing money for a lifetime. Without financial knowledge decisions may be costly and prevent a financially sound future. The Division is seeking a vendor to administer a comprehensive online financial literacy program directed to high school students.

Since 2015, over 300 Iowa schools have used the Iowa Financial Literacy Program in their classrooms and more than 71,000 high school students have benefited from an online financial literacy platform that is both engaging to students and aligns with the Iowa Core essential financial literacy concepts and skills for high school students.

The proposed program needs to be an existing, already-developed online program housed by the selected contractor capable of at least 5,000 participants annually. The State is not looking for an in-person educational program. At a minimum, the available courses should cover personal finance, budgeting, credit and debt management, insurance, credit reports and credit scores, investing, financing higher education, banking, taxes, fraud awareness and consumer protection, savings, credit cards, and loan basics. There is a strong preference for a program that can provide as many course topics as possible. There is a strong preference for a program that has a proven record to drive participation and ongoing engagement.

The program must meet the financial literacy standards set by the Iowa Department of Education and include an outreach program to interact with schools.

This Contract will be funded by the Division’s investor education funds.

## SECTION 5 EVALUATION AND SELECTION

### 5.1 Introduction

This section describes the evaluation process that will be used to determine which Proposal(s) provides the greatest benefit to the State. Agency will not necessarily award the Contract to the Respondent offering the lowest cost to the Agency. Instead, the Agency will award to the Respondent whose Responsive Proposal the Agency believes will provide the best value to the State.

### 5.2 Evaluation Committee

The Agency will conduct a comprehensive, fair, and impartial evaluation of Proposals received in response to this RFP. The Agency will use an evaluation committee to review and evaluate the Technical Proposals. The evaluation committee will recommend an award based on the results of their evaluation to the Agency or to such other person or entity who must approve the recommendation.

### 5.3 Technical Proposal Evaluation and Scoring

All Technical Proposals will be evaluated to determine if they comply with the Mandatory Specifications. The evaluation committee will fully evaluate and score all Responsive Proposals submitted by Responsible Respondents in accordance with this Section. In addition to other RFP requirements, to be deemed a Responsive Proposal, the Technical Proposal must:

- Answer “Yes” to all parts of Section 4.1 and include supportive materials as required to demonstrate the Respondent will be able to comply with the Mandatory Specifications (Pass/Fail) in that section and
- Obtain the minimum score for the Technical Proposal.

An addendum identifying the points assigned to the Scored Technical Specifications and the Cost Proposal and the minimum required Scored Technical score will be posted prior to the RFP closing.

### 5.4 Cost Proposal Scoring

**5.4.1** The Cost Proposals will remain sealed during the evaluation of the Technical Proposals and any demonstrations/presentations. Only prospective Respondents who obtain the minimum score for their Technical Proposal will be considered during the cost evaluation phase of the review process. When a Technical Proposal does not meet the minimum score, the associated Cost Proposal will remain unopened. After the Technical Proposals are evaluated and scored, the Cost Proposals will be opened and scored.

**5.4.2** The cost proposal for each respondent will be evaluated in comparison with the other cost proposals received; however, the number of points possible will be proportional to each respondent’s technical evaluation score. The technical evaluation points received (numerator) is divided by the technical evaluation points possible (denominator) and multiplied by the maximum number of points in the cost evaluation. This provides the total points possible for the respondent in the cost evaluation.

$$\text{Points Possible for Respondent} = \frac{\text{Technical Evaluation Points Received}}{\text{Technical Evaluation Points Possible}} \times \text{Maximum Points in Cost Evaluation}$$

The lowest cost proposal (numerator) is divided by the cost proposal being evaluated (denominator) and multiplied by the points possible for the respondent. This provides the cost evaluation points awarded.

$$\text{Cost Evaluation Points Awarded} = \frac{\text{Lowest Cost Proposal Received}}{\text{Cost Proposal Being Evaluated}} \times \text{Points Possible for Respondent}$$

For example, suppose there are 10 maximum points in the cost evaluation. A respondent that receives 100% of the points possible in the technical evaluation has the opportunity to earn 100% of the points possible in the cost evaluation (e.g., 10 points). If the cost proposal is the lowest cost, the full 10 points will be awarded.

However, a respondent that receives only 50% of the points possible in the technical evaluation has the opportunity to earn only 50% of the points possible in the cost evaluation (e.g., 5 points). If the cost proposal is the lowest cost, only 5 points are awarded, compared to the 10 points that could have been awarded if the respondent had received the highest technical evaluation score.

- 5.4.3** Cost proposals will be evaluated by calculating the total cost for the first three years with a baseline of 200 schools and 15,000 students per year.

## **5.5 Total Score**

The compliant Respondent's Technical Proposal points will be added to its Cost Proposal points to obtain the total points awarded for the Proposal.

## **5.6 Tied Score and Preferences**

- 5.6.1** An award shall be determined by a drawing when responses are received that are equal in all respects and tied in price. Whenever it is practical to do so, the drawing will be held in the presence of the Respondents who are tied in price. Otherwise the drawing will be made in front of at least three non-interested parties. All drawings shall be documented.
- 5.6.2** Notwithstanding the foregoing, if a tied score involves an Iowa-based Respondent or products produced within the State of Iowa and a Respondent based or products produced outside the State of Iowa, the Iowa Respondent will receive preference. If a tied score involves one or more Iowa Respondents and one or more Respondents outside the state of Iowa, a drawing will be held among the Iowa Respondents only.
- 5.6.3** In the event of a tied score between Iowa Respondents, the Agency shall contact the Iowa Employer Support of the Guard and Reserve (ESGR) committee for confirmation and verification as to whether the Respondents have complied with ESGR standards. Preference, in the case of a tied score, shall be given to Iowa Respondents complying with ESGR standards.
- 5.6.4** Second preference in tied scores will be given to Respondents based in the United States or products produced in the United States over Respondents based or products produced outside the United States.
- 5.6.5** Preferences required by applicable statute or rule shall also be applied, where appropriate.

## SECTION 6 CONTRACT TERMS AND CONDITIONS

### 6.1 Contract Terms and Conditions

The Contract that the Agency expects to award as a result of this RFP shall comprise the specifications, terms and conditions of the RFP, written clarifications or changes made by the Agency to the RFP through an amendment to the RFP in accordance with the provisions of the RFP, the General Terms and Conditions, the offer of the successful Respondent contained in its Proposal, and any other terms deemed necessary by the Agency. No objection or amendment by a Respondent to the provisions or terms and conditions of the RFP or the General Terms and Conditions shall be incorporated into the Contract unless Agency has explicitly accepted the Respondent's objection or amendment in writing.

The Contract terms and conditions in this Section 6 and to the extent referenced and linked to on the RFP cover page, and/or any Terms and Conditions attached to and accompanying this RFP as an attachment hereto will be incorporated into the Contract. The Terms and Conditions may be supplemented at the time of contract execution and are provided to enable Respondents to better evaluate the costs associated with the RFP specifications and the Contract. All costs associated with complying with these specifications should be included in any pricing quoted by the Respondent.

**By submitting a Proposal, Respondent acknowledges its acceptance of the terms and conditions of the RFP and the General Terms and Conditions without change except as otherwise expressly stated in its Proposal. If the Respondent takes exception to a provision, it must identify it by page and section number, state the reason for the exception, and set forth in its Proposal the specific RFP or Terms and Conditions language it proposes to include in place of the provision. If Respondent's exceptions or proposed responses materially alter the RFP, or if the Respondent submits its own terms and conditions or otherwise fails to follow the process described herein, the Agency may reject the Proposal, in its sole discretion.**

The Agency reserves the right to either award a Contract(s) without further negotiation with the successful Respondent or to negotiate Contract terms with the successful Respondent if the best interests of the State would be served.

Any ambiguity, vagueness, inconsistency or conflict, either internal to such modification(s) or arising when read in conjunction with other portions of the Contract, shall be construed strictly in favor of the State. Only those proposed modifications identified in the Notice of Intent to Award issued by the Agency as terms and conditions with which the agency will or will not agree or further negotiate shall be part of the Contract, and the State may ignore all proposed modifications, accept one or more and ignore others, accept all or, through negotiations after an award, agree to compromise language concerning one or more proposed modifications to be incorporated into a final Contract between the parties. By executing and submitting its Proposal in response to this RFP, Respondent understands and agrees that the State may exercise its discretion not to consider any or all proposed modifications Respondent may request and may accept Respondent's proposal under the terms and conditions of this RFP and the General Terms and Conditions for Services.

### 6.2 Contractual Terms and Conditions – No Material Changes/Non-Negotiable

Notwithstanding anything in this RFP to the contrary, Respondent may not take exception to or propose including language in any resulting contract that conflicts with or is otherwise inconsistent with the following:

**6.2.1 Indemnification**

Without specific authority to do so, the State, or agencies, cannot enter into agreements indemnifying Respondents, or any other entity, against third-party claims. A clause that intends to seek indemnification from the State, whether or not the clause contains the words “indemnity” or “indemnify,” are not clauses to which the State may agree. The State will not agree to clause that includes the language “to the extent permitted by law” because, as explained, the State cannot indemnify Respondents to any extent.

**6.2.2 Limitation of Liability**

Iowa Code section 8A.311(22) and 11 Iowa Administrative Code chapter 120 establish the rules to allow for the State to agree to a contractual limitation of vendor liability clause in limited circumstances. Any request by Respondent for the State to limit damages not in accordance with Iowa law or administrative rules is a request with which the State cannot agree.

**6.2.3 Jurisdiction and Venue**

Iowa Code chapter 13 establishes that the Iowa Attorney General is the State’s attorney for all purposes, including management of litigation and claims against the state. The State may not preempt the Attorney General’s authority by agreeing in advance to control the way litigation may be managed in the event of a dispute. Likewise, the State cannot agree to the jurisdiction or laws of another state or its courts, cannot agree to venue in another state, and cannot agree to participate in any form of alternative dispute resolution.

**6.2.4 Confidentiality**

All Iowa state agencies are subject to Iowa public records laws. The State cannot agree to contractual terms that attempt to prevent it from disclosing or disseminating records that constitute public records under Iowa Code chapter 22.

**6.2.5 Unliquidated Expenses (i.e., Attorney Fees, Add-ons, or Cost Increases)**

The State may not agree to clauses which may obligate it to pay for claims that might exceed its current funding appropriation. The State may only obligate those funds that have been appropriated to it by the Iowa Legislative Assembly and may only obligate those funds for the purposes for which the funds were appropriated.

**6.3 Contract Length**

The term of the Contract will begin and end on the dates indicated on the RFP cover sheet. The Agency shall have the sole option to renew the Contract upon the same or more favorable terms and conditions for up to the number of annual extensions identified on the RFP cover sheet.

**6.4 Insurance**

The Contract will require the successful Respondent to maintain insurance coverage(s) in accordance with the insurance provisions of the General Terms and Conditions and of the type and in the minimum amounts set forth below, unless otherwise required by the Agency.

| Type of Insurance  | LIMIT  | AMOUNT   |
|--|--|--|
| General Liability (including contractual liability) written on an occurrence basis | General Aggregate<br>Products –<br>Comp/Op Aggregate<br>Personal injury<br>Each Occurrence | \$2 million<br><br>\$1 Million<br>\$1 Million<br>\$1 Million |

| <b>Type of Insurance</b>  | <b>LIMIT</b>                 | <b>AMOUNT</b>              |
|---|------------------------------|----------------------------|
| Automobile Liability (including contractual liability) written on an occurrence basis | Combined single limit        | \$1 Million                |
| Excess Liability, Umbrella Form   | Each Occurrence<br>Aggregate | \$1 Million<br>\$1 Million |
| Errors and Omissions Insurance  | Each Occurrence              | \$1 Million                |
| Property Damage   | Each Occurrence<br>Aggregate | \$1 Million<br>\$1 Million |
| Workers Compensation and Employer Liability   | As required by Iowa law      | As required by Iowa law    |

Acceptance of the insurance certificates by the Department shall not act to relieve Contractor of any obligation under this Contract. It shall be the responsibility of Contractor to keep the respective insurance policies and coverages current and in force during the life of this Contract. Contractor shall be responsible for all premiums, deductibles and for any inadequacy, absence or limitation of coverage, and the Contractor shall have no claim or other recourse against the State or the Department for any costs or loss attributable to any of the foregoing, all of which shall be borne solely by the Contractor. Notwithstanding any other provision of this Contract, Contractor shall be fully responsible and liable for meeting and fulfilling all of its obligations under this section of the Contract.

**6.5 Order of Precedence**

If there is a conflict or inconsistency between any documents comprising the Terms and Conditions, such conflict or inconsistency shall be resolved according to the following priority, ranked in descending order: (1) any terms and conditions specifically set forth in this Section 6 (Contract Terms and Conditions & Administration) under a subsection with a heading entitled Special Terms & Conditions; (2) the General Terms and Conditions for Services Contracts or Goods Contracts to the extent referenced and linked to on the RFP cover page the Contract; (3) if neither the General Terms and Conditions for Service Contracts or Goods Contracts are linked to on the RFP cover page, any terms and conditions attached to and accompanying this RFP; and (4) any terms and conditions specifically set forth in this Section 6 (Contract Terms and Conditions & Administration) set forth under a subsection with a title other than Special Terms & Conditions.

5. No relationship exists or will exist during the contract period between Respondent and the Agency or any other State agency that interferes with fair competition or constitutes a conflict of interest.

**Certification Regarding Debarment**

I certify that, to the best of my knowledge, neither Respondent nor any of its principals: (a) are presently or have been debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by a Federal Agency or State Agency; (b) have within a three year period preceding this Proposal been convicted of, or had a civil judgment rendered against them for commission of fraud, a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract under a public transaction, violation of antitrust statutes; commission of embezzlement, theft, forgery, falsification or destruction of records, making false statements, or receiving stolen property; (c) are presently indicted for or criminally or civilly charged by a government entity (federal, state, or local) with the commission of any of the offenses enumerated in (b) of this certification; and (d) have not within a three year period preceding this Proposal had one or more public transactions (federal, state, or local) terminated for cause.

This certification is a material representation of fact upon which the Agency has relied upon when this transaction was entered into. If it is later determined that Respondent knowingly rendered an erroneous certification, in addition

to other remedies available, the Agency may pursue available remedies including suspension, debarment, or termination of the contract.

**Certification Regarding Registration, Collection, and Remission of Sales and Use Tax**

Pursuant to *Iowa Code sections 423.2(10) and 423.5(4) (2016)* a retailer in Iowa or a retailer maintaining a business in Iowa that enters into a contract with a state agency must register, collect, and remit Iowa sales tax and Iowa use tax levied under *Iowa Code chapter 423* on all sales of tangible personal property and enumerated services. The Act also requires Respondents to certify their compliance with sales tax registration, collection, and remission requirements and provides potential consequences if the certification is false or fraudulent.

By submitting a Proposal in response to the (RFP), the Respondent certifies the following: (check the applicable box)

- Respondent is registered with the Iowa Department of Revenue, collects, and remits Iowa sales and use taxes as required by *Iowa Code Chapter 423*; or
  
- Respondent is not a “retailer” or a “retailer maintaining a place of business in this state” as those terms are defined in *Iowa Code subsections 423.1(47) and (48)(2016)*.

Respondent also acknowledges that the Agency may declare the Respondent’s Proposal or resulting contract void if the above certification is false. The Respondent also understands that fraudulent certification may result in the Agency or its representative filing for damages for breach of contract in addition to other remedies available to Agency.

Sincerely,

***THIS FORM 22 (FORM) MUST BE COMPLETED AND INCLUDED WITH YOUR PROPOSAL. THIS FORM 22 IS REQUIRED WHETHER THE PROPOSAL DOES OR DOES NOT CONTAIN INFORMATION FOR WHICH CONFIDENTIAL TREATMENT WILL BE REQUESTED. FAILURE TO SUBMIT A COMPLETED FORM 22 WILL RESULT IN THE PROPOSAL TO BE CONSIDERED NON-RESPONSIVE AND ELIMINATED FROM EVALUATION. COMPLETE PART 1 OF THIS FORM 22 IF PROPOSAL DOES NOT CONTAIN CONFIDENTIAL INFORMATION. COMPLETE PART 2 OF THIS FORM 22 IF PROPOSAL DOES CONTAIN CONFIDENTIAL INFORMATION.***

**1. Confidential Treatment Is Not Requested**

A Respondent not requesting confidential treatment of information contained in its Proposal shall complete Part 1 of Form 22 and submit a signed Form 22 Part 1 with the Proposal.

**2. Confidential Treatment of Information is Requested**

A Respondent requesting confidential treatment of specific information shall: (1) fully complete and sign Part 2 of Form 22, (2) conspicuously mark the outside of its Proposal as containing confidential information, (3) mark each page upon which the Respondent believes confidential information appears **and CLEARLY IDENTIFY EACH ITEM for which confidential treatment is requested; MARKING A PAGE IN THE PAGE MARGIN IS NOT SUFFICIENT IDENTIFICATION**, and (4) submit a “Public Copy” from which the confidential information has been excised.

Form 22 will not be considered fully complete unless, for each confidentiality request, the Respondent: (1) enumerates the specific grounds in Iowa Code Chapter 22 or other applicable law that supports treatment of the information as confidential, (2) justifies why the information should be maintained in confidence, (3) explains why disclosure of the information would not be in the best interest of the public, and (4) sets forth the name, address, telephone, and e-mail for the person authorized by Respondent to respond to inquiries by the Agency concerning the confidential status of such information.

**The Public Copy from which confidential information has been excised is in addition to the number of copies requested in Section 3 of this RFP.** The confidential information must be excised in such a way as to allow the public to determine the general nature of the information removed and to retain as much of the Proposal as possible.

**Failure to request information be treated as confidential as specified herein shall relieve Agency and State personnel from any responsibility for maintaining the information in confidence. Respondents may not request confidential treatment with respect to pricing information and transmittal letters. A Respondent’s request for confidentiality that does not comply with this form or a Respondent’s request for confidentiality on information or material that cannot be held in confidence as set forth herein are grounds for rejecting Respondent’s Proposal as non-responsive. Requests to maintain an entire Proposal as confidential will be rejected as non-responsive.**

If Agency receives a request for information that Respondent has marked as confidential and if a judicial or administrative proceeding is initiated to compel the release of such information, Respondent shall, at its sole expense, appear in such action and defend its request for confidentiality. If Respondent fails to do so, Agency may release the information or material with or without providing advance notice to Respondent and with or without affording Respondent the opportunity to obtain an order restraining its release from a court possessing competent jurisdiction. Additionally, if Respondent fails to comply with the request process set forth herein, if Respondent’s request for confidentiality is unreasonable, or if Respondent rescinds its request for confidential treatment, Agency may release such information or material with or without providing advance notice to Respondent and with or without affording Respondent the opportunity to obtain an order restraining its release from a court possessing competent jurisdiction.
