Such notice shall be delivered or mailed certified-return receipt and shall make a specific reference to this article, thereby invoking its provisions. The delayed party shall cause such delay to cease as soon as practicable and shall notify the other party in writing when it has done so. The time of completion shall be extended by Contract Amendment for a period of time equal to the time that results or effects of such delay prevent the delayed party from performing in accordance with this Contract.

6.4.4. Any delay or failure in performance by either party hereto shall not constitute default hereunder or give rise to any claim for damages or loss of anticipated profits if, and to the extent that such delay or failure is caused by force majeure.

6.5. Third Party Antitrust Violations. The Contractor assigns to the State any claim for overcharges resulting from antitrust violations to the extent that those violations concern Materials or Services supplied by third parties to the Contractor, toward fulfillment of this Contract.

 - 7.3.1.3. Conform to or perform in a manner consistent with current industry standards; and

- 7.3.2. Mere delivery or performance does not substitute for express acceptance by the State. Where inspection, testing, or other acceptance assessment of Materials or Services cannot be done until after installation or invoicing, the forgoing warranty will not begin until State's explicit acceptance of the Materials or Services.
- 7.4. Inspection/Testing. The warranties set forth in this Section 7 [Warranties] are not affected by inspection or testing of or payment for the Materials or Services by the State.
- 7.5. Contractor Personnel. Contractor warrants that its personnel will perform their duties under the Contract in a professional manner, applying the requisite skills and knowledge, consistent with industry standards, and in accordance with the requirements of the Contract. This requirement includes, but is not limited to, any and all Arizona state statutes that impact state contracts, regardless of whether those statutory references have been removed during the course of contract negotiations; this is notice to Contractors that the State does not have the authority to modify Arizona state law by contract.
- 7.7. Intellectual Property. Contractor warrants that the Materials and Services do not and will not infringe or violate any patent, trademark, copyright, trade secret, or other intellectual property rights or laws, except only to the extent the Specifications do not permit use of any other product and Contractor is not and cannot reasonably be expected to be aware of the infringement or violation.

If Contractor claims relief under paragraph 6.4 [Force Majeure] for an occurrence of force majeure that is a declared public health emergency, then that relief will be conditioned on Contractor having first implemented its plan and exhausted all reasonable opportunity for that plan implementation to overcome the effects of that occurrence, or mitigate those effects to the extent that overcoming entirely is not practicable.

7.10.3. A request from the State related to this paragraph 7.10 does not necessarily indicate that there has been an occurrence of force majeure, and the Contractor will not be entitled to any additional compensation or extension of time by virtue of having to implement a plan.

7.10.4. Failure to have or implement an appropriate plan will be a material breach of contract.

7.11. Lobbying

7.11.1. Prohibition. Contractor warrants that it will not engage in lobbying activities, as defined in 40 Code of Federal Regulations (CFR) part 34 and A.R.S. § 41-1231, *et seq.*, using monies awarded under the Contract, provided that, the foregoing does not intend to constrain Contractor's use of its own monies or property, including without limitation any net proceeds duly realized under the Contract or any value thereafter derived from those proceeds; and upon award of the Contract, it will disclose all lobbying activities to State to the extent they are an actual or potential conflict of interest or where such activities could create an appearance of impropriety. Contractor shall implement and maintain adequate controls to assure compliance with above. Contractor shall obtain an equivalent warranty from all Subcontractors and shall include an equivalent no-lobbying provision in all Subcontracts.

Furthermore, the CONTRACTOR intentionally, voluntarily, and knowingly assumes the sole and entire liability to the CONTRACTOR'S employees and agents, and to any individual not a party to this Contract, for all loss, damage, or injury caused by the CONTRACTOR, or the CONTRACTOR'S employees or agents in the course of their employment.
 - d. The CONTRACTOR shall be responsible for payment of all applicable federal, state, and county taxes and fees which may become due and owing by the CONTRACTOR by reason of this Contract, including but not limited to (i) income taxes, (ii) employment related fees, assessments, and taxes, and (iii) general excise taxes. Notwithstanding the provisions of subparagraphs 6a through 6c herein, when the CONTRACTOR holds contracts with more than one purchasing agency of the State, the assignment contracts and the novation and change of name amendments herein authorized shall be processed only through the CPO's office.
7. Indemnification and Defense. The CONTRACTOR shall defend, indemnify, and hold harmless the State of Hawaii, the contracting agency, and their officers, employees, and agents from and against all liability, loss, damage, cost, and expense, including all attorneys' fees, and all claims, suits, and demands therefore, arising out of or resulting from the acts or omissions of the CONTRACTOR or the CONTRACTOR'S employees, officers, agents, or subcontractors under this Contract. The provisions of this paragraph shall remain in full force and effect notwithstanding the expiration or early termination of this Contract.
 8. Cost of Litigation. In case the STATE shall, without any fault on its part, be made a party to any litigation commenced by or against the CONTRACTOR in connection with this Contract, the CONTRACTOR shall pay all costs and expenses incurred by or imposed on the STATE, including attorneys' fees.
 9. Liquidated Damages. When the CONTRACTOR is given notice of delay or nonperformance as specified in paragraph 13 (Termination for Default) and fails to cure in the time specified, it is agreed the CONTRACTOR shall pay to the STATE the amount, if any, set forth in this Contract per calendar day from the date set for cure until either (i) the STATE reasonably obtains similar goods or services, or both, if the CONTRACTOR is terminated for default, or (ii) until the CONTRACTOR provides the goods or services, or both, if the CONTRACTOR is not terminated for default. To the extent that the CONTRACTOR'S delay or nonperformance is excused under paragraph 13d (Excuse for Nonperformance or Delay Performance), liquidated damages shall not be assessable against the CONTRACTOR. The CONTRACTOR remains liable for damages caused other than by delay.
 10. STATE'S Right of Offset. The STATE may offset against any monies or other obligations the STATE owes to the CONTRACTOR under this Contract, any amounts owed to the State of Hawaii by the CONTRACTOR under this Contract or any other contracts, or pursuant to any law or other obligation owed to the State of Hawaii by the CONTRACTOR, including, without limitation, the payment of any taxes or levies of any kind or nature. The STATE will notify the CONTRACTOR in writing of any offset and the nature of such offset. For purposes of this paragraph, amounts owed to the State of Hawaii shall not include debts or obligations which have been liquidated, agreed to by the CONTRACTOR, and are covered by an installment payment or other settlement plan approved by the State of Hawaii, provided, however, that the CONTRACTOR shall be entitled to such exclusion only to the extent that the CONTRACTOR is current with, and not delinquent on, any payments or obligations owed to the State of Hawaii under such payment or other settlement plan.
 11. Disputes. Disputes shall be resolved in accordance with section 103D-703, HRS, and chapter 3-126, Hawaii Administrative Rules ("HAR"), as the same may be amended from time to time.
 12. Suspension of Contract. The STATE reserves the right at any time and for any reason to suspend this Contract for any reasonable period, upon written notice to the CONTRACTOR in accordance with the provisions herein.
 - a. Order to stop performance. The Agency procurement officer may, by written order to the CONTRACTOR, at any time, and without notice to any surety, require the CONTRACTOR to stop all or any part of the performance called for by this Contract. This order shall be for a specified

period not exceeding sixty (60) days after the order is delivered to the CONTRACTOR, unless the parties agree to any further period. Any such order shall be identified specifically as a stop performance order issued pursuant to this section. Stop performance orders shall include, as appropriate: (1) A clear description of the work to be suspended; (2) Instructions as to the issuance of further orders by the CONTRACTOR for material or services; (3) Guidance as to action to be taken on subcontracts; and (4) Other instructions and suggestions to the CONTRACTOR for minimizing costs. Upon receipt of such an order, the CONTRACTOR shall forthwith comply with its terms and suspend all performance under this Contract at the time stated, provided, however, the CONTRACTOR shall take all reasonable steps to minimize the occurrence of costs allocable to the performance covered by the order during the period of performance stoppage. Before the stop performance order expires, or within any further period to which the parties shall have agreed, the Agency procurement officer shall either:

- (1) Cancel the stop performance order; or
 - (2) Terminate the performance covered by such order as provided in the termination for default provision or the termination for convenience provision of this Contract.
- b. Cancellation or expiration of the order. If a stop performance order issued under this section is cancelled at any time during the period specified in the order, or if the period of the order or any extension thereof expires, the CONTRACTOR shall have the right to resume performance. An appropriate adjustment shall be made in the delivery schedule or contract price, or both, and the Contract shall be modified in writing accordingly, if:
- (1) The stop performance order results in an increase in the time required for, or in the CONTRACTOR'S cost properly allocable to, the performance of any part of this Contract; and
 - (2) The CONTRACTOR asserts a claim for such an adjustment within thirty (30) days after the end of the period of performance stoppage; provided that, if the Agency procurement officer decides that the facts justify such action, any such claim asserted may be received and acted upon at any time prior to final payment under this Contract.
- c. Termination of stopped performance. If a stop performance order is not cancelled and the performance covered by such order is terminated for default or convenience, the reasonable costs resulting from the stop performance order shall be allowable by adjustment or otherwise.
- d. Adjustment of price. Any adjustment in contract price made pursuant to this paragraph shall be determined in accordance with the price adjustment provision of this Contract.

13. Termination for Default.

- a. Default. If the CONTRACTOR refuses or fails to perform any of the provisions of this Contract with such diligence as will ensure its completion within the time specified in this Contract, or any extension thereof, otherwise fails to timely satisfy the Contract provisions, or commits any other substantial breach of this Contract, the Agency procurement officer may notify the CONTRACTOR in writing of the delay or non-performance and if not cured in ten (10) days or any longer time specified in writing by the Agency procurement officer, such officer may terminate the CONTRACTOR'S right to proceed with the Contract or such part of the Contract as to which there has been delay or a failure to properly perform. In the event of termination in whole or in part, the Agency procurement officer may procure similar goods or services in a manner and upon the terms deemed appropriate by the Agency procurement officer. The CONTRACTOR shall continue performance of the Contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.
- b. CONTRACTOR'S duties. Notwithstanding termination of the Contract and subject to any directions from the Agency procurement officer, the CONTRACTOR shall take timely, reasonable, and

necessary action to protect and preserve property in the possession of the CONTRACTOR in which the STATE has an interest.

- c. Compensation. Payment for completed goods and services delivered and accepted by the STATE shall be at the price set forth in the Contract. Payment for the protection and preservation of property shall be in an amount agreed upon by the CONTRACTOR and the Agency procurement officer. If the parties fail to agree, the Agency procurement officer shall set an amount subject to the CONTRACTOR'S rights under chapter 3-126, HAR. The STATE may withhold from amounts due the CONTRACTOR such sums as the Agency procurement officer deems to be necessary to protect the STATE against loss because of outstanding liens or claims and to reimburse the STATE for the excess costs expected to be incurred by the STATE in procuring similar goods and services.
- d. Excuse for nonperformance or delayed performance. The CONTRACTOR shall not be in default by reason of any failure in performance of this Contract in accordance with its terms, including any failure by the CONTRACTOR to make progress in the prosecution of the performance hereunder which endangers such performance, if the CONTRACTOR has notified the Agency procurement officer within fifteen (15) days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of a public enemy; acts of the State and any other governmental body in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, the CONTRACTOR shall not be deemed to be in default, unless the goods and services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit the CONTRACTOR to meet the requirements of the Contract. Upon request of the CONTRACTOR, the Agency procurement officer shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, the CONTRACTOR'S progress and performance would have met the terms of the Contract, the delivery schedule shall be revised accordingly, subject to the rights of the STATE under this Contract. As used in this paragraph, the term "subcontractor" means subcontractor at any tier.
- e. Erroneous termination for default. If, after notice of termination of the CONTRACTOR'S right to proceed under this paragraph, it is determined for any reason that the CONTRACTOR was not in default under this paragraph, or that the delay was excusable under the provisions of subparagraph 13d, "Excuse for nonperformance or delayed performance," the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to paragraph 14.
- f. Additional rights and remedies. The rights and remedies provided in this paragraph are in addition to any other rights and remedies provided by law or under this Contract.

14. Termination for Convenience.

- a. Termination. The Agency procurement officer may, when the interests of the STATE so require, terminate this Contract in whole or in part, for the convenience of the STATE. The Agency procurement officer shall give written notice of the termination to the CONTRACTOR specifying the part of the Contract terminated and when termination becomes effective.
- b. CONTRACTOR'S obligations. The CONTRACTOR shall incur no further obligations in connection with the terminated performance and on the date(s) set in the notice of termination the CONTRACTOR will stop performance to the extent specified. The CONTRACTOR shall also terminate outstanding orders and subcontracts as they relate to the terminated performance. The CONTRACTOR shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated performance subject to the STATE'S approval. The Agency procurement officer may direct the CONTRACTOR to assign the CONTRACTOR'S right, title, and interest under terminated orders or subcontracts to the STATE. The CONTRACTOR must still complete the performance not terminated by the notice of termination and may incur obligations as necessary to do so.

- c. Right to goods and work product. The Agency procurement officer may require the CONTRACTOR to transfer title and deliver to the STATE in the manner and to the extent directed by the Agency procurement officer:
- (1) Any completed goods or work product; and
 - (2) The partially completed goods and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (hereinafter called "manufacturing material") as the CONTRACTOR has specifically produced or specially acquired for the performance of the terminated part of this Contract.

The CONTRACTOR shall, upon direction of the Agency procurement officer, protect and preserve property in the possession of the CONTRACTOR in which the STATE has an interest. If the Agency procurement officer does not exercise this right, the CONTRACTOR shall use best efforts to sell such goods and manufacturing materials. Use of this paragraph in no way implies that the STATE has breached the Contract by exercise of the termination for convenience provision.

d. Compensation.

- (1) The CONTRACTOR shall submit a termination claim specifying the amounts due because of the termination for convenience together with the cost or pricing data, submitted to the extent required by chapter 3-122, HAR, bearing on such claim. If the CONTRACTOR fails to file a termination claim within one year from the effective date of termination, the Agency procurement officer may pay the CONTRACTOR, if at all, an amount set in accordance with subparagraph 14d(3) below.
- (2) The Agency procurement officer and the CONTRACTOR may agree to a settlement provided the CONTRACTOR has filed a termination claim supported by cost or pricing data submitted as required and that the settlement does not exceed the total Contract price plus settlement costs reduced by payments previously made by the STATE, the proceeds of any sales of goods and manufacturing materials under subparagraph 14c, and the Contract price of the performance not terminated.
- (3) Absent complete agreement under subparagraph 14d(2) the Agency procurement officer shall pay the CONTRACTOR the following amounts, provided payments agreed to under subparagraph 14d(2) shall not duplicate payments under this subparagraph for the following:
 - (A) Contract prices for goods or services accepted under the Contract;
 - (B) Costs incurred in preparing to perform and performing the terminated portion of the performance plus a fair and reasonable profit on such portion of the performance, such profit shall not include anticipatory profit or consequential damages, less amounts paid or to be paid for accepted goods or services; provided, however, that if it appears that the CONTRACTOR would have sustained a loss if the entire Contract would have been completed, no profit shall be allowed or included and the amount of compensation shall be reduced to reflect the anticipated rate of loss;
 - (C) Costs of settling and paying claims arising out of the termination of subcontracts or orders pursuant to subparagraph 14b. These costs must not include costs paid in accordance with subparagraph 14d(3)(B);
 - (D) The reasonable settlement costs of the CONTRACTOR, including accounting, legal, clerical, and other expenses reasonably necessary for the preparation of settlement claims and supporting data with respect to the terminated portion of the Contract and for the termination of subcontracts thereunder, together with reasonable storage, transportation, and other costs incurred in connection with the protection or disposition of property allocable to the terminated portion of this Contract. The total sum to be paid the CONTRACTOR under this subparagraph shall not exceed the

total Contract price plus the reasonable settlement costs of the CONTRACTOR reduced by the amount of payments otherwise made, the proceeds of any sales of supplies and manufacturing materials under subparagraph 14d(2), and the contract price of performance not terminated.

- (4) Costs claimed, agreed to, or established under subparagraphs 14d(2) and 14d(3) shall be in accordance with Chapter 3-123 (Cost Principles) of the Procurement Rules.

15. Claims Based on the Agency Procurement Officer's Actions or Omissions.

a. Changes in scope. If any action or omission on the part of the Agency procurement officer (which term includes the designee of such officer for purposes of this paragraph 15) requiring performance changes within the scope of the Contract constitutes the basis for a claim by the CONTRACTOR for additional compensation, damages, or an extension of time for completion, the CONTRACTOR shall continue with performance of the Contract in compliance with the directions or orders of such officials, but by so doing, the CONTRACTOR shall not be deemed to have prejudiced any claim for additional compensation, damages, or an extension of time for completion; provided:

- (1) Written notice required. The CONTRACTOR shall give written notice to the Agency procurement officer:

(A) Prior to the commencement of the performance involved, if at that time the CONTRACTOR knows of the occurrence of such action or omission;

(B) Within thirty (30) days after the CONTRACTOR knows of the occurrence of such action or omission, if the CONTRACTOR did not have such knowledge prior to the commencement of the performance; or

(C) Within such further time as may be allowed by the Agency procurement officer in writing.

- (2) Notice content. This notice shall state that the CONTRACTOR regards the act or omission as a reason which may entitle the CONTRACTOR to additional compensation, damages, or an extension of time. The Agency procurement officer, upon receipt of such notice, may rescind such action, remedy such omission, or take such other steps as may be deemed advisable in the discretion of the Agency procurement officer;

- (3) Basis must be explained. The notice required by subparagraph 15a(1) describes as clearly as practicable at the time the reasons why the CONTRACTOR believes that additional compensation, damages, or an extension of time may be remedies to which the CONTRACTOR is entitled; and

- (4) Claim must be justified. The CONTRACTOR must maintain and, upon request, make available to the Agency procurement officer within a reasonable time, detailed records to the extent practicable, and other documentation and evidence satisfactory to the STATE, justifying the claimed additional costs or an extension of time in connection with such changes.

b. CONTRACTOR not excused. Nothing herein contained, however, shall excuse the CONTRACTOR from compliance with any rules or laws precluding any state officers and CONTRACTOR from acting in collusion or bad faith in issuing or performing change orders which are clearly not within the scope of the Contract.

c. Price adjustment. Any adjustment in the price made pursuant to this paragraph shall be determined in accordance with the price adjustment provision of this Contract.

16. Costs and Expenses. Any reimbursement due the CONTRACTOR for per diem and transportation expenses under this Contract shall be subject to chapter 3-123 (Cost Principles), HAR, and the following guidelines:

- a. Reimbursement for air transportation shall be for actual cost or coach class air fare, whichever is less.
- b. Reimbursement for ground transportation costs shall not exceed the actual cost of renting an intermediate-sized vehicle.
- c. Unless prior written approval of the HOPA is obtained, reimbursement for subsistence allowance (i.e., hotel and meals, etc.) shall not exceed the applicable daily authorized rates for inter-island or out-of-state travel that are set forth in the current Governor's Executive Order authorizing adjustments in salaries and benefits for state officers and employees in the executive branch who are excluded from collective bargaining coverage.

17. Payment Procedures; Final Payment; Tax Clearance.

- a. Original invoices required. All payments under this Contract shall be made only upon submission by the CONTRACTOR of original invoices specifying the amount due and certifying that services requested under the Contract have been performed by the CONTRACTOR according to the Contract.
- b. Subject to available funds. Such payments are subject to availability of funds and allotment by the Director of Finance in accordance with chapter 37, HRS. Further, all payments shall be made in accordance with and subject to chapter 40, HRS.
- c. Prompt payment.
 - (1) Any money, other than retainage, paid to the CONTRACTOR shall be disbursed to subcontractors within ten (10) days after receipt of the money in accordance with the terms of the subcontract; provided that the subcontractor has met all the terms and conditions of the subcontract and there are no bona fide disputes; and
 - (2) Upon final payment to the CONTRACTOR, full payment to the subcontractor, including retainage, shall be made within ten (10) days after receipt of the money; provided that there are no bona fide disputes over the subcontractor's performance under the subcontract.
- d. Final payment. Final payment under this Contract shall be subject to sections 103-53 and 103D-328, HRS, which require a tax clearance from the Director of Taxation, State of Hawaii, and the Internal Revenue Service, U.S. Department of Treasury, showing that all delinquent taxes, if any, levied or accrued under state law and the Internal Revenue Code of 1986, as amended, against the CONTRACTOR have been paid. Further, in accordance with section 3-122-112, HAR, CONTRACTOR shall provide a certificate affirming that the CONTRACTOR has remained in compliance with all applicable laws as required by this section.

18. Federal Funds. If this Contract is payable in whole or in part from federal funds, CONTRACTOR agrees that, as to the portion of the compensation under this Contract to be payable from federal funds, the CONTRACTOR shall be paid only from such funds received from the federal government, and shall not be paid from any other funds. Failure of the STATE to receive anticipated federal funds shall not be considered a breach by the STATE or an excuse for nonperformance by the CONTRACTOR.

19. Modifications of Contract.

- a. In writing. Any modification, alteration, amendment, change, or extension of any term, provision, or condition of this Contract permitted by this Contract shall be made by written amendment to this Contract, signed by the CONTRACTOR and the STATE, provided that change orders shall be made in accordance with paragraph 20 herein.
- b. No oral modification. No oral modification, alteration, amendment, change, or extension of any term, provision, or condition of this Contract shall be permitted.

- c. Agency procurement officer. By written order, at any time, and without notice to any surety, the Agency procurement officer may unilaterally order of the CONTRACTOR:
- (A) Changes in the work within the scope of the Contract; and
 - (B) Changes in the time of performance of the Contract that do not alter the scope of the Contract work.
- d. Adjustments of price or time for performance. If any modification increases or decreases the CONTRACTOR'S cost of, or the time required for, performance of any part of the work under this Contract, an adjustment shall be made and this Contract modified in writing accordingly. Any adjustment in contract price made pursuant to this clause shall be determined, where applicable, in accordance with the price adjustment clause of this Contract or as negotiated.
- e. Claim barred after final payment. No claim by the CONTRACTOR for an adjustment hereunder shall be allowed if written modification of the Contract is not made prior to final payment under this Contract.
- f. Claims not barred. In the absence of a written contract modification, nothing in this clause shall be deemed to restrict the CONTRACTOR'S right to pursue a claim under this Contract or for a breach of contract.
- g. Head of the purchasing agency approval. If this is a professional services contract awarded pursuant to section 103D-303 or 103D-304, HRS, any modification, alteration, amendment, change, or extension of any term, provision, or condition of this Contract which increases the amount payable to the CONTRACTOR by at least \$25,000.00 and ten per cent (10%) or more of the initial contract price, must receive the prior approval of the head of the purchasing agency.
- h. Tax clearance. The STATE may, at its discretion, require the CONTRACTOR to submit to the STATE, prior to the STATE'S approval of any modification, alteration, amendment, change, or extension of any term, provision, or condition of this Contract, a tax clearance from the Director of Taxation, State of Hawaii, and the Internal Revenue Service, U.S. Department of Treasury, showing that all delinquent taxes, if any, levied or accrued under state law and the Internal Revenue Code of 1986, as amended, against the CONTRACTOR have been paid.
- i. Sole source contracts. Amendments to sole source contracts that would change the original scope of the Contract may only be made with the approval of the CPO. Annual renewal of a sole source contract for services should not be submitted as an amendment.
20. Change Order. The Agency procurement officer may, by a written order signed only by the STATE, at any time, and without notice to any surety, and subject to all appropriate adjustments, make changes within the general scope of this Contract in any one or more of the following:
- (1) Drawings, designs, or specifications, if the goods or services to be furnished are to be specially provided to the STATE in accordance therewith;
 - (2) Method of delivery; or
 - (3) Place of delivery.
- a. Adjustments of price or time for performance. If any change order increases or decreases the CONTRACTOR'S cost of, or the time required for, performance of any part of the work under this Contract, whether or not changed by the order, an adjustment shall be made and the Contract modified in writing accordingly. Any adjustment in the Contract price made pursuant to this provision shall be determined in accordance with the price adjustment provision of this Contract. Failure of the parties to agree to an adjustment shall not excuse the CONTRACTOR from proceeding with the Contract as changed, provided that the Agency procurement officer promptly and duly makes the provisional adjustments in payment or time for performance as may be reasonable. By

proceeding with the work, the CONTRACTOR shall not be deemed to have prejudiced any claim for additional compensation, or any extension of time for completion.

- b. Time period for claim. Within ten (10) days after receipt of a written change order under subparagraph 20a, unless the period is extended by the Agency procurement officer in writing, the CONTRACTOR shall respond with a claim for an adjustment. The requirement for a timely written response by CONTRACTOR cannot be waived and shall be a condition precedent to the assertion of a claim.
- c. Claim barred after final payment. No claim by the CONTRACTOR for an adjustment hereunder shall be allowed if a written response is not given prior to final payment under this Contract.
- d. Other claims not barred. In the absence of a change order, nothing in this paragraph 20 shall be deemed to restrict the CONTRACTOR'S right to pursue a claim under the Contract or for breach of contract.

21. Price Adjustment.

- a. Price adjustment. Any adjustment in the contract price pursuant to a provision in this Contract shall be made in one or more of the following ways:
 - (1) By agreement on a fixed price adjustment before commencement of the pertinent performance or as soon thereafter as practicable;
 - (2) By unit prices specified in the Contract or subsequently agreed upon;
 - (3) By the costs attributable to the event or situation covered by the provision, plus appropriate profit or fee, all as specified in the Contract or subsequently agreed upon;
 - (4) In such other manner as the parties may mutually agree; or
 - (5) In the absence of agreement between the parties, by a unilateral determination by the Agency procurement officer of the costs attributable to the event or situation covered by the provision, plus appropriate profit or fee, all as computed by the Agency procurement officer in accordance with generally accepted accounting principles and applicable sections of chapters 3-123 and 3-126, HAR.
- b. Submission of cost or pricing data. The CONTRACTOR shall provide cost or pricing data for any price adjustments subject to the provisions of chapter 3-122, HAR.

22. Variation in Quantity for Definite Quantity Contracts. Upon the agreement of the STATE and the CONTRACTOR, the quantity of goods or services, or both, if a definite quantity is specified in this Contract, may be increased by a maximum of ten per cent (10%); provided the unit prices will remain the same except for any price adjustments otherwise applicable; and the Agency procurement officer makes a written determination that such an increase will either be more economical than awarding another contract or that it would not be practical to award another contract.

23. Changes in Cost-Reimbursement Contract. If this Contract is a cost-reimbursement contract, the following provisions shall apply:

- a. The Agency procurement officer may at any time by written order, and without notice to the sureties, if any, make changes within the general scope of the Contract in any one or more of the following:
 - (1) Description of performance (Attachment 1);
 - (2) Time of performance (i.e., hours of the day, days of the week, etc.);
 - (3) Place of performance of services;

- (4) Drawings, designs, or specifications when the supplies to be furnished are to be specially manufactured for the STATE in accordance with the drawings, designs, or specifications;
 - (5) Method of shipment or packing of supplies; or
 - (6) Place of delivery.
- b. If any change causes an increase or decrease in the estimated cost of, or the time required for performance of, any part of the performance under this Contract, whether or not changed by the order, or otherwise affects any other terms and conditions of this Contract, the Agency procurement officer shall make an equitable adjustment in the (1) estimated cost, delivery or completion schedule, or both; (2) amount of any fixed fee; and (3) other affected terms and shall modify the Contract accordingly.
 - c. The CONTRACTOR must assert the CONTRACTOR'S rights to an adjustment under this provision within thirty (30) days from the day of receipt of the written order. However, if the Agency procurement officer decides that the facts justify it, the Agency procurement officer may receive and act upon a proposal submitted before final payment under the Contract.
 - d. Failure to agree to any adjustment shall be a dispute under paragraph 11 of this Contract. However, nothing in this provision shall excuse the CONTRACTOR from proceeding with the Contract as changed.
 - e. Notwithstanding the terms and conditions of subparagraphs 23a and 23b, the estimated cost of this Contract and, if this Contract is incrementally funded, the funds allotted for the performance of this Contract, shall not be increased or considered to be increased except by specific written modification of the Contract indicating the new contract estimated cost and, if this contract is incrementally funded, the new amount allotted to the contract.
24. Confidentiality of Material.
- a. All material given to or made available to the CONTRACTOR by virtue of this Contract, which is identified as proprietary or confidential information, will be safeguarded by the CONTRACTOR and shall not be disclosed to any individual or organization without the prior written approval of the STATE.
 - b. All information, data, or other material provided by the CONTRACTOR to the STATE shall be subject to the Uniform Information Practices Act, chapter 92F, HRS.
25. Publicity. The CONTRACTOR shall not refer to the STATE, or any office, agency, or officer thereof, or any state employee, including the HOPA, the CPO, the Agency procurement officer, or to the services or goods, or both, provided under this Contract, in any of the CONTRACTOR'S brochures, advertisements, or other publicity of the CONTRACTOR. All media contacts with the CONTRACTOR about the subject matter of this Contract shall be referred to the Agency procurement officer.
26. Ownership Rights and Copyright. The STATE shall have complete ownership of all material, both finished and unfinished, which is developed, prepared, assembled, or conceived by the CONTRACTOR pursuant to this Contract, and all such material shall be considered "works made for hire." All such material shall be delivered to the STATE upon expiration or termination of this Contract. The STATE, in its sole discretion, shall have the exclusive right to copyright any product, concept, or material developed, prepared, assembled, or conceived by the CONTRACTOR pursuant to this Contract.
27. Liens and Warranties. Goods provided under this Contract shall be provided free of all liens and provided together with all applicable warranties, or with the warranties described in the Contract documents, whichever are greater.

28. Audit of Books and Records of the CONTRACTOR. The STATE may, at reasonable times and places, audit the books and records of the CONTRACTOR, prospective contractor, subcontractor, or prospective subcontractor which are related to:
- a. The cost or pricing data, and
 - b. A state contract, including subcontracts, other than a firm fixed-price contract.
29. Cost or Pricing Data. Cost or pricing data must be submitted to the Agency procurement officer and timely certified as accurate for contracts over \$100,000 unless the contract is for a multiple-term or as otherwise specified by the Agency procurement officer. Unless otherwise required by the Agency procurement officer, cost or pricing data submission is not required for contracts awarded pursuant to competitive sealed bid procedures.
- If certified cost or pricing data are subsequently found to have been inaccurate, incomplete, or noncurrent as of the date stated in the certificate, the STATE is entitled to an adjustment of the contract price, including profit or fee, to exclude any significant sum by which the price, including profit or fee, was increased because of the defective data. It is presumed that overstated cost or pricing data increased the contract price in the amount of the defect plus related overhead and profit or fee. Therefore, unless there is a clear indication that the defective data was not used or relied upon, the price will be reduced in such amount.
30. Audit of Cost or Pricing Data. When cost or pricing principles are applicable, the STATE may require an audit of cost or pricing data.
31. Records Retention.
- (1) Upon any termination of this Contract or as otherwise required by applicable law, CONTRACTOR shall, pursuant to chapter 487R, HRS, destroy all copies (paper or electronic form) of personal information received from the STATE.
 - (2) The CONTRACTOR and any subcontractors shall maintain the files, books, and records that relate to the Contract, including any personal information created or received by the CONTRACTOR on behalf of the STATE, and any cost or pricing data, for at least three (3) years after the date of final payment under the Contract. The personal information shall continue to be confidential and shall only be disclosed as permitted or required by law. After the three (3) year, or longer retention period as required by law has ended, the files, books, and records that contain personal information shall be destroyed pursuant to chapter 487R, HRS or returned to the STATE at the request of the STATE.
32. Antitrust Claims. The STATE and the CONTRACTOR recognize that in actual economic practice, overcharges resulting from antitrust violations are in fact usually borne by the purchaser. Therefore, the CONTRACTOR hereby assigns to STATE any and all claims for overcharges as to goods and materials purchased in connection with this Contract, except as to overcharges which result from violations commencing after the price is established under this Contract and which are not passed on to the STATE under an escalation clause.
33. Patented Articles. The CONTRACTOR shall defend, indemnify, and hold harmless the STATE, and its officers, employees, and agents from and against all liability, loss, damage, cost, and expense, including all attorneys fees, and all claims, suits, and demands arising out of or resulting from any claims, demands, or actions by the patent holder for infringement or other improper or unauthorized use of any patented article, patented process, or patented appliance in connection with this Contract. The CONTRACTOR shall be solely responsible for correcting or curing to the satisfaction of the STATE any such infringement or improper or unauthorized use, including, without limitation: (a) furnishing at no cost to the STATE a substitute article, process, or appliance acceptable to the STATE, (b) paying royalties or other required payments to the patent holder, (c) obtaining proper authorizations or releases from the patent holder, and (d) furnishing such security to or making such arrangements with the patent holder as may be necessary to correct or cure any such infringement or improper or unauthorized use.

34. Governing Law. The validity of this Contract and any of its terms or provisions, as well as the rights and duties of the parties to this Contract, shall be governed by the laws of the State of Hawaii. Any action at law or in equity to enforce or interpret the provisions of this Contract shall be brought in a state court of competent jurisdiction in Honolulu, Hawaii.
35. Compliance with Laws. The CONTRACTOR shall comply with all federal, state, and county laws, ordinances, codes, rules, and regulations, as the same may be amended from time to time, that in any way affect the CONTRACTOR'S performance of this Contract.
36. Conflict Between General Conditions and Procurement Rules. In the event of a conflict between the General Conditions and the procurement rules, the procurement rules in effect on the date this Contract became effective shall control and are hereby incorporated by reference.
37. Entire Contract. This Contract sets forth all of the agreements, conditions, understandings, promises, warranties, and representations between the STATE and the CONTRACTOR relative to this Contract. This Contract supersedes all prior agreements, conditions, understandings, promises, warranties, and representations, which shall have no further force or effect. ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

A. ELECTRONIC RECORD AND SIGNATURE DISCLOSURE (ERSD)

From time to time, New Mexico General Services Department (GSD), on behalf of the State of New Mexico (SONM), may be required by law to provide you with certain written notices or disclosures. Stated below are the terms and conditions for GSD's providing you such notices and disclosures electronically through the DocuSign system. Please read this information carefully. If you are able to access this information electronically and agree to **this Electronic Record and Signature Disclosure (ERSD)**, please confirm your agreement by selecting the check-box next to "I agree to use electronic records and signatures" before clicking "CONTINUE" within the DocuSign system.

B. Obtaining paper copies

At any time up to twenty (20) calendar days following your use of DocuSign to electronically sign a document, you may request a paper copy of any record provided or made available electronically to you by GSD. You will have the ability to download and print documents SONM sends you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a twenty (20) calendar day period after such documents are first sent to you. Following the twenty (20) day period, if you want GSD to send you paper copies of any such documents from GSD's office, you will be charged a \$1.00 per-page fee plus postage. You may request delivery of such paper copies from GSD by following the procedure stated in Section H, below.

C. Withdrawing your consent

If you decide to receive notices and disclosures from GSD electronically, you may at any time change your mind and inform GSD you want to receive required notices and disclosures only in paper format. The procedure concerning how you may inform GSD of your decision to receive future notices and disclosures in paper format as well as withdraw your consent to receive notices and disclosures electronically is stated in Section D, immediately below.

D. Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed with which GSD will be able to complete certain steps in specific transactions and deliver paper copies to you. GSD will need: (1) to send the required notices or disclosures to you in paper format; and (2) wait until GSD receives your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from SONM or to electronically sign documents generated and sent to you from SONM.

E. All notices and disclosures will be sent to you electronically

Unless you inform GSD otherwise according to these procedures, GSD will electronically provide you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements and other documents that are required to be provided or made available to you during the course of your electronic signature relationship with SONM. To reduce the possibility of inadvertent non-receipt, GSD prefers to provide all required notices and disclosures by the same method and to the same email or physical address that you furnish to GSD. Thus, you may receive the disclosures and notices electronically or in paper form. If you do not agree with this procedure, please inform GSD according to the procedures stated in Section I, below. Please also refer to Section D, immediately above, which states the consequences resulting from your declination of electronic delivery of notices and disclosures.

F. How to contact GSD:

You may inform General Services Department (GSD) of any changes you select regarding State Purchasing Division's (SPD) electronic communications with you, to request paper copies of certain information from SPD, and to withdraw your prior consent to receive notices and disclosures electronically by emailing your request(s) to SPD at: GSD.SPInfo@state.nm.us

G. To advise SPD of your new email address

To inform SPD of a change in the email address to which SPD sends you notices and disclosures electronically, you must send an email to SPD at GSD.SPInfo@state.nm.us and in the body of such request you must include your previous and new email addresses.

H. To request paper copies from SPD

To request delivery of paper copies of electronic notices and disclosures that DocuSign and/or SPD have previously provided to you, you must send an email to SPD at GSD.SPInfo@state.nm.us and in the body of your email request state your email address, full name, mailing address, and telephone number. SPD will charge you a \$1.00 per page copy fee plus postage.

I. To withdraw your consent with SPD

To inform SPD that you no longer wish to receive notices and disclosures in electronic format you may:

(1) Decline to sign a document from within a signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may:

(2) Send SPD an email to GSD.SPInfo@state.nm.us and in the body of your request state your email address, full name, mailing address, and telephone number.

J. Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current DocuSign system requirements may be found at:

<https://support.docusign.com/guides/signer-guide-signing-system-requirements>

K. Acknowledging your access and consent to receive and sign documents electronically

To confirm that you are able to electronically access the information contained in this Electronic Record and Signature Disclosure (ERSD), please confirm that you have: (1) read this ERSD, and either: (2) you are able to print on paper or electronically save this ERSD for your future reference and access; or (3) you are able to email this ERSD to an email address where you will be able to print this ERSD on paper and/or save this ERSD for your future reference and access. Further, if you consent to receiving notices and disclosures from DocuSign and/or SPD exclusively in electronic format, then select the check-box next to “I agree to use electronic records and signatures,” before you click “CONTINUE” within the DocuSign system.

By selecting the check-box next to “I agree to use electronic records and signatures,” you confirm that:

- You have read this Electronic Record and Signature Disclosure (ERSD); and
- You can print this ERSD on paper, or you can save and/ or send this ERSD to a location where you can print this ERSD, for your future reference and access; and
- Until or unless you notify SPD as stated in this ERSD, you consent to exclusively receive through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by SPD during the course of your electronic signature relationship with SPD.

TITLE 220 – DEPARTMENT OF ADMINISTRATION

CHAPTER 30 – PURCHASES

SUBCHAPTER 00 – N/A

PART 13 – General Conditions of Purchase

13.1 Purpose

The purpose of the General Conditions of Purchase is to provide a comprehensive, clear, consistent and reasonable set of contractual terms to serve as the base agreement between the State of Rhode Island ("State") and a Vendor. These General Conditions, along with items specified in § 13.4 of this Part herein, shall serve as the Contract with the State regardless of the method of procurement.

13.2 Definitions

- A. For the purposes of this Part, the following definitions shall apply:
1. "Contract" means a Purchase Order, Purchase Agreement, and/or Letter of Authorization issued by the Division, along with any and all contractual documents incorporated by reference by the Division.
 2. "Purchase agreement" means a written document formally issued by the Division to a Vendor that binds the parties to general terms, but does not represent a specific order for goods or services. A Purchase Agreement may include:
 - a. A "Statewide purchase agreement" or "Master price agreement" or "MPA," which serves as an agreement for more than one agency, but does not include a specific quantity until a Purchase Order is issued; or
 - b. An "Agency purchasing agreement," or "Agency pricing agreement," or "APA," which serves as an agreement for one agency, but does not include a specific quantity until a Purchase Order is issued;
 3. "Vendor" means any individual, firm, corporation, partnership or other entity submitting a proposal to the Division indicating a desire to enter into contracts with the State of Rhode Island, or with whom a Contract is executed by the State Purchasing Agent.

- B. All other terms contained in the State Purchases Act and State Procurement Regulations and used herein shall have the same meanings.

13.3 Procurement Process

- A. Pricing

All pricing offered or extended to the State is considered to be firm and fixed unless expressly provided for to the contrary in the Purchase Order or Purchase Agreement.

- B. Cost of Preparation

All costs associated with the preparation, development and submission of bids or proposals and/or protests arising therefrom, in response to solicitations issued on behalf of the State, shall be the Vendor's sole responsibility. The State will not reimburse any Vendor for such costs.

- C. Selection

1. Vendor bids and proposals shall be evaluated and Purchase Orders or Purchase Agreement issued with reasonable promptness and by written notice to the successful Vendor (only); bids and proposals are considered to be irrevocable for a period of sixty (60) days following the opening date unless expressly provided for to the contrary in the solicitation document, and may not be withdrawn during the specified period without the express written permission of the State Purchasing Agent.
2. The State reserves the right, before making an award, to initiate investigations as to whether or not the materials, equipment, supplies, services, qualifications, integrity, capability, capacity, and/or facilities offered by the Vendor meet the requirements set forth in the solicitation and are ample and sufficient to ensure the proper performance of the Contract in the event of award. Failure to pay subcontractors on previous Vendor Contracts may be considered (also see § 13.5 of this Part herein). If upon such examination it is found that the conditions of the solicitation are not complied with, and/or that the goods or services proposed to be furnished do not meet the requirements called for in the solicitation, and/or that the services, qualifications, integrity, capability, capacity and/or facilities of the Vendor are not satisfactory, then the State may reject Vendor's bid or proposal at the State's sole discretion. Nothing in the foregoing shall mean or imply that it is obligatory upon the State to make any examinations before issuance of a Purchase Order or Purchase Agreement. If such examination is made, it in no way relieves the Vendor from fulfilling all requirements and conditions of the Contract.

3. Qualified or conditional offers which impose limitations of the Vendor's liability or modify the requirements of the solicitation, offers for alternate specifications, or offers which are made subject to different terms and conditions, including form contracts, other than those specified by the State may be, at the sole discretion of the State Purchasing Agent:
 - a. Rejected as being non-responsive; or,
 - b. Set aside in favor of the requirements set forth in the solicitation (with the consent of the Vendor); or,
 - c. Accepted, if the State Purchasing Agent determines in writing that such acceptance is in the best interest of the State.
 - d. Acceptance or rejection of alternates or counter-offers by the State Purchasing Agent shall not constitute a precedent and shall not be considered to be binding on successive solicitations or procurements.
4. Vendor bids and proposals must bear an authorized signature or certification in a form approved by the State Purchasing Agent. Vendor bids and proposals which do not bear the required signature or certification may be deemed to be non-responsive to the solicitation. Bids submitted in pencil will not be accepted.
5. Vendor bids and proposals must utilize the unit of measure specified in the solicitation. In the event of any discrepancy between unit prices and their extensions, the unit price will govern.
6. The State Purchasing Agent reserves the right to determine whether a Vendor's bid or proposal is Responsive to a solicitation and whether a Vendor is Responsible.
7. The State Purchasing Agent reserves the right to reject any and all bids or proposals in whole or in part, to waive technical defects, irregularities, and omissions, to give consideration to a Vendor's past performance where, in the State Purchasing Agent's judgment, the best interest of the State will be served, to require additional competitive negotiations and/or to issue a request for best and final offers.
8. The State Purchasing Agent reserves the right to make awards by items, group of items or on the total low bid for all the items specified as indicated in the solicitation, unless the Vendor expressly indicates otherwise in its bid or proposal that doing so is not acceptable.
9. Preferences may be given as authorized by law or regulation, including, but not limited to, the following:

- a. Preference may be given to bids for products raised or manufactured in Rhode Island, in the event that all other things are equal. Contracts funded entirely by State funds, when all factors are equal, a Vendor or service provider whose headquarters or primary place of business is located within the State, or in the event of a joint venture with a Vendor or service provider whose headquarters or primary place of business is within the State, shall receive preference.

- b. **MINORITY BUSINESS ENTERPRISES** - Pursuant to the provisions of R.I. Gen. Laws Chapter 37-14.1 reserves the right to apply additional consideration to offers, and to direct awards to bidders other than the responsive bid representing the lowest price where:
 - (1) The offer is fully responsive to the terms and conditions of the Request;
 - (2) The price offer is determined to be within a competitive range (not to exceed 5% higher than the lowest responsive price offer) for the product or service;
 - (3) The firm making the offer has been certified by the R.I. Department of Administration, Office of Diversity Equity and Opportunity to be a small business concern meeting the criteria established to be considered a Minority Business Enterprise. A minimum of ten percent [10%] of the dollar value of the work performed against contracts shall be performed by certified Minority Business Enterprises where it has been determined that subcontract and/or supply opportunities exist, and where certified Minority Business Enterprises are available. A vendor may count 60% of its expenditures for materials and supplies required under a contract and obtained from an MBE certified as a regular dealer or supplier, and 100% of such expenditures when obtained from an MBE certified as a manufacturer, towards the MBE participation requirement under R.I. Gen. Laws § 37-14.1-6. For materials or supplies obtained from firms certified as a broker or manufacturer's rep, vendors may receive MBE participation credit only for the fees and commissions charged for the procurement of the goods and materials, but not the cost of the materials themselves. Awards of this type shall be subject to approval, by the Director of Administration, of a Subcontracting Plan submitted by the bidder receiving the award.

10. The State Purchasing Agent reserves the right to act in the State's best interest regarding awards caused by clerical errors or omissions by the Division.
11. Any Contract issued by the Division is subject to the resolution of any timely bid protest.
12. Any objections to specifications or requirements in a solicitation must be received by the Chief Purchasing Officer in accordance with State Procurement Regulation (§ [1.6](#) of this Subchapter).

D. Public Records

Vendors are advised that all records submitted to the Division may be subject to disclosure in accordance with the Rhode Island Access to Public Records Act, R.I. Gen. Laws § 38-2-1, *et seq.* and/or in the course of litigation through discovery. Any records submitted which a Vendor believes are of a privileged or confidential nature or are not subject to disclosure in accordance with R.I. Gen. Laws § 38-2-2 or other applicable laws, should be clearly marked. The Vendor should provide a brief explanation as to why each portion of information marked as confidential or privileged should be withheld from public disclosure and cite the specific provision of R.I. Gen. Laws § 38-2-2. In the event the Vendor makes a reasonable assertion of confidentiality or privilege, the Division and/or agency and/or public institution of higher education will use reasonable efforts to honor the Vendor's request.

E. Product Evaluation

In all solicitations, the words "or equal" shall be understood to apply to each article when a manufacturer's name or catalog are referenced unless the solicitation specifically states "no substitutions." When submitting a bid or proposal which includes items other than those specified in the solicitation, the Vendor must, in every instance, give the trade designation of the article, manufacturer's name and detailed specifications of the item the Vendor proposes to furnish; otherwise, the bid or proposal shall be construed as being submitted for the identical commodity described in the solicitation. The State Purchasing Agent reserves the right to determine whether or not the substitute item(s) offered by the Vendor is an approved equal to the item(s) specified in the solicitation.

1. All standards are minimum standards except as otherwise provided for in the solicitation.
2. Samples must be submitted to the Division of Purchases in accordance with the solicitation. Samples must be furnished free of charge with the understanding that they shall not be returned to the Vendor.

3. All samples submitted by Vendors may be subject to examination or testing by any laboratory the State Purchasing Agent may designate.
- F. COLLUSION - Vendor warrants that it has not, directly or indirectly, entered into any agreement or participated in any collusion or otherwise taken any action in restraint of full competitive bidding.
- G. PROHIBITION AGAINST CONTINGENT FEES AND GRATUITIES - Vendor warrants that it has not paid, and agrees not to pay, any bonus, commission, fee, or gratuity to any employee or official of the State for the purpose of obtaining any contract or award issued by the State. Vendor further warrants that no commission or other payment has been or will be received from or paid to any third-party contingent on the award of any contract by the State, except as shall have been expressly communicated to the State Purchasing Agent in writing prior to acceptance of the contract or award in question. Subsequent discovery by the State of non-compliance with these provisions shall constitute sufficient cause for immediate termination of all outstanding contracts and suspension or debarment of the bidder(s) or contractor(s) involved.

13.4 Entire Agreement

A. Incorporation

The Purchase Order, Purchase Agreement or Letter of Authorization issued by the Division, together with associated documents referenced therein, shall constitute the entire and exclusive agreement between the State and any Vendor receiving an award. As noted in § 13.1 of this Part, the resulting Contract shall incorporate by reference:

1. The "State Purchases Act," R.I. Gen. Laws § 37-2-1, *et seq.*;
2. The Procurement Regulations adopted pursuant thereto;
3. The Vendor Certification Cover Form;
4. All other applicable provisions of the Rhode Island General Laws and applicable federal laws;
5. The specific requirements described in the solicitation and related solicitation documents;
6. These General Conditions of Purchase, along with applicable addenda as referenced in § 13.34 of this Part herein; and
7. The offer/proposal submitted by Vendor and accepted by the State.

B. Order of Precedence

Unless otherwise approved by the State Purchasing Agent, in the event of any express conflict or dispute regarding a Vendor's proposal, a Vendor's proposed standard terms of sale, the solicitation documents, statutes, regulations and/or these General Conditions of Purchase, the following order or precedence shall generally apply (with 1 being the highest level of precedence):

1. Federal laws and/or regulations (for federally funded contracts only)
2. Rhode Island General Laws;
3. State Procurement Regulations (Parts 1 through 13 of [this Subchapter](#)), General Conditions of Purchase and contract Addenda in addition to the General Conditions ("GC Addenda") (§ 13.34 of this Part);
4. The Purchase Order or Purchase Agreement issued by the Division;
5. The offer, proposal or bid submitted by the Vendor and to the extent accepted by the Division;
6. Solicitation documents issued by the Division; and
7. To the extent allowed by law, for an individual procurement, the State Purchasing Agent may agree to an alternate order of precedence to serve the best interest of the State and/or to protect the health, safety and welfare of the State and its citizens.

C. Contract Contingencies

1. All Contracts are subject to the following:
 - a. All material communication between the State and any Vendor pertaining to any solicitation, award or management of a Contract shall be set forth in writing.
 - b. Vendor proposals shall be accepted by the Division with the understanding that the issuance of a Purchase Order, Purchase Agreement or Letter of Authorization shall be the only document which creates a binding Contract between the Vendor and the State. The Purchase Order, Purchase Agreement or Letter of Authorization shall bind the Vendor on its part to furnish and deliver goods and/or services at the prices and in accordance with the conditions of Vendor's proposal. A Contract shall be deemed executory only to the extent of funds available for payment of the amounts shown on the Purchase Order. Additionally, any Contract shall be contingent upon the resolution of a timely bid protest.
 - c. No alterations or variations of the terms of the Contract shall be valid or binding upon an agency, the State, or the Division unless

submitted in writing and accepted by the State Purchasing Agent through issuance of an approved Purchase Order or Change Order. All Contracts and changes must be approved by and emanate from the Division. Oral agreements or arrangements made by a Vendor with anyone, including an agency or agency employee, shall not be binding upon an agency, the State or the Division unless and until reduced to writing and approved by the State Purchasing Agent through the issuance of an approved Purchase Order, Purchase Agreement or Change Order.

- d. Contracts shall remain in force for the term specified in the Purchase Order or Purchase Agreement or until all articles or services ordered before date of termination shall have been satisfactorily delivered or fully rendered and accepted by the State and thereafter until all terms and conditions have been met, unless:
 - (1) Terminated prior to expiration date by satisfactory delivery against orders of entire quantities, or
 - (2) Extended upon written authorization of the State Purchasing Agent to permit ordering of the unordered balances or additional quantities at the Contract price and in accordance with the Contract terms, or
 - (3) Canceled by the State in accordance with other provisions stated herein.
- e. All Vendor obligations as described herein shall survive expiration, termination and/or cancellation of the Contract.

13.5 Relationship of Parties

The selected Vendor must be fully qualified and capable in all material respects to provide the specified goods and/or services. Unless specifically provided for in the solicitation, the Vendor shall be an independent contractor and not an employee, agent, partner or joint venturer with the State. Nothing herein shall be construed as creating any contractual relationship or obligation between the State and any sub-bidder, subcontractor, supplier of the Vendor, and/or employee of the Vendor. With that said, the State may consider Vendor non-payment of subcontractors or suppliers in determining whether an award to the Vendor is in the best interest of the State. If the solicitation allows, and the Vendor is a joint entity consisting of more than one individual, partnership or corporation or other business organization, all such entities shall be jointly and severally liable for performing the Contract; however, one entity shall be designated as the lead Vendor for contracting purposes.

13.6 Specified Quantity Requirements

- A. Except where expressly specified to the contrary, all solicitations are predicated on a specified quantity of goods or services, or for a specified level of funding. Provided, however, that:
1. If stated in the solicitation, the State reserves the right to modify the quantity, scope of service, or funding of any Contract, with no penalty or charge, by written notice to the Vendor; and,
 2. The State shall not accept quantities in excess of the specified quantity except where the item is normally sold by weight (where sold by weight, the State shall not accept quantities greater than ten per cent [10%] of the specified quantity), or where the solicitation provides for other than exact quantities; and,
 3. Quantities and performance periods set forth in a Purchase Order or a Purchase Agreement may be increased or extended with approval of the State Purchasing Agent provided; however, that any such increase or extension shall be documented through issuance of a Change Order issued by the Division.

13.7 Term and Renewal

Where offers have been requested or Contracts awarded for terms exceeding periods of twelve (12) months, it is mutually understood and agreed that the State's commitment is subject to the appropriation of funding and is limited to a base term not to exceed twelve (12) months, subject to renewal annually at the State's sole option for successive one-year terms, except where expressly specified to the contrary. Purchase Orders, Purchase Agreements, and/or Change Orders appearing to commit the State to obligations of funding or terms of performance in excess of twelve (12) months may be executed for administrative convenience, but are otherwise subject to this provision. In such cases the State's renewal shall be deemed to be automatic, conditional on the continued availability of appropriated funds for the purpose, except as written notice of the State's intent not to renew is served.

13.8 Delivery

- A. Delivery must be made as ordered and in accordance with the solicitation and Vendor's proposal. If delivery qualifications do not appear on the Vendor's proposal, then the proposal shall be interpreted to mean that goods are in stock and that shipment will be made within seven (7) calendar days after issuance of the Purchase Order. The decision of the State Purchasing Agent as to reasonable compliance with the delivery terms shall be final. The burden of proof for delay in delivery of an order shall rest with the Vendor. Except when authorized on the Purchase Order:

1. All prices shall be quoted F.O.B. destination, freight pre-paid with all transportation and handling charges paid by the Vendor;
2. Responsibility and liability for loss or damage shall remain with the Vendor until final inspection and acceptance when responsibility shall pass to the State except as to latent defects, fraud and or Vendor's warranty obligations;
3. Deliveries shall be inside deliveries to other than a loading dock, front lobby or reception area and as designated in the Purchase Order; and,
4. Costs shall include all packaging and/or crating charges which shall be of durable construction, good condition, properly labeled and suitable for handling of contents.

13.9 Foreign Entities

In accordance with R.I. Gen. Laws § 7-1.2-1401, no business entity shall have the right to transact business in Rhode Island until it shall have procured a certificate of authority to transact business in the State from the Rhode Island Secretary of State. The term "Entity" means a corporation, a business trust, or association, a real estate investment trust, a common-law trust, a sole proprietorship or any other unincorporated business, or entity including a partnership, whether general or limited, (including a registered limited liability partnership), a foreign limited liability company, or as defined in R.I. Gen. Laws § 7-1.2-1401.

13.10 Product Acceptance

A. Quality

All goods offered or otherwise provided by Vendors shall be new, of the latest model or design, sourced from regular stock product inventories with all parts regularly used with the type of goods offered, without attachment(s) or part(s) substituted or applied contrary to manufacturer's recommendation and standard practice, of prime manufacture, and of first quality unless otherwise specified by the State.

B. Rejection of Nonconforming Goods

The State reserves the right to reject all nonconforming goods, and to cause their return for credit or replacement, at the State's option. Contract deliverables specified for procurement of services shall be construed to be work product, and subject to the provisions of this Section.

1. Failure by the State to discover latent defect(s) or concealed damage or non-conformance shall not foreclose the State's right to subsequently reject the goods in question.

2. Formal or informal acceptance by the State of non-conforming goods shall not constitute a precedent for successive ordering, receipt, acceptance, or procurement of non-conforming goods.
3. If the Vendor fails to promptly cure the defect or replace the goods, the State reserves the right to cancel the Purchase Order. The State may then contract with a different Vendor and invoice the original Vendor for any differential in price over the original Contract price.
4. When materials, equipment or supplies are rejected, the same must be removed by the Vendor from State property within forty-eight (48) hours of notification, unless otherwise specified by the State. Rejected items left longer than forty-eight (48) hours or another time set by the State, shall be regarded as abandoned and the State shall have the right to dispose of those items at the Vendor's expense.

13.11 Ownership

Unless otherwise specifically provided for in the solicitation, General Conditions, or General Conditions Addenda, all data, material and documentation prepared for the State shall be considered work for hire and belong exclusively to the State.

13.12 Product Warranties

- A All product or service warranties normally offered by the Vendor shall accrue to the State's benefit, in addition to any special requirements or benefits which may be stated in the solicitation and/or additionally offered by the Vendor in its bid or proposal. During the term of any maintenance period, but for no less than one year from acceptance, the Vendor shall warrant:
1. The product or services shall perform according to the specific claims and representations made by the Vendor in its bid or proposal;
 2. The services or product offered by the Vendor are suitable for the ordinary purposes for which such product is used or services provided;
 3. The product or services offered by the Vendor are suitable for any special purposes identified in the solicitation or for which the State has relied on the Vendor's skill or judgment;
 4. The product was designed and the services performed in a commercially reasonable manner; and,
 5. The product or services are free from defects in material and workmanship.

- B. The State shall give notice of a warranty claim to the Vendor in a commercially reasonable manner, upon which, the Vendor shall repair or replace at no cost to the State the product or services. If the repaired or replaced product or services prove to be inadequate, or fail of their essential purpose, the Vendor shall refund the full amount of any payments that have been made by the State. The rights and remedies of the State under this Section are in addition to any other rights and remedies (including cover) provided by law or equity. Any alternate warranties proposed by a Vendor are subject to the provisions of § 13.3(C)(3) of this Part.

13.13 Payment

- A. Unless otherwise provided for in the solicitation, Purchase Order or Agreement, payment (subject to retention or set-off, if applicable) shall not be made by the State until goods and are delivered or services performed, in full, and accepted. After such acceptance, payment shall not be due until a properly submitted invoice, with satisfactory documentation, is delivered to the State. Payment then shall be made promptly in accordance with R.I. Gen. Laws § 42-11.1-1, *et seq.*:
1. Vendor payment terms other than as set forth herein may be rejected as being non-responsive.
 2. No partial shipments will be accepted, unless provided for by the solicitation or Purchase Order.
 3. Where a question of quality or performance is involved, payment in whole or part against which to charge back any adjustment required, shall be withheld at the direction of the State Purchasing Agent.
 4. In the event a cash discount or rebate is stipulated, the withholding of payments, as herein described, will not deprive the State from taking such discount or rebate.
 5. If not rejected, payments for used portion of inferior or defective goods shall be made by the State on an adjusted price basis.
 6. Requests for payments on Contracts under architectural or engineering supervision must be authorized by the architect or engineer and submitted to the agency involved for approval.

13.14 Set-Off Against Payments

Payments due the Vendor shall be subject to reduction by the State Controller equal to the amount of unpaid and delinquent State taxes (or other just debt owed to the State), except where notice of deficiency for trust fund taxes is not a final assessment and still open for a hearing request or while the tax deficiency notice is pending in administrative hearing or from any judicial appeal therefrom.

13.15 Claims

A. Setoff

Any claim against a Vendor may be deducted by the State from any money due it in the same or other transactions. If no deduction is made in such fashion, the Vendor shall pay the State the amount of such claim on demand. Submission of a voucher and payment, thereof, by the State shall not preclude the State Purchasing Agent from demanding a price adjustment in any case when the good or service is delivered or is later found to deviate from the Contract.

B. Damages for Claims

The Purchasing Agent may assess dollar damages against a Vendor determined to be non-performing or otherwise in default of its contractual obligations equal to the cost of remedy incurred by the State, and make payment of such damages a condition for consideration for any subsequent award. Failure by the Vendor to pay such damages shall constitute just cause for disqualification, rejection, and/or suspension. Vendor may appeal any assessment of damages in accordance with § [1.6](#) of this Subchapter.

13.16 Unused Balances

Unless otherwise specified, all unused quantities and/or unexpended funds shall be automatically canceled on the expiration of the specified term stated in the Contract. Similarly, for orders encompassing more than one State fiscal year, unexpended balances of funding allotted for an individual fiscal year may be liquidated at the close of that fiscal year, at the State's sole option.

13.17 Confidentiality

A. "Confidential Information"

1. Whenever used in a Contract, the term "Confidential information" means:
 - a. Information exempt from disclosure to the public or other unauthorized persons under either Rhode Island or federal statutes or regulations; or
 - b. Information related to the State's infrastructure, operations, security, or personnel unless otherwise identified by the State in writing as non-confidential at the time of disclosure; or
 - c. Any other information which the State has identified to the Vendor in writing as confidential at the time of disclosure or within thirty (30) days after disclosure; or

- d. State Data which includes User Data and the State's data used, processed, hosted, stored, or generated as a result of the Services. User Data means any and all information reflecting the access or use of the Services by or on behalf of the State or any authorized user, including any end user profile, visit, session, impression, information, click-through or click stream data and any statistical or other analysis, information or data based on or derived from any of the foregoing; or
- e. Information that would ordinarily be reasonably considered confidential or proprietary in the light of the circumstances surrounding disclosure.

B. Form of Confidential Information

- 1. Confidential Information may take the form of, but is not limited to, plans, calculations, charts, concepts, know-how, inventions, licensed technology, design sheets, design data, diagrams, system design, materials, hardware, manuals, drawings, processes, schematics, specifications, instructions, explanations, research, test procedures and results, equipment, identity and descriptions of components or materials used, any and all personal and/or confidential information pertaining to State employees and/or State personnel, including, but not necessarily limited to, any and all personal and/or confidential healthcare and/or health and/or medical data and/or any other similar and/or related personal and /or confidential information, pertaining to State employees and/or State personnel or any other material or information supplied by or on behalf of the State, State Data or that is disclosed to or becomes known by Vendor as a result of its dealings with the State. Confidential Information may be in tangible or intangible form. The State's failure to expressly identify Confidential Information as such shall not in any way lessen or negate Vendor's obligation to keep such information confidential in accordance with these terms.
- 2. Exemptions to Confidential Information
 - a. Notwithstanding the foregoing, and except as provided in the Contract or Addenda, the term "Confidential information," shall not be construed to include information that:
 - (1) Is or becomes readily available in public records or documents, other than as a result of an inappropriate disclosure by Vendor or other entity or persons acting on behalf of Vendor, or

- (2) Can be documented to have been known by Vendor prior to its release to the Vendor by the State without an obligation of confidentiality, or
- (3) Is disclosed pursuant to applicable Rhode Island law and/or federal law, judicial action or government regulations.

C. Vendor Acknowledgement

Vendor acknowledges that the Confidential Information is confidential and proprietary information and that its protection is essential to the security and mission of the State. It is understood that the Vendor is not granted an express or implied license or an option on a license, or any other rights to or interests in the Confidential Information other than any licensing provisions as defined in a Contract and/or agreement between the State and Vendor.

D. Vendor's Agents

Vendor acknowledges and also shall require its employees, officers, independent contractors, and subcontractors, agents and any other entities acting on its behalf (collectively "Affiliates") to:

1. Copy, reproduce or use Confidential Information only for the purpose described in the Contract and not for any other purpose unless specifically authorized to do so in writing by the State; and
2. Not permit any other person or entity to use or disclose the Confidential Information for any purpose other than those expressly authorized by the Contract; and
3. Disclose such Confidential Information only to those of its Affiliates who require knowledge of the same for the purpose described in the Contract; provided such Affiliates are obligated to maintain the confidentiality of the Confidential Information and otherwise comply with the terms of the Contract; and
4. Implement physical, electronic and managerial safeguards to prevent unauthorized access to or use of Confidential Information, including without limitation, providing Affiliates a copy of the terms of the Contract and any other Non-Disclosure Agreement the State may provide for said Affiliates signature. Such restrictions will be at least as stringent as those applied by the Vendor's own most valuable confidential and proprietary information and as required by the Contract.
5. The acts or omissions of Vendor's Affiliates with respect to the Confidential Information shall be deemed to be acts or omissions of the Vendor.

E. Additional Requirements

1. Vendor will not remove, obscure or alter any confidentiality or trade secret notation from the Confidential Information without the State's prior written authorization.
2. Confidential Information will remain the exclusive property of the State unless as otherwise provided for in any agreement and/or the Contract between the State and Vendor; upon completion of the project and/or services, or whenever requested by the State, Vendor will promptly destroy or return to the State, in a form acceptable to the State, any and all Confidential Information and all copies thereof, including summaries, reports or notes based thereon, unless otherwise expressly authorized otherwise by the State in writing.
3. Vendor agrees that the breach of these terms would cause irreparable damage to the State. Therefore, Vendor agrees that should it breach its obligations hereunder, Vendor shall defend, indemnify, release, and hold the State harmless from actual damages from losses that result from its breach, including, but not limited to, reasonable attorneys' fees and related litigation expenses. Also, the State has the right to seek an order to restrain the Vendor and its agents, Affiliates, etc. from breaching these terms or otherwise commence any action in law or in equity.

13.18 Taxes

- A. The State and its agencies are exempt from payment of any tax imposed directly on the purchaser of goods and services under federal, state or local law with the sole exception of the Rhode Island Motor Fuel Tax, R.I. Gen. Laws § 31-36-1, *et seq.* Except for the Rhode Island Motor Fuel Tax, federal, state and local taxes should not be included in the Vendor's bid or proposal price or otherwise invoiced. Exemption Certificates will be furnished upon request. Vendors and their subcontractors performing improvements to real property pursuant to a contract with a State agency may purchase materials specifically allocated for the performance of said Contract from their suppliers provided that:
1. The materials are essential to the project;
 2. The materials are incorporated into the project; and,
 3. The Vendor or its subcontractors provide their suppliers with an exemption certificate.

13.19 Insurance/Bonds/Other Security

- A. Insurance

Prior to issuance of a Contract, Vendor shall submit to the Division proof of insurance coverages as set forth in the General Condition Addendum A (General

Insurance Requirements), other applicable General Condition Addenda and/or as required by the solicitation ("Insurance Requirements"). Vendor shall comply with the minimum Insurance Requirements imposed by the State. If different or additional insurance requirements are set forth in the solicitation, then Vendor shall comply with the insurance requirements specified in the solicitation.

B. Payment and Performance Bonds

When required by the solicitation or the General Condition Addenda, the successful Vendor shall furnish a payment and/or performance bond in the amount stated in the solicitation from a surety licensed to conduct business in the State of Rhode Island upon the tentative selection.

C. Other Security

The State Purchasing Agent reserves the right to consider and accept alternate forms and plans of insurance or other comparable forms of security, and/or to require additional or more extensive coverage for any individual procurement. Vendors shall provide certificates of insurance and required endorsements for all insurance requirements of the solicitation in form and terms acceptable to the State Purchasing Agent. Failure to comply shall result in a determination that the Vendor is not "responsible." The State Purchasing Agent may change the insurance requirements contained in General Condition Addenda as necessary to protect the State's interests.

13.20 Termination, Default, Cancellation and Stop Work

A. Non-Performance or Breach

A Contract may be rescinded, canceled or terminated by the State Purchasing Agent, at the Vendor's expense upon non-performance or breach by the Vendor of any of its obligations. Failure of a Vendor to cure such non-performance or breach within ten (10) business days after the receipt of notice, unless otherwise determined by the State Purchasing Agent, shall be sufficient cause for the cancellation, rescission or termination of a Contract, the cancellation of all existing State contracts and or subcontracts to which the Vendor is a party, and/or the suspension or debarment of the Vendor from participating in future procurements. The State may pursue any and all of its rights and remedies at law or in equity against the defaulting Vendor or its surety.

B. Timeliness

Failure of a Vendor to deliver the required goods or perform services within the time specified and in accordance with the applicable standards of professional skill and care, or within reasonable time as interpreted by the State Purchasing Agent, or failure of a Vendor to make replacement of rejected articles, when so requested, immediately or as directed by the State Purchasing Agent, may cause

the State Purchasing Agent to purchase in the open market to replace those goods or services rejected or not delivered. The State Purchasing Agent reserves the right to authorize immediate purchase in the open market against rejections on any Contract when necessary. On all such purchases, the Vendor, and/or its surety, agrees to promptly reimburse the State for excess costs occasioned by the Vendor's default. Should the replacement cost be less, the Vendor shall have no claim for the difference. Vendor who fails to commence within the time specified or complete an award made for repairs, alterations, construction, or any other service may be considered to be in default of Contract. The State Purchasing Agent may contract for completion of the work with another Vendor and seek reimbursement of all costs and expenses from the defaulting Vendor and/or its surety and pursue all rights and remedies at law or in equity.

C. Availability of Funds.

Any and all payments by the State are expressly contingent upon and subject to the appropriation, allocation and availability of funds by the General Assembly and/or the Federal Government. If any Contract is funded in whole or in part by federal funds, the State's performance and payment shall be subject to and contingent upon the continuing availability of said federal funds. If the term of extends into fiscal years subsequent, continuation of the Contract is expressly contingent upon the appropriation, allocation, and availability of funds. If funds to effect payment are not available, the State will provide written notification to Vendor. If the Contract is terminated under this paragraph, Vendor agrees to take back any affected goods not yet delivered, terminate any services supplied to the State, and relieve the State of any further obligation thereof. State shall remit payment for goods and services accepted prior to the date of termination in the notice.

D. Convenience

1. For subscription services the State may terminate for convenience.
2. For all other Contracts, the State Purchasing Agent shall have the right to terminate the Contract for convenience if the State Purchasing Agent determines in writing that termination is in the State's best interest. The Vendor shall be paid for work completed and accepted, but Vendor shall not be entitled to recover lost profits.

E. Stop Work

In the interests of health, safety and welfare, economic or otherwise, the State Purchasing Agent may issue a stop work order to a Vendor on any Contract for a reasonable period of time. The Vendor shall cease and desist any further work until so ordered by the State Purchasing Agent. In the event that the Vendor bears responsibility for the conditions requiring a stop work order, the State shall not be responsible for any delays.

13.21 Indemnification

A. General

Vendor shall defend, indemnify, release and hold harmless the State and its agencies, together with their respective officers, agents and employees, from and against any and all third-party claims, demands, liabilities, causes of action, losses, damages, judgments and other costs and expenses (including attorneys' fees) arising out of, or related to, directly or indirectly, in whole or in part, Vendor's breach of the Contract or the act(s), error(s) or omission(s) of the Vendor or its employees, agents, subcontractors or volunteers at any tier.

B. Intellectual Property

Vendor shall defend, indemnify, release and hold harmless the State and its agencies, together with their respective officers, agents and employees, from and against all claims, demands, damages, liabilities, death, injury, judgments and other costs and expenses (including attorneys' fees), arising out of or related to, directly or indirectly, in whole or in part, a claim that a product or service or its use infringes the intellectual property rights of another person or entity.

13.22 Vendor Obligations

- A. In addition to the specific requirements imposed by the State in the Contract, a Vendor engaged in providing goods or services to the State shall generally have the following standard responsibilities:
1. Perform services in accordance with applicable standards of professional skill and care or as otherwise provided in the solicitation or Contract. When applicable law requires that services be performed by licensed professionals, Vendor shall provide those services through the performance of qualified persons or entities duly licensed to practice their professions.
 2. To furnish adequate protection from damage for all work and to repair damage of any kind, for which it or its workmen are responsible, to the building or equipment, to its own work, or to the work of other Vendors.
 3. To clear and remove all debris and rubbish resulting from its work from time to time, as directed or required, at completion of the work to leave the premises in a neat, unobstructed condition, broom clean, and in satisfactory order and repair.
 4. To store equipment, supplies, and material at the project site only upon approval by the State, and at its own risk.

5. To perform all work so as to cause the least disruption and inconvenience to the State, and with proper consideration for the rights of other Vendors and workers.
6. To acquaint themselves with conditions to be found at the project site, and to assume responsibility for the appropriate dispatching of equipment and supervision of its employees during the conduct of the work.
7. To supervise Vendor employees and subcontractors and to ensure that its employees are instructed with respect to special rules, regulations, policies, and procedures in effect for any State facility or project site, and that its employees comply with such rules, regulations, policies and procedures.
8. To perform background checks of Vendor employees, subcontractors and agents as required by the State.
9. EQUAL OPPORTUNITY COMPLIANCE, HANDICAPPED ACCESS AND AFFIRMATIVE ACTION - Contractors of the State are required to demonstrate the same commitment to equal opportunity as prevails under federal contracts controlled by Federal Executive Orders 11246, 11625, 11375 and 11830, and R.I. Gen. Laws Chapter 28-5.1. Affirmative action plans shall be submitted by the contractor for review by the State Equal Opportunity Office. A contractor's failure to abide by the rules, regulations, contract terms and compliance reporting provisions as established shall be grounds for forfeiture and penalties as shall be established, including but not limited to suspension.
10. DRUG-FREE WORKPLACE REQUIREMENT – Vendors who do business with the State and their employees shall abide by the State's drug-free workplace policy. Specifically, Vendor agrees as follows:
 - a. Vendor employees and agents are required to refrain from the abuse of alcohol and/or illegal and/or prescription drugs and must report to work in a fit condition to perform their duties or be subject to disciplinary action by the Vendor.
 - b. All Vendor employees, while on State business, on or off the workplace, are prohibited from purchasing, transferring, using, or possessing illegal drugs or from abusing alcohol or prescription drugs in any way that is illegal.
 - c. Vendors will take appropriate disciplinary action with all violators of this policy who are currently employed. Vendors will not knowingly consider for employment anyone who is known to currently abuse alcohol and/or illegal and/or prescription drugs.

11. In the best interest of the State, the State Purchasing Agent reserves the right to remove or have a Vendor immediately remove any Vendor employee, subcontractor or agent of the Vendor working on a State Contract based on a good faith belief that the individual is not acting in an appropriate, professional and/or in a commercially reasonable manner.
12. To comply with the provisions of R.I. Gen. Laws § 37-2-34 (Right to inspect facilities – Right to Audit) as necessary.

13.23 Force Majeure

Neither the State, nor its Vendors, shall be liable to the other for failure or delay in performance due to a cause not reasonably foreseen by, beyond the control of, and without the fault or negligence of the party declaring a force majeure event; provided that the party declaring a force majeure event shall have used its best efforts to avoid such failure or delay in performance, minimized the impact thereof, and given prompt written notice to the other party when first discovered, fully describing its probable effect and duration. In such event of excusable delay or non-performance, the State shall have the right at its option and without liability to cancel by notice to the Vendor any and all portions of Vendor's performance so affected and to take such other action as may be necessary. The State may, after ascertaining the facts and the extent of the delay, extend the time for completing performance when the facts so justify and amend the timetable accordingly. The State shall not be liable for any increased costs, including price escalation, beyond the performance or delivery date, due to a force majeure event. Force majeure shall not include a Vendor's financial distress or the financial distress of Vendor's parent, subsidiary, affiliated or associated company; claims or court orders that restrict Vendor's ability to deliver the goods, products or services contemplated by the Contract; strikes; labor unrest; supply chain disruptions; Vendor's subcontractor's or supplier's financial distress, conduct, negligence or default; or, as otherwise set forth within the Contract and associated documents.

13.24 Compliance with Law

During the term of the Contract with the State, Vendors shall comply with all statutes, laws, regulations, codes, orders, policies, rules and regulations of federal, state or municipal authorities applicable to the furnishing of such goods or services as set forth in the solicitation and the Vendor's bid or proposal all of which are hereby incorporated by reference into any Purchase Order or Purchase Agreement issued by the Division. Vendors shall pay for all required permits, licenses and fees required for the delivery of goods or services to the State unless otherwise stated in the solicitation or Contract.

13.25 Subcontracting, Assignment, Merger or Acquisition, Key Personnel, Third-Party Payment, and Prompt Payment of Subcontractors

A. Subcontracting

Vendors shall not subcontract with any third-party, except as set forth in its bid or proposal, without the prior written consent of the State Purchasing Agent. Such consent, if granted, shall not relieve the Vendor of any of its responsibilities under the Contract, nor shall it create privity of contract between the State and the sub-contractor. If a Vendor uses a sub-contractor to fulfill its responsibilities, then the Vendor shall be responsible for the sub-contractor's performance, compliance with the applicable terms of the Contract and all applicable statutes, rules, regulations, and these General Conditions of Purchase. Provided, however, for Rhode Island Department of Transportation ("RIDOT") road, bridge and heavy construction projects, approval of subcontractors shall be in accordance with "Bluebook" specifications issued by RIDOT. Upon request, contractors must submit to the Division of Purchases a list of all subcontractors to be employed in the performance of any Purchase Order or other contract arising from this Request.

B. Assignment

Vendors shall not, in whole or part, assign, transfer, convey, sublet, delegate or otherwise dispose of a Purchase Order, Purchase Agreement or Contract with the State or its right, title or interest therein, or its power to execute such Contract prior to issuance of a Purchase Order, to any other person, company, corporation, or entity without the written consent of the State Purchasing Agent. If consent is not granted, then the assignment, transfer, conveyance, sublet, delegation, or disposal shall be void ab initio.

C. Merger or Acquisition

If subsequent to the submission of a bid or proposal and prior to issuance of a Purchase Order or Purchase Agreement, a Vendor merges with or is acquired by another entity, then the Vendor shall provide appropriate and legally binding documentation between the Vendor and the successor entity ratifying acceptance of the Vendor's bid, proposal and any Contract terms, conditions, and pricing submitted to the Division. The State Purchasing Agent may disqualify the Vendor if the successor entity is determined to be not responsible.

D. If, after issuance of a Purchase Order, there is a material acquisition or change of ownership of a Vendor or its parent to another entity or person, the State Purchasing Agent may either authorize assignment of the Purchase Order or Purchase Agreement to the successor entity or cancel the Purchase Order or Purchase Agreement.

E. Key Personnel

If the Vendor's bid or proposal identified key personnel who would be responsible for fulfillment of the Vendor's performance obligations and said key personnel are for any reason no longer available, then the State Purchasing Agent may either authorize substitution of said key personnel by the Vendor or cancel the Contract.

F. Third-Party Payment

Unless expressly provided for in the solicitation, the State will not accede to any request for third party or joint payment(s), except as provided for in specific orders by a court of competent jurisdiction, or by express written permission of the State Purchasing Agent. If a Vendor's bid or proposal is contingent upon such payment(s), then it must be clearly stated within the bid or proposal and is subject to approval by the State Purchasing Agent.

G. Prompt Payment of Subcontractors

In accordance with R.I. Gen. Laws § 42-11.1-3(b) Vendors shall make prompt payment for satisfactory subcontract work for which the State has made partial or full payment. The State reserves the right to determine whether a Vendor, who repeatedly fails to make prompt payment to subcontractors, is Responsible relative to future procurements, and may suspend, debar or otherwise remove such Vendors from the State Bidders List.

13.26 Advertising

Vendors shall not reference a State Contract for the purposes of advertising or promotion without written authorization from the State Purchasing Agent and any agency owner of the referenced Contract.

13.27 Non-Exclusive Rights

The State reserves the right to issue multiple solicitations for goods or services similar or identical to the goods or services described in a solicitation for which a Purchase Order or Purchase Agreement has been issued to a Vendor.

13.28 Election of Remedies

All rights exercisable by and remedies of the State shall be cumulative. The exercise or beginning of the exercise by the State of any of its rights and remedies will not preclude the State from exercising any other right hereunder or otherwise granted by law or in equity.

13.29 Survival

All Vendor obligations herein shall survive expiration, termination and/or cancellation of the Contract.

13.30 Contract Transition

Vendor agrees to act in good faith and a commercially reasonable manner at all times in the transition of a Contract to a new Vendor.

13.31 Governing Law, Forum

- A. The construction and effect of any solicitation, Contract or Purchase Order documents, Purchase Agreement or actions by the Department of Administration, by and through its Division of Purchases, arising under the "State Purchases Act", R.I. Gen. Laws § 37-2-1, *et seq.* shall be governed and construed in accordance with the laws of the State of Rhode Island, without reference to its principles of conflict of laws, except where the federal supremacy clause requires otherwise.
- B. After exhaustion of any administrative remedies, any suit, action or proceeding brought by a Vendor in connection with any solicitation, Contract, or Purchase Order or actions by the Department of Administration, by and through its Division of Purchases, arising under the "State Purchases Act", R.I. Gen. Laws § 37-2-1, *et seq.* shall be brought solely in the Providence Superior Court, Providence, Rhode Island. Vendors irrevocably submit to the jurisdiction of said court and all courts of appeal from which an appeal may be taken from such court, waive any objection to the venue of said court and any claim that such suit, action or proceeding has been brought in an inconvenient forum. Nothing contained in this section shall be construed to waive any State immunity to suit or liability.

13.32 Effective Date and Commencement of Work

- A. Effective Date of the General Conditions

The General Conditions shall apply to all procurements issued after the effective date of these regulations.

- B. Contract Effective Date

The effective date of any procurement shall be the date contained in the Contract. No work or services shall commence prior to the issuance of a Purchase Order or written authority to proceed formally issued by the Division. Any work performed by the Vendor prior to issuance of a Purchase Order or approved Change Order shall not be subject to payment by the State.

13.33 Amendments to General Conditions

The State Purchasing Agent reserves the right to agree to alternate terms and conditions for a specific purchase in order to serve the best interests of the State and/or protect the health, safety or welfare, economic or otherwise, of the State and its citizens.

13.34 Contract Addendums in Addition to the General Conditions of Purchase

- A. In addition to the General Conditions of Purchase, the additional contract Addenda (“GC Addenda”) listed below shall apply to specific types/categories of Contracts with the State at the direction of the Division. The Division shall indicate any applicable GC Addenda in the solicitation or other procurement. These GC Addenda shall be considered as additional Contract terms and conditions with the State.
- B. The GC Addenda may be amended from time to time without Administrative Procedures Act promulgation and at the discretion of the Division. The GC Addenda shall be considered contract terms and not regulations.
- C. The Division may post the current GC Addenda on the Division’s website for reference purposes and/or may include with the solicitation. The GC Addenda includes the following:
 - 1. GC Addendum A – General Insurance Requirements
 - 2. GC Addendum B – Information Technology Requirements
 - 3. GC Addendum C – Public Works Project Requirements (AIA Agreements)

- D. The Division reserves the right to add GC Addenda as necessary without further promulgation of regulation. Again, any additional GC Addenda would be considered a Contract term.
- E. In lieu or in addition to any GC Addenda, the Division reserves the right to include any contract terms in a specific solicitation or procurement as necessary.

13.35 Severability

If any section, term, or provision of this regulation should be adjudged invalid for any reason, that judgment should not affect, impair, or invalidate any remaining section, term, or provision, which shall remain in full force and effect.

Notwithstanding any use of the approved subcontractors, the Contractor shall be the prime contractor and responsible for compliance with all terms and conditions of this Contract. The State reserves the right to request additional information or impose additional terms and conditions before approving an assignment of this Contract in whole or in part or the use of subcontractors in fulfilling the Contractor's obligations under this Contract.
- D.8. Conflicts of Interest. The Contractor warrants that no part of the Contractor's compensation shall be paid directly or indirectly to an employee or official of the State of Tennessee as wages, compensation, or gifts in exchange for acting as an officer, agent, employee, subcontractor, or consultant to the Contractor in connection with any work contemplated or performed under this Contract.

The Contractor acknowledges, understands, and agrees that this Contract shall be null and void if

- D.10. Prohibition of Illegal Immigrants. The requirements of Tenn. Code Ann. § 12-3-309 addressing the use of illegal immigrants in the performance of any contract to supply goods or services to the state of Tennessee, shall be a material provision of this Contract, a breach of which shall be grounds for monetary and other penalties, up to and including termination of this Contract.
- a. The Contractor agrees that the Contractor shall not knowingly utilize the services of an illegal immigrant in the performance of this Contract and shall not knowingly utilize the services of any subcontractor who will utilize the services of an illegal immigrant in the performance of this Contract. The Contractor shall reaffirm this attestation, in writing, by submitting to the State a completed and signed copy of the document at Attachment **Reference**, semi-annually during the Term. If the Contractor is a party to more than one contract with the State, the Contractor may submit one attestation that applies to all contracts with the State. The financial statements shall be prepared in accordance with generally accepted accounting principles.

- D.12. Monitoring. The Contractor's activities conducted and records maintained pursuant to this Contract shall be subject to monitoring and evaluation by the State, the Comptroller of the Treasury, or their duly appointed representatives.
- D.13. Progress Reports. The Contractor shall submit brief, periodic, progress reports to the State as requested.
- D.14. Strict Performance. Failure by any Party to this Contract to require, in any one or more cases, the strict performance of any of the terms, covenants, conditions, or provisions of this Contract shall not be construed as a waiver or relinquishment of any term, covenant, condition, or provision. No term or condition of this Contract shall be held to be waived, modified, or deleted except by a written amendment signed by the Parties.
- D.15. Independent Contractor. The Parties shall not act as employees, partners, joint venturers, or associates of one another. The Parties are independent contracting entities. Nothing in this Contract shall be construed to create an employer/employee relationship or to allow either Party to exercise control or direction over the manner or method by which the other transacts its business affairs or provides its usual services. The employees or agents of one Party are not employees or agents of the other Party.
- D.16. Patient Protection and Affordable Care Act. The Contractor agrees that it will be responsible for compliance with the Patient Protection and Affordable Care Act ("PPACA") with respect to itself and its employees, including any obligation to report health insurance coverage, provide health insurance coverage, or pay any financial assessment, tax, or penalty for not providing health insurance. The Contractor shall indemnify the State and hold it harmless from any costs to the State arising from Contractor's failure to fulfill its PPACA responsibilities for itself or its employees.
- D.17. Limitation of State's Liability. The State shall have no liability except as specifically provided in this Contract. In no event will the State be liable to the Contractor or any other party for any lost revenues, lost profits, loss of business, decrease in the value of any securities or cash position, time, goodwill, or any indirect, special, incidental, punitive, exemplary or consequential damages of any nature, whether based on warranty, contract, statute, regulation, tort (including but not limited to negligence), or any other legal theory that may arise under this Contract or otherwise. Notwithstanding anything else herein, the State's total liability under this Contract (including without limitation any exhibits, schedules, amendments or other attachments to the Contract) or otherwise shall under no circumstances exceed the Estimated Liability. This limitation of liability is cumulative and not per incident.
- D.18. Limitation of Contractor's Liability. In accordance with Tenn. Code Ann. § 12-3-701, the Contractor's liability for all claims arising under this Contract shall be limited to an amount equal to two (2) times the Estimated Liability amount detailed in Section C.1. and as may be amended, PROVIDED THAT in no event shall this Section limit the liability of the Contractor for: (i) intellectual property or any Contractor indemnity obligations for infringement for third-party intellectual property rights; (ii) any claims covered by any specific provision in the Contract providing for liquidated damages; or (iii) any claims for intentional torts, criminal acts, fraudulent conduct, or acts or omissions that result in personal injuries or death.
- D.19. Hold Harmless. The Contractor agrees to indemnify and hold harmless the State of Tennessee as well as its officers, agents, and employees from and against any and all claims, liabilities, losses, and causes of action which may arise, accrue, or result to any person, firm, corporation, or other entity which may be injured or damaged as a result of acts, omissions, or negligence on the part of the Contractor, its employees, or any person acting for or on its or their behalf relating to this Contract. The Contractor further agrees it shall be liable for the reasonable cost of attorneys' fees, court costs, expert witness fees, and other litigation expenses for the State to enforce the terms of this Contract.

In the event of any suit or claim, the Parties shall give each other immediate notice and provide

all necessary assistance to respond. The failure of the State to give notice shall only relieve the Contractor of its obligations under this Section to the extent that the Contractor can demonstrate actual prejudice arising from the failure to give notice. This Section shall not grant the Contractor, through its attorneys, the right to represent the State in any legal matter, as the right to represent the State is governed by Tenn. Code Ann. § 8-6-106.

- D.20. HIPAA Compliance. The State and Contractor shall comply with obligations under the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”), Health Information Technology for Economic and Clinical Health (“HITECH”) Act and any other relevant laws and regulations regarding privacy (collectively the “Privacy Rules”). The obligations set forth in this Section shall survive the termination of this Contract.
- a. Contractor warrants to the State that it is familiar with the requirements of the Privacy Rules, and will comply with all applicable requirements in the course of this Contract.
 - b. Contractor warrants that it will cooperate with the State, including cooperation and coordination with State privacy officials and other compliance officers required by the Privacy Rules, in the course of performance of the Contract so that both parties will be in compliance with the Privacy Rules.
 - c. The State and the Contractor will sign documents, including but not limited to business associate agreements, as required by the Privacy Rules and that are reasonably necessary to keep the State and Contractor in compliance with the Privacy Rules. This provision shall not apply if information received or delivered by the parties under this Contract is NOT “protected health information” as defined by the Privacy Rules, or if the Privacy Rules permit the parties to receive or deliver the information without entering into a business associate agreement or signing another document.
 - d. The Contractor will indemnify the State and hold it harmless for any violation by the Contractor or its subcontractors of the Privacy Rules. This includes the costs of responding to a breach of protected health information, the costs of responding to a government enforcement action related to the breach, and any fines, penalties, or damages paid by the State because of the violation.
- D.21. Tennessee Consolidated Retirement System. Subject to statutory exceptions contained in Tenn. Code Ann. §§ 8-36-801, *et seq.*, the law governing the Tennessee Consolidated Retirement System (“TCRS”), provides that if a retired member of TCRS, or of any superseded system administered by TCRS, or of any local retirement fund established under Tenn. Code Ann. §§ 8-35-101, *et seq.*, accepts State employment, the member’s retirement allowance is suspended during the period of the employment. Accordingly and notwithstanding any provision of this Contract to the contrary, the Contractor agrees that if it is later determined that the true nature of the working relationship between the Contractor and the State under this Contract is that of “employee/employer” and not that of an independent contractor, the Contractor, if a retired member of TCRS, may be required to repay to TCRS the amount of retirement benefits the Contractor received from TCRS during the Term.
- D.22. Tennessee Department of Revenue Registration. The Contractor shall comply with all applicable registration requirements contained in Tenn. Code Ann. §§ 67-6-601 – 608. Compliance with applicable registration requirements is a material requirement of this Contract.
- D.23. Debarment and Suspension. The Contractor certifies, to the best of its knowledge and belief, that it, its current and future principals, its current and future subcontractors and their principals:
- a. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal or state department or agency;
 - b. have not within a three (3) year period preceding this Contract been convicted of, or had a civil judgment rendered against them from commission of fraud, or a criminal offense in

connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or grant under a public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification, or destruction of records, making false statements, or receiving stolen property;

- c. are not presently indicted or otherwise criminally or civilly charged by a government entity (federal, state, or local) with commission of any of the offenses detailed in section b. of this certification; and
- d. have not within a three (3) year period preceding this Contract had one or more public transactions (federal, state, or local) terminated for cause or default.

The Contractor shall provide immediate written notice to the State if at any time it learns that there was an earlier failure to disclose information or that due to changed circumstances, its principals or the principals of its subcontractors are excluded, disqualified, or presently fall under any of the prohibitions of sections a-d.

- D.24. Force Majeure. "Force Majeure Event" means fire, flood, earthquake, elements of nature or acts of God, wars, riots, civil disorders, rebellions or revolutions, acts of terrorism or any other similar cause beyond the reasonable control of the Party except to the extent that the non-performing Party is at fault in failing to prevent or causing the default or delay, and provided that the default or delay cannot reasonably be circumvented by the non-performing Party through the use of alternate sources, workaround plans or other means. A strike, lockout or labor dispute shall not excuse either Party from its obligations under this Contract. Except as set forth in this Section, any failure or delay by a Party in the performance of its obligations under this Contract arising from a Force Majeure Event is not a default under this Contract or grounds for termination. The non-performing Party will be excused from performing those obligations directly affected by the Force Majeure Event, and only for as long as the Force Majeure Event continues, provided that the Party continues to use diligent, good faith efforts to resume performance without delay. The occurrence of a Force Majeure Event affecting Contractor's representatives, suppliers, subcontractors, customers or business apart from this Contract is not a Force Majeure Event under this Contract. Contractor will promptly notify the State of any delay caused by a Force Majeure Event (to be confirmed in a written notice to the State within one (1) day of the inception of the delay) that a Force Majeure Event has occurred, and will describe in reasonable detail the nature of the Force Majeure Event. If any Force Majeure Event results in a delay in Contractor's performance longer than forty-eight (48) hours, the State may, upon notice to Contractor: (a) cease payment of the fees for the affected obligations until Contractor resumes performance of the affected obligations; or (b) immediately terminate this Contract or any purchase order, in whole or in part, without further payment except for fees then due and payable. Contractor will not increase its charges under this Contract or charge the State any fees other than those provided for in this Contract as the result of a Force Majeure Event.
- D.25. State and Federal Compliance. The Contractor shall comply with all State and federal laws and regulations applicable to Contractor in the Contractor's performance of this Contract.
- D.26. Governing Law. This Contract shall be governed by and construed in accordance with the laws of the State of Tennessee, without regard to its conflict or choice of law rules. The Tennessee Claims Commission or the state or federal courts in Tennessee shall be the venue for all claims, disputes, or disagreements arising under this Contract. The Contractor acknowledges and agrees that any rights, claims, or remedies against the State of Tennessee or its employees arising under this Contract shall be subject to and limited to those rights and remedies available under Tenn. Code Ann. §§ 9-8-101 - 408.
- D.27. Entire Agreement. This Contract is complete and contains the entire understanding between the Parties relating to its subject matter, including all the terms and conditions of the Parties' agreement. This Contract supersedes any and all prior understandings, representations, negotiations, and agreements between the Parties, whether written or oral.

- D.28. Severability. If any terms and conditions of this Contract are held to be invalid or unenforceable as a matter of law, the other terms and conditions of this Contract shall not be affected and shall remain in full force and effect. The terms and conditions of this Contract are severable.
- D.29. Headings. Section headings of this Contract are for reference purposes only and shall not be construed as part of this Contract.
- D.30. Incorporation of Additional Documents. Each of the following documents is included as a part of this Contract by reference. In the event of a discrepancy or ambiguity regarding the Contractor's duties, responsibilities, and performance under this Contract, these items shall govern in order of precedence below:
- a. any amendment to this Contract, with the latter in time controlling over any earlier amendments;
 - b. this Contract with any attachments or exhibits (excluding the items listed at subsections c. through f., below), which includes [identify attachments and exhibits];
 - c. any clarifications of or addenda to the Contractor's proposal seeking this Contract;
 - d. the State solicitation, as may be amended, requesting responses in competition for this Contract;
 - e. any technical specifications provided to proposers during the procurement process to award this Contract; and
 - f. the Contractor's response seeking this Contract.
- D.31. Iran Divestment Act. The requirements of Tenn. Code Ann. § 12-12-101, *et seq.*, addressing contracting with persons as defined at Tenn. Code Ann. §12-12-103(5) that engage in investment activities in Iran, shall be a material provision of this Contract. The Contractor certifies, under penalty of perjury, that to the best of its knowledge and belief that it is not on the list created pursuant to Tenn. Code Ann. §12-12-106.
- D.32. Insurance. Contractor shall maintain insurance coverage as specified in this Section. The State reserves the right to amend or require additional insurance coverage, coverage amounts, and endorsements required under this Contract. Contractor's failure to maintain or submit evidence of insurance coverage, as required, is a material breach of this Contract. If Contractor loses insurance coverage, fails to renew coverage, or for any reason becomes uninsured during the Term, Contractor shall immediately notify the State. All insurance companies providing coverage must be: (a) acceptable to the State; (b) authorized by the Tennessee Department of Commerce and Insurance ("TDCI"); and (c) rated A- / VII or better by A.M. Best. All coverage must be on a primary basis and noncontributory with any other insurance or self-insurance carried by the State. Contractor agrees to name the State as an additional insured on any insurance policy with the exception of workers' compensation (employer liability) and professional liability (errors and omissions) insurance. All policies must contain an endorsement for a waiver of subrogation in favor of the State. Any deductible or self insured retention ("SIR") over fifty thousand dollars (\$50,000) must be approved by the State. The deductible or SIR and any premiums are the Contractor's sole responsibility. The Contractor agrees that the insurance requirements specified in this Section do not reduce any liability the Contractor has assumed under this Contract including any indemnification or hold harmless requirements.

To achieve the required coverage amounts, a combination of an otherwise deficient specific policy and an umbrella policy with an aggregate meeting or exceeding the required coverage amounts is acceptable. For example: If the required policy limit under this Contract is for two million dollars (\$2,000,000) in coverage, acceptable coverage would include a specific policy covering one million dollars (\$1,000,000) combined with an umbrella policy for an additional one million dollars (\$1,000,000). If the deficient underlying policy is for a coverage area without aggregate limits (generally Automobile Liability and Employers' Liability Accident), Contractor shall provide a copy of the umbrella insurance policy documents to ensure that no aggregate limit applies to the umbrella policy for that coverage area. In the event that an umbrella policy is being provided to achieve any required coverage amounts, the umbrella policy shall be accompanied by an endorsement at least as broad as the Insurance Services Office, Inc. (also known as "ISO") "Noncontributory—Other Insurance Condition" endorsement or shall be written on a policy form

that addresses both the primary and noncontributory basis of the umbrella policy if the State is otherwise named as an additional insured.

Contractor shall provide the State a certificate of insurance (“COI”) evidencing the coverages and amounts specified in this Section. The COI must be on a form approved by the TDCI (standard ACORD form preferred). The COI must list each insurer’s National Association of Insurance Commissioners (NAIC) number and be signed by an authorized representative of the insurer. The COI must list the State of Tennessee – CPO Risk Manager, 312 Rosa L. Parks Ave., 3rd floor Central Procurement Office, Nashville, TN 37243 as the certificate holder. Contractor shall provide the COI ten (10) business days prior to the Effective Date and again thirty (30) calendar days before renewal or replacement of coverage. Contractor shall provide the State evidence that all subcontractors maintain the required insurance or that subcontractors are included under the Contractor’s policy. At any time, the State may require Contractor to provide a valid COI. The Parties agree that failure to provide evidence of insurance coverage as required is a material breach of this Contract. If Contractor self-insures, then a COI will not be required to prove coverage. Instead Contractor shall provide a certificate of self-insurance or a letter, on Contractor’s letterhead, detailing its coverage, policy amounts, and proof of funds to reasonably cover such expenses. The State reserves the right to require complete copies of all required insurance policies, including endorsements required by these specifications, at any time.

The State agrees that it shall give written notice to the Contractor as soon as practicable after the State becomes aware of any claim asserted or made against the State, but in no event later than thirty (30) calendar days after the State becomes aware of such claim. The failure of the State to give notice shall only relieve the Contractor of its obligations under this Section to the extent that the Contractor can demonstrate actual prejudice arising from the failure to give notice. This Section shall not grant the Contractor or its insurer, through its attorneys, the right to represent the State in any legal matter, as the right to represent the State is governed by Tenn. Code Ann. § 8-6-106.

The insurance obligations under this Contract shall be: (1)—all the insurance coverage and policy limits carried by the Contractor; or (2)—the minimum insurance coverage requirements and policy limits shown in this Contract; whichever is greater. Any insurance proceeds in excess of or broader than the minimum required coverage and minimum required policy limits, which are applicable to a given loss, shall be available to the State. No representation is made that the minimum insurance requirements of the Contract are sufficient to cover the obligations of the Contractor arising under this Contract. The Contractor shall obtain and maintain, at a minimum, the following insurance coverages and policy limits.

a. Commercial General Liability (“CGL”) Insurance

- 1) The Contractor shall maintain CGL, which shall be written on an ISO Form CG 00 01 occurrence form (or a substitute form providing equivalent coverage) and shall cover liability arising from property damage, premises and operations products and completed operations, bodily injury, personal and advertising injury, and liability assumed under an insured contract (including the tort liability of another assumed in a business contract).

The Contractor shall maintain single limits not less than **one million dollars (\$1,000,000)** per occurrence. If a general aggregate limit applies, either the general aggregate limit shall apply separately to this policy or location of occurrence or the general aggregate limit shall be twice the required occurrence limit.

b. Workers’ Compensation and Employer Liability Insurance

- 1) For Contractors statutorily required to carry workers’ compensation and employer liability insurance, the Contractor shall maintain:

- i. Workers' compensation in an amount not less than **one million dollars (\$1,000,000)** including employer liability of one million dollars (**\$1,000,000**) per accident for bodily injury by accident, **one million dollars (\$1,000,000)** policy limit by disease, and **one million dollars (\$1,000,000)** per employee for bodily injury by disease.
 - 2) If the Contractor certifies that it is exempt from the requirements of Tenn. Code Ann. §§ 50-6-101 – 103, then the Contractor shall furnish written proof of such exemption for one or more of the following reasons:
 - i. The Contractor employs fewer than five (5) employees;
 - ii. The Contractor is a sole proprietor;
 - iii. The Contractor is in the construction business or trades with no employees;
 - iv. The Contractor is in the coal mining industry with no employees;
 - v. The Contractor is a state or local government; or
 - vi. The Contractor self-insures its workers' compensation and is in compliance with the TDCI rules and Tenn. Code Ann. § 50-6-405.
- c. Automobile Liability Insurance
- 1) The Contractor shall maintain automobile liability insurance which shall cover liability arising out of any automobile (including owned, leased, hired, and non-owned automobiles).
 - 2) The Contractor shall maintain bodily injury/property damage with a limit not less than **one million dollars (\$1,000,000)** per occurrence or combined single limit.

D.33. Major Procurement Contract Sales and Use Tax. Pursuant to Tenn. Code Ann. § 4-39-102 and to the extent applicable, the Contractor and the Contractor's subcontractors shall remit sales and use taxes on the sales of goods or services that are made by the Contractor or the Contractor's subcontractors and that are subject to tax.

D.34. Confidentiality of Records. Strict standards of confidentiality of records and information shall be maintained in accordance with applicable state and federal law. All material and information, regardless of form, medium or method of communication, provided to the Contractor by the State or acquired by the Contractor on behalf of the State that is regarded as confidential under state or federal law shall be regarded as "Confidential Information." Nothing in this Section shall permit Contractor to disclose any Confidential Information, regardless of whether it has been disclosed or made available to the Contractor due to intentional or negligent actions or inactions of agents of the State or third parties. Confidential Information shall not be disclosed except as required or permitted under state or federal law. Contractor shall take all necessary steps to safeguard the confidentiality of such material or information in conformance with applicable state and federal law.

The obligations set forth in this Section shall survive the termination of this Contract.

D.35. Boycott of Israel. The Contractor certifies that it is not currently engaged in, and covenants that it will not, for the duration of the Contract, engage in a Boycott of Israel, as that term is defined in Tenn. Code Ann. § 12-4-119.

- D.36. Prohibited Contract Terms. The prohibited contract terms and conditions enumerated in Pub. Ch. 113, § 5, shall be a material provision of this Contract. The Contractor acknowledges, understands, and agrees that the inclusion of a term or condition prohibited by Pub. Ch. 113, § 5, shall be null and void and the Contract shall be enforceable as if the Contract did not contain such term or condition.

E. SPECIAL TERMS AND CONDITIONS:

- E.1. Conflicting Terms and Conditions. Should any of these special terms and conditions conflict with any other terms and conditions of this Contract, the special terms and conditions shall be subordinate to the Contract's other terms and conditions.
- E.2. Contractor Commitment to Diversity. The Contractor shall comply with and make reasonable business efforts to exceed the commitment to diversity represented by the Contractor's Response to **Solicitation Number (Attachment Reference)** and resulting in this Contract.

The Contractor shall assist the State in monitoring the Contractor's performance of this commitment by providing, as requested, a monthly report of participation in the performance of this Contract by small business enterprises and businesses owned by minorities, women, service-disabled veterans, and persons with disabilities. Such reports shall be provided to the State of Tennessee Governor's Office of Diversity Business Enterprise in the TN Diversity Software available online at:

<https://tn.diversitysoftware.com/FrontEnd/StartCertification.asp?TN=tn&XID=9810>.

- E.3. State Ownership of Goods. The State shall have ownership, right, title, and interest in all goods provided by Contractor under this Contract including full rights to use the goods and transfer title in the goods to any third parties.
- E.4. Additional lines, items, or options. At its sole discretion, the State may make written requests to the Contractor to add **lines, items, or options** that are needed and within the Scope but were not included in the original Contract. Such **lines, items, or options** will be added to the Contract through a Memorandum of Understanding ("MOU"), not an amendment.
- a. After the Contractor receives a written request to add **lines, items, or options**, the Contractor shall have ten (10) business days to respond with a written proposal. The Contractor's written proposal shall include:
 - (1) The effect, if any, of adding the **lines, items, or options** on the other **goods or services** required under the Contract;
 - (2) Any pricing related to the new lines, items, or options;
 - (3) The expected effective date for the availability of the new **lines, items, or options; and**
 - (4) **Any additional information requested by the State.**
 - b. The State may negotiate the terms of the Contractor's proposal by requesting revisions to the proposal.
 - c. To indicate acceptance of a proposal, the State will sign it. The signed proposal shall constitute a MOU between the Parties, and the lines, items, or options shall be incorporated into the Contract as if set forth verbatim.
 - d. Only after a MOU has been executed shall the Contractor **perform or deliver the new lines, items, or options.**

- E.5. Extraneous Terms and Conditions. Contractor shall fill all orders submitted by the State under this Contract. No purchase order, invoice, or other documents associated with any sales, orders, or supply of any good or service under this Contract shall contain any terms or conditions other than as set forth in the Contract. Any such extraneous terms and conditions shall be void, invalid and unenforceable against the State. Any refusal by Contractor to supply any goods or services

under this Contract conditioned upon the State submitting to any extraneous terms and conditions shall be a material breach of the Contract and constitute an act of bad faith by Contractor.

- E.6. Statewide Contract. This Contract establishes a source or sources of supply for all Tennessee State Agencies. "Tennessee State Agency" refers to the various departments, institutions, boards, commissions, and agencies of the executive branch of government of the State of Tennessee with exceptions as addressed in Tenn. The Contractor shall make this Contract available to the following entities, who are authorized to and who may purchase off of this Statewide Contract ("Authorized Users"):

These Authorized Users may utilize this Contract by purchasing directly from the Contractor according to their own procurement policies and procedures. The State is not responsible or liable for the transactions between the Contractor and Authorized Users.

- E.7. **Statewide Contract Reports**. All reports shall be submitted electronically in Microsoft Excel format. Reports shall include the ability to sort or summarize data in accordance with the Contract Administrator's specifications. All reports shall be provided at no additional cost to the State.

Quarterly Reports: Contractor(s) will submit quarterly reports to the Contract Administrator no later than **ten (10)** days after the end of the State's quarter (e.g. a fiscal year quarter 2 report for October - December is due no later than **January 10th**).  8. **INDEPENDENT CONTRACTOR:** Contractor and Subcontractors, in the performance of this Contract, shall act in an independent capacity and not as officers or employees or agents of the Division or the State of Utah.
 9. **CONTRACTOR RESPONSIBILITY:** Contractor is solely responsible for fulfilling the contract, with responsibility for all Procurement Items delivered and/or performed as stated in this Contract. Contractor shall be the sole point of contact regarding all contractual matters. Contractor must incorporate Contractor's responsibilities under this Contract into every subcontract with its Subcontractors that will provide the Procurement Item(s) to the Eligible Users under this Contract. Moreover, Contractor is responsible for its Subcontractors compliance under this Contract.
 10. **INDEMNITY:** Contractor shall be fully liable for the actions of its agents, employees, officers, partners, and Subcontractors, and shall fully indemnify, defend, and save harmless the Division, the Eligible Users and the State of Utah from all claims, losses, suits, actions, damages, and costs of every name and description arising out of Contractor's performance of this Contract to the extent caused by any intentional wrongful act or negligence of Contractor, its agents, employees, officers, partners, or Subcontractors, without limitation; provided, however, that the Contractor shall not indemnify for that portion of any claim, loss, or damage arising hereunder due to the fault of an Eligible User. The parties agree that if there are any limitations of the Contractor's liability, including a limitation of liability clause for anyone for whom the Contractor is responsible, such limitations of liability will not apply to injuries to persons, including death, or to damages to property.
 11. **EMPLOYMENT PRACTICES:** Contractor agrees to abide by the following federal and state employment laws, including: (i) Title VI and VII of the Civil Rights Act of 1964 (42 U.S.C. 2000e), which prohibits discrimination against any employee or applicant for employment or any applicant or recipient of services on the basis of race, religion, color, or national origin; (ii) Executive Order No. 11246, as amended, which prohibits discrimination on the basis of sex; (iii) 45 CFR 90, which prohibits discrimination on the basis of age; (iv) Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act of 1990, which prohibits discrimination on the basis of disabilities; and (v) Utah's Executive Order 2019-1, dated February 5, 2019, which prohibits unlawful harassment in the workplace. Contractor agrees to abide by any other laws, regulations, or orders that prohibit the discrimination of any kind by any of Contractor's employees.
 12. **AMENDMENTS:** This Contract may only be amended by the mutual written agreement of the parties, provided that the amendment is within the Scope of Work of this Contract and is within the scope/purpose of the original solicitation for which this Contract was derived. The amendment will be attached and made part of this Contract. Automatic renewals will not apply to this Contract, even if listed elsewhere in this Contract.
 13. **DEBARMENT:** Contractor certifies that it is not presently nor has ever been debarred, suspended, proposed for debarment, or declared ineligible by any governmental department or agency, whether international, national, state, or local. Contractor must notify the Division within thirty (30) days if debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in any contract by any governmental entity during this Contract.
 14. **TERMINATION:** This Contract may be terminated, with cause by either party, in advance of the specified expiration date, upon written notice given by the other party. The party in violation will be given ten (10) days after written notification to correct and cease the violations, after which this Contract may be terminated for cause immediately and subject to the remedies below. This Contract may also be terminated without cause (for convenience), in advance of the specified expiration date, by the Division, upon thirty (30) days written termination notice being given to the Contractor. The Division and the Contractor may terminate this Contract, in whole or in part, at any time, by mutual agreement in writing.

On termination of this Contract, all accounts and payments will be processed according to the financial arrangements set forth herein for approved and conforming Procurement Items ordered prior to date of termination. In no event shall the Eligible Users be liable to the Contractor for compensation for any Procurement Item neither requested nor accepted by an Eligible User. In no event shall the Division's exercise of its right to terminate this Contract for convenience relieve the Contractor of any liability to the Eligible Users for any damages or claims arising under this Contract.
 15. **NONAPPROPRIATION OF FUNDS, REDUCTION OF FUNDS, OR CHANGES IN LAW:** Upon thirty (30) days written notice delivered to the Contractor, a purchase order that results from this Contract may be terminated in whole or in part at the sole discretion of an Eligible User, if an Eligible User reasonably determines that: (i) a change in Federal or State legislation or applicable laws materially affects the ability of either party to perform under the terms of this Contract; or (ii) that a change in available funds affects an Eligible User's ability to pay under this Contract. A change of available funds as used in this paragraph includes, but is not limited to a change in Federal or State funding, whether as a result of a legislative act or by order of the President or the Governor.

If a written notice is delivered under this section, an Eligible User will reimburse Contractor for the Procurement Item(s) properly ordered and/or properly performed until the effective date of said notice. An Eligible User will not be liable for any performance, commitments, penalties, or liquidated damages that accrue after the effective date of said written notice.
 16. **SALES TAX EXEMPTION:** The Procurement Item(s) under this Contract will be paid for from an Eligible User's funds and used in the exercise of an Eligible Users essential functions. Upon request, an Eligible User will provide Contractor with its sales tax exemption number. It is Contractor's responsibility to request an Eligible User's sales tax exemption number. It also

is Contractor's sole responsibility to ascertain whether any tax deduction or benefits apply to any aspect of this Contract.

17. **WARRANTY OF PROCUREMENT ITEM(S):** Contractor warrants, represents and conveys full ownership and clear title, free of all liens and encumbrances, to the Procurement Item(s) delivered to an Eligible User under this Contract. Contractor warrants for a period of one (1) year that: (i) the Procurement Item(s) perform according to all specific claims that Contractor made in its Response; (ii) the Procurement Item(s) are suitable for the ordinary purposes for which such Procurement Item(s) are used; (iii) the Procurement Item(s) are suitable for any special purposes identified in the Contractor's Response; (iv) the Procurement Item(s) are designed and manufactured in a commercially reasonable manner; (v) the Procurement Item(s) are manufactured and in all other respects create no harm to persons or property; and (vi) the Procurement Item(s) are free of defects. Unless otherwise specified, all Procurement Item(s) provided shall be new and unused of the latest model or design.

Remedies available to an Eligible User under this section include, but are not limited to, the following: Contractor will repair or replace Procurement Item(s) at no charge to the Eligible User within ten (10) days of any written notification informing Contractor of the Procurement Items not performing as required under this Contract. If the repaired and/or replaced Procurement Item(s) prove to be inadequate, or fail its essential purpose, Contractor will refund the full amount of any payments that have been made. Nothing in this warranty will be construed to limit any rights or remedies an Eligible User may otherwise have under this Contract.

18. **CONTRACTOR'S INSURANCE RESPONSIBILITY.** The Contractor shall maintain the following insurance coverage:
- Workers' compensation insurance during the term of this Contract for all its employees and any Subcontractor employees related to this Contract. Workers' compensation insurance shall cover full liability under the workers' compensation laws of the jurisdiction in which the work is performed at the statutory limits required by said jurisdiction.
 - Commercial general liability [CGL] insurance from an insurance company authorized to do business in the State of Utah. The limits of the CGL insurance policy will be no less than one million dollars (\$1,000,000.00) per person per occurrence and three million dollars (\$3,000,000.00) aggregate.
 - Commercial automobile liability [CAL] insurance from an insurance company authorized to do business in the State of Utah. The CAL insurance policy must cover bodily injury and property damage liability and be applicable to all vehicles used in your performance of Services under this Agreement whether owned, non-owned, leased, or hired. The minimum liability limit must be \$1 million per occurrence, combined single limit. The CAL insurance policy is required if Contractor will use a vehicle in the performance of this Contract.
 - Other insurance policies required in the Solicitation.

Certificate of Insurance, showing up-to-date coverage, shall be on file with the State before the Contract may commence.

The State reserves the right to require higher or lower insurance limits where warranted. Failure to provide proof of insurance as required will be deemed a material breach of this Contract. Contractor's failure to maintain this insurance requirement for the term of this Contract will be grounds for immediate termination of this Contract.

19. **RESERVED.**

20. **PUBLIC INFORMATION:** Contractor agrees that this Contract, related purchase orders, related pricing documents, and invoices will be public documents and may be available for public and private distribution in accordance with the State of Utah's Government Records Access and Management Act (GRAMA). J. PAYMENT:

1. To Prime Contractor:

- a. Invoices for items ordered, delivered and accepted shall be submitted by the contractor directly to the payment address shown on the purchase order/contract. All invoices shall show the state contract number and/or purchase order number; social security number (for individual contractors) or the federal employer identification number (for proprietorships, partnerships, and corporations).
- b. Any payment terms requiring payment in less than 30 days will be regarded as requiring payment 30 days after invoice or delivery, whichever occurs last. This shall not affect offers of discounts for payment in less than 30 days, however.
- c. All goods or services provided under this contract or purchase order, that are to be paid for with public funds, shall be billed by the contractor at the contract price, regardless of which public agency is being billed.
- d. The following shall be deemed to be the date of payment: the date of postmark in all cases where payment is made by mail, or when offset proceedings have been instituted as authorized under the Virginia Debt Collection Act.
- e. **Unreasonable Charges.** Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, contractors should be put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges which appear to be unreasonable will be resolved in accordance with *Code of Virginia*, § 2.2-4363 and -4364. Upon determining that invoiced charges are not reasonable, the Commonwealth shall notify the contractor of defects or improprieties in invoices within fifteen (15) days as required in *Code of Virginia*, § 2.2-4351. 2. To Subcontractors:

- a. Within seven (7) days of the contractor's receipt of payment from the Commonwealth, a contractor awarded a contract under this solicitation is hereby obligated:

The date of mailing of any payment by U. S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier contractor performing under the primary contract. A contractor's obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of the Commonwealth.
3. Each prime contractor who wins an award in which provision of a SWaM procurement plan is a condition to the award, shall deliver to the contracting agency or institution, on or before request for final payment, evidence and certification of compliance (subject only to insubstantial shortfalls and to shortfalls arising from subcontractor default) with the SWaM procurement plan. Final payment under the contract in question may be withheld until such certification is delivered and, if necessary, confirmed by the agency or institution, or other appropriate penalties may be assessed in lieu of withholding such payment.
 4. The Commonwealth of Virginia encourages contractors and subcontractors to accept electronic and credit card payments.

The Commonwealth reserves the right to inspect offeror's physical facilities prior to award to satisfy questions regarding the offeror's capabilities. Any additional goods or services to be provided shall be of a sort that is ancillary to the contract goods or services, or within the same broad product or service categories as were included in the contract award. Any increase or decrease in the price of the contract resulting from such modification shall be agreed to by the parties as a part of their written agreement to modify the scope of the contract.

Said compensation shall be determined by one of the following methods:

- a. By mutual agreement between the parties in writing; or
 - b. By agreeing upon a unit price or using a unit price set forth in the contract, if the work to be done can be expressed in units, and the contractor accounts for the number of units of work performed, subject to the Purchasing Agency's right to audit the contractor's records and/or to determine the correct number of units independently; or
 - c. By ordering the contractor to proceed with the work and keep a record of all costs incurred and savings realized. A markup for overhead and profit may be allowed if provided by the contract. The same markup shall be used for determining a decrease in price as the result of savings realized. The contractor shall present the Purchasing Agency with all vouchers and records of expenses incurred and savings realized. The Purchasing Agency shall have the right to audit the records of the contractor as it deems necessary to determine costs or savings. Any claim for an adjustment in price under this provision must be asserted by written notice to the Purchasing Agency within thirty (30) days from the date of receipt of the written order from the Purchasing Agency. If the parties fail to agree on an amount of adjustment, the question of an increase or decrease in the contract price or time for performance shall be resolved in accordance with the procedures for resolving disputes provided by the Disputes Clause of this contract or, if there is none, in accordance with the disputes provisions of the Commonwealth of Virginia *Vendors Manual*. Neither the existence of a claim nor a dispute resolution process, litigation or any other provision of this contract shall excuse the contractor from promptly complying with the changes ordered by the Purchasing Agency or with the performance of the contract generally.
- P. **DEFAULT:** In case of failure to deliver goods or services in accordance with the contract terms and conditions, the Commonwealth, after due oral or written notice, may terminate this contract and procure all goods and/or services contracted for, from other sources and hold the contractor responsible for any resulting additional purchase and administrative costs. This remedy shall be in addition to any other remedies which the Commonwealth may have.
- Q. **TAXES:** Sales to the Commonwealth of Virginia are normally exempt from State sales tax. State sales and use tax certificates of exemption, Form ST-12, will be issued upon request. Deliveries against this contract shall usually be free of Federal excise and transportation taxes. The Commonwealth's excise tax exemption registration number is 54-73-0076K.

If sales or deliveries against the contract are not exempt, the contractor shall be responsible for the payment of such taxes unless the tax law specifically imposes the tax upon the buying entity and prohibits the contractor from offering a tax-included price.

- R. **USE OF BRAND NAMES:** Unless otherwise provided in this solicitation, the name of a certain brand, make or manufacturer does not restrict offerors to the specific brand, make or manufacturer named, but conveys the general style, type, character, and quality of the article desired. Any article which the public body, in its sole discretion, determines to be the equivalent of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted. The offeror is responsible to clearly and specifically identify the product being offered and to provide sufficient descriptive literature, catalog cuts and technical detail to enable the Commonwealth to determine if the product offered meets the requirements of the solicitation. This is required even if offering the exact brand, make or manufacturer specified. Normally in competitive sealed bidding only the information furnished with the bid will be considered in the evaluation. Failure to furnish adequate data for evaluation purposes may result in declaring a bid nonresponsive. Unless the offeror clearly indicates in its proposal that the product offered is an equivalent product, such proposal will be considered to offer the brand name product referenced in the solicitation.
- S. **TRANSPORTATION AND PACKAGING:** By submitting their proposals, all offerors certify and warrant that the price offered for FOB destination includes only the actual freight rate costs at the lowest and best rate and is based upon the actual weight of the goods to be shipped. Except as otherwise specified herein, standard commercial packaging, packing and shipping containers shall be used. All shipping containers shall be legibly marked or labeled on the outside with purchase order number, commodity description, and quantity.
- T. **INSURANCE:** By signing and submitting a bid or proposal under this solicitation, the bidder or offeror certifies that if awarded the contract, it will have the following insurance coverage at the time the contract is awarded. The bidder or offeror further certifies that the contractor and any subcontractors will maintain these insurance coverages during the entire term of the contract and that all coverage will be provided by companies authorized to sell insurance in Virginia by the Virginia State Corporation Commission.

MINIMUM INSURANCE COVERAGES AND LIMITS:

1. Workers' Compensation - Statutory requirements and benefits. Coverage is compulsory for employers of three or more employees, to include the employer. Contractors who fail to notify the Commonwealth of increases in

During the performance of this contract, the contractor agrees to (i) provide a drug-free workplace for the contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the contractor that the contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

For the purposes of this section, "*drug-free workplace*" means a site for the performance of work done in connection with a specific contract awarded to a contractor, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the contract.

W. **NONDISCRIMINATION OF CONTRACTORS:** A bidder, offeror, or contractor shall not be discriminated against in the solicitation or award of this contract because of race, religion, color, sex, sexual orientation, gender identity, national origin, age, disability, faith-based organizational status, any other basis prohibited by state law relating to discrimination in employment or because the bidder or offeror employs ex-offenders unless the state agency, department or institution has made a written determination that employing ex-offenders on the specific contract is not in its best interest. If the award of this contract is made to a faith-based organization and an individual, who applies for or receives goods, services, or disbursements provided pursuant to this contract objects to the religious character of the faith-based organization from which the individual receives or would receive the goods, services, or disbursements, the public body shall offer the individual, within a reasonable period of time after the date of his objection, access to equivalent goods, services, or disbursements from an alternative provider.

X. **eVA BUSINESS-TO-GOVERNMENT VENDOR REGISTRATION, CONTRACTS, AND ORDERS:** The eVA Internet electronic procurement solution, web site portal www.eVA.virginia.gov, streamlines and automates government purchasing activities in the Commonwealth. All vendors desiring to provide goods and/or services to the Commonwealth shall participate in the eVA Internet e-procurement solution by completing the free eVA Vendor Registration. All bidders or offerors must register in eVA and pay the Vendor Transaction Fees specified below; failure to register will result in the proposal being rejected.

Vendor transaction fees are determined by the date the original purchase order is issued and the current fees are as follows:

- a. For orders issued July 1, 2014, and after, the Vendor Transaction Fee is:
 - (i) DSBSD-certified Small Businesses: 1%, capped at \$500 per order.

Any business entity described above that enters into a contract with a public body pursuant to the *Virginia Public Procurement Act* shall not allow its existence to lapse or its certificate of authority or registration to transact business in the Commonwealth, if so required under Title 13.1 or Title 50, to be revoked or cancelled at any time during the term of the contract. A public body may void any contract with a business entity if the business entity fails to remain in compliance with the provisions of this section.
- CC. **CIVILITY IN STATE WORKPLACES:** The contractor shall take all reasonable steps to ensure that no individual, while performing work on behalf of the contractor or any subcontractor in connection with this agreement (each, a "Contract Worker"), shall engage in 1) harassment (including sexual harassment), bullying, cyber-bullying, or threatening or violent conduct, or 2) discriminatory behavior on the basis of race, sex, color, national origin, religious belief, sexual orientation, gender identity or expression, age, political affiliation, veteran status, or disability.

The contractor shall provide each Contract Worker with a copy of this Section and will require Contract Workers to participate in agency training on civility in the State workplace if contractor's (and any subcontractor's) regular mandatory training programs do not already encompass equivalent or greater expectations. Upon request, the contractor shall provide documentation that each Contract Worker has received such training.

For purposes of this Section, "State workplace" includes any location, permanent or temporary, where a Commonwealth employee performs any work-related duty or is representing his or her agency, as well as surrounding perimeters, parking lots, outside meeting locations, and means of travel to and from these locations. Communications are deemed to occur in a State workplace if the Contract Worker reasonably should know that the phone number, email, or other method of communication is associated with a State workplace or is associated with a person who is a State employee.

The Commonwealth of Virginia may require, at its sole discretion, the removal and replacement of any Contract Worker who the Commonwealth reasonably believes to have violated this Section.

This Section creates obligations solely on the part of the contractor. Employees or other third parties may benefit incidentally from this Section and from training materials or other communications distributed on this topic, but the Parties to this agreement intend this Section to be enforceable solely by the Commonwealth and not by employees or other third parties.

**ATTACHMENT C: STANDARD STATE PROVISIONS
FOR CONTRACTS AND GRANTS
REVISED DECEMBER 15, 2017**

1. Definitions: For purposes of this Attachment, “Party” shall mean the Contractor, Grantee or Subrecipient, with whom the State of Vermont is executing this Agreement and consistent with the form of the Agreement. “Agreement” shall mean the specific contract or grant to which this form is attached.

2. Entire Agreement: This Agreement, whether in the form of a contract, State-funded grant, or Federally-funded grant, represents the entire agreement between the parties on the subject matter. All prior agreements, representations, statements, negotiations, and understandings shall have no effect.

3. Governing Law, Jurisdiction and Venue; No Waiver of Jury Trial: This Agreement will be governed by the laws of the State of Vermont. Any action or proceeding brought by either the State or the Party in connection with this Agreement shall be brought and enforced in the Superior Court of the State of Vermont, Civil Division, Washington Unit. The Party irrevocably submits to the jurisdiction of this court for any action or proceeding regarding this Agreement. The Party agrees that it must first exhaust any applicable administrative remedies with respect to any cause of action that it may have against the State with regard to its performance under this Agreement. Party agrees that the State shall not be required to submit to binding arbitration or waive its right to a jury trial.

4. Sovereign Immunity: The State reserves all immunities, defenses, rights or actions arising out of the State’s sovereign status or under the Eleventh Amendment to the United States Constitution. No waiver of the State’s immunities, defenses, rights or actions shall be implied or otherwise deemed to exist by reason of the State’s entry into this Agreement.

5. No Employee Benefits For Party: The Party understands that the State will not provide any individual retirement benefits, group life insurance, group health and dental insurance, vacation or sick leave, workers compensation or other benefits or services available to State employees, nor will the State withhold any state or Federal taxes except as required under applicable tax laws, which shall be determined in advance of execution of the Agreement. The Party understands that all tax returns required by the Internal Revenue Code and the State of Vermont, including but not limited to income, withholding, sales and use, and rooms and meals, must be filed by the Party, and information as to Agreement income will be provided by the State of Vermont to the Internal Revenue Service and the Vermont Department of Taxes.

6. Independence: The Party will act in an independent capacity and not as officers or employees of the State.

7. Defense and Indemnity: The Party shall defend the State and its officers and employees against all third party claims or suits arising in whole or in part from any act or omission of the Party or of any agent of the Party in connection with the performance of this Agreement. The State shall notify the Party in the event of any such claim or suit, and the Party shall immediately retain counsel and otherwise provide a complete defense against the entire claim or suit. The State retains the right to participate at its own expense in the defense of any claim. The State shall have the right to approve all proposed settlements of such claims or suits.

After a final judgment or settlement, the Party may request recoupment of specific defense costs and may file suit in Washington Superior Court requesting recoupment. The Party shall be entitled to recoup costs only upon a showing that such costs were entirely unrelated to the defense of any claim arising from an act or omission of the Party in connection with the performance of this Agreement.

The Party shall indemnify the State and its officers and employees if the State, its officers or employees become legally obligated to pay any damages or losses arising from any act or omission of the Party or an agent of the Party in connection with the performance of this Agreement.

Notwithstanding any contrary language anywhere, in no event shall the terms of this Agreement or any document furnished by the Party in connection with its performance under this Agreement obligate the State to (1) defend or indemnify the Party or any third party, or (2) otherwise be liable for the expenses or reimbursement, including attorneys’ fees, collection costs or other costs of the Party or any third party.

8. Insurance: Before commencing work on this Agreement the Party must provide certificates of insurance to show that the following minimum coverages are in effect. It is the responsibility of the Party to maintain current certificates of insurance on file with the State through the term of this Agreement. No warranty is made that the coverages and limits listed

Workers Compensation: With respect to all operations performed, the Party shall carry workers' compensation insurance in accordance with the laws of the State of Vermont. Vermont will accept an out-of-state employer's workers' compensation coverage while operating in Vermont provided that the insurance carrier is licensed to write insurance in Vermont and an amendatory endorsement is added to the policy adding Vermont for coverage purposes. Otherwise, the party shall secure a Vermont workers' compensation policy, if necessary to comply with Vermont law.

10. False Claims Act: The Party acknowledges that it is subject to the Vermont False Claims Act as set forth in 32 V.S.A. § 630 *et seq.* If the Party violates the Vermont False Claims Act it shall be liable to the State for civil penalties, treble damages and the costs of the investigation and prosecution of such violation, including attorney's fees, except as the same may be reduced by a court of competent jurisdiction. The Party's liability to the State under the False Claims Act shall not be limited notwithstanding any agreement of the State to otherwise limit Party's liability.

11. Whistleblower Protections: The Party shall not discriminate or retaliate against one of its employees or agents for disclosing information concerning a violation of law, fraud, waste, abuse of authority or acts threatening health or safety, including but not limited to allegations concerning the False Claims Act. acquired by the Party in the performance of this agreement. Records produced or acquired in a machine readable electronic format shall be maintained in that format. The records described shall be made available at reasonable times during the period of the Agreement and for three years thereafter or for any period required by law for inspection by any authorized representatives of the State or Federal Government. If any litigation, claim, or audit is started before the expiration of the three-year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved.

14. Fair Employment Practices and Americans with Disabilities Act: Party agrees to comply with the requirement of 21 V.S.A. Chapter 5, Subchapter 6, relating to fair employment practices, to the full extent applicable. Party shall also ensure, to the full extent required by the Americans with Disabilities Act of 1990, as amended, that qualified individuals with disabilities receive equitable access to the services, programs, and activities provided by the Party under this Agreement.

15. Set Off: The State may set off any sums which the Party owes the State against any sums due the Party under this Agreement; provided, however, that any set off of amounts due the State of Vermont as taxes shall be in accordance with the procedures more specifically provided hereinafter.

- D. Party also understands the State may set off taxes (and related penalties, interest and fees) due to the State of Vermont, but only if the Party has failed to make an appeal within the time allowed by law, or an appeal has been taken and finally determined and the Party has no further legal recourse to contest the amounts due.

19. Sub-Agreements: Party shall not assign, subcontract or subgrant the performance of this Agreement or any portion thereof to any other Party without the prior written approval of the State. Party shall be responsible and liable to the State for all acts or omissions of subcontractors and any other person performing work under this Agreement pursuant to an agreement with Party or any subcontractor.

In the case this Agreement is a contract with a total cost in excess of \$250,000, the Party shall provide to the State a list of all proposed subcontractors and subcontractors' subcontractors, together with the identity of those subcontractors' workers compensation insurance providers, and additional required or requested information, as applicable, in accordance with Section 32 of The Vermont Recovery and Reinvestment Act of 2009 (Act No. 54).

Party shall include the following provisions of this Attachment C in all subcontracts for work performed solely for the State of Vermont and subcontracts for work performed in the State of Vermont: Section 10 ("False Claims Act"); Section 11 ("Whistleblower Protections"); Section 12 ("Location of State Data"); Section 14 ("Fair Employment Practices and

25. Force Majeure: Neither the State nor the Party shall be liable to the other for any failure or delay of performance of any obligations under this Agreement to the extent such failure or delay shall have been wholly or principally caused by acts or events beyond its reasonable control rendering performance illegal or impossible (excluding strikes or lock-outs) (“Force Majeure”). Where Force Majeure is asserted, the nonperforming party must prove that it made all reasonable efforts to remove, eliminate or minimize such cause of delay or damages, diligently pursued performance of its obligations under this Agreement, substantially fulfilled all non-excused obligations, and timely notified the other party of the likelihood or actual occurrence of an event described in this paragraph.

26. Marketing: Party shall not refer to the State in any publicity materials, information pamphlets, press releases, research reports, advertising, sales promotions, trade shows, or marketing materials or similar communications to third parties except with the prior written consent of the State.

27. Termination:

A. Non-Appropriation: If this Agreement extends into more than one fiscal year of the State (July 1 to June 30), and if appropriations are insufficient to support this Agreement, the State may cancel at the end of the fiscal year, or otherwise upon the expiration of existing appropriation authority. In the case that this Agreement is a Grant that is funded in whole or in part by Federal funds, and in the event Federal funds become unavailable or reduced, the State may suspend or cancel this Grant immediately, and the State shall have no obligation to pay Subrecipient from State revenues.

B. Termination for Cause: Either party may terminate this Agreement if a party materially breaches its obligations under this Agreement, and such breach is not cured within thirty (30) days after delivery of the non-breaching party’s notice or such longer time as the non-breaching party may specify in the notice.

C. Termination Assistance: Upon nearing the end of the final term or termination of this Agreement, without respect to cause, the Party shall take all reasonable and prudent measures to facilitate any transition required by the State. All State property, tangible and intangible, shall be returned to the State upon demand at no additional cost to the State in a format acceptable to the State.

28. Continuity of Performance: In the event of a dispute between the Party and the State, each party will continue to perform its obligations under this Agreement during the resolution of the dispute until this Agreement is terminated in accordance with its terms.

29. No Implied Waiver of Remedies: Either party's delay or failure to exercise any right, power or remedy under this Agreement shall not impair any such right, power or remedy, or be construed as a waiver of any such right, power or remedy. All waivers must be in writing.

30. State Facilities: If the State makes space available to the Party in any State facility during the term of this Agreement for purposes of the Party's performance under this Agreement, the Party shall only use the space in accordance with all policies and procedures governing access to and use of State facilities which shall be made available upon request. State facilities will be made available to Party on an "AS IS, WHERE IS" basis, with no warranties whatsoever.

31. Requirements Pertaining Only to Federal Grants and Subrecipient Agreements: If this Agreement is a grant that is funded in whole or in part by Federal funds:
