## SECTION 1 - INTRODUCTION

### 1.1 Bidder Instructions

Bidder is to download this document and save to computer. Once saved, type in responses to the required sections and save again. As an option, the Bidder may print and write in responses.

### 1.2 Purpose

The purpose of this Request for Bids (RFB) is to solicit bids from qualified providers to provide the services identified on the RFB cover sheet and described further in this RFB to the DNR. The DNR intends to award a Contract(s) beginning and ending on the dates listed in RFB cover sheet, and the DNR may extend the Contract(s) for up to the number of annual extensions identified in the RFB cover sheet at the sole discretion of the DNR. Any Contract(s) resulting from the RFB shall not be an exclusive Contract.

### 1.3 Request for Bid (RFB) Definitions

**Definitions** – For the purposes of this RFB and the resulting Contract, the following terms shall mean:

**“DNR”** means the Iowa Department of Natural Resources Agency identified in this solicitation that is issuing the RFB.

**“Alternative Bid”** means a response to a bid that does not meet the exact requirements of the specification but offers an alternative for consideration. An alternative bid is submitted with an intentional variation to a provision, specification, term or condition of the solicitation. This alternative, in the opinion of the bidder, achieves the same end result. Alternative bids may be rejected as non-responsive.

**“Bid”** means the Bidder’s bid submitted in response to the RFB.

**“Bidder”** means a Contractor or Vendor submitting a bid in response to this RFB.

**“Contract”** means the Contract(s) entered into with the successful Bidder(s).

**“Responsible Bidder”** means a Bidder that has the capability in all respects to perform the requirements of the Contract. In determining whether a Bidder is a Responsible Bidder, the DNR may consider various factors including, but not limited to, the Bidder’s competence and qualifications to provide the goods or services requested, the Bidder’s integrity and reliability, the past performance of the Bidder relative to the quality of the goods or services offered by the Bidder and the best interest of the DNR and the State.

**“Responsive Bid”** means a Bid that complies with each of the provisions of this RFB, or is either an alternative bid or a bid with an exception, if accepted by the DNR.

**“RFB”** means this Request for Bids and any addenda hereto.

**“Underused Fish Species”** means any carp species, any buffalo species, freshwater drum, and gizzard shad.

**“Fish Removal Operation”** means a complete seine haul using a fishing net called a bag seine, that hangs vertically in the water with its bottom edge held down by weights and its top edge buoyed by floats. A complete seine haul is considered an approved seine length fully extended and sweeping its maximum area.

### 1.4 Contract Term

The term of the Contract will begin once a fully executed Contract has been received.

### **1.5 Background Information**

This RFB is designed to provide Bidders with the information necessary for the preparation of competitive Bids. The RFB process is for the DNR's benefit and is intended to provide the DNR with competitive information to assist in the selection process. It is not intended to be comprehensive. Each Bidder is responsible for determining all factors necessary for submission of a comprehensive Bid.

Under the authority of Iowa Code Chapter 482 and Iowa Administrative Code 82, the DNR is seeking to remove aquatic species that are an underused renewable resource or have a detrimental effect on other aquatic populations from the waters of the state known as:

- Coralville and Macbride lakes and Iowa River (Johnson County)
- Lost Island (Palo Alto County)
- Okoboji Chain (Dickinson)
- Spirit (Dickinson County)

The DNR seeks sealed bids from qualified Contractors for removal of Underused Fish Species from these waters of the state. These contracts shall be awarded to the firm or individual whose bid is believed to be the most advantageous to the state. Bids may be rejected if they do not appear to be reasonable or if there is reason to believe that the firm or individual is not sufficiently qualified to accomplish the desired work.

The DNR assumes no responsibility for oral representations made by its officers or employees unless such representations are confirmed in writing and incorporated into the RFB through an addendum.

It is the Bidder's sole responsibility to check daily for addenda to posted documents.

### 2.4 Bid Amendment and/or Withdrawal

The Bidder may amend or withdraw and resubmit its Bid at any time before the Bids are due. The amendment must be submitted and received by the time set for the receipt of Bids.

### 2.5 Submission of Bids

### 2.6 Costs of Preparing the Bid

The costs of preparation and delivery of the Bid are solely the responsibility of the Bidder.

### 2.7 Rejection of Bids

The DNR reserves the right to reject any or all Bids, in whole and in part, received in response to this RFB at any time prior to the execution of a written Contract. Issuance of this RFB in no way constitutes a commitment by the DNR to award a Contract. This RFB is designed to provide Bidders with the information necessary to prepare a competitive Bid. This RFB process is for the DNR's benefit and is intended to provide the DNR with competitive information to assist in the selection of a Bidder to provide goods and/or services. It is not intended to be comprehensive and each Bidder is responsible for determining all factors necessary for submission of a comprehensive Bid.

### 2.8 Disqualification

The DNR will reject outright and will not evaluate Bids if the Bidder fails to deliver the Bid by the due date and time. The DNR may reject outright and may not evaluate Bids for any one of the following reasons:

## **2.9 Nonmaterial Variances**

The DNR reserves the right to waive or permit cure of nonmaterial variances in the Bid if, in the judgment of the DNR, it is in the DNR's best interest to do so. Nonmaterial variances include minor informalities that do not affect responsiveness, that are merely a matter of form or format, that do not change the relative standing or otherwise prejudice other Bidders, that do not change the meaning or scope of the RFB, or that do not reflect a material change in the requirements of the RFB. In the event the DNR waives or permits cure of nonmaterial variances, such waiver or cure will not modify the RFB requirements or excuse the Bidder from full compliance with RFB specifications or other Contract requirements if the Bidder is awarded the Contract. The determination of materiality is in the sole discretion of the DNR.

## **2.10 Reference Checks**

The DNR reserves the right to contact any reference to assist in the evaluation of the Bid, to verify information contained in the Bid and to discuss the Bidder's qualifications and the qualifications of any subcontractor identified in the Bid.

performance if the Bidder has provided goods and/or services to the State or any other political subdivision wherever located, or requests for corrective pages in the Bidder's Bid. The DNR will not consider information received if the information materially alters the content of the Bid or alters the type of goods and/or services the Bidder is offering to the DNR. An individual authorized to legally bind the Bidder shall sign responses to any request for clarification. Responses shall be submitted to the DNR within the time specified in the DNR's request. Failure to comply with requests for additional information may result in rejection of the Bid as non-compliant.

#### **2.14 Disposition of Bids**

All Bids become the property of the DNR and shall not be returned to the Bidder at the conclusion of the selection process, the contents of all Bids will be part of the public record and be available for inspection by interested parties except for information for which Bidder properly requests confidential treatment according to exceptions provided in *Iowa Code Chapter 22*, other applicable law below.

#### **2.15 Public Records and Requests for Confidential Treatment**

The DNR shall have the right to use ideas or adaptations of ideas that are presented in the Bids.

#### **2.17 Release of Claims**

#### **2.18 Bidder Presentations**

At the sole discretion of the State, Bidders may be required to make a presentation of the Bid. The presentation may occur at the DNR's offices or at the offices of the Bidder. The determination as to need for presentations, the location, order, and schedule of the presentations is at the sole discretion of the DNR. The presentation may include slides, graphics and other media selected by the Bidder to illustrate the Bidder's Bid. The presentation shall not materially change the information contained in the Bid.

#### **2.19 Evaluation of Bids Submitted**

Bids that are timely submitted and are not subject to disqualification will be reviewed in accordance with the RFB.

Negotiation and execution of the Contract(s) shall be completed no later than ninety (90) days from the date of the Notice of Intent to Award. If the apparent successful Bidder fails to negotiate and deliver an executed Contract by that date, the DNR, in its sole discretion, may cancel the award and award the Contract to the remaining Bidder the DNR believes is most advantageous to the state.

**2.24 Definition of Contract**

The full execution of a written Contract shall constitute the making of a Contract for services requested by the RFB and no Bidder shall acquire any legal or equitable rights relative to the Contract for services until the Contract has been fully executed by the successful Bidder and the DNR.

**2.25 Choice of Law and Forum**

This RFB and the Contract are to be governed by the laws of the state of Iowa. Changes in applicable laws and rules may affect the award process or the Contract. Bidders are responsible for ascertaining pertinent legal requirements and restrictions. Any and all litigation or actions commenced in connection with this RFB shall be brought in the appropriate Iowa forum.
