IJB intends to award a Contract(s) beginning and ending on the dates listed on the RFP cover sheet, and IJB, in its sole discretion, may extend the Contract(s) for up to the number of annual extensions identified on the RFP cover sheet.

1.2 DEFINITIONS

For the purposes of this RFP and the resulting contract, the following terms are defined.

“Agency” means the agency identified on the RFP cover sheet that is issuing the RFP.

“Bid Proposal” or “Proposal” means Respondent’s proposal submitted in response to the RFP.

“Contract” means the contract(s) entered into with Respondent(s) as described in section 6.

“Contractor” means the awarded business/person to provide the contractual services agreed upon.

“General Terms” and “General Terms and Conditions” shall mean the General Terms for Juvenile Court Services service contracts as linked on the RFP cover page.

“IJB” shall mean Iowa Judicial Branch.

“Invoice” means a Contractor’s claim for payment. At IJB’s discretion, claims must be submitted on an original invoice from the Contractor and on a claim form accepted by the IJB, such as a General Accounting Expenditure (GAX) form.

“Juvenile Court Officer” or “JCO” means a person appointed as a juvenile court officer under section 602.7202 of the Iowa Code and also includes a chief juvenile court officer appointed under section 602.1217 of the Iowa Code.

“Juvenile Court Services” or “JCS”, for the purposes of this RFP, means a unit of the Iowa Judicial Branch in which juveniles adjudicated by an Iowa Juvenile Court as delinquent and youth at risk of entering the court system receive services as directed by the Chief Juvenile Court Officer or designee.

“Respondent” means the company, organization or other business entity submitting a proposal in response to this RFP.

“Responsible Respondent” means a Respondent that has the capability, as determined in the sole discretion of IJB, in all material respects to perform the scope of work and specifications of the Contract. In determining whether a Respondent is a Responsible Respondent, IJB may consider various factors including, but not limited to, the Respondent’s competence and qualifications to provide the goods or services requested, the Respondent’s integrity and reliability, the past performance of the Respondent and the best interest of IJB and the State.

“Responsive Proposal” means a Proposal that complies, in the sole discretion of IJB, with the material provisions of this RFP.

“State” means the State of Iowa, IJB, and all state agencies, boards, and commissions, and any political subdivisions making purchases from the Contract as permitted by this RFP.

“Vendor” means anyone who provides goods or services to another entity.

1.2.1 Additional Definitions specific to this RFP:

“Concurrent Planning” means establishing one or more alternative Permanency plan goals for a Youth. When a Youth is in out-of-home placement, it means working toward reunification with the youth’s parents or guardians.

“Permanency” means a Youth has a safe, stable custodial environment in which to grow up, a life-long relationship with a nurturing caregiver, and can explore and retain significant connections to family members to the greatest extent possible.

“Reentry Staff” provides transition services for youth from residential/inpatient treatment to the community, instructional assistance, and interaction and communication with clients, staff, and other agencies.

“Reentry Youth” refers to youth (or child as defined in the Iowa Rules of Juvenile Court Services Directed Programs) released from residential/inpatient treatment to community supervision. Many juveniles return to their communities with serious risk and need areas unaddressed, complicating their chances for successful Reentry. Juvenile aftercare and/or Reentry programs have emerged to address these youths' unique needs and the risk they pose to community safety.

“TIPs Book” refers to The Transition Information Packet (TIP) as a resource for youth preparing to enter adulthood. The TIP contains information on Education, Employment, Money Management, Housing, Health and Transportation. Youth referred to Reentry (and Transitioning Youth services) will receive a copy of the TIP.

“Transition Planning Specialist” work as career counselors identifying the youth's abilities, education and training. These types of specialists account for people's interests, working on interview, job searching and resume writing skills to help achieve a desired career.

“Youth Centered Planning Meeting” or “YCPM” provides a positive and action-oriented response by caring adults and professionals to address the needs and desires of the youth. The Youth Centered Process promotes self-determination by engaging Youth in planning for their future. The YCPM planning process will help the worker complete case plans through a youth-adult partnership approach. With the assistance of the Youth’s support system, the Youth identifies his/her goals for the future and the supports and resources needed to be successful in eight domains: education, employment, housing, health, supportive relationships, civic engagement/responsibility, self-sufficiency, and interpersonal skills/behaviors. Building teams to support youth and young adults who are at risk of homelessness, unemployment, and poor health has been identified as an effective means to address the factors that threaten a successful transition.

1.3 OVERVIEW OF THE RFP PROCESS

The RFP process is for IJB's benefit and is intended to provide IJB with competitive information to assist in the selection process. It is not intended to be comprehensive. Each Respondent is responsible for determining all factors necessary for submission of a comprehensive Proposal.

Respondent should review Attachment 3, Form 22 Request for Confidentiality, for more information if its Proposal contains confidential information. Any Proposal marked "Confidential" or "Proprietary" on every page may be disqualified.

Respondents will be required to submit their Proposals electronically via email to the Issuing Officer.

1.4 BACKGROUND INFORMATION

Early intervention and follow-up programs/graduated sanctions services are services to be provided to children adjudicated delinquent and to children who have been referred to juvenile court services for a delinquency violation or who have exhibited behaviors that put them at risk of a juvenile delinquency referral. The services are directed to enhance personal adjustment to help the children transition into productive adulthood and to prevent or reduce criminal charges, out-of-home placement, and recidivism.

This RFP is to solicit proposals from Responsible Respondents to provide YCPMs for JCS District One which includes Allamakee, Black Hawk, Buchanan, Chickasaw, Clayton, Delaware, Dubuque, Fayette, Grundy, Howard and Winneshiek Counties.

Youth referred to JCS may end up in placement outside of their home. To reduce their instances of recidivism, it is the goal of the Reentry and Transitioning Youth service to build youth skills related to maintaining self-reliance (financial, documentation, housing, medical, employment, education, mental health, etc.), understanding and accessing local resources and planning for the future. Another key to a youth's successful reentry into the community and transition to adulthood is the identification of positive adults who are mentors or otherwise committed to providing assistance and support when needed by the youth.

Reentry and transition services will begin at the start of a youth's placement so the youth and his/her family have an opportunity to build a relationship with the provider of services that should continue after the youth's discharge from placement.

As part of the Reentry services, YCPMs are incorporated into the referred youths' transition-to-adulthood processes. JCS has held YCPMs for youth over the years. In preparation for continuing and conducting YCPMs, training, coaching and mentoring process will be organized and implemented by JCS and the YCPM provider.

Building teams at the time of crisis to support families when there is a risk of serious harm to the Youth or, during periods of transition, has been identified to address the factors that threaten the Youth's safety, establish permanency for the Youth, and promote well-being. Not all youth transitioning to adulthood will be ready for a youth-driven YCPM, but the Contractor will be required to provide coordination of YCPM services.

Building upon this philosophy and practice strategy, YCPMs are a youth-centered practice model offered to youth 14 years of age and older to assist with planning for their transition to adulthood.

The YCPM process will be initiated by a referral from JCS. From that, the following meetings and tasks will be required by Reentry Staff:

- a. Contact placement facility, youth, and parent(s)/guardians of referral to explain process and set up prep meeting.
- b. Complete JCS Reentry Family Needs Assessment.
- c. Complete Prep Meeting with the Youth. This includes the development of the “All About Me” presentation and a draft ACT plan.
- d. Arrange for Placement Meeting.
- e. Complete YCPM Placement Meeting within 30 days of referral.
- f. Send updated “All About Me” and ACT plan to team members within one (1) week of meeting.
- g. Complete JCS Transition Plan and send to JCO within one (1) week of meeting.
- h. Complete Discharge Prep Meeting and YCPM within 30 days of a youth’s discharge from placement.
- i. Provide team members with updated “All About Me” and ACT plan.
- j. Update JCS Transition Plan and provide to JCO within one (1) week of Placement Meeting.
- k. Hold YCPM within 30-45 days of youth’s discharge from placement.

The Contract will allow for an educational training to be provided to potential candidates that will be conducting YCPMs for which class participants will be in attendance. A coaching and mentoring component will be included as part of the training package. The grace period to complete training, coaching, and certification will be negotiated.

The competency of a Facilitator will be determined by demonstrated knowledge and skills related to Transitioning Youth resources and eligibility. All Facilitators will need to be trained and follow necessary requirements for outcome and performance measures for conducting YCPMs.

In the event IJB waives or permits cure of nonmaterial variances, such waiver or cure will not modify the RFP specifications or excuse the Respondent from full compliance with RFP specifications or other Contract specifications if the Respondent is awarded the Contract. The determination of materiality is in the sole discretion of IJB.

If Respondent fails to do so, IJB may release the information or material with or without providing advance notice to Respondent and with or without affording Respondent the opportunity to obtain an order restraining its release from a court possessing competent jurisdiction. Additionally, if Respondent fails to comply with the request process set forth herein, if Respondent's request for confidentiality is unreasonable, or if Respondent rescinds its request for confidential treatment, IJB may release such information or material with or without providing advance notice to Respondent and with or without affording Respondent the opportunity to obtain an order restraining its release from a court possessing competent jurisdiction.

Proposals that are timely submitted and are not rejected will be reviewed in accordance with Section 5 of the RFP. IJB will not necessarily award a contract resulting from this RFP to the Respondent offering the lowest cost. IJB does not guarantee any minimum level of purchases under the Contract.

5 EVALUATION AND SELECTION

5.1 INTRODUCTION

This section describes the evaluation process that will be used to determine which Proposal(s) provides the greatest value to IJB. IJB will not necessarily award the Contract to the Respondent offering the lowest cost to IJB. Instead, IJB will award to the Respondent whose Responsive Proposal IJB believes will provide the best value to the State.

5.2 EVALUATION COMMITTEE

IJB will evaluate Proposals received in response to this RFP. IJB will use an evaluation committee to review and evaluate the Proposals. The evaluation committee will recommend an award based on the results of their evaluation to IJB or to such other person or entity who must approve the recommendation.

IJB's Evaluation Committee, or a subset of the Evaluation Committee, will initially review and evaluate each proposal received to determine the Respondent's ability to meet the RFP requirements.

IJB may request additional information or clarification of proposals and hereby reserves the right to select the particular response to this RFP that it believes will best serve its business and operational requirements, considering the evaluation criteria set forth below.

IJB reserves the right to cancel this RFP at any time or reject any or all proposals received as a result of this RFP if it is in the best interest of IJB.

5.3 TECHNICAL PROPOSAL EVALUATION AND SCORING

All Technical Proposals will be evaluated to determine if they comply with the Mandatory Specifications.

5.3.1 Technical Proposal Specifications Scoring Guide.

Points will be assigned to each specification as follows, unless otherwise designated:

4	Bidder has agreed to comply with the requirements and provided a clear and compelling description of how each requirement would be met, with relevant supporting materials. Bidder's proposed approach frequently goes above and beyond the minimum requirements and indicates superior ability to serve the needs of the Agency.
3	Bidder has agreed to comply with the requirements and provided a good and complete description of how the requirements would be met. Response clearly demonstrates a high degree of ability to serve the needs of the Agency.
2	Bidder has agreed to comply with the requirements and provided an adequate description of how the requirements would be met. Response indicates adequate ability to serve the needs of the Agency.
1	Bidder has agreed to comply with the requirements and provided some details on how the requirements would be met. Response does not clearly indicate if all the needs of the Agency will be met.

0	Bidder has not addressed any of the requirements or has provided a response that is limited in scope, vague, or incomplete. Response did not provide a description of how the Agency's needs would be met.

5.4 COST PROPOSAL SCORING

The Cost Proposal file(s) will remain unopened during the evaluation of the Technical Proposals and any Contractor presentations. After the Technical Proposals are evaluated and scored, the Cost Proposals will be opened and scored. Cost Proposal pricing will be scored based on a ratio of the lowest cost proposal versus the cost of each higher priced Contractor Proposal. Under this formula, the lowest Cost Proposal receives all of the points assigned to pricing. A Cost Proposal twice as expensive as the lowest Cost Proposal would earn half of the available points. Percentages and points will be rounded to the nearest whole value. The formula is:

Weighted Cost Score = (price of lowest Cost Proposal/price of each higher priced Cost Proposal) X (points assigned to pricing)

Example:

Contractor A quotes \$35,000; Contractor B quotes \$45,000 and Contractor C quotes \$65,000.

Contractor A: \$35,000 = receives 100% of available points for cost.

\$35,000

Contractor B: \$35,000 = receives 78% of available points for cost.

\$45,000

Contractor C: \$35,000 = receives 54% of available points for cost.

\$65,000

Total Points Assigned to Cost: 320

5.5 TOTAL SCORES

Each Contractor's Technical Proposal points will be added to its Cost Proposal points to obtain the total points awarded for the Contractor's Proposal.

5.6 TIED SCORE AND PREFERENCES

- 5.6.1 An award shall be determined by a drawing when responses are received that are equal in all respects and tied in price. Whenever it is practical to do so, the drawing will be held in the presence of the Respondents who are tied in price. Otherwise the drawing will be made in front of at least three non-interested parties. All drawings shall be documented.
- 5.6.2 Notwithstanding the foregoing, if a tied score involves an Iowa-based Respondent or products produced within the State of Iowa and a Respondent based or products produced outside the State of Iowa, the Iowa Respondent will receive preference. If a tied score involves one or more Iowa Respondents and one or more Respondents outside the state of Iowa, a drawing will be held among the Iowa Respondents only.
- 5.6.3 In the event of a tied score between Iowa Respondents, the Agency shall contact the Iowa Employer Support of the Guard and Reserve (ESGR) committee for confirmation and verification as to whether the Respondents have complied with ESGR standards. Preference, in the case of a tied score, shall be given to Iowa Respondents complying with ESGR standards.
- 5.6.4 Second preference in tied scores will be given to Respondents based in the United States or products produced in the United States over Respondents based or products produced outside the United States.
- 5.6.5 Preferences required by applicable statute or rule shall also be applied, where appropriate.

6 CONTRACTUAL TERMS AND CONDITIONS

6.1 CONTRACT TERMS AND CONDITIONS

Any contract(s) resulting from this RFP between IJB and any Respondent(s) selected by IJB shall be a combination of the specifications, terms and conditions referenced in this RFP, including without limitation, the General Terms for Juvenile Court Services (the “General Terms”) located on the website linked on the RFP Cover Page (with such modifications thereto as IJB determines to be necessary or desirable), the offer of the Respondent contained in the Respondent’s proposal (excluding any exceptions taken by Respondent in accordance with this Section 6 that are not accepted by IJB specifically in writing and contained in an executed contract), written clarifications or changes made by IJB through an amendment to the RFP in accordance with the provisions of this RFP, and any other terms deemed necessary by IJB. The Contract terms and conditions in Section 6 and the General Terms will be incorporated into and become part of the Contract. IJB reserves the right to supplement and modify any of the foregoing terms and conditions prior to the execution of any contract.

IJB reserves the right to either award a contract without further negotiation with any successful Respondent(s) or to negotiate contract terms with any selected Respondent(s) if the best interests of IJB would be served. No exception or proposed amendment by a Respondent to the provisions or terms and conditions of this RFP, including the General Terms, shall be incorporated into any resulting Contract unless IJB has explicitly accepted the Respondent’s exception or amendment in writing in the resulting Contract.

All costs associated with complying with such terms and conditions should be included in any pricing quoted by Respondent.

By submitting a proposal, each Respondent acknowledges its complete acceptance of the terms, conditions, and specifications contained in this RFP, including the General Terms, without change except as otherwise expressly stated in its Proposal.

If a Respondent takes exception to any terms, conditions, specifications or other provisions of this RFP (including those set forth in the General Terms), it must state the reason for the exception and set forth in its proposal the specific contract language it proposes to substitute in place of the excepted provision(s).

If a Respondent takes exception to any term, condition, or provisions contained in the General Terms, the Respondent must produce a redlined draft of such terms, conditions, or provisions, and such redlined draft must clearly reflect all of Respondent’s exceptions thereto and all alternative language or other changes that Respondent specifically proposes to make.

Exceptions and/or proposed changes that materially change the terms, conditions, specifications, or provisions of the RFP (including those in the General Terms) may be deemed non-responsive by IJB, as determined in its sole discretion, resulting in possible disqualification of the Respondent’s proposal.

A Respondent's failure to state an exception to any term, condition, requirement or other provision of this RFP (including those contained in the General Terms) and propose alternative language in accordance with this Section 6.1 may be conclusively deemed by IJB to constitute Respondent's acceptance thereof.

Any term, condition, provision, or requirement to which a Respondent fails to take exception and propose changes and/or alternative language in accordance with this Section 6.1 will not be subject to negotiation.

A Respondent may not take exception to any of the provisions or terms contained in this RFP or the General Terms.

A Respondent may not state that it takes exception to any of the terms, conditions, requirements, or other provisions of the RFP (including those contained in the General Terms) to the extent any of the foregoing conflict with any terms or conditions contained in the Respondent's standard form contracts. If a Respondent submits its own terms and conditions or otherwise fails to follow the process described herein, IJB may reject the Respondent's Proposal, at its sole discretion.

IJB reserves the right to refuse to enter into a contract with the successful Respondent for any reason, even after delivery of notice of selection or intent to award or negotiate a contract. IJB further reserves the right to negotiate contract terms with the successful Respondent if the best interests of IJB or the State would be served.

IJB will evaluate all Proposals without regard to any proposed modifications to any terms and conditions of the RFP or the General Terms. Once a Proposal has been identified as the one for which an Award recommendation has been made, but prior to notifying Respondents of the decision, IJB, in its sole discretion, may consider any modifications to the terms and conditions of the RFP or the General Terms proposed by a Respondent in that Proposal. IJB reserves the right to either award a Contract(s) without further negotiation with the successful Respondent or to negotiate Contract terms with the successful Respondent if the best interests of IJB or the State would be served. As such, if any proposed modifications are not determined to be in the best interests of IJB or the State, or appear to pose a substantial impediment to reaching agreement, IJB may, in its sole discretion:

1. Issue a Notice of Intent to Award in favor of the successful Respondent, but decline to agree to or further negotiate any modifications to terms and conditions proposed by Respondent in its Proposal;
2. Issue a Notice of Intent to Award in favor of the successful Respondent, and may identify in the Notice any modifications to terms and conditions proposed by Respondent in its Proposal with which IJB will or will not agree or further negotiate;
3. Enter open-ended negotiations with the successful Respondent; provided, that any such negotiations shall be limited to the modifications to terms and conditions proposed by Respondent in its Proposal;
4. Change IJB's recommendation for Award and issue a Notice of Intent to Award to a Respondent whose proposal does not pose as great of a challenge to IJB.

Any ambiguity, vagueness, inconsistency or conflict, either internal to such modification(s) or arising when read in conjunction with other portions of the Contract, shall be construed strictly in favor of the State. Only those proposed modifications identified in the Notice of Intent to Award

issued by IJB as terms and conditions with which IJB will agree, or ultimately agrees to after further negotiations, shall be part of the Contract. The State may ignore all modifications or exceptions proposed by a Respondent, accept one or more and ignore others, accept all or, through negotiations after an award, agree to compromise language concerning one or more proposed modifications to be incorporated into a final Contract between the parties. By executing and submitting its Proposal in response to this RFP, Respondent understands and agrees that the State may exercise its discretion not to consider any or all proposed modifications or exceptions Respondent may request and may accept Respondent's proposal under the terms and conditions contained in this RFP and the General Terms.

6.2 TERM LENGTH

The Contract shall have an initial term of a partial fiscal year, beginning on the later date of contract execution or the anticipated start date for the initial term specified on the RFP Cover Page. At the end of the Contract's initial term, IJB shall have the option, in its sole discretion, to renew the Contract on the same terms and conditions for up to a total of five (5) additional one-year terms. The resulting Contract may be terminated in accordance with its terms. IJB may not agree to penalties for termination in any of the above-described scenarios.

Certification of Independence

I certify that I am a representative of Respondent expressly authorized to make the following certifications in behalf of Respondent. By submitting a Proposal in response to the RFP, I certify in behalf of the Respondent the following:

1. The Proposal has been developed independently, without consultation, communication or agreement with any employee or consultant to the Agency or with any person serving as a member of the evaluation committee.
2. The Proposal has been developed independently, without consultation, communication or agreement with any other Respondent or parties for the purpose of restricting competition.
3. Unless otherwise required by law, the information found in the Proposal has not been and will not be knowingly disclosed, directly or indirectly prior to Agency's issuance of the Notice of Intent to Award the contract.
4. No attempt has been made or will be made by Respondent to induce any other Respondent to submit or not to submit a Proposal for the purpose of restricting competition.
5. No relationship exists or will exist during the contract period between Respondent and the Agency or any other State agency that interferes with fair competition or constitutes a conflict of interest.

Certification Regarding Debarment

6. I certify that, to the best of my knowledge, neither Respondent nor any of its principals: (a) are presently or have been debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by a Federal Agency or State Agency; (b) have within a three year period preceding this Proposal been convicted of, or had a civil judgment rendered against them for commission of fraud, a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract under a public transaction, violation of antitrust statutes; commission of embezzlement, theft, forgery, falsification or destruction of records, making false statements, or receiving stolen property; (c) are presently indicted for or criminally or civilly charged by a government entity (federal, state, or local) with the commission of any of the offenses enumerated in (b) of this certification; and (d) have not within a three year period preceding this Proposal had one or more public transactions (federal, state, or local) terminated for cause.

This certification is a material representation of fact upon which the Agency has relied upon when this transaction was entered into. If it is later determined that Respondent knowingly rendered an erroneous certification, in addition to other remedies available, the Agency may pursue available remedies including suspension, debarment, or termination of the contract.

Certification Regarding Registration, Collection, and Remission of Sales and Use Tax

7. Pursuant to *Iowa Code sections 423.2(10) and 423.5(8) (2011)* a retailer in Iowa or a retailer maintaining a business in Iowa that enters into a contract with a state agency must register, collect, and remit Iowa sales tax and Iowa use tax levied under *Iowa Code chapter 423* on all sales of tangible personal property and enumerated services. The Act also requires Respondents to certify their compliance with sales tax registration, collection, and remission requirements and provides potential consequences if the certification is false or fraudulent.

By submitting a Proposal in response to the (RFP), the Respondent certifies the following: (check the applicable box)

- ☐ Respondent is registered with the Iowa Department of Revenue, collects, and remits Iowa sales and use taxes as required by *Iowa Code Chapter 432*; or
- ☐ Respondent is not a “retailer” or a “retailer maintaining a place of business in this state” as those terms are defined in *Iowa Code subsections 423.1(42) and (43)*.

Respondent also acknowledges that the Agency may declare the Respondent’s Proposal or resulting contract void if the above certification is false. The Respondent also understands that fraudulent certification may result in the Agency or its representative filing for damages for breach of contract in addition to other remedies available to Agency.

Sincerely,
