Kimball® NATIONAL.  interwoven® DAVID EDWARD.

July 2, 2024

Greetings,

We are providing early notification of an upcoming price adjustment for your awareness. Effective **Monday, September 30, 2024** we will be implementing a market price adjustment at an average rate of 2%. The average 2% adjustment across the portfolio is comprised of 0% on some series and 3% on others, within the Kimball, National, Etc., Interwoven, and David Edward brands.

To minimize the impact, many products that have been exempt from price increases over the past two years will continue to see no increase.

	No Increase	3% Increase
Kimball	Etarran Footprint	*Remainder of Portfolio
National	Connolly Fringe Tag Navyid Picado WaveWorks	*Remainder of Portfolio
Etc.	-	*Entire Portfolio
Interwoven	-	*Entire Portfolio
David Edward	-	*Entire Portfolio
		*Product options will also incur a 3% price increase.

This adjustment ensures the integrity and value of our flagship series, many of which have meaningful enhancements launching soon.

New pricing will be updated in our September e-tools release and online price lists by September 9, 2024. Please note that current pricing will be honored for all orders received at Kimball International through Friday, September 27, 2024.

Thank you for your continued support of Kimball International.

Regards,

Lisa Schmidt
Sr. Director, Trade Marketing
Kimball International
