Contract For: MTU Generators and Service - Interstate Power Systems

The State of Iowa and Interstate Power Systems (Generators and Service) establish this agreement pursuant to the specifications, and terms and conditions from solicitation 005-RFB-1358-2025. Within the State of Iowa, all state agencies, state facilities, cities, counties or education entities or any entity funded in part with state tax dollars, are eligible purchasers and authorized to purchase products and services under the terms of the contract in lieu of a separate competitive selection process.
