Hello,

Mobilis, Inc. is submitting a bid on RFB0322005013, Title: Assistive Technologies, Adapted Seating and Mobility Systems.

Mobilis Inc. is a certified Targeted Small Business by the IEDA, certified SBA Woman Owned Small Business. Our DUNS is 603569448 and NAICS code is 532283.

Colleen Brabec, President, is the point of contact for this proposal. She can be reached at 888-728-2288 or by email at colleen@mobilismed.com.

We have provided services for this contract for the last 3 years and really want to continue. We have established a great relationship with the clients at Glenwood Resource Center and the staff at GRC and Woodward. Unfortunately, we are in a very different business climate than we were 3 years ago. The shipping times from manufacturers are unstable, the cost of a Quickie 2 wheelchair has increased over 60% and GRC was unable to hold clinic for a while during Covid shutdowns. It's been a challenging couple of years, but we hope our service and dedication to the client/s was always above expectations.

We were able to work with staff and incorporate a new tilt in space, the Quickie Iris, that will help alleviate the need to stock so many different parts. It will streamline the items needed to repair most wheelchairs. We have installed many new Ride Custom Seating Systems and they have seen a lot of improvement with clients through better positioning, much less weight on the wheelchair and easy to clean and keep clean.

We have always provided 2 ATPs for the clinics to minimize the time needed to see each client, perform custom molding and pressure mapping, and provide more overall expertise to our customer, Glenwood Resource Center.

We are located 20 minutes away from GRC and can get to the facility easily, quickly and at times when items are needed even though we are not holding clinic.

We appreciate the opportunity to bid and hope that our past customer service and desire to continue working with the State of Iowa will be taken into consideration.

Thank you for your consideration,

Colleen Brabec

Form 22 – Request for Confidentiality

SUBMISSION OF THIS FORM 22 IS REQUIRED

THIS FORM 22 (FORM) MUST BE COMPLETED AND INCLUDED WITH YOUR RESPONSE (BID) TO THE REQUEST FOR BIDS (RFB). THIS FORM 22 IS REQUIRED WHETHER THE BID DOES OR DOES NOT CONTAIN INFORMATION FOR WHICH CONFIDENTIAL TREATMENT WILL BE REQUESTED. FAILURE TO SUBMIT A COMPLETED FORM 22 WILL RESULT IN THE BID TO BE CONSIDERED NON-RESPONSIVE AND ELIMINATED FROM EVALUATION. COMPLETE PART 1 OF THIS FORM 22 IF BID DOES NOT CONTAIN CONFIDENTIAL INFORMATION. COMPLETE PART 2 OF THIS FORM 22 IF THE BID DOES CONTAIN CONFIDENTIAL INFORMATION.

1. Confidential Treatment Is Not Requested

A Bidder not requesting confidential treatment of information contained in its Bid shall complete Part 1 of Form 22 and submit a signed Form 22 Part 1 with the Bid.

2. Confidential Treatment of Information is Requested

A Bidder requesting confidential treatment of specific information shall: (1) fully complete and sign Part 2 of Form 22, (2) conspicuously mark the outside of its Bid as containing confidential information, (3) mark each page upon which the Bidder believes confidential information appears **and CLEARLY IDENTIFY EACH ITEM for which confidential treatment is requested; MARKING A PAGE IN THE PAGE MARGIN IS NOT SUFFICIENT IDENTIFICATION**, and (4) submit a “Public Copy” from which the confidential information has been excised.

Form 22 will not be considered fully complete unless, for each confidentiality request, the Bidder: (1) enumerates the specific grounds in Iowa Code Chapter 22 or other applicable law that supports treatment of the information as confidential, (2) justifies why the information should be maintained in confidence, (3) explains why disclosure of the information would not be in the best interest of the public, and (4) sets forth the name, address, telephone, and e-mail for the person authorized by Bidder to respond to inquiries by the Agency concerning the confidential status of such information.

The Public Copy from which confidential information has been excised is in addition to the number of copies requested in Section 3 of this RFP. The confidential information must be excised in such a way as to allow the public to determine the general nature of the information removed and to retain as much of the Bid as possible.

Failure to request information be treated as confidential as specified herein shall relieve Agency and State personnel from any responsibility for maintaining the information in confidence. Bidders may not request confidential treatment with respect to pricing information and transmittal letters. A Bidder’s request for confidentiality that does not comply with this form or a Bidder’s request for confidentiality on information or material that cannot be held in confidence as set forth herein are grounds for rejecting the Bid as non-responsive. Requests to maintain an entire Bid as confidential will be rejected as non-responsive.

If Agency receives a request for information that Bidder has marked as confidential and if a judicial or administrative proceeding is initiated to compel the release of such information, Bidder shall, at its sole expense, appear in such action and defend its request for confidentiality. If Bidder fails to do so, Agency may release the information or material with or without providing advance notice to Bidder and with or without affording Bidder the opportunity to obtain an order restraining its release from a court possessing competent jurisdiction. Additionally, if Bidder fails to comply with the request process set forth herein, if Bidder’s request for confidentiality is unreasonable, or if Bidder rescinds its request for confidential treatment, Agency may release such information or material with or without providing advance notice to Bidder and with or without affording Bidder the opportunity to obtain an order restraining its release from a court possessing competent jurisdiction.

Part 1 – No Confidential Information Provided

Confidential Treatment Is Not Requested

Bidder acknowledges that bid response contains no confidential, secret, privileged, or proprietary information. There is no request for confidential treatment of information contained in this bid response.

This Form must be signed by the individual who signed the Bid. The Bidder shall place this Form completed and signed in its Bid.

****Fill in and sign the following if you have provided no confidential information. If signing this Part 1, do not complete Part 2.***

- ***Completion of this Form is the sole means of requesting confidential treatment.***
- ***A BIDDER MAY NOT REQUEST PRICING FOR BIDS BE HELD IN CONFIDENCE.***

Completion of the Form and Agency's acceptance of Bidder's submission does not guarantee the agency will grant Bidder's request for confidentiality. The Agency may reject Bid entirely in the event Bidder requests confidentiality and does not submit a fully completed Form or requests confidentiality for portions of its Bid that are improper under the RFB.

Please provide the information in the table below. Bidder may add additional lines if necessary or add additional pages using the same format as the table below.

Addendum One

Please amend the subject RFB to include answers to the following timely received questions:

Q1. We are a supplier based in New Milford, CT. The bid document mentions ATP requirements. As an out of state bidder, we cannot provide services which requires physical presence. Do we still qualify to participate in this bid?

A2. No, the Agency requires Bidder to make monthly visits to determine parts and measurements for their clients.

Q2. Our discount percentage by brand will remain firm. Can we submit a discount percentage by brand and we can provide the brand link on our website so that members/buyers can view the listing of the items.

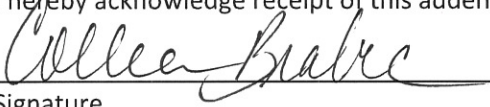

A2 Yes, a website link Per Section 3.5 is allowed. "Bidder must provide electronic copy of the most current effective, nationally published MSRP Equipment and Parts price list in electronic form or with a link to a current website"

Q3. Is it mandatory to bid on Market Basket or Vendor can bid only on Manufacturer Discount?

A3. Yes, it is mandatory to Bid on the Market Basket items.
