Part III - Equipment Services Rates

Instructions: *Bidder will enter their standard flat labor or service rates for routine maintenance and repair services. If Bidder has multiple independent dealers in the state of Iowa who establish their own services rates, please send the Dealer Service Rates template provided on tab 3 of this worksheet to your dealers for completion rather than filling out this section of the the spreadsheet. If independent Dealers have a schedule of rates for repair and routine maintenance services, they may provide their schedule of rates along with a general hourly labor rate to cover all other services provided.*
