824L WHEEL LOADER

POWERTRAIN:

5 Speed Transmission with Lock-Up Torque Converter
Electronically Controlled Fully Automated Shift System
Quick Shift Button on Loader Control Lever with 2 Selectable Modes
Automatic / Manual Shift Modes
Programmable Maximum High Gear
Transmission Clutch Disconnect with 4 Selectable Settings
Transmission Clutch Calibration Engaged from Monitor
100% Locking Front and Conventional Rear Differentials with Inboard
Mounted Heavy Duty Planetary Gears
Heavy Duty Self Adjusting Front and Rear Power Brakes
Electrically Actuated Automatic Spring Applied, Hydraulically Released, Wet Multi-Disc Park Brake
Transmission Fill Tube and Sight Gauge
2000 Hour Transmission Filter
Wheel Spin Control System

COOLING:

Quad-Cool System:
Heavy Duty, Debris Resistant High Ambient Cooling Package
2 Side access to all

24 Volt Electrical System
Solid State Electrical Power Distribution System
150 Amp Alternator
(2) Heavy Duty Batteries - each 1400 Cold Cranking amps/440 minute
Reserve Capacity
Battery Terminal Safety Covers
By-Pass Start Safety Cover at Starter
Lockable Master Electrical Disconnect Switch
Starting Switch with Electric Fuel Shut Off
Pre-wired for Beacon/Strobe Light
Lights:
(1) Engine Compartment Light
(1) LED Coolant Reservoir Illumination Light
(2) Halogen Driving Lights with Guards
(4) Front, (2) Rear Cab and 2-Rear Grille mounted Work Lights
Turn Signals and Flashers
LED Stop and Tail Lights
Horn, Electric
Reverse Warning Alarm
Voltage Converter for 24V to 12V / 30 Amps
Multi-Function LCD Color Monitor includes:
DIGITAL INSTRUMENTS
ANALOG Display:
Hydraulic Oil Temperature
Engine Coolant

Hydraulic Controls Integrated to Seat
3-Inch High Visibility Blaze Orange
Seat Belt with Retractor
Seat Belt Latching Monitoring System
(2) Cup Holders
Lunch box (Cooler) Holder
LED Dome and Reading Light
(3) 12 Volt Power Ports
Front Sun Visor
Premium Radio with Blue Tooth Connectivity
Rubber Floor Mat

Operator's Manual Storage Compartment
(2) Powered And Heated Outside Mirrors
(2) Inside Rear View Mirrors
Front and Rear Intermittent Windshield Wiper and Washers
Left and Right-Side Cab Access
Slip-Resistant Steps and Ergonomically Located Handholds
Front Window Washing Platforms
5000lb Capacity Anchor Point for Fall Arrest Lanyard Tie Off Ring
CB Radio Ready with CB Mounting Bracket, Power and Antennae Wiring

OVERALL VEHICLE:

Level 1 and Level 2 Sound Package
Automatic Greasing System with Selectable Grease Interval Settings
(2) Programmable Multi-Function Buttons Located on Hydraulic Implement Controls
Lift Eyes
Front and Rear Tie Downs
Full Coverage Front Fenders
Cast Bumper with Rear Hitch and Locking Pin
Articulation Locking Bar
Boom Locking Bar
40 Degree Steering Articulation to

Coolers	Temperature	Each Side with Rubber Cushion Stops on Frame
Cooling System isolated from Engine	Transmission Oil Temperature	Vandal Protection With Lockable Engine Enclosures, Right Counterweight
Compartment	Engine Oil Pressure	Compartment, Battery Box, Filler Access for
Engine Radiator	DIGITAL Display:	Radiator/Fuel/Hydraulic/Transmission
Integral Engine Oil Cooler	Engine RPM	Right and Left Handrails, Platforms and Steps
Hydraulic Oil Cooler (Oil to Air)	Transmission Gear / Direction Indicator	Fluid Sampling Ports for Engine, Transmission, Hydraulic, Axles Oils and Engine Coolant
Transmission Oil Cooler (Oil to Air)	Hour Meter	Environmental Drains with Hoses for Engine, Transmission, Hydraulic Oils and Engine Coolant
Charge Air Cooler (Air to Air)	Fuel Level	Ground Level Fueling (and DEF - FT4 Only)
Air Conditioner	DEF Level (FT4 Only)	Fuel Tank Fill Strainer
Condenser	Speedometer	Left and Right Engine Frame Service Steps and Handholds
Coolant Recovery Tank	Odometer	Storage Compartment
Antifreeze, -34F (-37 C)	Outside Temperature	Transmission Side Access Guards
Cool-on Demand Swing out Fan	Fuel Consumption Rate	Front and Rear Bottom Guards
Enclosed Fan Safety Guard	Integrated Cycle Counter with 5 Categories	Heavy Duty Fuel Tank Guard
Front and Rear Axle Coolers with Axle Oil Filtration	INDICATOR LIGHTS for Standard and Selected Options	
	INDICATOR LIGHTS FOR Amber Caution and Red Stop

Weight/Height with
Fore-Aft Adjustment
Vertical and Horizontal
Adjustable Arm Rests

Required - *You must select one from each category*

BASE MACHINE

FOB Davenport, Ia.

As not all option codes have field kits, please review your order option codes and available kits prior to placing a machine order

Description	Code	Price
824L WHEEL LOADER	7690DW	\$413,987.00

OPERATOR'S MANUAL AND DECALS

Description	Code	Price
English Decals and Manuals	2605	No Added Cost
Spanish Decals and Manuals	2610	No Added Cost
French Decals and Manuals	2615	No Added Cost

GATHERING GROUP CONFIGURATIONS

Description	Code	Price
Standard Gathering Group	0810	No Added Cost

ENGINE

Description	Code	Price
John Deere PowerTech Engine	0924	\$50,800.00

9.0L meets EPA FT4 and EU Stage V Emissions (343 Net Peak hp)

Turbocharged, Charge Air Cooled
Wet Sleeve Cylinder Liners
Programmable Auto-Idle and Auto-Shutdown
Selected Idle Adjustment from 900-1250 RPM
Starter Protection
4 Valves / Cylinder
Cooled Exhaust Gas Recirculation
Automatic Derating for Exceeded System Temperatures
Electronically Controlled HPCR Fuel Delivery System, B20 Biodiesel Compatible
Electrical Fuel Priming System
Serpentine Drive Belt with Automatic Tensioner
Under Hood Dual Element Air Cleaner with Restriction Indicator
Under Hood Exhaust Filter and Catalysts with Curved Exhaust Stack
Automatic Exhaust Filter Regeneration
Dual-Stage Fuel Filter and Water Separator
500 Hour Vertical Spin-on Oil Filter
Oil crankcase filter, Lifetime
Engine Compartment Light

Remote Jump Starting Lugs
Automatic Engine Cool-down Timer

FAN DRIVE

Description	Code	Price
Standard Hydraulic Fan	1510	No Added Cost

Hydraulically driven fan with proportional fan speed control based on cooling demands to save fuel and reduce noise.

Automatic Reversing Hydraulic Fan	1520	\$1,755.00
-----------------------------------	------	------------

Hydraulically driven fan with proportional fan speed control based on cooling demands to save fuel and reduce noise. Automatic Reversing fan to purge debris and dust on cooling system inlet screens and coolers periodically to reduce cleaning. Reversing intervals can be set in the monitor.

Requires code 1430 Engine Air Intake with Centrifugal Precleaner

AIR INTAKE

Description	Code	Price
Engine Air Intake System with Centrifugal Precleaner	1430	\$617.00

EXHAUST

Description	Code	Price
Flat Black Curved Stack	1310	No Added Cost

Chrome Curved Stack	1330	\$620.00
---------------------	------	----------

FUEL FILTRATION

Description	Code	Price
Standard Fuel Filter with Water Separator and Standard Fuel Fill	1610	No Added Cost

Not Available on Code 0910 EPA T3/EU Stage IIIA Engines

Standard Fuel Filter with Water Separator and Fast Fuel	1630	\$830.00
---	------	----------

Not Available on Code 0910 EPA T3/EU Stage IIIA Engines

ALTERNATOR

Description	Code	Price
150 Amp Alternator	1220	\$675.00

CONVERTER

Description	Code	Price
30 Amp Converter	2730	\$265.00

Requires code 1215 140 amp alternator or code 1220 150 amp alternator

LIGHTING

Description	Code	Price
Halogen Work and Drive Lights	7120	No Added Cost
LED Front Turn/Marker & Rear Turn/Brake Lights		
Premium LED Work and Drive Lights	7140	\$2,114.00
All exterior machine lights are LED LED Front Turn/Marker & Rear Turn/Brake Lights		

TRANSMISSION

Description	Code	Price
5-Speed Powershift Transmission with Lock-up Torque Converter	1120	No Added Cost

AXLES

Description	Code	Price
Axles with Hydraulic Locking Front Differential and Standard Rear	3056	No Added Cost
Axles with Front and Rear Hydraulic Locking Differential	3059	\$3,092.00

DIFFERENTIAL LOCK

Description	Code	Price
Automatic Differential Lock	3110	\$1,429.00
Allows operator to switch on Automatic Diff Lock providing continual differential lock in all conditions, minimizing tire spin. Requires code 9410 Transmission and Bottom Guards.		
Manual Axle Differential Lock	3120	No Added Cost

LINKAGE CONFIGURATION

Description	Code	Price
Standard Z-BAR	2010	No Added Cost
High Lift Z-BAR	2020	\$8,148.00
Adds 15 inches (370mm) height to bucket hinge pin, fully raised over standard linkage. Rated tipping load and lift capacity will be lower than unit equipped with the standard boom.		

LUBRICATION

Description	Code	Price
Autolube	5700	No Added Cost
Less Autolube	5705	(\$6,000.00)

HYDRAULIC CONTROLS

Description	Code	Price
-------------	------	-------

Single Axis Lever Controls	2350	No Added Cost
----------------------------	------	---------------

Provides an individual hydraulic function control lever for each function.
Only available for 2 function and 3 function hydraulics.

Joystick Controls	2360	\$571.00
-------------------	------	----------

Provides a single lever (joystick) control for the boom and the bucket.
Optional 3rd and 4th functions are controlled with proportional thumb rollers integrated in the joystick handle (If equipped for applicable models).

HYDRAULIC SYSTEM

Description	Code	Price
Two Function Hydraulics	2402	No Added Cost

Controls Boom and Bucket only.

Three Function Hydraulics	2403	\$4,500.00
---------------------------	------	------------

Controls Boom and Bucket and adds an auxiliary function and boom lines.

HYDRAULIC FLUID

Description	Code	Price
Hydrau Hydraulic Fluid	1970	No Added Cost

Hydrau XR Hydraulic Fluid	1975	\$370.00
---------------------------	------	----------

Optional factory fill.

Required for colder climates with operation below -25C (-13F) and extreme cold ambient temperatures down to -40C (-40F).
Provides all-season capability in ambient temperatures ranging from -40C to 40C (-40F to 104F).

CAB / ROPS

Description	Code	Price
Premium Cab	1910	(\$512.00)

Requires/Includes the following option codes in order to qualify for package group price:

2240 Premium Seat
2730 30 amp Voltage Converter
8240 Rear Camera Only OR 8235 Rear Camera and Radar Object Detection System
8350 Remote Powered and Heated Exterior Mirrors
8370 Premium Radio

Also includes Cab Automatic Temperature Control System.

A/C CHARGE

Description	Code	Price
Cab with Air A/C Charge	8450	No Added Cost

**SEAT**

Description	Code	Price
Premium Seat, Heated and Ventilated with Heavy Duty Air Suspension	2240	\$1,295.00

Leather Accented Seat with Back Rest Extensions includes Pan Tilt, Pan Extend, Lumbar Adjustment and Air Suspension with Full Damping Capability.

Not Available with Standard Cab code 1905

**MONITOR**

Description	Code	Price
7 inch Monitor	1940	No Added Cost

7 inch Monitor with Dedicated Rear Camera Display	1945	\$1,645.00
---	------	------------

Provides a separate and dedicated 7 inch display monitor for displaying continuous rear view camera imagery and allowing standard monitor to display without interruption.

**MIRRORS**

Description	Code	Price
Remote Powered and Heated Exterior Mirrors	8350	\$712.00

**RADIO**

Description	Code	Price
Premium Radio	8370	\$850.00

AM/FM/Weather Band (WB) Radio with Bluetooth, Remote Aux and Remote USB Port

Requires Premium Cab Code 1910

**REAR OBJECT DETECTION**

Description	Code	Price
Rear Camera and Radar Object Detection System	8235	\$4,389.00

Display shows view behind the machine and provides audible alert. Rear view is displayed in video-enabled color monitor or dedicated color monitor.

Rear Camera Only	8240	\$1,085.00
------------------	------	------------

No Rear Camera or Radar Object Detection System	8250	No Added Cost
---	------	---------------

Not Available with Premium Cab code 1910

**BEACONS**

Description	Code	Price
LED Strobe Beacon with Left Beacon Bracket	8275	\$275.00

A yellow strobe beacon on hinged bracket mounted to the rear left side of the cab exterior.

LED Strobe Beacon with Dual Beacon Bracket	8285	\$443.00
--	------	----------

A yellow strobe beacon on hinged bracket mounted to the rear left side of the cab exterior and second bracket is mounted on right rear side for fitment of a of second beacon of customers choice color.

Left Beacon Bracket Only	8290	\$168.00
--------------------------	------	----------

Hinged bracket only mounted to the rear left side of the cab exterior.

Dual Beacon Bracket Only	8293	\$336.00
--------------------------	------	----------

Hinged bracket only mounted to the rear left and right sides of the cab exterior.

External Seat Belt Indicator with Single Right Bracket	8295	\$225.00
--	------	----------

The Seat Belt Indicator Light is a Green Strobe Beacon mounted on the rear right of the cab that lights whenever the seat belt is latched whenever the machine is powered on.

External Seat Belt Indicator with Dual Bracket and LED Strobe Beacon	8296	\$393.00
--	------	----------

The Seat Belt Indicator Light is a Green Strobe Beacon mounted on the rear right of the cab that lights whenever the seat belt is latched whenever the machine is powered on. A yellow strobe beacon on hinged bracket mounted to the rear left side of the cab exterior.

No Strobe Beacon or Beacon Bracket	8298	No Added Cost
------------------------------------	------	---------------

STEERING SYSTEMS

Description	Code	Price
Joystick Steering Only	2105	No Added Cost

Steering Wheel Only	2120	\$500.00
---------------------	------	----------

Joystick Steering Only with Secondary Steering	2125	\$5,500.00
--	------	------------

Steering Wheel Only with Secondary Steering	2130	\$6,000.00
---	------	------------

PAYLOAD SCALE

Description	Code	Price
No Payload Scale with Cycle Counter	2870	\$119.00

Z-Bar and High Lift Linkage models will be shipped payload scale ready. A payload scale whole good field kit may be added at a later time to install a Payload Scale.

Topcon Payload Scale with Cycle Counter	2875	\$7,850.00
---	------	------------

Option includes the Topcon Loadmaster Alpha 100 Payload Scale integrated with JDLink to track and visualize payload weighing data. System will be installed during machine assembly at the factory. Calibration, service, and support will be provided by the John Deere Dealer.

Topcon Payload Scale and Printer with Cycle Counter	2880	\$9,250.00
---	------	------------

Option includes the Topcon Loadmaster Alpha 100 Payload Scale integrated with JDLink to track and visualize payload weighing data. Option also includes a printer that connects directly into the Topcon display. System will be installed during machine assembly at the factory. Calibration, service, and support will be provided by the John Deere Dealer.

MACHINE CONNECTIVITY

Machine connectivity functions require cellular coverage. Usage of JDLink System requires customer's acceptance of the terms of the John Deere Telematics System Contract.

Option availability limited by specific geographical regions. Please refer to region specific price pages for appropriate ordering codes.

Description	Code	Price
JDLink Ultimate 5 Year Subscription	170C	No Added Cost

Includes JDLink hardware: integrated cab wiring harness, antenna, modular telematics gateway (MTG), and now includes all Ultimate Connectivity features - Wireless Data Transfer (WDT) enabling automatic data transfer from TimberMatic and Waratah H16 Measuring Systems to TimberManager and MyJohnDeere, supporting TimberOffice 5 Software. Additionally, Ultimate now includes Limited Internet features supporting optional ForestSight Solutions such as advance mapping systems and Remote Display Access (RDA) features supported by TeamViewer applications. JDLink utilizes cellular and satellite technology infrastructure that is outside the control of John Deere. Changes to that infrastructure may require customers to purchase compatible JDLink hardware to restore functionality. Includes 5 year subscription. Annual subscription renewal required after 5 years for continued functionality. JDLink customer account must be created to access JDLink Ultimate data. Go to www.StellarSupport.com to renew or update JDLink subscriptions. Use of this service, and all rights and obligations of John Deere and the Customer (as identified in the applicable agreement), are governed by the terms and conditions outlined in the applicable Services and Software agreements available at www.JohnDeere.com/Agreements. If these terms and conditions are not agreeable do not proceed and do not use the service.

JDLink Ultimate Dual 5 Year Subscription	170J	\$2,074.00
--	------	------------

Includes JDLink hardware: integrated cab wiring harness, antenna, modular telematics gateway (MTG), and now includes all cellular dependent Ultimate Connectivity features - Wireless Data Transfer (WDT) enabling automatic data transfer from TimberMatic and Waratah H16 Measuring Systems to TimberManager and MyJohnDeere, supporting TimberOffice 5 Software. Additionally, Ultimate Dual now includes Limited Internet features supporting optional ForestSight Solutions such as advance mapping systems and Remote Display Access (RDA) features supported by TeamViewer applications when cellular signal is available. JD Link Ultimate Dual works with the 4G LTE MTG to automatically transmit compressed summary data over a satellite network when a cellular network is not available. JDLink utilizes cellular and satellite technology infrastructure that is outside the control of John Deere. Changes to that infrastructure may require customers to purchase compatible JDLink hardware to restore functionality. Includes 5 year subscription. Annual subscription renewal required after 5 years for continued functionality. JDLink customer account must be created to access JDLink Ultimate data. Go to www.StellarSupport.com to renew or update JDLink subscriptions. Use of this service, and all rights and obligations of John Deere and the

Customer (as identified in the applicable agreement), are governed by the terms and conditions outlined in the applicable Services and Software agreements available at www.JohnDeere.com/Agreements. If these terms and conditions are not agreeable do not proceed and do not use the service.

FENDERS

Description	Code	Price
Full Width Front Fenders	5540	No Added Cost
Includes full width front fenders, left side steps, as well as both left and right side platforms.		
Fender width is wider than tire by design to capture more tire spray but is susceptible to damage if tire brushes against objects from the side.		
Full Width Front and Rear Fenders	5550	\$3,489.00
Includes full width front and rear fenders, left side steps, as well as both left and right side platforms.		
Fender width is wider than tire by design to capture more tire spray but is susceptible to damage if tire brushes against objects from the side.		
Mudflaps are included but wiper flaps are NOT.		
Roading Fenders Front and Rear	5553	\$3,614.00
Includes full width front and rear fenders, left side steps, as well as both left and right side platforms. Mudflaps and front wiper flaps are included to minimize spray in load and carry applications on firm footing.		
Fender width is wider than tire by design to capture more tire spray but is susceptible to damage if tire brushes against objects from the side.		
Mudflaps are designed to be low and catch tirespray but can be torn if the operator spins out and then backs over them. Trimming is recommended or order Code 5550 Full Width Front and Rear Fenders.		

WHEELS AND TIRES

All Tires are tubeless and include rims, axle stops when required, and come in sets of 4.

Tire chain use requires Axle Stops.

NOTE: If a No Brand Preference code is selected a 9000 code in the Optional Equipment - Order as Desired section will automatically be selected as well. This is required to enable the factory to source this order.

Description	Code	Price

775/65R29 Michelin Radial XHA2 L3 1-Star Tires with 5 pc. Rims	5033	\$51,967.00

▼ TIRE PRESSURE MONITORING

Description	Code	Price
Tire Pressure Monitoring System	5310	\$1,700.00
Less Tire Pressure Monitoring System	5320	No Added Cost

▼ HYDRAULIC COUPLERS

Description	Code	Price
Hydraulic Coupler - JRB 420 Pattern	8558	\$10,667.00
Field Coupler or Bucket Ready - Pins Only And Pin Disconnect Plumbing	8564	\$2,300.00
Pins are shipped with the machine. The pins provided are designed and intended for use in installing Deere designed field installed pin-on buckets or Deere designed couplers. Use of the pins to attach any other buckets, couplers, or other attachments may or may not be acceptable, and must be reviewed on a case by case basis to determine if they provide adequate pin engagement and pin retention.		
Field Bucket Ready - Pins Only	8565	\$1,900.00
Pins are shipped with the machine. The pins provided are designed and intended for use in installing Deere designed field installed pin-on buckets. Use of the pins to attach any other buckets, couplers, or other attachments may or may not be acceptable, and must be reviewed on a case by case basis to determine if they provide adequate pin engagement and pin retention.		
Factory Pin-on Bucket Ready	8567	No Added Cost
Required when ordering factory installed pin-on buckets - NOT coupler style hook-on buckets or field installed buckets.		

▼ BUCKETS

Bucket options are orderable with either a coupler or a pin-on configuration, unless otherwise noted.

Description	Code	Price
-------------	------	-------

6.0 Cu. Yd. (4.5 Cu. M) Bucket	8946	\$15,354.00
Straight side cutters. Bolt on spill sheet can be installed - see options below. Does not include the integrated spill deflector, replaceable bushed static joints, nor provisions for side cutter protection guards.		
5.0 Cu. Yd. (3.8 Cu. M) Enhanced Production GP JRB 420 Pattern Coupler Bucket	8948	\$19,954.00
Curved profile side cutters for improved material retention. Includes exterior side wear protection (cheek plate) and integrated spill deflector. Does not allow installation of bolt on spillguard. Has provisions for lower side cutter protection guard, available through Dealer Parts.		
5.25 Cu. Yd. (4.0 Cu. M) Enhanced Production GP JRB 420 Pattern Coupler Bucket	8951	\$20,715.00
Curved profile side cutters for improved material retention. Includes exterior side wear protection (cheek plate) and integrated spill deflector. Does not allow installation of bolt on spillguard. Has provisions for lower side cutter protection guard, available through Dealer Parts.		
5.75 Cu. Yd. (4.4 Cu. M) Enhanced Production GP Standard Coupler Bucket	8957	\$22,699.00
Curved profile side cutters for improved material retention. Includes exterior side wear protection (cheek plate) and integrated spill deflector. Does not allow installation of bolt on spillguard. Has provisions for lower side cutter protection guard, available through Dealer Parts.		
No Bucket	8960	No Added Cost
6.0 Cu. Yd. (4.6 Cu. M) Enhanced Production GP Standard Coupler Bucket	8963	\$23,483.00
Curved profile side cutters for improved material retention. Includes exterior side wear protection (cheek plate) and integrated spill deflector. Does not allow installation of bolt on spillguard. Has provisions for lower side cutter protection guard, available through Dealer Parts.		
6.25 Cu. Yd. (4.8 Cu. M) Enhanced Production GP Bucket without Wear Plates	8965	\$14,900.00
Curved profile side cutters for improved material retention. Includes exterior side wear protection (cheek plate), integrated spill deflector, and replaceable bushed static joints. Does not allow installation of bolt on spillguard. Has provisions for lower side cutter protection guard, available through Dealer Parts.		
6.25 Cu. Yd. (4.8 Cu. M) Enhanced Production GP Bucket with Wear Plates	8967	\$16,150.00
Curved profile side cutters for improved material retention. Includes interior and exterior side wear protection (cheek plates), bucket liner, integrated spill deflector, and replaceable bushed static joints. Does not allow installation of bolt on spillguard. Has provisions for lower side cutter protection guard, available through Dealer Parts.		
6.75 Cu. Yd. (5.2 Cu. M) Enhanced Production Material Handling Bucket without Wear Plates	8973	\$15,630.00

Curved profile side cutters for improved material retention. Includes exterior side wear protection (cheek plate), integrated spill deflector, and replaceable bushed static joints. Does not allow installation of bolt on spillguard. Has provisions for lower side cutter protection guard, available through Dealer Parts.

6.75 Cu. Yd. (5.2 Cu. M) Enhanced Production Material Handling Bucket with Wear Plates	8975	\$16,880.00
--	------	-------------

Curved profile side cutters for improved material retention. Includes interior and exterior side wear protection (cheek plates), bucket liner, integrated spill deflector, and replaceable bushed static joints. Does not allow installation of bolt on spillguard. Has provisions for lower side cutter protection guard, available through Dealer Parts.

▼ CUTTING EDGES AND TEETH

Description	Code	Price
Bolt-on Cutting Edge	8881	\$1,900.00
Bolt on Jagz Cutting Edge	8886	\$3,100.00
Teeth with Segments	8889	\$5,200.00
No Bucket Edge or Teeth	8890	No Added Cost

Required when ordering code 8960 No Bucket

▼ FORK FRAME

Description	Code	Price
106 in (2690mm) Wide Fork Frame	5790	\$10,500.00
No Fork Frame	5840	No Added Cost

▼ TINES

Description	Code	Price
72 Inch (1829mm) Construction Tines	5890	\$7,575.00
96 Inch (2438mm) Construction Tines	5900	\$11,650.00
No Tines	5940	No Added Cost

Required when ordering code 5840 No Fork Frame

▼ REAR HITCH AND COUNTERWEIGHTS

Description	Code	Price
Main Counterweight	8110	No Added Cost
Less Counterweight and Rear Hitch	8130	(\$3,310.00)

For use on Waste Handler with solid or foam filled tires OR field kit "Rear Access Platform with Steps & Hand Holds", must be purchased for solid or foam filled tires.

Optional - *Select as desired*

**ENGINE**

Description	Code	Price
Cold Weather Starting	9020	\$581.00

Recommended for cold starts below -10 degrees F (-23 C)
Includes Automatic Ether Start Aid and Engine Block Heater.
Unit is not factory shipped with Ether can installed. Dealer must install.

Quick Fluid Service with Environmental Drain	9045	\$850.00
--	------	----------

Coupling system for Engine Oil, Transmission Fluid, Hydraulic Fluid and Engine Coolant.

Throttle Lock	9055	\$215.00
---------------	------	----------

This feature adds the convenience of holding the engine at a constant engine speed for long travel distances or other constant engine speed needs without the operator having to hold the accelerator pedal position.

**OPERATOR'S STATION**

Description	Code	Price
Powered Cab Fresh Air Pre-Cleaner	9115	\$945.00

Extends cab air filter change intervals.

Rear Sunvisor	9136	\$100.00
---------------	------	----------

Fire Extinguisher	9140	\$149.00
-------------------	------	----------

5.0 lbs. multi purpose (ABC) Dry Chemical Fire Extinguisher mounted inside the cab to the left front ROPS post.

**TIRE BRAND PREFERENCE**

Description	Code	Price
No Tire Brand Preference		

26.5R25 No Brand Preferred L3 1-Star Tires with 5 pc rims	9701	No Added Cost
---	------	---------------

775/65R29 No Brand Preferred L3 1-Star Tires with 5 pc rims	9711	No Added Cost
---	------	---------------

**BUCKET SPILLGUARDS**

Description	Code	Price
Bucket Spill Guard for Use with 6.0 Cu. Yd. Buckets	9793	\$1,625.00

For 6.00 cu. yd. Pin-on bucket - Requires Code 8946 bucket. This does not fit Enhanced Production Buckets.

**HYDRAULIC COUPLERS**

Description	Code	Price
Quick Coupler Hydraulic System (Pin Disconnect)	9310	\$1,452.00

For use with field installed Attachment couplers.
Includes hydraulic lines from control valve to loader boom cross tube,
electric switch and solenoid valve.

MISCELLANEOUS

Description	Code	Price
Electrical Corrosion Prevention Package	9210	\$1,425.00

Preventive corrosion treatment for use in corrosive environments.
Preventive corrosion treatment includes dielectric grease for electrical
connections and polyurethane-based sealant on exposed terminals.

License Plate Bracket	9520	\$177.00
-----------------------	------	----------

Includes light for night time illumination.

Slow Moving Vehicle (SMV) Emblem	9525	\$157.00
----------------------------------	------	----------

Finish Paint - Decals Not Installed	9800	No Added Cost
-------------------------------------	------	---------------

For custom paint.
Non-Paintable charcoal grey cab roof.
Decals packaged with machine.
Safety decals installed.

Shipping Rust Preventive Coating - Non Export	9909	\$235.00
---	------	----------

Coating protects exposed unpainted surfaces from road salt during
shipment.

4WD LOADER SIMULATOR

4WD Loader Operator Training Simulator
- JD Bookstore order code: SIM5700
- JD Bookstore Price: \$15,997

Includes software, replica joysticks, foot pedals, steering wheel and integrated seat. Item ordered through the JD Bookstore.

ATTACHMENTS FOR FIELD CONVERSION

F.O.B. Dubuque, Iowa for dealer-installed kits, except where noted. Some of the following kits may require additional parts for a complete installation. Prior to ordering, check the installation instructions by going to www.johndeereinfo.com and clicking on Library, or by clicking on this Hyperlink ([Installation Bulletin Search](#)), and insert the AT number to retrieve the attachment installation instruction bulletin for additional parts.
Exception to above note is FRONTIER Dealer Installed Kits.

All attachments are sold as a quantity of one.

Description	Code	Price
Bucket Hardware & Accessories		

KIT, BOLT ON SPILL GUARD FOR 6.0 YD PIN-ON BUCKET ONLY	AT309138	\$1,751.00
--	----------	------------

For use on 6.0 Cu. Yd. clipped corner buckets.
Bolt on Spillguards adds 0.4 cubic yards to Bucket Capacity.
Not compatible with Enhanced Production Buckets.

Teeth with Segments	AT400169	\$6,253.00
---------------------	----------	------------

For use on 5.25, 5.5, 6.0, and 6.25 Cu. Yd. Buckets (including Enhanced Production Buckets).

Buckets & Bucket Wear Components

KIT, 4.5M (6YD) PIN-ON BUCKET	AT346234	\$15,539.00
-------------------------------	----------	-------------

6.00 Cu. Yd. (4.6 cm) General Purpose Bucket
Includes Skid Shoes, No Bolt-On Cutting Edges and Side Cutters (for Units made after 26NOV07).

KIT, 5.0 CU YD STD COUPLER BUCKET KIT	BYT10864	\$19,100.00
---------------------------------------	----------	-------------

Enhanced Production GP JRB 420 Pattern Coupler Bucket. Curved profile side cutters for improved material retention. Includes exterior side wear protection (cheek plate) and integrated spill deflector. Does not allow installation of bolt on spillguard. Has provisions for lower side cutter protection guard, available through Dealer Parts

KIT, 5.25 CU YD STD COUPLER BUCKET KIT	BYT10865	\$20,300.00
--	----------	-------------

Enhanced Production GP JRB 420 Pattern Coupler Bucket. Curved profile side cutters for improved material retention. Includes exterior side wear protection (cheek plate) and integrated spill deflector. Does not allow installation of bolt on spillguard. Has provisions for lower side cutter protection guard, available through Dealer Parts

KIT, 5.75 CU YD STD COUPLER (HOOK-ON) BUCKET	BYT10866	\$22,700.00
--	----------	-------------

Enhanced Production GP JRB 420 Pattern Coupler Bucket. Curved profile side cutters for improved material retention. Includes exterior side wear protection (cheek plate) and integrated spill deflector. Does not allow installation of bolt on spillguard. Has provisions for lower side cutter protection guard, available through Dealer Parts

KIT, 6.0 CU YD STD COUPLER (HOOK-ON) BUCKET	BYT10867	\$23,200.00
---	----------	-------------

Enhanced Production GP JRB 420 Pattern Coupler Bucket. Curved profile side cutters for improved material retention. Includes exterior side wear protection (cheek plate) and integrated spill deflector. Does not allow installation of bolt on spillguard. Has provisions for lower side cutter protection guard, available through Dealer Parts

Wear Plates for 6.25 & 6.75 Cu. Yd. Enhanced Production Buckets	BYT10123	\$3,968.00
---	----------	------------

Buckets & Bucket Wear Components

6.25 Cu. Yd. (4.8 Cu. M.) Enhanced Production General Purpose Bucket with Wear Plates. No Ground Engaging Tools Installed.	BYT10103	\$15,155.00
--	----------	-------------

Updated bucket profile for easier loading. Curved profile side cutters for improved material retention. Includes interior and exterior side wear protection (cheek plates), bucket liner, integrated spill deflector, and replaceable bushed static joints. Does not allow installation of bolt on spillguard. Has provisions for lower side cutter protection guard, available through Dealer Parts.

	BYT10102	\$13,905.00
--	----------	-------------

6.25 Cu. Yd. (4.8 Cu. M.) Enhanced Production General Purpose Bucket without Wear Plates. No Ground Engaging Tools Installed.

Updated bucket profile for easier loading. Curved profile side cutters for improved material retention. Includes exterior side wear protection (cheek plate), integrated spill deflector, and replaceable bushed static joints. Does not allow installation of bolt on spillguard. Has provisions for lower side cutter protection guard, available through Dealer Parts.

6.75 Cu. Yd. (5.2 Cu. M.) Enhanced Production General Purpose Bucket with Wear Plates. No Ground Engaging Tools Installed.	BYT10105	\$15,885.00
--	----------	-------------

Updated bucket profile for easier loading. Curved profile side cutters for improved material retention. Includes interior and exterior side wear protection (cheek plates), bucket liner, integrated spill deflector, and replaceable bushed static joints. Does not allow installation of bolt on spillguard. Has provisions for lower side cutter protection guard, available through Dealer Parts.

6.75 Cu. Yd. (5.2 Cu. M.) Enhanced Production General Purpose Bucket without Wear Plates. No Ground Engaging Tools Installed.	BYT10104	\$14,635.00
---	----------	-------------

Updated bucket profile for easier loading. Curved profile side cutters for improved material retention. Includes exterior side wear protection (cheek plate), integrated spill deflector, and replaceable bushed static joints. Does not allow installation of bolt on spillguard. Has provisions for lower side cutter protection guard, available through Dealer Parts.

KIT, HEAVY CUTTING EDGE	AT314301	\$2,953.00
-------------------------	----------	------------

Bolt On Cutting Edge for 5.0, 5.25, 5.5, 5.75, 5.85, 6.0, 6.25, and 6.75 Cu. Yd. Buckets (including Enhanced Production Buckets)

Hydraulics

3rd Function Single Axis Lever	BYT11268	\$314.00
--------------------------------	----------	----------

In-cab control lever only for updating units equipped with two-function single axis controls to three-function single axis controls. Not for use with joystick control lever.
Does not include hydraulic valve section or any associated plumbing.

Joystick Controls Conversion to Single Axis Controls (2-Function)	BYT11250	\$1,262.00
---	----------	------------

To convert from single joystick hydraulic control lever with FNR to 2-Lever single axis controls with steering column FNR lever.

Joystick Controls Conversion to Single Axis Controls (3-Function)	BYT11187	\$1,575.00
---	----------	------------

To convert from single joystick hydraulic control lever with FNR and auxiliary function to 3-Lever single axis controls with steering column FNR lever.

Hydraulics

	BYT11530	\$1,200.00
--	----------	------------

Joystick Controls (2 or 3 function) Conversion to Joystick Controls (4 Function)

To convert from single joystick hydraulic control lever and one integrated auxiliary function roller (2 or 3 function) to single joystick hydraulic control lever and two integrated auxiliary function rollers for 4-functions.

Kit only updates in-cab controls and does not include valve sections or plumbing.

Kit, 3rd Function Hydraulics, Does Not Include Controls	BYT11500	\$3,410.00
---	----------	------------

Includes third function hydraulic valve section.
Does not include in-cab control function.

Kit does not include hoses and will require dealer to manufacture hoses per installation instructions

Kit, 4th Function Hydraulics, Does Not Include Controls	BYT10643	\$3,840.00
---	----------	------------

Includes 4th function hydraulic valve section and plumbing from valve to boom cross tube.
Not for use with single axis control levers. Requires joystick control lever.
Does not include in-cab control function.

Kit does not include hoses and will require dealer to manufacture hoses per installation instructions.

Kit, Autolube - Std	BYT11512	\$5,610.00
---------------------	----------	------------

Deere autolube system integrated with JDLink. Will require field installation at additional cost.

Kit, Pin Disconnect System - - Hydraulic Control System for Quick Coupler Locking Pins	BYT11498	\$1,482.00
--	----------	------------

Single Axis Controls Conversion to Joystick Controls (2 or 3-Function)	BYT11543	\$1,240.00
--	----------	------------

To convert from 2 or 3-Lever single axis controls to single joystick hydraulic control lever with integrated auxiliary function roller.

Single Axis Controls Conversion to Joystick Controls (4 Function)	BYT11529	\$1,543.00
---	----------	------------

To convert from 2 or 3-Lever single axis controls to single joystick hydraulic control lever with FNR and integrated auxiliary function rollers for 4 functions.

Kit only updates in-cab controls and does not include valve sections or plumbing.

Operator Environment

24 Volt to 12 Volt - 30 Amp Converter	BYT11259	\$337.00
---------------------------------------	----------	----------

Dedicated 7-inch Rear Camera Display	BYT11265	\$1,511.00
--------------------------------------	----------	------------

Provides a separate and dedicated 7 inch display monitor for displaying continuous rear view camera imagery and allowing standard monitor to display without interruption.

FNR to RNF Transmission Direction Control Switch Reversed Pattern Decal	BYT11516	\$10.00
--	----------	---------

This kit provides the in-cab sticker to correctly show the direction of the steering lever, transmission directional control switch on loaders that have the pattern reversed from F-N-R (Forward - Neutral - Reverse) to R-N-F.

Kit, Secondary Steering For Joystick Steering Only - INSTALLATION INSTRUCTIONS AND SOFTWARE ONLY	BYT11195	\$10.00
---	----------	---------

REQUIRES BYT11197, Kit, Secondary Steering Parts Kit.
This kit is only installation instructions and instructions for software update for the loader to enable this feature.

Kit, Secondary Steering For Steering Wheel Only - INSTALLATION INSTRUCTIONS AND SOFTWARE ONLY	BYT11196	\$10.00
--	----------	---------

REQUIRES BYT11197, Kit, Secondary Steering Parts Kit.
This kit is only installation instructions and instructions for software update for the loader to enable this feature.

Kit, Secondary Steering Parts Kit	BYT11197	\$5,610.00
-----------------------------------	----------	------------

REQUIRES ORDERING THE APPROPRIATE INSTALLATION
INSTRUCTIONS TO ENABLE THE CORRECT SOFTWARE UPDATE
FOR THIS FEATURE TO FUNCTION. SEE APPROPRIATE KITS.

REQUIRES BYT11195 or BYT11196

Kit, Steering Joystick Only To Steering Wheel Only - INSTALLATION INSTRUCTIONS AND SOFTWARE ONLY	BYT11188	\$10.00
---	----------	---------

REQUIRES BYT11190, Kit, Joystick Steering to add or convert to Steering
Wheel Parts Kit

This kit is only installation instructions and instructions for software update for the loader to enable this feature.

Kit, Steering Joystick W/Secondary Steering To Steering Wheel W/ Secondary Steering - INSTALLATION INSTRUCTIONS AND SOFT	BYT11189	\$10.00
--	----------	---------

REQUIRES BYT11190, Kit, Joystick Steering to add or convert to Steering
Wheel Parts Kit

This kit is only installation instructions and instructions for software update for the loader to enable this feature.

Kit, Steering Wheel Only To Steering Joystick Only - INSTALLATION INSTRUCTIONS AND SOFTWARE ONLY	BYT11191	\$10.00
---	----------	---------

REQUIRES BYT11194, Kit, Steering Wheel to add or convert to Joystick
Steering Parts Kit

This kit is only installation instructions and instructions for software update for the loader to enable this feature.

Kit, Throttle Lock Software	BYT11515	\$198.00
-----------------------------	----------	----------

This feature adds the convenience of holding the engine at a constant engine speed for long travel distances or other constant engine speed needs without the operator having to hold the accelerator pedal position.

Kit, Wheel W/ Secondary Steering To Joystick W/ Secondary Steering - INSTALLATION INSTRUCTIONS AND SOFTWARE ONLY	BYT11193	\$10.00
--	----------	---------

REQUIRES BYT11194, Kit, Steering Wheel to add or convert to Joystick Steering Parts Kit

This kit is only installation instructions and instructions for software update for the loader to enable this feature.

Premium AM/FM/Weather Band (WB) with Bluetooth, Remote Aux and Remote USB Port Radio	BYT11503	\$781.00
--	----------	----------

Rear Camera Only	BYT11527	\$997.00
------------------	----------	----------

Display shows view behind the machine. Rear view is displayed in video-enabled color monitor or dedicated color monitor.

Rear Camera and Rear Object Radar Detection	BYT11526	\$4,031.00
---	----------	------------

Display shows view behind the machine and provides audible alert. Rear view is displayed in video-enabled color monitor or dedicated color monitor.

Satellite Radio Installation Kit	BYT11588	\$378.00
----------------------------------	----------	----------

Kit includes a Satellite Radio Antenna, Satellite Radio Receiver, Satellite Radio Harness, and mounting brackets to allow the existing radio to receive and play Satellite radio broadcast signals. The kit does not include a Satellite radio subscription and an existing radio is required.

Overall Vehicle

KIT, FRONT FENDER EXTENSIONS, 26.5R25, 29.5R25, 775/65R29 TIRES	BYT11467	\$1,118.00
---	----------	------------

Adds additional length to front fenders to reduce tire spray while traveling at high speeds.

KIT, WHEEL CHOCK BRACKET ONLY - WHEEL CHOCKS NOT INCLUDED	BYT11390	\$612.00
---	----------	----------

Wheel Chock Brackets that each hold a pair of Checkers Brand (Part Number MC3010) Wheel Chocks.

These brackets can be accessed from ground level and are mounted under the platform steps so they are easy for the operator access when getting on and off the machine.

WHEEL CHOCKS ARE NOT INCLUDED NOR AVAILABLE THROUGH JOHN DEERE AND NEED TO BE ORDERED FROM A CHECKERS WHEEL CHOCK DISTRIBUTOR.

Kit, 24V Aux Electrical Output	BYT11514	\$177.00
--------------------------------	----------	----------

Provides 24V output to allow operation of electrical solenoid valves or other electrical components from the hydraulic controls through the multi-function button.

Kit, Autolube - Highlift	BYT11513	\$5,610.00
Deere autolube system integrated with JDLink. Will require field installation at additional cost.		
Kit, Beacon Bracket	BYT11519	\$194.00
Left Beacon Bracket Only - Beacon Not Included		
Kit, Beacon Single, Orange	BYT11505	\$167.00
Kit, Dual Beacon Bracket	BYT11520	\$388.00
Left and Right Beacon Brackets Only - Beacon Not Included		
Kit, External Seat Belt Indicator	BYT11521	\$317.00
Includes Right Beacon bracket and green strobe beacon that indicates if it the seat belt is latched for external awareness. With the machine powered up, the green strobe beacon will flash anytime the belt is latched regardless if it is in park or not.		
Kit, Platform Railing Extension To 1M Height	BYT11389	\$2,799.00
Extends left and right platform railings to 1 meter height to meet local requirements. Required in AB and BC Mines.		
Kit, Platform Toe Kicks	BYT11318	\$255.00
Adds toe kicks to left and right platforms to meet local requirements.		
Kit, Quick Service	BYT11534	\$693.00
For FT4/Stage V or EPA Tier 3/Stage IIIA Engines Coupling system for Engine Oil, Transmission Fluid, Hydraulic Fluid and Engine Coolant.		
Kit, Rear Fender Only, 26.5R25 and 775/65R29 Tires	BYT11509	\$2,786.00
Intended for wet applications. Mudflaps may need to be trimmed to higher height or removed if the customer is operating in soft ground conditions to avoid getting ripped off while backing out of holes.		
Kit, Roding Fender, Front Wipers Only - L3 Tires Only	BYT11525	\$204.00
These cannot be used with L4 or L5 tires due to increased tire heights. These are intended to reduce spray while traveling forward at high speeds.		
License Plate Bracket with Light	AT345202	\$187.00
For units with Stage 2 or T3 Engines.		
Slow Moving Vehicle (SMV) Emblem and Bracket	AT368286	\$119.00
For use with IT4/FT4 engines.		
Payload Scale		
Topcon Payload Printer	BYT11837	\$1,400.00
TopCon Alpha 100 Payload Scale		

Powertrain & Cooling

Automatic Axle Differential Lock (Auto-Diff/Lock)	AT362998	\$1,565.00
Kit, Diesel Fired Coolant Heater	BYT10842	\$4,225.00
For FT4/Stage V or EPA Tier 3/Stage IIIA Engines Includes igniter, timer and coolant circulation pump. Recommended for temperatures below -13 deg. F (-25 deg. C).		
Kit, Engine Block Heater - 9L 120V	BYT11517	\$163.00
Includes remote plug-in at rear of loader and associated harnesses.		
Kit, Ether Start Aid	AT465389	\$348.00
For FT4/Stage V or EPA Tier 3/Stage IIIA Engines Kit does not include Ether canister. Recommended below 10 degrees F (-12 degrees C). Recommend with Engine Block Heater for cold starts below -10 degrees F (-23 C).		
Kit, Fast Fill Fuel	AT463190	\$2,909.00
For FT4/Stage V or EPA Tier 3/Stage IIIA Engines. 150 gpm fill rate.		
Kit, Reversible Fan Drive	BYT11492	\$1,785.00
Powered Cab Air Pre-Cleaner	BYT11253	\$869.00
Extends cab air filter change intervals		
Tire Pressure Monitoring System - 25" Rim Sensor Mounting - Less Sensors	BYT11502	\$930.00
Tire Pressure Sensors must be ordered from parts to assure freshest battery life.		
Tire Pressure Monitoring System - 29" Rim Sensor Mounting - Less Sensors	BYT11504	\$931.00
Tire Pressure Sensors must be ordered from parts to assure freshest battery life.
