

Jovalie™
LOUNGE COLLECTION

NATIONAL®

Sculptural in design and stunning in form.

With distinct curves that create cozy comfort, Jovalie is more than just lounge seating. Its welcoming style and versatile shape easily fit into a variety of environments, creating spaces where conversations flow and interactions thrive. From single seat solutions to multi-seat units, with options for mobile, static, and swivel bases, Jovalie offers distinct appeal and indulgent comfort.

Jovalie makes it easy to power up and settle in. With a generous scale, Jovalie's rounded arm, back, and side profile create an inviting atmosphere for chatting, working, and relaxing. Easy access to integrated power and data options makes Jovalie even more accommodating. Welcoming to all, this modern lounge solution makes a statement while providing delightful comfort.
