## ***MackinMaker Gamified Kits***

MackinMaker Gamified Kits are engaging, flexible, and easy-to-use in a variety of situations. Each kit includes a selection of Maker products, corresponding challenge cards, and even two gamified ways to track your students'/patrons progress. Each kit is designed to support 10-30 students/patrons, working in groups of 2-3. The Kits can be integrated into your existing curriculum by subject or standards needs by using the included alignment matrices.

### Challenge Cards

Age-appropriate challenge cards help your students develop new skills and mindsets, collaborate, and learn from their mistakes. Each challenge card is created to be helpful to students as well as educators that need a quick overview of the challenge, the materials needed, and how to set each one up. Challenge cards are each assigned a difficulty/point level and are organized into five real-world categories to help your students learn these 21<sup>st</sup> century maker mindsets:

- **Tinker** – Learn through playful exploration.
- **Skill-up** – Complete activities to hone skills.
- **Design** – Dig into design thinking and create things with purpose.
- **Global** – Work to solve real-world problems and help others.
- **Innovator** – Create a ‘uniquely-yours’ innovation.

### Tracking Games

Not only are hands-on projects powerful learning experiences, but they are also fun! To add to this fun side of making—and also to help you motivate your students and track their progress—we’ve created two games for your students to enjoy as they work through the challenge cards: The Gameboard and Maker Bingo.

### The Gameboard

Unroll the giant Gameboard and attach it to a wall for fun all year long. Students complete a challenge card and then move the appropriate number of spaces in the lane category matching their challenge card. They can continue to choose and complete new challenges of various points and categories as they race around the gameboard.

### Maker Bingo

Students can approach their learning on an individual level through a good old-fashioned game of Bingo. When they complete a challenge, they check it off on their Maker Bingo sheet. Each Gamified Kit includes multiple sheets of Maker Bingo so your students can keep playing all year long.

### Standards and Subject Alignment Matrices

If you are looking to integrate MackinMaker Gamified Kits into your existing curriculum by subject or standard needs, look no further. We have aligned each challenge to the International Society of Technology Education (ISTE) Standards as well as created a quick way to reference what challenges will work best in various subjects.

5. No relationship exists or will exist during the contract period between Bidder and the Agency or any other State agency that interferes with fair competition or constitutes a conflict of interest.

**Certification Regarding Debarment**

I certify that, to the best of my knowledge, neither Bidder nor any of its principals: (a) are presently or have been debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by a Federal Agency or State Agency; (b) have within a five year period preceding this Bid been convicted of, or had a civil judgment rendered against them for commission of fraud, a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract under a public transaction, violation of antitrust statutes; commission of embezzlement, theft, forgery, falsification or destruction of records, making false statements, or receiving stolen property; (c) are presently indicted for or criminally or civilly charged by a government entity (federal, state, or local) with the commission of any of the offenses enumerated in (b) of this certification; and (d) have not within a three year period preceding this Bid had one or more public transactions (federal, state, or local) terminated for cause.

This certification is a material representation of fact upon which the Agency has relied upon when this transaction was entered into. If it is later determined that Bidder knowingly rendered an erroneous certification, in addition to other remedies available, the Agency may pursue available remedies including suspension, debarment, or termination of the contract.

**Certification Regarding Registration, Collection, and Remission of Sales and Use Tax**

Pursuant to *Iowa Code sections 423.2(10) and 423.5(8) (2013)* a retailer in Iowa or a retailer maintaining a business in Iowa that enters into a contract with a state agency must register, collect, and remit Iowa sales tax and Iowa use tax levied under *Iowa Code chapter 423* on all sales of tangible personal property and enumerated services. The Act also requires Bidders to certify their compliance with sales tax registration, collection, and remission requirements and provides potential consequences if the certification is false or fraudulent.

By submitting a Bid in response to the (RFB), the Bidder certifies the following: (check the applicable box)

- Bidder is registered with the Iowa Department of Revenue, collects, and remits Iowa sales and use taxes as required by *Iowa Code chapter 423*; or
- Bidder is not a “retailer” or a “retailer maintaining a place of business in this state” as those terms are defined in *Iowa Code subsections 423.1(47) and (48)*.

Bidder also acknowledges that the Agency may declare the Bidder’s Bid or resulting contract void if the above certification is false. The Bidder also understands that fraudulent certification may result in the Agency or its representative filing for damages for breach of contract in addition to other remedies available to Agency.

Sincerely,

FAILURE TO SUBMIT A COMPLETED FORM 22 WILL RESULT IN THE BID TO BE CONSIDERED NON-RESPONSIVE AND ELIMINATED FROM EVALUATION. COMPLETE PART 1 OF THIS FORM 22 IF BID DOES NOT CONTAIN CONFIDENTIAL INFORMATION. COMPLETE PART 2 OF THIS FORM 22 IF THE BID DOES CONTAIN CONFIDENTIAL INFORMATION.***

**1. Confidential Treatment Is Not Requested**

A Bidder not requesting confidential treatment of information contained in its Bid shall complete Part 1 of Form 22 and submit a signed Form 22 Part 1 with the Bid.

A Bidder requesting confidential treatment of specific information shall: (1) fully complete and sign Part 2 of Form 22, (2) conspicuously mark the outside of its Bid as containing confidential information, (3) mark each page upon which the Bidder believes confidential information appears **and CLEARLY IDENTIFY EACH ITEM for which confidential treatment is requested; MARKING A PAGE IN THE PAGE MARGIN IS NOT SUFFICIENT IDENTIFICATION**, and (4) submit a “Public Copy” from which the confidential information has been excised.

Requests to maintain an entire Bid as confidential will be rejected as non-responsive.**

If Agency receives a request for information that Bidder has marked as confidential and if a judicial or administrative proceeding is initiated to compel the release of such information, Bidder shall, at its sole expense, appear in such action and defend its request for confidentiality. If Bidder fails to do so, Agency may release the information or material with or without providing advance notice to Bidder and with or without affording Bidder the opportunity to obtain an order restraining its release from a court possessing competent jurisdiction.
