1.0 OVERVIEW

1.1 MASTER AGREEMENT SCOPE

The purpose of this Master Agreement is the purchase of vendor-provided equipment and services for Fire Trucks and Fire Apparatus. Contracts may be established with one or more vendors for each of these services and may be modified as necessary to add new technology or enhancements to existing equipment/service available from the Contractor.

1.2 MASTER AGREEMENT SCOPE AND MODIFICATIONS

The State of Mississippi (SOM) reserves the right to modify this Master Agreement by mutual agreement between the SOM and the Contractor, so long as such modification is substantially within the scope of the original Master Agreement. Such modifications will be evidenced by issuance of a written authorized amendment by the Master Agreement Administrator.

1.3 RECITALS

The State of Mississippi (acting as the Lead State for the NASPO ValuePoint Cooperative Purchasing Organization), acting by and through the Mississippi Department of Finance and Administration, issued a Request for Proposals (RFP) for the purpose of purchasing equipment and services for Fire Trucks and Fire Apparatus in accordance with its authority under 31-7-1, et seq., of Mississippi Code of 1972, as amended.

Danko Emergency Equipment submitted a timely Response to the SOM's Solicitation (incorporated by reference).

The SOM evaluated all properly submitted Responses to the above-referenced RFP and has identified Danko Emergency Equipment as one of the apparently successful Contractors.

The SOM has determined that entering into a Master Agreement with Danko Emergency Equipment for the attached categories of Fire Trucks and Fire Apparatus will meet the needs, and be in the best interest of SOM and NASPO ValuePoint.

NOW THEREFORE, SOM awards to Danko Emergency Equipment this Master Agreement, the terms and conditions of which shall govern Contractor's furnishing to Purchasing Entities the equipment and services identified herein. This Master Agreement is not for personal use.

IN CONSIDERATION of the mutual promises as hereinafter set forth, the parties agree as follows:

1.4 INDEFINITE QUANTITY

The SOM/NASPO ValuePoint Cooperative Purchasing Organization does not represent or guarantee any minimum level of purchase.

Extensions for each additional term shall be offered at the sole discretion of the SOM and are subject to written mutual agreement. The total Master Agreement term, including the initial term and all subsequent extensions, shall not exceed five (5) years unless an emergency exists and/or special circumstances require a partial term extension. The SOM reserves the right to extend with all or some of the Contractors, solely determined by the SOM.

Unless otherwise specified herein, no additional charges by the Contractor will be allowed including, but not limited to: handling charges such as packing, wrapping, bags, containers, reels; or the processing fees associated with the use of credit cards. Notwithstanding the foregoing, in the event

that market conditions, laws, regulations or other unforeseen factors dictate, at the Master Agreement Administrator's sole discretion, additional charges may be allowed.

At least one hundred twenty (120) calendar days before the end of the current term of this Master Agreement and subsequent extension periods, Contractor may propose purchase price rate increases by written notice to the SOM's Master Agreement Administrator. Price adjustments may be taken into consideration by the SOM's Master Agreement Administrator when determining whether to extend this Master Agreement. Price increases will not be considered without supporting documentation sufficient to justify the requested increase. Contractor shall provide a detailed breakdown of their costs upon request.

Contractors shall not make Master Agreement extensions contingent on price adjustments.

Documentation must be based on published indices, such as the Producer Price Index and/or the result of increases at the manufacturer's level, incurred after Master Agreement commencement date. The grant of any price adjustment will be at the sole discretion of the SOM and, if granted, shall not produce a higher profit margin for the Contractor than that established by the original Master Agreement pricing. No retroactive adjustments to prices or rates will be allowed.

Violation of this condition may be considered a material breach establishing grounds for Master Agreement termination. In no event shall the existence of a Subcontract operate to release or reduce the liability of Contractor to the State for any breach in the performance of the Contractor's duties.

4.4 CONTRACTOR AUTHORITY AND INFRINGEMENT

Contractor is authorized to sell under this Master Agreement, only those materials, supplies, services and/or equipment as stated herein and allowed for by the provisions of this Master Agreement. All materials or equipment provided shall be new and unused of the latest model or design and of recent manufacture.

In the event of conflict between Master Agreement terms and conditions and Contractor's submitted warranty, the Master Agreement terms and conditions shall prevail; except, to afford the Participating/Purchasing Entity maximum benefits, the SOM may avail itself of the Contractor's warranty if deemed more beneficial to the Participating/Purchasing Entity.

7.4 WARRANTIES

Contractor warrants that all materials, supplies, services and/or equipment provided under this Master Agreement shall be fit for the purpose(s) for which intended, for merchantability, and shall conform to the requirements and specifications herein. Acceptance of any materials, supplies,

service and/or equipment, and inspection incidental thereto, by the Purchaser shall not alter or affect the obligations of the Contractor or the rights of the Purchaser.

The Contractor warrants for a period of one year(s) from the date of Acceptance that: (a) the Product performs according to all specific claims that the Contractor made in its response to the solicitation, (b) the Product is suitable for the ordinary purposes for which such Product is used, (c) the Product is suitable for any special purposes identified in the solicitation or for which the Participating Entity has relied on the Contractor's skill or judgment, (d) the Product is designed and manufactured in a commercially reasonable manner, and (e) the Product is free of defects. The Contractor shall maintain all books, records, documents, data and other evidence relating to this Master Agreement and the provision of materials, supplies, services and/or equipment described herein, including, but not limited to, accounting procedures and practices which sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Master Agreement. Contractor shall retain such records for a period of seven (7) years following the date of final payment. At no additional cost, these records, including materials generated under the Master Agreement, shall be subject at all reasonable times to inspection, review, or audit by the SOM, personnel duly authorized by the SOM, personnel duly authorized by the Purchasing Entity, the Mississippi State Auditor's Office, and federal and state officials so authorized by law, regulation or agreement.

8.3 PROPRIETARY OR CONFIDENTIAL INFORMATION

The SOM shall maintain the confidentiality of Contractor's information marked confidential or proprietary. If a request is made to view Contractor's proprietary information, the SOM will notify

Contractor of the request and of the date that the records will be released to the requester unless Contractor obtains a court order enjoining that disclosure. If Contractor fails to obtain the court order enjoining disclosure, the SOM will release the requested information on the date specified.

The SOM's sole responsibility shall be limited to maintaining the above data in a secure area and to notify Contractor of any request(s) for disclosure for so long as the SOM retains Contractor's information in the SOM records. Failure to so label such materials or failure to timely respond after notice of request for public disclosure has been given shall be deemed a waiver by Contractor of any claim that such materials are exempt from disclosure.

8.4 NON-ENDORSEMENT AND PUBLICITY

Neither the SOM nor the Purchasers/Participating Entities are endorsing the Contractor's Products or Services, nor suggesting that they are the best or only solution to their needs. Contractor agrees to make no reference to the State of Mississippi or Participating/Purchasing Entity in any literature, promotional material, brochures, sales presentation or the like, regardless of method of distribution, without the prior review and express written consent of the SOM and/or the impacted Participating Entity.

9.2 SEVERABILITY

If any provision of this Master Agreement or any provision of any document incorporated by reference shall be held invalid, such invalidity shall not affect the other provisions of this Master Agreement that can be given effect without the invalid provision, and to this end the provisions of this Master Agreement are declared to be severable.

9.3 SURVIVORSHIP

All transactions executed for Products and Services provided pursuant to the authority of this Master Agreement shall be bound by all of the terms, conditions, Prices and Price discounts set forth herein, notwithstanding the expiration of the initial term of this Master Agreement or any extension thereof. Further, the terms, conditions and warranties contained in this Master Agreement that by their sense and context are intended to survive the completion of the performance, cancellation or termination of this Master Agreement shall so survive. In addition, the terms of the sections titled Overpayments to Contractor; Contractor's Commitments, Warranties and Representations; Protection of Confidential and Personal Information; Order of Precedence, Incorporated Documents, Conflict and Conformity; Non-Endorsement and Publicity; Retention of Records; Proprietary or Confidential Information; Disputes and Remedies; and Limitation of Liability shall survive the termination of this Master Agreement.

9.4 INDEPENDENT STATUS OF CONTRACTOR

In the performance of this Master Agreement, the parties will be acting in their individual, corporate or governmental capacities and not as agents, employees, partners, joint venturers, or associates of one another. The parties intend that an independent contractor relationship will be created by this

Master Agreement. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever. Contractor shall not make any claim of right, privilege or benefit which would accrue to an employee.

9.5 GIFTS AND GRATUITIES

Contractor shall comply with all state laws regarding gifts and gratuities, under which it is unlawful for any person to directly or indirectly offer, give or accept gifts, gratuities, loans, trips, favors, special discounts, services, or anything of economic value in conjunction with state business or Master Agreement activities.

9.6 INDEMNIFICATION AND HOLD HARMLESS

To the fullest extent allowed by law, Contractor shall indemnify, defend, save and hold harmless, protect, and exonerate DFA, the State of Mississippi, its Commissioners, Board Members, officers, employees, agents, and representatives from and against all claims, demands, liabilities, suits, actions, damages, losses, and costs of every kind and nature whatsoever, including, without limitation, court costs, investigative fees and expenses, and attorneys' fees, arising out of or caused by Contractor's and/or its partners, principals, agents, employees, and/or subcontractors in the performance of or failure to perform this Agreement. In the State's sole discretion, Contractor may be allowed to control the defense of any such claim, suit, etc. In the event Contractor defends said claim, suit, etc., Contractor shall use legal counsel acceptable to the State. Contractor shall be solely liable for all reasonable costs and/or expenses associated with such defense and the State shall be entitled to participate in said defense. Contractor shall not settle any claim, suit, etc., without the State's concurrence, which the State shall not unreasonably withhold.

9.8 NO WAIVER OF SOVEREIGN IMMUNITY

In no event shall this Master Agreement, any Participating Addendum or any Master Agreement or any purchase order issued thereunder, or any act of a Lead State or a Participating Entity, be a waiver by the Participating Entity of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the Eleventh Amendment to the Constitution of the United States or otherwise, from any claim or from the jurisdiction of any court.

If a claim must be brought in a federal forum, then it must be brought and adjudicated solely and exclusively within the United States District Court for the Participating State. This section applies to a claim brought against the Participating State only to the extent Congress has appropriately abrogated the Participating State's sovereign immunity and is not consent by the Participating State to be sued in federal court. This section is also not a waiver by the Participating State of any form of immunity, including but not limited to sovereign immunity and immunity based on the Eleventh Amendment to the Constitution of the United States.

9.9 PERSONAL LIABILITY

It is agreed by and between the parties hereto that in no event shall any official, officer, employee or agent of the State of Mississippi, when executing their official duties in good faith, be in any way personally liable or responsible for any agreement herein contained whether expressed or implied, nor for any statement or representation made herein or in any connection with this agreement.

9.10 INSURANCE

General Requirements:

Contractor shall, at their own expense, obtain and keep in force insurance as follows until completion of the Master Agreement. Upon request, Contractor shall furnish evidence in the form of a certificate of insurance satisfactory to the State of Mississippi that insurance, in the following kinds and minimum amounts, has been secured. Failure to provide proof of insurance, as required, will result in Master Agreement cancellation.

Contractor shall include all Subcontractors as insureds under all required insurance policies, or shall furnish separate Certificates of Insurance and endorsements for each Subcontractor. Subcontractor(s) must comply fully with all insurance requirements stated herein. Failure of Subcontractor(s) to comply with insurance requirements does not limit Contractor's liability or responsibility.

All insurance provided in compliance with this Master Agreement shall be primary as to any other insurance or self-insurance programs afforded to or maintained by the state.

Specific Requirements:

Employers Liability (Stop Gap): The Contractor will at all times comply with all applicable workers' compensation, occupational disease, and occupational health and safety laws, statutes, and regulations to the full extent applicable and will maintain Employers Liability insurance with a limit of no less than \$1,000,000.00. The State of Mississippi will not be held responsible in any way for claims filed by the Contractor or their employees for services performed under the terms of this Master Agreement.

Commercial General Liability Insurance: The Contractor shall at all times during the term of this Master Agreement, carry and maintain commercial general liability insurance for bodily injury and property damage arising out of services provided under this Master Agreement. This insurance shall cover such claims as may be caused by any act, omission, or negligence of the Contractor or its officers, agents, representatives, assigns, or servants.

The insurance shall also cover bodily injury, including disease, illness and death, and property damage arising out of the Contractor's premises/operations, products/completed operations, personal injury and advertising injury, and contractual liability, and contain separation of insured's (cross liability) conditions.

Contractor waives all rights against the State of Mississippi for the recovery of damages to the extent they are covered by general liability or umbrella insurance.

The limits of liability insurance shall not be less than as follows:

General Aggregate Limits (other than products-completed operations)	\$2,000,000
Products-Completed Operations Aggregate	\$2,000,000
Personal and Advertising Injury Aggregate	\$1,000,000
Each Occurrence (applies to all of the above)	\$1,000,000
Fire Damage Limit (per occurrence)	\$ 50,000
Medical Expense Limit (any one person)	\$ 5,000

Excess Coverage:

The limits of all insurance required to be provided by the Contractor shall be no less than the minimum amounts specified. However, coverage in the amounts of these minimum limits shall not be construed to relieve the Contractor from liability in excess of such limits.

Limit Adjustments:

The State reserves the right to increase or decrease limits as appropriate.

9.12 NONDISCRIMINATION

During the performance of this Master Agreement, the Contractor shall comply with all applicable federal and state nondiscrimination laws, regulations and policies, including, but not limited to, Title VII of the Civil Rights Act, 42 U.S.C. section 12101 et. seq.; and the Americans with Disabilities Act (ADA).

9.13 OSHA REQUIREMENTS

Contractor agrees to comply with conditions of the Federal Occupational Safety and Health Administration (OSHA) and the standards and regulations issued there under, and certifies that all items furnished and purchased will conform to and comply with said laws, standards and regulations. Contractor further agrees to indemnify and hold harmless the State of Mississippi and Purchaser from all damages assessed against Purchaser as a result of Contractor's failure to comply with those laws, standards and regulations, and for the failure of the items furnished under the Master Agreement to so comply.

9.14 ANTITRUST

The State maintains that, in actual practice, overcharges resulting from antitrust violations are borne by the Purchaser. Therefore, the Contractor hereby assigns to the State of Mississippi any and all of the Contractor's claims for such price fixing or overcharges which arise under federal or state antitrust laws, relating to the materials, supplies, services and/or equipment purchased under this Master Agreement.

9.15 WAIVER

Failure or delay of the State of Mississippi, Participating Entity, or Purchasing Entity to insist upon the strict performance of any term or condition of the Master Agreement, Participating Addendum, or Purchase Order, or to exercise any right or remedy provided in the Master Agreement, Participating Addendum, or Purchase Order, or by law; or the State of Mississippi's, Participating Entity's, or Purchasing Entity's acceptance of or payment for materials, supplies, services and/or equipment, shall not release the Contractor from any responsibilities or obligations imposed by this Master Agreement, Participating Addendum, or Purchase Order, or by law, and shall not be deemed a waiver of any right of the State of Mississippi, Participating Entity, or Purchasing Entity to insist upon the strict performance of the entire agreement by the Contractor. In the event of any claim for breach of contract against the Contractor, no provision of this Master Agreement, Participating Addendum, or Purchase Order, shall be construed, expressly or by implication, as a waiver by the State of Mississippi, Participating Entity, or Purchasing Entity of any existing or future right and/or remedy available by law.

9.16 APPLICABLE STANDARD TERMS AND CONDITIONS

Appendix B titled: *NASPO ValuePoint Master Agreement Standard Terms and Conditions*, shall supplement the terms and conditions appearing elsewhere within this Master Agreement.

10.0 DISPUTES AND REMEDIES

10.1 PROBLEM RESOLUTION AND DISPUTES

Problems arising out of the performance of this Master Agreement shall be resolved in a timely manner at the lowest possible level with authority to resolve such problem. If a problem persists and cannot be resolved, it may be escalated within each organization.

In the event a bona fide dispute concerning a question of fact arises between the State of Mississippi or the Purchaser and Contractor and it cannot be resolved between the parties through the normal escalation processes, either party may initiate the dispute resolution procedure provided herein.

The initiating party shall reduce its description of the dispute to writing and deliver it to the responding party. The responding party shall respond in writing within three (3) Business Days. The initiating party shall have three (3) Business Days to review the response. If after this review a resolution cannot be reached, both parties shall have three (3) Business Days to negotiate in good faith to resolve the dispute.

If the dispute cannot be resolved after three (3) Business Days, a Dispute Resolution Panel may be requested in writing by either party who shall also identify the first panel member. Within three (3) Business Days of receipt of the request, the other party will designate a panel member. Those two panel members will appoint a third individual to the Dispute Resolution Panel within the next three (3) Business Days.

The Dispute Resolution Panel will review the written descriptions of the dispute, gather additional information as needed, and render a decision on the dispute in the shortest practical time.

Each party shall bear the cost for its panel member and share equally the cost of the third panel member.

Both parties agree to exercise good faith in dispute resolution and to settle disputes prior to using a Dispute Resolution Panel whenever possible.

Unless irreparable harm will result, neither party shall commence litigation against the other before the Dispute Resolution Panel has issued its decision on the matter in dispute.

The State of Mississippi, the Purchaser and Contractor agree that, the existence of a dispute notwithstanding, they will continue without delay to carry out all their respective responsibilities under this Master Agreement that are not affected by the dispute.

If the subject of the dispute is the amount due and payable by Purchaser for materials, supplies, services and/or equipment being provided by Contractor, Contractor shall continue providing materials, supplies, services and/or equipment pending resolution of the dispute provided Purchaser pays Contractor the amount Purchaser, in good faith, believes is due and payable, and places in escrow the difference between such amount and the amount Contractor, in good faith, believes is due and payable.

10.2 ADMINISTRATIVE SUSPENSION

When it is in the best interest of the State, the State of Mississippi may at any time, and without cause, suspend the Master Agreement or any portion thereof for a period of not more than thirty (30) calendar days per event by written notice from the Master Agreement Administrator to the Contractor's Representative. Contractor shall resume performance on the next business day following the 30th day of suspension unless an earlier resumption date is specified in the notice of suspension. If no resumption date was specified in the notice of suspension, the Contractor can be demanded and required to resume performance within the 30 day suspension period by the Master Agreement Administrator providing the Contractor's Representative with written notice of such demand.

10.3 FORCE MAJEURE

Notification: If either party is delayed by force majeure, said party shall provide written notification within forty-eight (48) hours. The notification shall provide evidence of the force majeure to the satisfaction of the other party. Such delay shall cease as soon as practicable and written notification of same shall likewise be provided. So far as consistent with the Rights Reserved below, the time of completion shall be extended by Master Agreement amendment for a period of time equal to the time that the results or effects of such delay prevented the delayed party from performing in accordance with this Master Agreement.

Rights Reserved: The State of Mississippi reserves the right to authorize an amendment to this Master Agreement, terminate the Master Agreement, and/or purchase materials, supplies, equipment and/or services from the best available source during the time of force majeure, and Contractor shall have no recourse against the SOM or any Participating/Purchasing Entity.

10.4 ALTERNATIVE DISPUTE RESOLUTION FEES AND COSTS

In the event that the parties engage in mediation or any other alternative dispute resolution forum to resolve a dispute in lieu of litigation, both parties shall share equally in the cost of the alternative dispute resolution method, including cost of mediator. In addition, each party shall be responsible for its own attorneys' fees incurred as a result of the alternative dispute resolution method.

10.5 NON-EXCLUSIVE REMEDIES

The Contractor certifies, that neither it nor its "principals" (as defined in 49 CFR. 29.105 (p)) is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

11.0 MASTER AGREEMENT TERMINATION

11.1 MATERIAL BREACH

A Contractor may be terminated for Cause by the State of Mississippi, at the sole discretion of the Master Agreement Administrator, for failing to perform a contractual requirement or for a material breach of any term or condition. Material breach of a term or condition of the Master Agreement may include but is not limited to:

1. Contractor failure to perform services or deliver materials, supplies, or equipment by the date required or by an alternate date as mutually agreed in a written amendment to the Master Agreement;

6. A determination that the Contractor is in violation of federal, state, or local laws or regulations and that such determination renders the Contractor unable to perform any aspect of the Master Agreement.

11.2 OPPORTUNITY TO CURE

In the event that Contractor fails to perform a contractual requirement or materially breaches any term or condition, the State of Mississippi may issue a written cure notice. The Contractor may have a period of time in which to cure. The State of Mississippi is not required to allow the Contractor to cure defects if the opportunity for cure is not feasible as determined solely within the discretion of the State of Mississippi. Time allowed for cure shall not diminish or eliminate Contractor's liability for liquidated or other damages, or otherwise affect any other remedies available against Contractor under the Master Agreement or by law.

If the breach remains after Contractor has been provided the opportunity to cure, the State of Mississippi may do any one or more of the following:

1. Exercise any remedy provided by law;
2. Terminate this Master Agreement and any related Contracts or portions thereof;

The Master Agreement Administrator shall notify the Contractor in writing of the need to take corrective action. If corrective action is not taken within thirty (30) calendar days or as otherwise specified by the Master Agreement Administrator, or if such corrective action is deemed by the Master Agreement Administrator to be insufficient, the Master Agreement may be terminated. The Master Agreement Administrator reserves the right to suspend all or part of the Master Agreement, withhold further payments, or prohibit the Contractor from incurring additional obligations of funds during investigation of the alleged breach and pending corrective action by the Contractor or a decision by the Master Agreement Administrator to terminate the Master Agreement.

In the event of termination, the State of Mississippi shall have the right to procure for all Purchasers, in the state of Mississippi, any replacement materials, supplies, services and/or equipment that are the subject of this Master Agreement on the open market. In addition, the Contractor shall be liable for damages as authorized by law including, but not limited to, any price difference between the original Master Agreement and the replacement or cover Master Agreement and all administrative costs directly related to the replacement Master Agreement, e.g., cost of the competitive bidding, mailing, advertising and staff time.

If it is determined that: (1) the Contractor was not in material breach; or (2) failure to perform was outside of Contractor's or its Subcontractor's control, fault or negligence, the termination shall be deemed to be a "Termination for Convenience". The rights and remedies of the State of Mississippi and/or the Purchaser provided in this Master Agreement are not exclusive and are in addition to any other rights and remedies provided by law.

11.4 TERMINATION FOR CONVENIENCE

Except as otherwise provided in this Master Agreement, the State of Mississippi, at the sole discretion of the Master Agreement Administrator, may terminate this Master Agreement, in whole or in part by giving thirty (30) calendar days written notice beginning on the second day after mailing to the Contractor. 11.6 TERMINATION FOR NON-ALLOCATION OF FUNDS

It is expressly understood and agreed that the obligation of the State to proceed under this Agreement is conditioned upon the appropriation of funds by the Mississippi State Legislature and the receipt of state and/or federal funds. If the funds anticipated for the continuing fulfillment of the

agreement are, at any time, not forthcoming or insufficient, either through the failure of the federal government to provide funds or of the State of Mississippi to appropriate funds or the discontinuance or material alteration of the program under which funds were provided or if funds are not otherwise available to the State, the State shall have the right upon ten (10) working days written notice to the Contractor, to terminate this Agreement without damage, penalty, cost or expenses to the State of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination.

11.7 TERMINATION FOR CONFLICT OF INTEREST

The State of Mississippi may terminate this Master Agreement by written notice to Contractor if it is determined, after due notice and examination, that any party to this Master Agreement has violated any laws regarding ethics in public acquisitions and procurement and performance of contracts. In the event this Master Agreement is so terminated, the State of Mississippi and /or Purchasing Entity shall be entitled to pursue the same remedies against Contractor as it could pursue in the event that the Contractor breaches this Master Agreement.

11.8 TERMINATION BY MUTUAL AGREEMENT

Upon termination of this Master Agreement and in addition to any other rights provided in this Master Agreement, Master Agreement Administrator may require the Contractor to deliver to the Purchasing Entity any property specifically produced or acquired for the performance of such part of this Master Agreement as has been terminated. The provisions of the "Treatment of Assets" clause shall apply in such property transfer.

The Purchasing Entity shall pay to the Contractor the agreed upon price, if separately stated, for completed work and service(s) accepted by the Purchasing Entity, and the amount agreed upon by the Contractor and the Purchasing Entity for (i) completed materials, supplies, services rendered and/or equipment for which no separate price is stated, (ii) partially completed materials, supplies, services rendered and/or equipment, (iii) other materials, supplies, services rendered and/or equipment which are accepted by the Purchasing Entity, and (iv) the protection and preservation of property, unless the termination is for cause, in which case the State of Mississippi and the Purchasing Entity shall determine the extent of the liability of the Purchasing Entity. Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause of this Master Agreement. The Purchasing Entity may withhold from any amounts due the Contractor such sum as the Master Agreement Administrator and Purchasing Entity determine to be necessary to protect the Purchasing Entity against potential loss or liability.

The rights and remedies of the State of Mississippi and/or the Purchasing Entity provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

6. Transfer title to the Purchasing Entity and deliver in the manner, at the times, and to the extent directed by the Master Agreement Administrator on behalf of the Purchasing Entity any property which, if the Master Agreement had been completed, would have been required to be furnished to the Purchasing Entity;
7. Take such action as may be necessary, or as the Master Agreement Administrator and/or the Purchasing Entity may direct, for the protection and preservation of the property related to this Master Agreement which is in the possession of the Contractor and in which the State of Mississippi and/or the Purchasing Entity has or may acquire an interest.

- 2.1 Initial Term.** Refer to the Master Agreement Section 1.5 - “Master Agreement Term”.
- 2.2 Amendment Limitations.** The terms of this Master Agreement will not be waived, altered, modified, supplemented, or amended in any manner whatsoever without prior written agreement of the Lead State and Contractor.
- 2.3 Amendment Term.** The term of the Master Agreement may be amended past the initial term and stated renewal periods for a reasonable period if in the judgment of the Lead State a follow-on competitive procurement will be unavoidably delayed (despite good faith efforts) beyond the planned date of execution of the follow-on master agreement. This subsection will not be deemed to limit the authority of a Lead State under its state law to otherwise negotiate contract extensions.

III. Order of Precedence

- 3.1 Order.** See Master Agreement Section 12.3 Order of Precedence, Incorporated Documents, Conflict and Conformity
- 3.2 Participating Addenda.** Participating Addenda will not be construed to diminish, modify, or otherwise derogate any provisions in this Master Agreement between the Lead State and Contractor. Participating Addenda will not include a term of agreement that exceeds the term of the Master Agreement.

IV. Participants and Scope

- 4.1 Requirement for a Participating Addendum.** Contractor may not deliver Products under this Master Agreement until a Participating Addendum acceptable to the Participating Entity and Contractor is executed.
- 4.2 Applicability of Master Agreement.** NASPO ValuePoint Master Agreement Terms and Conditions are applicable to any Order by a Participating Entity (and other Purchasing Entities covered by their Participating Addendum), except to the extent altered, modified, supplemented or amended by a Participating Addendum, subject to Section III. For the purposes of illustration and not limitation, this authority may apply to unique delivery and invoicing requirements, confidentiality requirements, defaults on Orders, governing law and venue relating to Orders by a Participating Entity, indemnification, and insurance requirements. Statutory or constitutional requirements relating to availability of funds may require specific language in some Participating Addenda in order to comply with applicable law. The expectation is that these alterations, modifications, supplements, or amendments will be addressed in the Participating Addendum or, with the consent of the Purchasing Entity and Contractor, may be included in the ordering document (*e.g.*, purchase order or contract) used by the Purchasing Entity to place the Order.
- 4.3 Authorized Use.** Use of specific NASPO ValuePoint Master Agreements by state agencies, political subdivisions and other Participating Entities is subject to applicable state law and the approval of the respective State Chief Procurement Official. Issues of interpretation and eligibility for participation are solely within the authority of the respective State Chief Procurement Official.
- 4.4 Obligated Entities.** Obligations under this Master Agreement are limited to those Participating Entities who have signed a Participating Addendum and Purchasing Entities within the scope of those Participating Addenda. States or other entities permitted to participate may use an informal competitive process to determine which Master Agreements to participate in through execution of a Participating Addendum. Participating Entities incur no financial obligations on behalf of other Purchasing Entities.
- 4.5 Notice of Participating Addendum.** Contractor shall email a fully executed PDF copy of each Participating Addendum to pa@naspovaluepoint.org to support documentation of participation and posting in appropriate databases.
- 4.6 Eligibility for a Participating Addendum.** Eligible entities who are not states may under some circumstances sign their own Participating Addendum, subject to the consent of the Chief Procurement Official of the state where the entity is located. Coordinate requests for such participation through NASPO ValuePoint. Any permission to participate through execution of a Participating Addendum is not a determination that procurement authority exists; the entity must ensure that they have the requisite procurement authority to execute a Participating Addendum.

- 4.7 Prohibition on Resale.** Subject to any specific conditions included in the solicitation or Contractor's proposal as accepted by the Lead State, or as explicitly permitted in a Participating Addendum, Purchasing Entities may not resell Products purchased under this Master Agreement. Absent any such condition or explicit permission, this limitation does not prohibit: payments by employees of a Purchasing Entity for Products; sales of Products to the general public as surplus property; and fees associated with inventory transactions with other governmental or nonprofit entities and consistent with a Purchasing Entity's laws and regulations. Any sale or transfer permitted by this subsection must be consistent with license rights granted for use of intellectual property.
- 4.8 Individual Customers.** Except as may otherwise be agreed to by the Purchasing Entity and Contractor, each Purchasing Entity shall follow the terms and conditions of the Master Agreement and applicable Participating Addendum and will have the same rights and responsibilities for their purchases as the Lead State has in the Master Agreement and as the Participating Entity has in the Participating Addendum, including but not limited to any indemnity or right to recover any costs as such right is defined in the Master Agreement and applicable Participating Addendum for their purchases. Each Purchasing Entity will be responsible for its own charges, fees, and liabilities. The Contractor will apply the charges and invoice each Purchasing Entity individually.
- 4.9 Release of Information.** Throughout the duration of this Master Agreement, Contractor must secure from the Lead State prior approval for the release of information that pertains to the potential work or activities covered by the Master Agreement. This limitation does not preclude publication about the award of the Master Agreement or marketing activities consistent with any proposed and accepted marketing plan.
- 4.10 No Representations.** The Contractor shall not make any representations of NASPO ValuePoint, the Lead State, any Participating Entity, or any Purchasing Entity's opinion or position as to the quality or effectiveness of the services that are the subject of this Master Agreement without prior written consent.

V. NASPO ValuePoint Provisions

For purchase orders of two (2) or more trucks, the maximum fee will be \$1500 per truck due no later than sixty (60) days following the end of each calendar quarter. The NASPO ValuePoint Administrative Fee must be submitted quarterly and is based on all sales of products and services under the Master Agreement (less any charges for

taxes or shipping). The NASPO ValuePoint Administrative Fee is not negotiable. This fee is to be included as part of the pricing submitted with a vendor's response to the Lead State's solicitation.

5.2.2 State Imposed Fees. Some states may require an additional fee be paid directly to the state on purchases made by Purchasing Entities within that state. For all such requests, the fee rate or amount, payment method and schedule for such reports and payments will be incorporated into the applicable Participating Addendum. Unless agreed to in writing by the state, Contractor may not adjust the Master Agreement pricing to include the state fee for purchases made by Purchasing Entities within the jurisdiction of the state. No such agreement will affect the NASPO ValuePoint Administrative Fee percentage or the prices paid by Purchasing Entities outside the jurisdiction of the state requesting the additional fee.

5.3 NASPO ValuePoint Summary and Detailed Usage Reports

5.3.1 Summary Sales Data. The Contractor shall submit quarterly sales reports directly to NASPO ValuePoint using the NASPO ValuePoint Quarterly Sales/Administrative Fee Reporting Tool found at <http://calculator.naspovaluepoint.org>. The report must be submitted in any form required by the solicitation. Reports are due on a quarterly basis and must be received by the Lead State and NASPO ValuePoint Cooperative Development Team no later than thirty (30) days after the end of the reporting period. Reports must be delivered to the Lead State and to the NASPO ValuePoint Cooperative Development Team electronically through a designated portal or other method as determined by the Lead State and NASPO ValuePoint. Detailed sales data reports must include sales information for all sales under Participating Addenda executed under this Master Agreement.

5.3.3 Reporting on Personal Use. Reportable sales for the summary sales data report and detailed sales data report includes sales to employees for personal use where authorized by the solicitation and the Participating

Addendum. Report data for employees should be limited to ONLY the state and entity ((state and agency, city, county, school district, etc.) under whose authority the employee is purchasing Product for personal use and the amount of sales. No personal identification numbers (*e.g.*, names, addresses, social security numbers or any other numerical identifier) may be submitted with any report.

Upon request of the Lead State or NASPO ValuePoint, Contractor shall provide a copy of any such provisions.
- 5.5 Cancellation.** In consultation with NASPO ValuePoint, the Lead State may, in its discretion, cancel the Master Agreement or not exercise an option to renew, when utilization of Contractor's Master Agreement does not warrant further administration of the Master Agreement. The Lead State may also exercise its right to not renew the Master Agreement if vendor fails to record or report revenue for three consecutive quarters, upon 60-calendar day written notice to the Contractor. Cancellation based on nonuse or under-utilization will not occur sooner than two years after execution of the Master Agreement. This subsection does not limit the discretionary right of either the Lead State or Contractor to cancel the Master Agreement or terminate for default subject to the terms herein. This subsection also does not limit any right of the Lead State to cancel the Master Agreement under applicable laws.
- 5.6 Canadian Participation.** Subject to the approval of Contractor, any Canadian provincial government or provincially funded entity in Alberta, British Columbia, Manitoba, New Brunswick, Newfoundland and Labrador, Nova Scotia, Ontario, Prince Edward Island, Quebec, or Saskatchewan, and territorial government or territorial government funded entity in the Northwest Territories, Nunavut, or Yukon, including municipalities, universities, community colleges, school boards, health authorities, housing authorities, agencies, boards, commissions, and crown corporations, may be eligible to use Contractor's Master Agreement.
- 5.7 Additional Agreement with NASPO.** Upon request by NASPO ValuePoint, awarded Contractor shall enter into a direct contractual relationship with NASPO ValuePoint related to Contractor's obligations to NASPO ValuePoint under the terms of the Master Agreement, the terms of which shall be the same or similar (and not less favorable) than the terms set forth in the Master Agreement.

Payments will be remitted in the manner specified in the Participating Addendum or Order. Payments may be made via a purchasing card with no additional charge.
- 6.3 Leasing or Alternative Financing Methods.** The procurement and other applicable laws of some Purchasing Entities may permit the use of leasing or alternative financing methods for the acquisition of Products under this Master Agreement. VII. Ordering

- 7.1 Order Numbers.** See Section 6.2 – “Identification” of the Master Agreement.
- 7.2 Quotes.** Purchasing Entities may define entity-specific or project-specific requirements and informally compete the requirement among companies having a Master Agreement on an “as needed” basis. This procedure may also be used when requirements are aggregated or other firm commitments may be made to achieve reductions in pricing. This procedure may be modified in Participating Addenda and adapted to the Purchasing Entity’s rules and policies. The Purchasing Entity may in its sole discretion determine which Master Agreement Contractors should be solicited for a quote. The Purchasing Entity may select the quote that it considers most advantageous, cost, and other factors considered.
- 7.3 Applicable Rules.** Each Purchasing Entity will identify and utilize its own appropriate purchasing procedure and documentation. Contractor is expected to become familiar with the Purchasing Entities’ rules, policies, and procedures regarding the ordering of supplies and/or services contemplated by this Master Agreement.

7.5.4 Notwithstanding the expiration, cancellation or termination of this Master Agreement, Contractor shall perform in accordance with the terms of any Orders then outstanding at the time of such expiration or termination. Contractor shall not honor any Orders placed after the expiration, cancellation, or termination of this Master Agreement, or in any manner inconsistent with this Master Agreement's terms.

7.8 Contract Provisions for Orders Utilizing Federal Funds. Pursuant to Appendix II to 2 Code of Federal Regulations (CFR) Part 200, Contract Provisions for Non-Federal Entity Contracts Under Federal Awards, Orders funded with federal funds may have additional contractual requirements or certifications that must be

satisfied at the time the Order is placed or upon delivery. These federal requirements may be proposed by Participating Entities in Participating Addenda and Purchasing Entities for incorporation in Orders placed under this Master Agreement.

VIII. Shipping and Delivery

8.1 Shipping Terms. All deliveries will be F.O.B. destination, freight pre-paid, with all transportation and handling charges paid by the Contractor.

8.1.1 Notwithstanding the above, responsibility and liability for loss or damage will remain the Contractor's until final inspection and acceptance when responsibility will pass to the Purchasing Entity except as to latent defects, fraud, and Contractor's warranty obligations.

8.2 Minimum Shipping. The minimum shipment amount, if any, must be contained in the Master Agreement. Any order for less than the specified amount is to be shipped with the freight prepaid and added as a separate item on the invoice. Any portion of an Order to be shipped without transportation charges that is back ordered will be shipped without charge.

8.3 Inside Deliveries. To the extent applicable, all deliveries will be "Inside Deliveries" as designated by a representative of the Purchasing Entity placing the Order. Inside Delivery refers to a delivery to a location other than a loading dock, front lobby, or reception area. Specific delivery instructions will be noted on the order form or Purchase Order. Costs to repair any damage to the building interior (*e.g.*, scratched walls, damage to the freight elevator, etc.) caused by Contractor or Contractor's carrier will be the responsibility of the Contractor. Cases must be of durable construction, in good condition, properly labeled and suitable in every respect for storage and handling of contents. 9.3 Inspection. All Products are subject to inspection at reasonable times and places before Acceptance. Contractor shall provide right of access to the Lead State, or to any other authorized agent or official of the Lead State or other Participating or

Purchasing Entity, at reasonable times, to monitor and evaluate performance, compliance, and/or quality assurance requirements under this Master Agreement.

9.3.1 Products that do not meet specifications may be rejected. Failure to reject upon receipt, however, does not relieve the contractor of liability for material (nonconformity that substantial impairs value) latent or hidden defects subsequently revealed when goods are put to use.

9.3.2 Acceptance of such goods may be revoked in accordance with the provisions of the applicable commercial code, and the Contractor is liable for any resulting expense incurred by the Purchasing Entity related to the preparation and shipping of Product rejected and returned, or for which Acceptance is revoked.

9.4 **Failure to Conform.** If any services do not conform to contract requirements, the Purchasing Entity may require the Contractor to perform the services again in conformity with contract requirements, at no increase in Order amount. When defects cannot be corrected by re-performance, the Purchasing Entity may require the Contractor to take necessary action to ensure that future performance conforms to contract requirements and reduce the contract price to reflect the reduced value of services performed.

9.5 **Acceptance Testing.** Purchasing Entity may establish a process, in keeping with industry standards, to ascertaining whether the Product meets the standard of performance or specifications prior to Acceptance by the Purchasing Entity.

9.5.1 The Acceptance Testing period will be thirty (30) calendar days, unless otherwise specified, starting from the day after the Product is delivered or, if installed by Contractor, the day after the Product is installed and Contractor certifies that the Product is ready for Acceptance Testing.

9.5.2 If the Product does not meet the standard of performance or specifications during the initial period of Acceptance Testing, Purchasing Entity may, at its discretion, continue Acceptance Testing on a day-to-day basis until the standard of performance is met.

9.5.3 Upon rejection, the Contractor will have fifteen (15) calendar days to cure. If after the cure period, the Product still has not met the standard of performance or specifications, the Purchasing Entity may, at its option: (a) declare Contractor to be in breach and terminate the Order; (b) demand replacement Product from Contractor at no additional cost to Purchasing Entity; or, (c) continue the cure period for an additional time period agreed upon by the Purchasing Entity and the Contractor.

9.5.4 Contractor shall pay all costs related to the preparation and shipping of Product returned pursuant to the section.

9.5.5 No Product will be deemed Accepted and no charges will be paid until the standard of performance or specification is met.

X. Warranty

- 10.1 Applicability.** Unless otherwise specified in the Master Agreement, Participating Addendum, or ordering document, the terms of this Section X will apply.
- 10.2 Warranty.** The Contractor warrants for a period of one year from the date of Acceptance that: (a) the Product performs according to all specific claims that the Contractor made in its response to the solicitation, (b) the Product is suitable for the ordinary purposes for which such Product is used, (c) the Product is suitable for any special purposes identified in the solicitation or for which the Purchasing Entity has relied on the Contractor's skill or judgment, (d) the Product is designed and manufactured in a commercially reasonable manner, and (e) the Product is free of defects.
- 10.3 Breach of Warranty.** Upon breach of the warranty set forth above, the Contractor will repair or replace (at no charge to the Purchasing Entity) the Product whose nonconformance is discovered and made known to the Contractor. If the repaired and/or replaced Product proves to be inadequate, or fails of its essential purpose, the Contractor will refund the full amount of any payments that have been made.
- 10.4 Rights Reserved.** The rights and remedies of the parties under this warranty are in addition to any other rights and remedies of the parties provided by law or equity, including, without limitation, actual damages, and, as applicable and awarded under the law, to a prevailing party, reasonable attorneys' fees and costs.
- 10.5 Warranty Period Start Date.** The warranty period will begin upon Acceptance, as set forth in Section IX.

XI. Product Title

- 11.1 Conveyance of Title.** Upon Acceptance by the Purchasing Entity, Contractor shall convey to Purchasing Entity title to the Product free and clear of all liens, encumbrances, or other security interests.
- 11.2 Embedded Software.** Transfer of title to the Product must include an irrevocable and perpetual license to use any Embedded Software in the Product. If Purchasing Entity subsequently transfers title of the Product to another entity, Purchasing Entity shall have the right to transfer the license to use the Embedded Software with the transfer of Product title. A subsequent transfer of this software license will be at no additional cost or charge to either Purchasing Entity or Purchasing Entity's transferee.
- 11.3 License of Pre-Existing Intellectual Property.** Contractor grants to the Purchasing Entity a nonexclusive, perpetual, royalty-free, irrevocable, license to use, publish, translate, reproduce, transfer with any sale of tangible media or Product, perform, display, and dispose of the Intellectual Property, and its derivatives, used or delivered under this Master Agreement, but not created under it ("Pre-existing Intellectual Property"). The Contractor shall be responsible for ensuring that this license is consistent with any third-party rights in the Pre-existing Intellectual Property.

XII. Indemnification

12.1 General Indemnification. The Contractor shall defend, indemnify and hold harmless NASPO, NASPO ValuePoint, the Lead State, Participating Entities, and Purchasing Entities, along with their officers and employees, from and against third-party claims, damages or causes of action including reasonable attorneys' fees and related costs for any death, injury, or damage to tangible property arising from any act, error, or omission of the Contractor, its employees or subcontractors or volunteers, at any tier, relating to performance under this Master Agreement.

The Contractor shall defend, indemnify and hold harmless NASPO, NASPO ValuePoint, the Lead State, Participating Entities, Purchasing Entities, along with their officers and employees ("Indemnified Party"), from and against claims, damages or causes of action including reasonable attorneys' fees and related costs arising out of the claim that the Product or its use infringes Intellectual Property rights of another person or entity ("Intellectual Property Claim").

12.2.1 The Contractor's obligations under this section will not extend to any combination of the Product with any other product, system or method, unless the Product, system or method is:

12.2.1.1 provided by the Contractor or the Contractor's subsidiaries or affiliates;

12.2.1.2 specified by the Contractor to work with the Product;

12.2.1.3 reasonably required to use the Product in its intended manner, and the infringement could not have been avoided by substituting another reasonably available product, system or method capable of performing the same function; or

12.2.1.4 reasonably expected to be used in combination with the Product.

12.2.2 The Indemnified Party shall notify the Contractor within a reasonable time after receiving notice of an Intellectual Property Claim. Even if the Indemnified Party fails to provide reasonable notice, the Contractor shall not be relieved from its obligations unless the Contractor can demonstrate that it was prejudiced in defending the Intellectual Property Claim resulting in increased expenses or loss to the Contractor. If the Contractor promptly and reasonably investigates and defends any Intellectual Property Claim, it shall have control over the defense and settlement of the Intellectual Property Claim.
