**IMPORTANT:** OSHA, ASAE, SAE, and ANSI standards REQUIRE the use of Chain Guards, Deflectors, or Solid Skirts/Bands at all times. Schulte recommends mower be equipped with deflectors or double chain guards for all mowing purposes. Single chain guards may be used for agricultural purposes only and are specifically not recommended for highway, right-of-way, parks or greenbelt mowing. Before ordering a mower, read the Thrown

**IMPORTANT:** Safety Tow Chain Kit must be used at all times when moving equipment on any type of road.

**IMPORTANT:** OSHA, ASAE, SAE, and ANSI standards REQUIRE the use of Chain Guards, Deflectors, or Solid Skirts/Bands at all times. Schulte recommends mower be equipped with deflectors or double chain guards for all mowing purposes. Single chain guards may be used for agricultural purposes only and are specifically not recommended for highway, right-of-way, parks or greenbelt mowing. Before ordering a mower, read the Thrown ObjectShield Information Message in the Rotary Cutter Spec Section in the sales price book.

This list supersedes all previous lists.

### **IMPORTANT:**

- 1) Safety Chain Kit must be used at all times when moving equipment on any type of road.
- 2) OSHA, ASAE, SAE, and ANSI standards REQUIRE the use of Chain Guards, Deflectors, or Solid Skirts/Bands at all times. Schulte recommends mower be equipped with deflectors or double chain guards for all mowing purposes. Single chain guards may be used for agricultural purposes only and are specifically not recommended for highway, right-of-way, parks or greenbelt mowing. Before ordering a mower, read the Thrown Object Shield Message in the Rotary Cutter Spec section in sales price book.

This list supersedes all previous lists.

|         | Assembly Charge                       | Net   | 200.00 |

#### IMPORTANT:

- 2) OSHA, ASAE, SAE, and ANSI standards REQUIRE the use of Chain Guards, Deflectors, or Solid Skirts/Bands at all times. Schulte recommends mower be equipped with deflectors or double chain guards for all mowing purposes. Single chain guards may be used for agricultural purposes only and are specifically not recommended for highway, right-of-way, parks or greenbelt mowing. Before ordering a mower, read the Thrown Object Shield Message in the Rotary Cutter Spec section in sales price book.
