

LexisNexis® VitalChek Network, Inc. - DBA LexisNexis® Payment Solutions

LexisNexis® VitalChek Network, Inc. - DBA LexisNexis® Payment Solutions (LexisNexis) is a registered Payment Facilitator (PAYFAC) providing PCI (Payment Card Industry) compliant Level 1 electronic payment processing solutions for government agencies. As a certified PAYFAC, LexisNexis has undergone extensive PayFac underwriting requirements with an Acquirer to contract with Government Agencies as sub-merchants under its parent account to enable card payment acceptance and settle funds directly to the Agency. This eliminates the need for an Agency to obtain and manage its own merchant account.

SCOPE OF SERVICES

LexisNexis offers credit/debit card and Electronic Check (eCheck) processing through multiple payment channels: web, over the phone, IVR (interactive voice response), face to face, Kiosk, or our 24/7 Call Center.

Point of Sale – LexisNexis Point of Sale (POS) terminals are Europay, Mastercard and VISA (EMV) and Near Field Communication (NFC) enabled. Payment options include pin-based debit cards, credit cards (American Express, Discover, Mastercard, Visa) and mobile wallets (Apple Pay, Google Pay, Samsung Pay).

Web Payment Solutions – LexisNexis provides securely hosted internet-based web and mobile payments for consumers who prefer or need to pay online. There are three types of web payment solutions offered by LexisNexis, **Standalone Hosted Payment**, **Secure HTML FormPost** and **Embedded Web Payments**. Included in our web solutions are specialized modules, “**Remember Me**” Logic, **Payment Profiles** (Digital Wallet), **Recurring/Scheduled Payments**, and **Enhanced Shopping Cart** which are designed to enhance the consumer’s overall payment experience.

Additional Products and Services

Interactive Voice Response (IVR) -- LexisNexis IVR is PCI-DSS Level 1 compliant and uses custom scripts and messaging to enhance the customer experience.

Kiosk – LexisNexis offers self-service terminals, or kiosks for high volume office locations to improve office productivity and streamline workflow.

Text to Pay – Text to Pay is a secure and convenient way for customers to make payments via Short Message Service (SMS).

Text to Complete – Text to Complete provides a PCI compliant option allowing call center agents to take card payments in a remote environment while maintaining an uninterrupted interaction with an end user.

Call Center – Consumers have the ability to make payments 24/7/365 with a live call center operator.

Virtual Terminal – Our Back Office System can be utilized as a virtual terminal to process phone orders by Agency agents.

Reporting – LexisNexis provides both standard and custom reports. All reports are web or internet based and are offered in multiple formats.

Payment Transaction Processing Fee Schedule

The following fees will be charged to the cardholder or absorbed and billed to the Agency based upon the payment method selected. These fees adhere to all Card Network and NACHA regulatory requirements. Fees if billed to the cardholder will be automatically calculated by the LexisNexis solution and be displayed to the cardholder prior to processing the payment.

On-Line Credit/Debit	Greater of \$2.50 or 3.50% per transaction
In-person Pin Debit	Flat \$2.50 per transaction
In-person Credit	Greater of \$2.50 or 3.50% per transaction

Integrated Software Vendor: LexisNexis will integrate any software utilized by the Agency at no additional cost from LexisNexis.

Price Adjustments: The rates charged by LexisNexis under this Agreement are predicated on certain current economic and regulatory conditions, including (a) volumes and average ticket for credit, debit and commercial cards (the “Card Mix”) and (b) fees charged by the card networks not limited to interchange fees and dues/assessments to LexisNexis applicable to transaction processing under this Agreement (“Interchange Fees”). In the event the Card Mix or the Interchange Fees shift materially during the Term of Performance, upon a party’s request, the parties agree to renegotiate in good faith a rate adjustment to fairly reflect such higher or lower costs.

Chargebacks: LexisNexis will assume full financial responsibility for all retrieval requests and chargebacks associated with its service. As such, LexisNexis will receive, research and respond to all chargebacks, retrievals and adjustment requests and all fees related to chargebacks will be absorbed by LexisNexis up to a maximum of \$5,000 per chargeback. For Chargebacks greater than or equal to \$5,000, Customer shall be liable to VitalChek for the amount of the underlying card transaction that was not recovered. In situations of chargebacks greater than \$5,000 LexisNexis may ask the Agency to assist in the recovery and LexisNexis reserves the right to recover those funds related to chargebacks which have been previously paid to the Agency.

Online eCheck Returns: eChecks are non-guaranteed and Customer shall be liable to VitalChek for the amount of the underlying eCheck transaction plus the return fee.

***Additional Services:**

Custom packages for Kiosk and Digital Communication/Electronic Bill Presentment (EBP) can be created for agencies with customized needs that do not fit into the standard offerings of this pricing schedule. Any fees for customized services not listed herein will be quoted upon request.
