Addendum Two

Please amend the subject RFP to include answers to the following timely received questions:

- Q1. I see that in Exhibit 5 of this RFP, Letters of Reference are requested. Is the department looking specifically for letters that are written by our references, or only contact information? If actual letters are required, is there any kind of prompt that the references can follow? Would our references then send those directly to us to include in the RFP?
- A1. Please provide letters of reference. There is not a specific template for these letters.
- Q2. Would the resources on this list be the ONLY resources that districts could use the Computer Science Professional Development Incentive Funds on, or would the list be a starting point to help districts who don't know what their options are?
- A2. The Computer Science Professional Development Incentive Fund cannot be used for curriculum. Recipients of Computer Science Professional Development Incentive fund grants choose their professional development approach. A different source of funding is available for districts and accredited nonpublic schools who are interested in the resources on our list.

Please acknowledge receipt of this addendum by signing in the space provided below, and return this letter with your offer (do not send back separately).

I hereby acknowledge receipt of this addendum.
