The parties may be referred to herein individually as a “Party” or collectively as the “Parties.” The Parties agree to the following:

#### 1. Overview.

- 1.1. Term. The initial term of this Agreement is as stated on the Contract Declaration and Execution Section (CD&E), unless terminated earlier in accordance with the terms of this Agreement. - 4.1. Pricing/Compensation. The fees for the services and/or Deliverables provided by the Vendor shall be in accordance with the obligations of this Agreement and the applicable Purchasing Instrument.
- 4.2. No Additional Fees. Other than as permitted by Section 4.1 (Pricing/Compensation) or by Purchasing Instrument, the Purchasing Entity shall not be obligated to pay any other amounts to the Vendor, specifically including travel, lodging, and related expenses. In no event shall the Purchasing Entity be responsible for payment of Vendor's performance costs incurred in connection with this Agreement, including but not limited to equipment, supplies, personnel, salaries, benefits, insurance, training, conferences, telephone, utilities, start-up costs, and all other operational and administrative costs and expenses. To the extent any Purchasing Instrument calls for reimbursement of travel, such travel charges may never exceed the amounts allowed under DAS-SAE travel policy, DAS-SAE Title 210. (available at: <https://das.iowa.gov/state-employees/travel-and-relocation/210-travel>). For vendors, travel reimbursement may not exceed the amounts that would be payable under DAS-SAE 210.245. (available at: [https://das.iowa.gov/sites/default/files/acct\\_sae/sae\\_manual/210/210-245.pdf](https://das.iowa.gov/sites/default/files/acct_sae/sae_manual/210/210-245.pdf)). In addition, in-state lodging reimbursement is limited to providers certified by the Iowa Department of Public Safety's Human Trafficking Prevention Training.
- 4.3. Satisfactory Performance. Vendor is not entitled to payment for any services or Deliverable(s), in whole or in part, provided under this Agreement or any Purchasing Instrument(s) if the Purchasing Entity reasonably determines that such services or Deliverable(s) have not been satisfactorily or completely delivered or performed.
- 4.4. Payment does not Imply Acceptance. Payment, including final payment, shall not be construed as acceptance of any services or Deliverables with Deficiencies or incomplete work, and Vendor shall remain responsible for compliance with its contractual obligations. Vendor's acceptance of the last payment from the Purchasing Entity shall operate as a release of any and all claims related to this Agreement concerning the Purchasing Entity's obligations under this Agreement.
- 4.5. Invoices. Upon receipt of written notice of Acceptance from the Purchasing Entity Vendor shall submit an invoice to the Purchasing Entity requesting payment of the fees or other compensation to which it is entitled pursuant to the applicable Purchasing Instrument, less any agreed upon Retained Amount(s) or other applicable offsets. The Purchasing Entity will verify Vendor's performance/provisioning of services or Deliverable(s) outlined in the invoice before making payment. The Purchasing Entity shall pay all approved invoices in arrears and, to the extent applicable, in conformance with Iowa Code section 8A.514 and corresponding implementing rules, regulations, and policies. The Purchasing Entity may pay in less than 60 days, but an election to pay in less than 60 days shall not, to the extent applicable, act as an implied waiver of Iowa Code section 8A.514. Notwithstanding anything herein to the contrary, the Purchasing Entity shall have the right to dispute any invoice submitted for payment and withhold payment of any disputed amount if the Purchasing Entity believes the invoice is inaccurate or incorrect in any way. Vendor shall submit all invoices for payment to the Purchasing Entity, by August 1 for all services performed in the preceding state fiscal year (the State fiscal year ends June 30). If the Vendor seeks payment for end of state fiscal year claims submitted after August 1, the Vendor may submit the late claims, but the Purchasing Entity will only reimburse the claims if funding is available and the Purchasing Entity is legally authorized to make payment. If funding is not available after the end of the state fiscal year, the Vendor may submit the claim to the Iowa State Appeal Board for a final decision regarding reimbursement of the claim.

Management

- 4.6. Retention. To secure Vendor's performance under this Agreement, to the extent set forth in the applicable Purchasing Instrument, a Purchasing Entity may retain a mutually agreed upon percentage of the fees or other compensation associated with each Deliverable provided under a Purchasing Instrument ("**Retained Amounts**") until all Deliverables under such Purchasing Instrument have been provided and the Purchasing Entity has given its Final Acceptance. Retained Amounts shall be payable upon the Purchasing Entity's delivery of written notice of Final Acceptance, subject to the terms and conditions hereof.
- 4.7. Erroneous Payments and Credits. The Vendor shall promptly pay or refund to the Purchasing Entity the full amount of any overpayment or erroneous payment within a reasonable period after either discovery by the Vendor or notification by the Purchasing Entity of the overpayment or erroneous payment. The Purchasing Entity shall promptly pay to the Vendor the full amount of any underpayment or erroneous payment within a reasonable period after either discovery by the Purchasing Entity or notification by the Vendor of the underpayment or erroneous payment.
- 4.8. Set-off Against Sums Owed by Vendor. The State may offset payments owed Vendor under this Agreement by sums the Vendor owes the State or any of its subdivisions in any context. The Vendor agrees that this provision constitutes proper and timely notice under any applicable laws governing offset.
- 4.9. Withholding Payments. In addition to pursuing any other remedy provided herein or by law, the Purchasing Entity may withhold compensation or payments to Vendor, without penalty or legal liability to the Purchasing Entity or work stoppage by Vendor, to the extent Vendor fails to perform pursuant to this Agreement, or fails to provide Deliverables that meet or conform to contractual obligations. No interest shall accrue or be paid to Vendor for withheld sums.
- 4.10. Correction/Cure.
  - 4.10.1. Upon notice of Deficiency in any Deliverable(s), the Vendor shall promptly correct the Deficiency and repair the affected Deliverable(s) and provide the Purchasing Entity with all relevant Documentation.
  - 4.10.2. The Purchasing Entity may correct any Deficiencies with respect to any Deliverable(s) or cure any Vendor breach under this Agreement without prejudice to any other remedy it may have if Vendor fails to correct such Deficiencies as required in this Agreement or if Vendor otherwise fails to perform pursuant to the Agreement. The Purchasing Entity may procure the Deliverable(s) reasonably necessary to correct any Deficiencies or cure any Vendor breach, in which event the Vendor shall reimburse the Purchasing Entity for the actual costs incurred in curing the issue. In addition, the Vendor shall provide reasonable cooperation to the Purchasing Entity or any third parties retained by the Purchasing Entity to cure such breach.
- 4.11. Repayment Obligation. In the event that any State of Iowa funds or federal funds are deferred or disallowed as a result of any audits, or found to have been expended in violation of the laws applicable to the expenditure of such funds, and where such findings are due in whole or in part to Vendor's action or omission, Vendor will be liable to the Purchasing Entity for the full amount of any claim disallowed (or the amount of funds expended in violation of such applicable laws) and for all related penalties incurred. If the State of Iowa or any federal agency concludes Vendor has been paid for any cost that is unallowable, unallocable, or unreasonable under this Agreement, Vendor will be liable to the Purchasing Entity for such cost. Vendor shall pay to the Purchasing Entity all

Management

amounts for which the Vendor is liable under this section within 20 business days of receiving the Purchasing Entity's written demand or written notice. The Purchasing Entity may withhold any payment under this Agreement if Vendor fails to timely make any payment required by this section.

- 4.12. Taxes. Vendor shall be responsible for paying any taxes incurred by Vendor in the performance of this Agreement. The State of Iowa, DOM, and the Purchasing Entity are exempt from the payment of sales and other taxes: [https://das.iowa.gov/sites/default/files/acct\\_sae/man\\_for\\_ref/forms/sales\\_tax\\_exempt\\_letter.pdf](https://das.iowa.gov/sites/default/files/acct_sae/man_for_ref/forms/sales_tax_exempt_letter.pdf).

## 5. Acceptance Tests and Project Management.

- 5.1. All Deliverables must undergo the Purchasing Entity's Acceptance Testing as described in this section. If alternative Acceptance Testing processes are described in a Purchasing Instrument(s), the process set forth in the Purchasing Instrument will prevail. After the Vendor completes work on a Deliverable, it must inform the Purchasing Entity that the Deliverable is ready for testing. If the Purchasing Entity requests assistance during testing, the Vendor will assist without levying additional fees or other amounts. The Purchasing Entity will then test the Deliverable(s) to verify that each Deliverable conforms to its Acceptance Criteria. It will then inform the Vendor of Acceptance or Non-Acceptance. If the Purchasing Entity determines Non-Acceptance, the Vendor has ten (10) days to correct the issues and submit the work again for retesting. If the Purchasing Entity again does not provide Acceptance, the Purchasing Entity may pursue any of the following remedies:
- 5.1.1. Require Vendor to correct and repair such Deliverable(s) within such period of time as the Purchasing Entity may specify in a written notice to the Vendor;
  - 5.1.2. Refuse to accept such Deliverable(s) without penalty or legal liability and without any obligation to pay any fees or other amounts associated with such non-conforming portion of the Deliverable(s), or receive a refund of any fees or amounts already paid with respect to such non-conforming portion of the Deliverable(s);
  - 5.1.3. Accept such Deliverable(s) on the condition that any fees or other amounts payable with respect thereto shall be reduced or discounted to reflect, to the extent agreed by the parties, the Deficiencies present therein and any reduced value or functionality of such Deliverable(s); or
  - 5.1.4. Terminate the applicable Purchasing Instrument or seek any and all available remedies, including damages. Such termination may occur without prior notice or an opportunity to cure.

The Purchasing Entity's right to exercise the foregoing rights and remedies, including termination of the applicable Purchasing Instrument, shall remain in effect through notice of Final Acceptance of all Deliverables. The Vendor's receipt of any notice of Acceptance, including Final Acceptance, with respect to any Deliverable(s) shall not be construed as a waiver of any of the Purchasing Entity's rights to enforce the terms of this Agreement or require performance in the event Vendor breaches this Agreement or any Deficiency is later discovered with respect to such Deliverable(s).

### 5.2. Project Management and Reporting.

- 5.2.1. *Vendor or Project Manager.* To the extent that a Project Manager is called for in a Purchasing Instrument, the Vendor must obtain the Purchasing Entity's approval of a designated Project Manager. The Project Manager must have

authority sufficient to ensure timely performance under the Purchasing Instrument and make binding decisions for the Vendor. Any written commitment by Vendor's Project Manager and persons designated by them in writing for this purpose, within the scope of this Agreement, shall be binding upon Vendor.

- 5.2.2. *Review Meetings.* Unless a different schedule is established in the Purchasing Instrument, the Vendor's Project Manager will meet monthly with the Purchasing Entity to discuss contractual progress and performance issues. At each review meeting, the Vendor's Project Manager shall provide a status report, which will describe any problems or concerns encountered since the last meeting. Except as specifically granted herein, in a Purchasing Instrument, or in a related instrument, Vendor shall own all Deliverables that were independently and exclusively developed by Vendor and provided hereunder prior to the Effective Date of this Agreement, as well as any know-how, processes, techniques, concepts, methodologies, tools, ideas, designs, inventions, patents, copyrights, improvements, computer programs, software, source code, object code, graphics, intellectual property, information, and/or pictorial representations that (i) Vendor developed prior to entering into the applicable Purchasing Instrument with Purchasing Entity; or (ii) is or are developed separate and apart from the Purchasing Instrument and Services at any time by Vendor ("**Vendor-Owned Deliverables**"). The Vendor will assist the Purchasing Entity, promptly report any known issues, and correct Deliverables, even if the Deliverable(s) have been previously accepted.

If the Purchasing Entity identifies services not meeting these standards, the Vendor will re-perform them at no extra cost. The Vendor will refund a pro-rata portion of fees paid by the Purchasing Entity for any services were not satisfactorily provided and cannot otherwise be cured.
- 7.7. Compliance with Laws. The Vendor represents and warrants that the Vendor and Vendor-provided Deliverables will at all relevant times comply with all applicable State and federal laws.
- 7.8. No Conflicts. Vendor represents, warrants, and covenants that no relationship exists or will exist during the Term of the Agreement between Vendor and the State or any of its divisions or entities that is or may constitute a conflict of interest or appearance of impropriety, or that would conflict in any manner or degree with the performance of its obligations under this Agreement. To the extent applicable, the provisions of Iowa Code Chapter 68B shall apply to this Agreement and any Purchasing Instruments executed hereunder, and Vendor shall not engage in or permit any third party to engage in any conduct that would violate that chapter.

- 9.1.6. Vendor's ability to perform is materially impacted by third-party claims of intellectual property violations by Vendor, or
- 9.1.7. Vendor's actions may expose DOM, the State of Iowa, or a Purchasing Entity to material liability.

Vendor shall notify DOM or the applicable Purchasing Entity of any events that could give rise to DOM's right to terminate this Agreement or a Purchasing Instrument for cause.

- 9.2. Termination for Cause by Vendor. Vendor may only terminate an applicable Purchasing Instrument or this Agreement upon written notice of the Purchasing Entity's breach of any material term of this Agreement if the breach is not cured within 30 days of the Purchasing Entity's receipt of Vendor's written notice.

In all other termination contexts, the Purchasing Entity will pay those amounts due for goods or services accepted by the Purchasing Entity for which the Purchasing Entity is obligated to pay up to the date of termination to the extent that funds to make these payments are legally available. Payment is contingent on submission and acceptance of invoices for sums due. Under no circumstances will the Purchasing Entity be liable for sums not expressly owed under the terms of the Agreement or a Purchasing Instrument.

During the Transition Period, the Purchasing Entity agrees to pay Vendor any fees to which Vendor would be entitled under this Agreement for Deliverables and/or services performed or provided during such period. - 9.7. Cancellation of Product Orders and Return of Products. Notwithstanding any language to the contrary herein, Purchase Orders for Third-Party Products are non-cancellable and are binding and irrevocable once issued by Purchasing Entity and accepted by Vendor. Third-Party Product returns may be permitted in limited circumstances where allowed by the OEM's returns and refunds policy and such return must be approved in writing by the OEM. - 11.8. Use of Third Parties. None of the Deliverables to be provided by Vendor pursuant to this Agreement shall be subcontracted or delegated to any third party without prior written notice to a Purchasing Entity. All subcontracts shall be subject to the terms and conditions of this Agreement and to any conditions of approval that a Purchasing Entity may deem necessary.

- 11.11. Notices. Any legal notices required by the Agreement, or a Purchasing Instrument, shall be given in writing by registered or certified mail with proof of receipt, or overnight delivery, which shall be addressed to each party's Notice Address. The Vendor shall require Vendor contractors to agree to the same provisions as set forth in this subsection.
- 11.18. Right of Inspection/Vendor Compliance. The Purchasing Entity may inspect the Vendor's books and records at reasonable times in order to monitor the performance of this Agreement or a Purchasing Instrument, including but not limited to any request that the Vendor provide a copy of its affirmative action program, containing goals and time specifications in accordance with Iowa Admin. Code ch. 11-121. All subcontracts shall contain provisions that allow the same. The Vendor shall promptly comply with and correct any deficiencies noted in any audit and promptly implement any recommendations requested by the Purchasing Entity. Management

in the Agreement. All audits shall be limited to once per twelve (12) month period unless otherwise required by law.

- 11.19. Headings and Captions. The Parties acknowledge that the headings and captions used in this Agreement are for convenience and reference purposes only. They are not intended to have any legal or substantive significance or alter the meaning or interpretation of the provisions they precede.
- 11.20. Multiple Counterparts and Electronic Signatures. This Agreement may be executed in several counterparts, each of which shall be considered an original and all of which, when taken together, shall constitute one contract binding on all Parties. The Parties agree to accept electronic signatures in lieu of “wet” signatures on Agreement documents in accordance with Iowa Code chapter 554D or other applicable law.
- 11.21. Not a Joint Venture. Nothing in this Agreement shall be construed as creating or constituting a partnership, joint venture, or other association of any kind implying the establishment of an agent/principal relationship between the Parties.
- 11.22. Attachments. The Parties agree that if any document is attached hereto by the Parties, and referred to herein, then the same shall be deemed incorporated herein by reference as if fully set forth herein.

- 11.24. Force Majeure. If one Party is unable to fulfill its obligations under this Agreement due to circumstances beyond its control, including unforeseeable events that no one could have predicted or prevented, such as acts of God, war, civil disturbances, or other catastrophic events, that Party will not be considered in breach of this Agreement. These circumstances must be abnormal and unforeseeable, and the Party affected must have taken all necessary precautions to prevent them. However, financial difficulties, legal restrictions, strikes, labor unrest, supply chain disruptions, internet failure, power outages, hacker attacks, viruses, and Security Breaches are not considered force majeure events. If a delay or inability to perform is caused by a subcontractor hired by the Party, the Party cannot use force majeure as an excuse unless the subcontractor is also affected by a force majeure event. If a force majeure event affects the Party's performance, the Party will make its best efforts to provide an alternative, if possible, comparable solution. The Purchasing Entity will determine whether the alternative solution is comparable. The Party invoking force majeure must immediately inform the other Party about the event causing the delay and the reasons behind it. Both Parties will work together to minimize the impact of the delay and the scope of work affected by the unforeseen events. If the Vendor's performance obligations have specific deadlines, those deadlines will be extended by the amount of time lost due to the force majeure event.
- 11.25. Administrative Fees and Reporting.
- 11.25.1. Vendor shall provide a 1.00% administrative fee on all sales made through this Agreement, without affecting authorized prices/rates.
