Julie,

Per our conversation we need to make the following changes as it pertains to the Ricoh MA 20058:

Ricoh Direct (MA 20058) is the only Authorized dealer to use this contract with the state agencies. The are also authorized to use the contract in political subdivisions and education.

Access Systems (MA 2013) is Authorized to use the contract for political subdivisions, education, and sub-contract service for Ricoh Direct

Koch Brothers (MA 2014A) is Authorized for subcontract service for Ricoh Direct

Please remove the following MA's as they are not authorized.

JKL Enterprises (MA 20139A)

Midwest Office Automations (MA 20143A)

Solutions Mgt Group (MA 20143A)

Strategic Print Solutions (MA 20142A)

I have also attached the most current NASPO IOWA Distribution list. Please let me know you received this email and also let me know if you have any questions.

Thank you,

Travis Massman
