

STATE OF UTAH COOPERATIVE CONTRACT AMENDMENT

AMENDMENT #: 6

CONTRACT #: MA152

Starting Date: 8/12/2019

Expiration Date: 8/11/2024

TO BE ATTACHED AND MADE PART OF the specified contract by and between the State of Utah Division of Purchasing and Cellco Partnership d/b/a Verizon Wireless (Referred to as CONTRACTOR).

BOTH PARTIES AGREE TO AMEND THE CONTRACT AS FOLLOWS:

Attachment B is amended as follows:

Section 3.4 of Attachment B, New Products added under Award Category 3, is changed to reflect that new Products may be added to, and pricing for Products may be changed by written approval by the Lead State and posting of a product addition form on the NASPO website in lieu of a formal amendment to the Master Agreement.

Attachment B: Section 2.2.1 "Equipment" is changed to the following definition:

"Equipment Any device approved for use on, and operating over cellular carrier provided network. Does not include servers, desktops or laptop computing devices. However, laptops are allowed if they are approved for use on the carrier's network and used in connection with a data plan under Award Category 1."

Attachment G: is amended as follows:

The Attachment G: Plan Description is fully replaced with the attached.

This new Attachment G includes the following additions: Mobile Broadband Plans Enabled for Fixed Wireless Access Service:

\$39.99 Custom 4G Unlimited Mobile Broadband Plan with Mobile Broadband Priority and Preemption for National Security, Public Safety, and First Responders

\$39.99 Custom Business Plan for Data Devices

These Mobile Broadband (MBB) plans listed above are modified to permit Fixed Wireless Access (FWA) connectivity and to remove the restriction on use of stationary routers, provided that, in each instance, connectivity is limited to Verizon-certified routers. All MBB plans not listed above remain unchanged, with MBB service under these plans limited to MiFis, tablets and other devices expressly approved by Verizon for MBB service. Public Wi-Fi and Guest Wi-Fi on MBB and FWA plans are strictly prohibited.

Effective Date of Amendment: 2/10/2022

All other terms and conditions of the contract, including those previously modified, shall remain in full force and effect.

IN WITNESS WHEREOF, the parties sign and cause this contract to be executed.

DocuSign Envelope ID: C952410B-D15A-4705-80B9-9FBFBBC5EB9E

Diam #	
Plan #	Plan or Feature Description
Traffic Data Services - Historical Speed 100	Traffic Data Services - Historical Speed 100 miles
Traffic Data Services - Historical Speed 200	Traffic Data Services - Historical Speed 200 miles
Traffic Data Services -OD 500K	Traffic Data Services - Origin & Destination Reports, population up to 500K
Traffic Data Services - OD 1M	Traffic Data Services - Origin & Destination Reports, population up to 1M
Traffic Data Services - OD 2.5M	Traffic Data Services - Origin & Destination Reports, population up to 2.5M
Traffic Data Services - OD 5M	Traffic Data Services - Origin & Destination Reports, population up to 5M
Traffic Data Services - Micro OD	Traffic Data Services - Micro Origin & Destination Report per section
Traffic Data Services - Signal Tuning	Traffic Data Services - Signal Tuning (per junction)
Traffic Data Services - Counting Station	Traffic Data Services - Counting Station
Traffic Data Services - 10 Zone Pack	Traffic Data Services - Additonal 10 Zones (per 10 zones)
Traffic Data Services - Feeder Add	Traffic Data Services - Additional Feeder (per feeder)
