

Hazardous Waste Disposal Rates

The State of Iowa has made the decision to add a line to the Master Agreement Renewal to capture the expense of Hazardous Waste Disposal such as oils, batteries and other fluids that occurs during commercial equipment repair and service. If you currently have separate Hazardous Waste Disposal rates please provide them on the Hazardous Waste Disposal Rates Template and return along with the signed Master Agreement Renewal by email. If there are multiple Hazardous Waste Disposal rates, please provide all Hazardous Waste Disposal multiple rates.

Subject: 17340A Master Agreement Renewal

I am reviewing the renewal of Master Agreement **17340A** with the State of Iowa. The current agreement is attached for your review.

The State of Iowa has made the decision to add a line to the Master Agreement renewal to capture the expense of Hazardous Waste Disposal such as oils, batteries and other fluids that occurs during commercial equipment repair and service. If you currently have separate Hazardous Waste Disposal rates please provide them on the Hazardous Waste Disposal Rates Template and return along with the signed Master Agreement Renewal by email. If there are multiple Hazardous Waste Disposal rates, please provide all Hazardous Waste Disposal multiple rates. In order to renew, DAS Procurement requests your assistance with the following:

1. Do you approve or rejection to renew for the next 12 months under the same terms and conditions?
2. Are there changes, additions or products that have been discontinued on this contract? If yes, list them here:
3. Have there been changes to the company organization or ownership? If yes, please complete a new Federal Identification W-9 form.
