Any purported assignment, delegation or subcontract not consented to by the State of Iowa shall be void at the State

of Iowa's option and shall constitute a material breach of this Agreement. Vendor acknowledges that the State of Iowa has entered into this Agreement in reliance on Vendor's ability and agreement to personally perform Vendor's obligations hereunder. Notwithstanding the foregoing, Vendor may use subcontractors for code development, quality assurance, and other generic functions that do not require access to State of Iowa Confidential Information or the State's facilities or relate to the direct performance of the Services. Vendor shall select and utilize only those subcontractors that are capable of meeting or exceeding all of the requirements set forth in or incorporated by reference into this Agreement. Vendor shall oversee each subcontractor's compliance with such requirements and shall be fully and financially responsible to the State of Iowa for any failure of a subcontractor to meet such requirements. The State of Iowa's consent to any subcontract or subcontractor shall not be deemed in any way to provide for the incurrence of any additional obligation of the State of Iowa, whether financial or otherwise. Any subcontract that the State of Iowa has consented to shall be in writing and shall in no way alter the terms and conditions of this Agreement. All subcontracts and subcontractors of Vendor shall be subject to the terms and conditions of this Agreement and to any conditions of approval that the State of Iowa may deem necessary. Vendor is solely liable for any and all payments that may be due to a subcontractor pursuant to any subcontract. Vendor shall indemnify and hold harmless the State of Iowa from and against any and all claims, demands, liabilities, suits, actions, damages, losses, taxes, fines, penalties, costs, and expenses of any and every kind or nature whatsoever (including, without limitation, the reasonable value of time of the Iowa Attorney General's Office and the costs, expenses and attorney fees of other counsel retained by the State of Iowa) arising out of or as a result of Vendor's breach of any subcontract into which it enters, including Vendor's failure to pay any and all amounts due to any subcontractor. In addition, the State of Iowa is not responsible for any failure of any subcontractor to pay any amounts that may be due to Vendor and Vendor may not refuse to perform its obligations under this Agreement for any such failure. If Vendor fails, neglects or refuses to pay promptly, as due, any claim for labor or services furnished to Vendor or any subcontractor by any person in connection with the Services and/or Deliverables provided under this Agreement, the State of Iowa may (but is not obligated to) pay such claim and charge the amount of the payment against funds due or to become due Vendor under this Agreement. The payment of a claim in the manner authorized in this paragraph shall not relieve Vendor or its surety from any obligation with respect to any unpaid claims. All subcontracts shall contain provisions allowing the State of Iowa to access the subcontractor's books, documents, and records and for inspections of work, as required of Vendor herein. No subcontract or delegation of work shall relieve or discharge Vendor from any obligation, provision, or liability under this Agreement. Vendor shall remain responsible for performing and fulfilling all of its obligations, duties and liability under this Agreement and shall be fully responsible and liable for all acts, omissions, or negligence of any such contractor or subcontractor, including, but not limited to, the obligation to properly supervise, coordinate, and perform all work required hereunder. Any action of a subcontractor that if done by Vendor would constitute a breach of this Agreement shall be deemed a breach by Vendor and have the same legal effect.

3. State of Iowa

The rights and obligations of the State of Iowa may be, in whole or in part, exercised or fulfilled by any Governmental Entity designated by the State.

4. Services and Deliverables

4.2. Application Services

Subject to the terms and conditions of this Agreement, Vendor grants to the State of Iowa, State Users and their Authorized Contractors for the State of Iowa's business activities, including without limitation the provision of information and services to State Users, Users (to the extent applicable), and the federal government during the Term a non-exclusive license to: (i) access, use and, to the extent applicable, maintain and support, the Application Services; and (ii) access, use, reproduce and distribute Documentation.

4.3. Statement(s) of Work

Vendor will provide and make available the Deliverables described in each Statement of Work in accordance with the terms of this Agreement. Each Statement of Work will be effective and become valid and enforceable only when signed by the State of Iowa and Vendor. Once a Statement of Work has been executed, Vendor will carry out and complete the duties and responsibilities set forth in the applicable Statement of Work in accordance with the terms and conditions of such Statement of Work, this Agreement, and any project plan (including any implementation plan or schedule), if applicable. Vendor shall commence and complete all work and provide all Deliverables under a Statement of work in accordance with all applicable deadlines, timelines, terms, conditions, Specifications and other requirements, including those which may be specified in a Statement of Work or project plan.

Vendor will provide Support Services as set forth in Section 7.

4.5. Software

To the extent Vendor provides or delivers any software to the State of Iowa in connection with this Agreement for installation on the State of Iowa servers or personal computers or laptops, the State of Iowa will have a non-exclusive license to use, maintain, modify, copy, distribute and support the software solely in connection with its use of the Services as contemplated hereunder. The State of Iowa shall not disassemble, decompile, or reverse engineer the software or remove any proprietary notices thereon. The software will be deemed part of and included in the definition of the Services.

4.6. Third Party Intellectual Property

Any Third Party Intellectual Property shall be deemed part of and included in the definition of "Services" and subject to all terms and conditions of this Agreement relating to the Services. The State of Iowa shall not be bound by any terms and conditions relating to the Third Party Intellectual Property unless such terms and conditions are expressly identified by Vendor in, and attached to, Exhibit A and agreed to by the State in writing.

4.7. Change Orders

The State of Iowa may submit a Change Order following execution of a Statement of Work to request a modification to any of the Services or Deliverables. If a Change Order does not require Vendor to incur any additional material costs or expenses, then Vendor will make such modification within ten (10) business days of Vendor's receipt of the State of Iowa's Change Order. If a Change Order requires that Vendor incur additional material costs or expenses, then Vendor in good faith will provide the State of Iowa with a written, high level, non-binding assessment of such costs and expenses and the time required to perform the modifications required by the Change Order, within ten (10) business days of Vendor's receipt of the State of Iowa's Change Order. The State of Iowa will notify Vendor in writing within ten (10) business days after receipt of the Change Order response from Vendor as to whether the State of Iowa wishes Vendor to implement such Change Order based on such response. The State of Iowa will compensate Vendor for implementation of a Change Order in accordance with the terms and conditions of the relevant Change Order, this Agreement, and Vendor's statement, as provided prior to Vendor's implementation of the Change Order, if any. Vendor's implementation of a Change Order shall not delay the performance of Services and/or the delivery of Deliverables not reasonably affected by a Change Order.

4.8. Vendor Personnel

Should the State of Iowa be dissatisfied with the performance, competence, responsiveness, capabilities, cooperativeness, or fitness for a particular task of any Vendor Personnel assigned by Vendor to perform Personal Services, the State of Iowa may request the replacement of such Vendor Personnel. The replacement request shall be in writing and upon receipt of the request, Vendor shall make reasonable efforts to furnish a qualified and acceptable replacement within fifteen (15) business days. In the event Vendor should ever need to remove any Vendor Personnel from performing the Personal Services under this Agreement, Vendor shall provide the State of Iowa with adequate notice, except in circumstances in which such notice is not possible, and shall work with the State of Iowa on a mutually agreeable transition plan so as to provide an acceptable replacement and ensure project continuity. Such transitioning to replacement Vendor Personnel shall be at no additional cost to the State of Iowa. Vendor agrees that all Vendor Personnel assigned to perform Personal Services must have experience performing the tasks to which they will be assigned under this Agreement. In the event that, as a result of the actions, inaction, or replacement of Vendor Personnel, additional or accelerated work is required to perform this Agreement, Vendor shall perform all such work at no additional charge to the State of Iowa.

4.9. Export of Data

The State of Iowa shall have the ability to export data and information (including but not limited to State of Iowa Confidential Information) in whole or in part from the System at its discretion, at no charge to the State, and in such formats as may be acceptable to the State or any State User, without interference from Vendor. This includes the ability for the State of Iowa to export such information and data to/from other contractors (including Authorized Contractors). In the event the State of Iowa is unable to successfully export data and information in whole or in part from the System, Vendor shall assist the State of Iowa in doing

so upon the State of Iowa's request, at no charge to the State; as it relates to the export of such data and information, Vendor shall provide to or ensure the State of Iowa has obtained an export of the requested data and information within one day of any request in the format specified by the State of Iowa.

- 4.10.** If all or a portion of the funding used to pay for the Deliverables is being provided through a grant from the federal government, Vendor acknowledges and agrees that pursuant to applicable federal laws, regulations, circulars and bulletins, the awarding agency of the federal government reserves certain rights including, without limitation a royalty-free, non-exclusive and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for federal government purposes, the Deliverables developed under this Agreement and the copyright in and to such Deliverables. Vendor's receipt of any notice of Acceptance with respect to any Services and/or Deliverables shall not be construed as a waiver of any of the State of Iowa's rights to enforce the terms of this Agreement or require performance in the event Vendor breaches this Agreement or the State of Iowa later discovers a discrepancy between the Acceptance Criteria and the corresponding Services and/or Deliverables actually received or delivered by Vendor to the State.

6. Documentation

At no additional charge to the State of Iowa, Vendor shall provide the State of Iowa with all Documentation relating to the Services. If the Documentation for the Services is revised or supplemented at any time, Vendor shall promptly deliver a copy of such revised or supplemental Documentation to the State of Iowa, at no additional cost. The State of Iowa and State Users may, at any time, reproduce copies of all Documentation and other materials provided by Vendor, distribute such copies to the State of Iowa personnel and Authorized Contractors, and incorporate such copies into its own technical manuals, provided that such reproduction relates to the State of Iowa's and its personnel's use of the Services as permitted in this Agreement, and all copyright and trademark notices, if any, are reproduced thereon. To the maximum extent available, Vendor shall deliver the Documentation in electronic form to the State of Iowa, unless otherwise requested by the State.

7. Support Services

Vendor shall provide the Support Services as follows:

7.1. Support Responsibilities

In addition to any warranty obligations of Vendor under this Agreement, Vendor shall:

- a. Promptly correct any Error or any failure of the Services or Deliverables to perform in accordance with the Specifications, including without limitation, defect repair, programming corrections, and remedial programming, and provide such services and repairs required to ensure that the Services and Deliverables operate properly and conform to the Specifications on an ongoing basis during the Term of this Agreement;

7.2. Vendor's Changes and Upgrades

Vendor may from time to time during the Term make available new enhancements, upgrades, updates, versions, or releases of the Application Services (collectively, "Changes"). Vendor shall provide the Changes to the State of Iowa at no additional charge, cost, or expense. In the event of such Changes, the new version of the Services will include at least the functionality, level and quality of services that the State of Iowa previously received and shall continue to comply with all of the requirements of this Agreement. If any Changes result in material adverse effects on functionality or operation of the Services, including, but not limited to, a failure to comply with the requirements of this Agreement, or compatibility with the State of Iowa's business, legal, funding or regulatory requirements, then the State of Iowa may in its sole discretion terminate the applicable Statement of Work or this Agreement immediately upon notice and without penalty or liability.

7.3. Support Not to be Withheld

8.1.3. Total Term

The Initial Term and any Renewal Terms are referred to herein collectively as the "Term." The total length of the Term shall be the sum of the Initial Term and any and all Renewal Terms. Vendor shall provide the State of Iowa with at least ninety (90) days prior written notice of the end of the Initial Term and each Renewal Term.

The State's withholding of payment of any compensation or amounts in accordance with the terms of this Agreement shall not be considered a breach of any provision of this Agreement.

8.4. Termination for Convenience

The State of Iowa may terminate this Agreement, any Term, or any Statement of Work, Services, or Deliverables immediately upon thirty (30) days written notice to Vendor without reason, penalty or breach of this Agreement, notwithstanding that the Vendor is in compliance with all delivery, performance or other requirements. In the event of any such termination, Vendor shall be compensated for any Services rendered to the State of Iowa's satisfaction and in accordance with the terms of this Agreement prior to the effective date of the termination. Within fifteen (15) days of termination, Vendor shall refund to the State any prepaid fees, compensation, funds other amounts allocated or relating to Services or Deliverables that were not yet to be rendered or provided with regard to any canceled aspect of the Services or Deliverables.

8.5. Termination Due to Lack of Funds or Change in Law

8.6. Effect of Termination

Upon termination of this Agreement, unless otherwise specified in this Agreement or by the State of Iowa in writing:

- a. Vendor shall immediately return to the State any payments made by the State of Iowa (including pro rata refund(s) of any prepaid subscription fees or license fees and/or any other amounts prepaid by the State of Iowa) for Services or Deliverables that were not rendered or provided by Vendor;
- b. Vendor shall perform, comply with and satisfy all duties and obligations as set forth in Sections 4.10 (Import and Export of Data), 8.8 (Transition), 9.8 (Repayment

- Obligation), 12.9 (Return of Confidential Information), and any other duties or obligations that survive termination or by their nature would be intended to be applicable following any termination, as requested by the State of Iowa.
- c. In the event of termination of this Agreement for any reason by either Party (except for termination by the State of Iowa pursuant to Section 8.3 (Default), the State of Iowa shall pay only those amounts, if any, due and owing to Vendor for Deliverables for which Acceptance has been provided by the State of Iowa (and for Services properly performed in accordance with the terms of this Agreement, prorated as appropriate) up to and including the date of termination of this Agreement and for which the State of Iowa is obligated to pay pursuant to this Agreement; provided however, that in the event the State of Iowa terminates this Agreement pursuant to Section 8.5 (Termination Due to Lack of Funds or Change in Law), the State of Iowa's obligation to pay Vendor such amounts and other compensation shall be limited by, and subject to, legally available funds. Payment will be made only upon submission of invoices and proper proof of Vendor's claim. Notwithstanding any provision in this Agreement to the contrary, Vendor shall refund to the State of Iowa, within fifteen (15) days of the effective date of termination for any reason, any prepaid fees, funds or other amounts paid by the State allocated or pertaining to Services that were yet to be rendered with regard to any canceled or terminated aspect of the Services, including but not limited to any prepaid fees for Application Services.
 - d. Notwithstanding the foregoing, this Section 8.6 shall neither be construed as in any way limiting the rights or remedies available to the State of Iowa, nor shall it be construed to require the State of Iowa to pay any compensation or other amounts hereunder in the event of Vendor's breach of this Agreement or any amounts withheld by the State of Iowa in accordance with the terms of this Agreement.
 - e. The State of Iowa shall not be liable, under any circumstances, for any of the following: (i) The payment of unemployment compensation to Vendor's employees; (ii) The payment of workers' compensation claims, which occur during the Agreement or extend beyond the date on which the Agreement terminates; (iii) Any costs incurred by Vendor in its performance of the Agreement, including, but not limited to, startup costs, overhead or other costs associated with the performance of the Agreement; (iv) Any damages or other amounts, including amounts associated with the loss of prospective profits, anticipated sales, goodwill, or for expenditures, investments or commitments made in connection with this Agreement; (v) Any taxes Vendor may owe in connection with the performance of this Agreement, including, but not limited to, sales taxes, excise taxes, use taxes, income taxes or property taxes.

8.7. Survival

Expiration or termination of this Agreement for any reason will not release either Party from any liabilities or obligations set forth in this Agreement which (a) the Parties have expressly agreed in writing survive any such expiration or termination or (b) remain to be performed or by their nature would be intended to be applicable following any such expiration or termination. Without limiting the foregoing, the following Sections shall survive any termination or expiration of this Agreement: 8 (Term and Termination), including but not

limited to 8.7 (Survival); 9. (Fees and Expenses); 10 (Representations, Warranties and Covenants); 11 (Intellectual Property); 12 (Confidentiality); 13 (Security); 14 (Disaster Recovery/Business Continuity/Data Backup/Loss of Data); 15 (Indemnification); 16 (Limitation of Liability); and 19 (General Provisions).

8.8. Vendor Cooperation/Transition Services

Vendor agrees that in connection with any termination or expiration of this Agreement, Vendor will continue to perform such services under this Agreement as the State may request for a transition period up to 365 days from the effective date of termination or expiration of this Agreement. As part of the State's request, the State will inform the Vendor of the number of days during which the Vendor will continue to host and provide access to the Application Services, System, and State of Iowa Confidential Information, and perform transition and other related services under this Section 8.8 (the "**Transition Period**"). During the Transition Period, Vendor will take all actions as may be necessary or requested by the State to accomplish a complete and timely transition. Vendor will use its best efforts to cooperate with the State and any Authorized Contractor hired or utilized by the State to provide any replacement or similar services related to the Application Services and System (the "**New Contractor**") and to fully comply with all requests of the State to effect a smooth and timely transition and to ensure there is no interruption of any Services, information or transactions provided or conducted through the Application Services and System. Vendor agrees that it will perform all transition services in good faith and in a professional and businesslike manner, and shall comply with all requests of the State and any New Contractor to assist in the effort to accomplish a successful, seamless and unhindered transition of the Application Services and System and transfer of Vendor's responsibilities under this Agreement. Notwithstanding the foregoing, in the event certain transition services requested by the State require Vendor to disclose proprietary software to any New Contractor, Vendor and the State shall mutually agree to different transition services. Vendor will perform all transition services on an expedited basis, as determined by the State. At the State's request, Vendor shall, subject to the terms of any third-party contracts, procure for the State any third-party authorizations or licenses necessary to grant the State and any New Contractor the use and benefit of any contracts between Vendor and third parties and any Third Party Intellectual Property. During the Transition Period, the State agrees to pay to Vendor any fees to which Vendor would be entitled under this Agreement for services performed during such period; provided this Agreement was not terminated pursuant to Section 8.3 (Default) or 8.5 (Termination Due to Lack of Funds or Change in Law), and Vendor continues to be in full compliance with all terms, conditions, provisions and requirements of this Agreement. In the event the State's request for transition assistance does not require Vendor to continue providing all of the services under this Agreement or a particular Statement of Work, the parties shall negotiate in good faith an equitable adjustment in the fees which are otherwise payable to Vendor for such services.

9. Fees and Expenses

9.1. Fees for Services

The fees for the Services and/or Deliverables shall be as set forth in Exhibit A (Services; Fees) and in any applicable Statements of Work. A failure of the State of Iowa to pay any undisputed fees that may be owing in accordance with the terms of this Agreement shall not result in any suspension or termination of the Services so long as payment of such undisputed fees is made within the cure period set forth in Section 8.3 (Default). For the avoidance of doubt, in the event of any dispute related to fees, Vendor shall continue to perform and provide the Services until such dispute has been Finally Determined by a court of competent jurisdiction or other agreed-upon governing party. "Finally Determined" means when a claim or dispute has been finally determined by a court of competent jurisdiction or other agreed-upon governing party and either (a) no associated appeal has timely been sought if capable of being sought, or (b) appellate rights properly exercised have otherwise been exhausted. Vendor is not entitled to payment for any Deliverables or Services provided under this Agreement or any Statement of Work if the State reasonably determines that such Deliverables or Services has not been satisfactorily or completely delivered or performed, or that such Deliverables or Services fails to meet or conform to any applicable Acceptance Criteria or Specifications or that there is a material Error with respect to such Deliverable or Services. No payment, including final payment, shall be construed as acceptance of any Deliverables with Errors or incomplete work, and Vendor shall remain responsible for full performance in strict compliance with the terms and conditions of this Agreement.

9.2. Fees During Renewal Terms

All of Vendor's fees hereunder shall be fixed, as set forth in Exhibit A (Services; Fees) and in any applicable Statements of Work. Provided, however, after the Initial Term, Vendor may increase its fees for solely Application Services for any Renewal Term by providing notice to the State of Iowa at least ninety (90) days prior to the commencement of such Renewal Term. Any such increase shall not exceed the amount equal to the percentage change in the Consumer Price Index ("CPI") during the preceding calendar year. For purposes of the foregoing, the CPI shall be the index compiled by the United States Department of Labor's Bureau of Labor Statistics, Consumer Price Index for all Urban Consumers (CPI-U), using that portion of the index that appears under the caption "Other Goods and Services." (For reference, the CPI is currently posted on the website of the Bureau of Labor Statistics at www.bls.gov). The percentage change in the CPI shall be calculated by comparing the annual CPI figures and expressing the increase in the CPI as a percentage. If the CPI is no longer published, or the CPI currently published is materially changed, then Vendor and the State of Iowa will negotiate, in good faith, revisions to this section to reflect and account for such changes in the CPI.

9.3. Invoices

Unless provided otherwise in Exhibit A (Services; Fees), Vendor will invoice the State of Iowa for Application Services on an annual basis. With respect to Deliverables and Services provided under a Statement of Work, Vendor shall invoice the State for those Services or Deliverables that have been accepted by the State upon Vendor's receipt of the State's written notice of

Acceptance for such Deliverables or Services, with such invoice reflecting the fees applicable to such accepted Deliverables or Services consistent with the fees specified in the applicable Statement of Work. All invoices submitted by Vendor shall comply with all applicable laws, rules, and regulations (including any applicable federal laws, rules, or requirements) concerning payment of such fees, charges, or other claims and shall contain appropriate documentation as necessary to support the fees or charges included on the invoice and all information reasonably requested by the State of Iowa. Each invoice shall fairly and accurately describe in reasonable detail the actual Services performed and any Deliverables provided, the person(s) or entity(ies) who performed such Services, the dates on which such Services were performed and any Deliverables were provided, and the fees payable by the State of Iowa for such Services and Deliverables. The State of Iowa shall not be required to make payment on any invoices if such documentation is not furnished by Vendor as herein provided, or if any invoices with respect to the same is rendered more than ninety (90) days after the expenses were incurred, and Vendor shall be solely and exclusively responsible for payment of same at its own cost and expense. The State of Iowa may refuse payment with respect to any invoice that fails to comply with the requirements contained in this Section 9.3 (Invoices). Notwithstanding anything herein to the contrary, the State of Iowa shall have the right to dispute any invoice submitted for payment and withhold payment of any disputed amount if the State of Iowa believes the invoice is inaccurate or incorrect in any way.

9.4. Payment Terms

Except for payments identified as prepayment agreed to by the State for Services and/or Deliverables, the State of Iowa shall pay all undisputed amounts set forth in approved invoices in arrears and in conformance with Iowa Code Section 8A.514 and 11 Iowa Admin. Code 41.1(2). The State of Iowa may pay in less than sixty (60) days, as provided in Iowa Code Section 8A.514. However, an election to pay in less than sixty (60) days shall not act as an implied waiver of Iowa Code Section 8A.514.

9.5. Payment Does Not Imply Acceptance

The making of any payment or payments by the State of Iowa, or the receipt thereof by Vendor, shall in no way affect the responsibility of Vendor to furnish the Services and Deliverables in accordance with this Agreement, and shall not imply acceptance by the State of Iowa of such Services or Deliverables or the waiver of any warranties or requirements of this Agreement.

9.6. Resellers

In the event any of the Services or Deliverables are purchased through Vendor's authorized reseller ("Reseller"), subject to all other terms of this section, Vendor authorizes Reseller to invoice the State of Iowa for the Services and/or Deliverables on Vendor's behalf in accordance with Section 9.3, and further authorizes the State of Iowa to pay the undisputed amounts due to Reseller, thereby fully satisfying any obligation that the State may have to Vendor with respect to such payment or compensation. The State of Iowa is not responsible for any failure of Reseller to pay any amounts that may be due to Vendor, and Vendor may not refuse to perform its obligations under this Agreement for such failure.

9.7. Erroneous Payments and Credits

Except for payments identified as prepayment for Services and/or Deliverables, Vendor shall promptly pay or refund to the State of Iowa the full amount of any overpayment or erroneous payment within ten (10) business days after either discovery by the Vendor or notification by the State of Iowa of the overpayment or erroneous payment. In the event Vendor fails to timely pay or refund any amounts due the State of Iowa under this Section 9.7, the State of Iowa will charge interest of one percent (1%) per month compounded on the outstanding balance each month after the date payment or refund is due, or the maximum amount allowed by law, whichever is greater. The State of Iowa may, in its sole discretion, elect to have Vendor apply any amounts due to the State of Iowa under this Section 9.7 against any amounts payable by the State of Iowa under this Agreement.

9.8. Repayment Obligation

In the event that any State of Iowa and/or federal funds are deferred and/or disallowed as a result of any audits or expended in violation of the laws applicable to the expenditure of such funds, the Vendor will be liable to the State of Iowa (or any other applicable Governmental Entity) for the full amount of any claim disallowed (or the amount of funds expended in violation of such applicable laws) and for all related penalties incurred. If the State of Iowa or any federal agency concludes that Vendor has been paid for any cost that is unallowable, unallocable, or unreasonable under this Agreement, Vendor will be liable to the State of Iowa for such cost. The Vendor shall pay to the State of Iowa all amounts for which the Vendor is liable under this Section within ten (10) business days of receiving the State of Iowa written demand or written notice. The State of Iowa may withhold any payment under this Agreement if Vendor fails to timely make any payment required by this Section. The requirements of this Section shall apply to the Vendor, its affiliate and subcontractors.

9.9. Prepayment

Notwithstanding anything in this Agreement to the contrary, the State of Iowa may, at its sole discretion, elect to prepay fees for the Services and/or Deliverables in accordance with applicable laws, rules and procedures.

9.10. Responsibility for Costs

There shall be no reimbursable expenses associated with this Agreement separate from the compensation referred to in this Section 9. Vendor shall be solely responsible for all costs, charges and expenses it incurs in connection with its performance under this Agreement, including, but not limited to, travel, mileage, meals, lodging, equipment, supplies, personnel, salaries, benefits, insurance, training, conferences, telephone, utilities, start-up costs, and all other costs and expenses of Vendor.

9.11. Taxes

Vendor shall be responsible for paying any taxes incurred by Vendor in connection with the performance of this Agreement or the provision of Services and Deliverables. The State of Iowa is exempt from the payment of sales and all other taxes.

9.12. All Fees Stated

Except as provided in this Section 9 (Fees and Expenses), as specifically stated in Exhibit A or any Statement of Work, or otherwise agreed pursuant to a valid amendment to or modification of this Agreement, there are no other fees or other amounts to be paid by the State of Iowa in connection with this Agreement for the Services and/or Deliverables. Any work performed by Vendor and not specifically authorized by the State of Iowa in writing shall be considered gratuitous and Vendor shall have no right or claim whatsoever to any form of compensation.

9.13. Set-off Against Sums Owed by Vendor

In the event that Vendor owes the State of Iowa or any Governmental Entity any sum under the terms of this Agreement, any other agreement, pursuant to a judgment, or pursuant to any law, the State of Iowa or the Governmental Entity may set off such sum against any sum invoiced to the State of Iowa by Vendor in the State of Iowa's sole discretion unless otherwise required by law. Any amounts due to the State of Iowa as damages may be deducted by the State of Iowa from any money or sum payable by the State of Iowa to Vendor pursuant to this Agreement or any other agreement between Vendor and the State of Iowa. The State of Iowa's exercise of rights under this Section 9.13 shall not be considered a breach of this Agreement by the State of Iowa.

9.14. Withhold Remedy

In addition to, and cumulative to all other remedies in law, at equity and provided under this Agreement, in the event Vendor is in material default of its duties or obligations under this Agreement and it fails to cure the default within fifteen (15) days after receipt of written notice of default from the State of Iowa, the State of Iowa may, without waiving any other rights under this Agreement, elect to withhold from the payments due to Vendor under this Agreement during the period beginning with the 16th day after Vendor's receipt of notice of default, and ending on the date that the default has been cured to the reasonable satisfaction of the State of Iowa, an amount that is in proportion to the magnitude of the default or the service that Vendor is not providing, as determined in the State of Iowa's reasonable discretion. Upon curing of the default by Vendor, the State of Iowa will cause the withheld payments to be paid to Vendor, without interest. In addition to the foregoing, the State of Iowa may withhold compensation or payments to Vendor, in whole or in part, without penalty or legal liability to the State of Iowa or work stoppage by Vendor, in the event the State of Iowa determines that any Service or Deliverable has failed to meet or conform to any applicable Specifications or contains or is experiencing an Error. No interest shall accrue or be paid to Vendor on any compensation or other amounts withheld or retained by the State of Iowa under this Agreement. The State of Iowa's exercise of its rights to withhold payments shall not be considered a breach of this Agreement by the State of Iowa.

9.15. Audits and Records

During the Term and for a period of five (5) years thereafter, Vendor shall maintain accurate, current and complete books, documents and records that sufficiently and properly document Vendor's performance and provision of Services and other Deliverables under this Agreement,

including all records that document all fees and other amounts charged during the Term. If any litigation, claim, negotiation, audit or other action involving the books, documents and records has been started before the expiration of the five-year period, Vendor must retain the records until completion of the action and resolution of all issues which arise from it, or until the end of the above-described five (5) year period, whichever is later. Vendor shall permit the State of Iowa, the Auditor of the State of Iowa, or any authorized representative of the State of Iowa, and where federal funds are involved, the Comptroller General of the United States or any other authorized representative of the United States government, at no charge, to access and examine, audit, excerpt and transcribe any pertinent books, documents, and records, electronic or optically stored and created records or other records of Vendor relating directly or indirectly to Vendor's performance under this Agreement, wherever located. At the request of the State of Iowa, Vendor shall deliver and provide, at no charge, complete copies of such books, documents and records to the State of Iowa or its designee in such formats and within such time period as may be specified by the State of Iowa in its request. Vendor shall not impose a charge or seek payment for any fee, charge, or expense associated with any audit, examination or delivery of such books, documents and records. Vendor shall require its subcontractors to agree to the same provisions of this section. Based on the audit findings, the State of Iowa reserves the right to address Vendor's board or other managing entity regarding performance and expenditures.

- a. Records of financial activity shall include records that adequately identify the source and application of funds. When the terms of this Agreement require matching funds, cash contributions made by Vendor and third party in-kind (property or service) contributions must be verifiable from Vendor's records. These records must contain information pertaining to contract amount, obligations, unobligated balances, assets, liabilities, expenditures, income and third-party reimbursements.
- b. Vendor shall maintain accounting records supported by source documentation that may include but are not limited to cancelled checks, paid bills, payroll, time and attendance records, and contract award documents.
- c. Vendor, in maintaining project expenditure accounts, records and reports, shall make any necessary adjustments to reflect refunds, credits, underpayments or overpayments, as well as any adjustments resulting from administrative or compliance reviews and audits. Such adjustments shall be set forth in the financial reports filed with the State of Iowa.

10. Representations, Warranties and Covenants

10.1. Vendor Warranties

Vendor shall make the provisions of this Section 10.3 a part of its contracts with any subcontractors providing goods or services related to Vendor's performance of this Agreement. Vendor further represents, warrants and covenants that the Services and Deliverables comply with and will at all times comply with the State of Iowa Website Accessibility Standard (available at <https://ocio.iowa.gov/standards>) and including Section 508 of the Rehabilitation Act of 1973, as amended, all standards and requirements established by the Architectural and Transportation Barriers Access Board, and the World Wide Web (W3C) Web Accessibility Initiative. Without limiting the foregoing, Vendor covenants that the Application Services will pass W3C validation and meet the accessibility standards of 36 C.F.R. § 1194, which implements Section 508 of the Rehabilitation Act of 1973. Notwithstanding any provision in this Agreement to the contrary, to the extent that Vendor fails to meet or otherwise breaches any of its duties or obligations under this Section 10.3, it shall be liable and responsible for any fines, penalties, taxes, fees, damages, costs, expenses, or other amounts assessed to, imposed against or otherwise incurred by the State of Iowa or any State Governmental Entity, and the State may consider any such failure or breach to be material breach of this Agreement.

10.4. Disclaimer of Other Warranties

EXCEPT AS EXPRESSLY STATED IN THIS AGREEMENT, NEITHER PARTY MAKES ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, AND ALL SUCH WARRANTIES ARE HEREBY SPECIFICALLY DISCLAIMED.

11. Intellectual Property

11.1. Ownership

This is not a work made-for-hire agreement (as that term is defined in Section 101 of Title 17 of the United States Code) with regard to either Party. Except for express licenses granted in this Agreement, neither Party is granting nor assigning to the other Party any right, title, or interest, express or implied, in or to the Party's intellectual property. Each Party reserves all rights in such property. Except as otherwise set forth in a Statement of Work, to the extent Vendor provides any intellectual property to the State of Iowa in connection with the Services and/or Deliverables, such intellectual property shall be deemed part of and included in the definition of "Services" hereunder and, among other things, be subject to the license granted in Section 4.

11.2. Use of State of Iowa Property

The State of Iowa may, but is not required to (unless otherwise set forth in a Statement of Work), provide the Vendor access to State of Iowa Property. The State of Iowa hereby grants

Vendor a non-exclusive, non-transferable license to use State of Iowa Property solely for the State of Iowa's benefit in connection with Vendor's performance of the Services. The State of Iowa may terminate the foregoing license at any time, without cause, on written notice to Vendor. Unless specifically authorized in the Statement of Work, Vendor shall use State of Iowa Property only in the form provided by the State of Iowa, without modification. In addition, Vendor will maintain and use State of Iowa Property in accordance with any written instructions and/or specifications provided by the State of Iowa. Except for the limited license provided in this Section 11.2 (Use of State of Iowa Property), nothing contained in this Agreement shall be construed as granting Vendor any right, title, or interest in or to any State of Iowa Property.

12. Confidentiality

12.1. No Publicity

During the Term of this Agreement and at all times after the termination or expiration of this Agreement, Vendor shall not make any media release or other public announcement relating to or referring to this Agreement without the State of Iowa's prior written consent. Vendor shall acquire no right to use, and shall not use, without the State of Iowa's prior written consent, the terms or existence of this Agreement or any Statement of Work, the names, trade names, trademarks, service marks, artwork, designs, or copyrighted materials of the State of Iowa or any Governmental Entity, its related entities, employees, assigns, successors or licensees: (a) in any advertising, publicity, press release, customer list, presentation or promotion; (b) to express or to imply any endorsement of Vendor or Vendor's services by the State of Iowa; or (c) in any manner other than expressly in accordance with this Agreement.

12.2. Exclusions

Neither Confidential Information nor State of Iowa Confidential Information includes any information that: (a) was rightfully in the possession of the receiving Party from a source other than the disclosing Party prior to the time of disclosure of the information by the disclosing Party to the receiving Party; (b) was known to the receiving Party prior to the disclosure of the information by the disclosing Party only if evidenced by written records kept in the ordinary course of business or by proof of actual use by the receiving Party; (c) was disclosed to the receiving Party without restriction by an independent third party having a legal right to disclose the information; (d) is in the public domain or shall have become publicly available other than as a result of disclosure by the receiving Party in violation of this Agreement or in breach of any other agreement with the disclosing Party; (e) is independently developed by the receiving Party without any reliance on Confidential Information disclosed by the disclosing Party; (f) is disclosed or is required or authorized to be disclosed pursuant to law, rule, regulation, subpoena, summons, or the order of a court, lawful custodian, governmental agency or regulatory authority, or by applicable regulatory or professional standards; or (g) is disclosed by the receiving Party with the written consent of the disclosing Party. It will be presumed that any Confidential Information in a receiving Party's possession is not within exceptions (a), (b), (c), or (e) above, and the burden will be upon the receiving Party to prove otherwise by records and documentation. Notwithstanding the foregoing, exclusion (d) shall not apply to State of Iowa Confidential Information.

12.3. Vendor's Treatment of Confidential Information

Vendor and its employees, agents, approved contractors and subcontractors may have access to State of Iowa Confidential Information to the extent necessary to carry out its responsibilities under the Agreement. State of Iowa Confidential Information shall at all times remain the property of the State of Iowa, and the State of Iowa shall retain exclusive rights thereto and ownership thereof. Vendor shall hold any and all State of Iowa Confidential Information in strictest confidence and will use and permit use of State of Iowa Confidential Information solely for the purposes of this Agreement. Without limiting the foregoing, Vendor shall use at least the same degree of care, but no less than reasonable care, to avoid disclosure or use of State of Iowa Confidential Information as the State of Iowa employs with respect to its own confidential information and data of a like importance. Vendor may disclose or provide access to its responsible employees who have a need to know and may make copies of State of Iowa Confidential Information only to the extent reasonably necessary to carry out its obligations hereunder. Vendor will designate one individual who shall remain in charge of all State of Iowa Property collected, used, or disseminated by Vendor in connection with the performance of this Agreement. Vendor shall accept responsibility for providing adequate supervision and training to its agents, employees and any approved contractors and subcontractors to ensure compliance with the terms of this Agreement. Vendor and its employees, agents, and any approved contractors or subcontractors must execute confidentiality or non-disclosure agreements to obtain access to certain State of Iowa Confidential Information. Vendor and its employees, agents, approved contractors and subcontractors shall not disclose, publish, reproduce, disseminate or otherwise use any State of Iowa Confidential Information received, collected, maintained, or used in the course of performance of the Agreement except for the sole purpose of performing the Services hereunder, subject to the restrictions set forth in this Agreement and all applicable state and federal laws, rules and regulations applicable either during the term of this Agreement or thereafter. Vendor and its employees, agents, approved contractors and subcontractors shall not disclose, sell, assign, lease, or otherwise dispose of State of Iowa Confidential Information to third-parties or commercially or politically exploit or otherwise use such Information. Vendor shall not remove from the State of Iowa's facilities or retain a copy of any of the State of Iowa's Confidential Information obtained from, or as a result of access to, the State of Iowa's systems unless that removal or retention is reasonably necessary to perform the Services or is otherwise approved in writing by the State of Iowa.

12.4. The State of Iowa's Treatment of Confidential Information

Except as provided or contemplated herein, and subject to applicable state, federal, and/or international laws, rules or regulations (including, without limitation, Iowa Code Chapter 22, and any other applicable administrative rules adopted by the State of Iowa), the State of Iowa shall not intentionally disclose Vendor's Confidential Information to a third party (excluding State Users, Governmental Entities and Authorized Contractors) without the prior written consent of Vendor. Notwithstanding the foregoing, the State of Iowa may disclose Vendor's Confidential Information: (a) pursuant to any legal, judicial, regulatory, or administrative proceedings, subpoena, summons, deposition, interrogatory, requests for documents, order, ruling, civil investigative demand, or other legal, administrative or regulatory processes; (b)

pursuant to any applicable laws, rules, or regulations; (c) if the State of Iowa determines that such information is not a confidential record pursuant to Iowa Code Section 22.7 or other applicable laws, rules and regulations; or (iv) if the State of Iowa determines Vendor has not provided or is unwilling to provide facts sufficient to enable the State of Iowa to make a determination whether such information constitutes a confidential record under Iowa Code Section 22.7 or other applicable laws, rules and regulations. In such event, the State of Iowa shall provide prompt notice to Vendor of the circumstances giving rise to the State of Iowa's disclosure. Vendor acknowledges that the State of Iowa is subject to and required to comply with Iowa Code Chapter 22 and other laws, rules and regulations governing public records. If a request is made to view or otherwise access Vendor's Confidential Information pursuant to such laws, rules or regulations, the State of Iowa will promptly notify Vendor of the request.

12.5. Treatment of Personal Data

Without limiting any other warranty or obligation specified in this Agreement, and in particular the confidentiality provisions of this Section 12 (Confidentiality), during the Term and thereafter in perpetuity, Vendor will not gather, store, log, archive, use or otherwise retain any Personal Data in any manner and will not disclose, distribute, sell, share, rent or otherwise transfer any Personal Data to any third party, except as expressly required to perform its obligations in this Agreement or as Vendor may be expressly directed in advance in writing by the State of Iowa. In the event Vendor's performance hereunder is the subject of any Force Majeure Event, the fees to be paid by the State of Iowa shall be equitably adjusted to reflect the period of non-performance. Notwithstanding the foregoing, a Force Majeure Event will not relieve Vendor of its obligations under Sections 7 (Support Services), 12 (Confidentiality), 13 (Security), and 14 (Disaster Recovery) or any service levels as set forth in Exhibit C. A Force Majeure Event does not include: financial difficulties of the Vendor or any parent, subsidiary, affiliated or associated company of the Vendor or any subcontractor used by the Vendor; claims or court orders that restrict Vendor's ability to provide goods and services contemplated by this Agreement; strikes; supply chain disruptions; labor unrest; Internet outages; viruses; Trojan Horses; worms; cancelbots; denial of service attacks; hacking; intrusions; security breaches (including but not limited to any Breach of Security as defined in Iowa Code Chapter 715C, and any other breach of security as defined by any applicable law, rule, or regulation)); or any other similar item, malicious code or action that might interfere with or adversely affect the Services. If delay results from Vendor's contractor's, subcontractor's or supplier's conduct, negligence or failure to perform, the Vendor shall not be excused from compliance with the terms and obligations of the Vendor unless the subcontractor or supplier is prevented from timely performance by a Force Majeure Event as defined in this Agreement.

19.6. Governing Law; Venue

This Agreement shall be governed in all respects by, and construed in accordance with, the laws of the State of Iowa, without giving effect to the choice of law principles thereof. Any and all litigation or actions commenced in connection with this Agreement, including after expiration or termination of this Agreement, shall be brought in Des Moines, Iowa, in Polk County District Court for the State of Iowa, if jurisdiction is proper. However, if jurisdiction is not proper in the Iowa District Court for Polk County, but is proper only in a United States

District Court; the matter shall be commenced in the United States District Court for the Southern District of Iowa, Central Division. Vendor irrevocably: (a) consents and agrees that any legal or equitable action or proceeding arising under, in connection with or arising out of this Agreement shall be brought and maintained exclusively in the aforesaid courts; (b) submits to and accepts, with respect to any such action or proceeding, for it and in respect of its properties and assets regardless of the physical or legal situs thereof, generally and unconditionally, the jurisdiction of the aforesaid courts; and (c) waives any objection to such jurisdiction based on forum non conveniens or otherwise.

19.7. Sovereign Immunity

Nothing in this Agreement shall be construed as waiving any immunity to suit or liability, in state or federal court, which may be available to the State of Iowa, including sovereign immunity, governmental immunity, immunity based on the Eleventh Amendment to the Constitution of the United States or otherwise. The State of Iowa specifically retains and reserves the defense of sovereign immunity and all defenses available to it under State of Iowa and federal laws, rules and regulations for any claim arising out of or related to this Agreement.

19.8. Waivers

All waivers hereunder must be made in writing by a duly authorized representative of the Party against whom the waiver is to operate, and failure at any time to require the other Party's performance of any obligation under this Agreement shall not affect the right subsequently to require performance of that obligation. Any waiver, in whole or in part, of any provision of this Agreement will not be considered to be a waiver of any other provision.

19.9. Severability

If any term of this Agreement is found to be unenforceable or invalid for any reason, all other terms will remain in full force and effect.

19.10. Construction

All headings used in this Agreement are for reference purposes only and are not part of this Agreement. All personal pronouns used herein, whether used in the feminine, masculine, or neuter gender, shall include all other genders, and the singular shall include the plural and vice versa. Unless otherwise expressly stated, the words "herein," "hereof," and "hereunder" and other words of similar import refer to this Agreement as a whole and not to any particular Section, Subsection or other subpart. The words "include," "includes," "included," "including," "without limitation," or the phrase "e.g." shall not be construed as terms of limitation and shall, in all instances, be interpreted as meaning "including, but not limited to."

19.11. Exhibits, Statement(s) of Work and Addenda

All Exhibits, Statement(s) of Work, and Addenda that are referenced herein and appended hereto, or are signed by the Parties on or after the date of this Agreement, are hereby incorporated by reference. The following Exhibits are attached hereto and incorporated herein:

- Exhibit A Services; Fees;
- Exhibit B Statements of Work;
- Exhibit C Services Levels;

19.12. RFP and Vendor's Proposal

The State of Iowa's Request for Proposal #RFP1419282117("RFP") and Vendor's proposal in response to the RFP ("Proposal"), together with any clarifications, attachments, appendices, or amendments to the RFP and Proposal are incorporated into this Agreement by this reference as if fully set forth in this Agreement; provided, however, that none of Vendor's exceptions, objections or proposed modifications respecting the RFP or any terms associated therewith (collectively "Vendor Exceptions") shall be incorporated into this Agreement unless expressly set forth herein. The terms and conditions of the RFP and of the Proposal are made contractual obligations of Vendor, except that any Vendor Exceptions shall not be deemed to limit, modify or otherwise affect any of the contractual obligations of Vendor or the State of Iowa hereunder, unless expressly stated herein. In the case of any inconsistency or conflict between the specific provisions of this document, the RFP or the Proposal, any inconsistency or conflict shall be resolved as follows: first, by giving preference to the specific provisions of this document and any schedules, exhibits or other attachments; second, by giving preference to the specific provisions of the RFP; and third, by giving preference to the specific provisions of the Proposal (excluding any Vendor Exceptions that are not expressly made a part of this Agreement). The references to the parties' obligations, which are contained in this document, are intended to change, modify, supplement or clarify the obligations as stated in the RFP and the Proposal. The failure of the parties to make reference to the terms of the RFP or Proposal in this document shall not be construed as creating a conflict and will not relieve Vendor of the contractual obligations imposed by the terms of the RFP and the Proposal. Terms offered or stated in the Proposal, which exceed the requirements of the RFP, shall not be construed as creating an inconsistency or conflict with the RFP or this document. Notwithstanding anything herein to the contrary, the State shall have only those obligations that are expressly stated in this document, and the Proposal does not create any express or implied obligations of the State.

19.13. Entire Agreement

This Agreement, as to its subject matter, exclusively and completely states the rights, duties and obligations of the Parties and supersedes all prior and contemporaneous representations, letters, proposals, discussions and understandings by or between the Parties. This Agreement may only be amended in a writing signed by both Parties. In particular, no shrink-wrap, click-wrap, browser-wrap, privacy policies, online terms or other terms and conditions or agreements ("Additional Terms") provided with or related to any Services, Deliverables, products, documentation, or software hereunder shall be binding on the State of Iowa, even if use of such items requires an affirmative "acceptance" of those Additional Terms before access or use is permitted. All Additional Terms shall be of no force or effect and shall be deemed rejected by the State of Iowa in their entirety.

19.14. Conflict of Interest

The Vendor represents, warrants, and covenants that no relationship exists or will exist during the Agreement period between the Vendor and the State of Iowa that is a conflict of interest. No employee, officer or agent of the Vendor or subcontractor shall participate in the selection or in the award or administration of a subcontract if a conflict of interest, real or apparent, exists. The provisions of Iowa Code Chapter 68B shall apply to this Agreement. If a conflict of interest is proven to the State of Iowa, the State of Iowa may terminate this Agreement and the Vendor shall be liable for any excess costs to the State of Iowa as a result of the conflict of interest. The Vendor shall establish safeguards to prevent employees, consultants, or members of governing bodies from using their positions for purposes that are, or give the appearance of being, motivated by the desire for private gain for themselves or others with whom they have family, business, or other ties. The Vendor shall report any potential, real, or apparent conflict of interest to the State of Iowa.

19.18. Electronic Signatures and Facsimiles Binding

This Agreement and associated Statement(s) of Work and related documents may be accepted in electronic form (e.g., by an electronic or digital signature or other means of demonstrating assent) and Vendor's acceptance will be deemed binding between the Parties. Vendor acknowledges and agrees it will not contest the validity or enforceability of this Agreement and associated Statement(s) of Work and related documents, including under any applicable statute of frauds, because they were accepted and/or signed in electronic form. EXHIBIT C—SERVICE LEVELS

This Exhibit describes the performance standards and service levels to be achieved by Vendor in providing the Services:

1. Definitions

Except as provided in this Exhibit, capitalized terms shall have the meanings set forth in the Agreement. The following terms, when used in this Exhibit, shall have the following meanings:

“Available” means the Services shall: (a) be available for access and use over the Internet by State of Iowa, Government Entities, State Users, and Users; and (b) provide the functionality required under the Agreement and applicable Statement(s) of Work.

“Critical Hours” means to 9:00 a.m. to 5:00 p.m, Monday through Friday.

“Server” shall mean the server(s) on which the Services will be hosted.

2. General Hosting Obligations

In addition to the other obligations set forth in the Agreement and this Exhibit, Vendor shall do the following:

- a. Operate the Services on a Server owned and maintained by Vendor.
- b. Allow access to the Services over the Internet and provide secure and confidential storage of all information transmitted to and from the Services.
- c. Supply hardware, security protocols, software and communications support structure to facilitate connection to the Internet in accordance with the requirements set forth herein.
- d. Maintain a back-up server, at a geographically different site (e.g., different flood plain and power grid) from where the Server is located, to ensure continuous service in the event of disaster.
- e. Review security notifications and alerts relevant to the hosting platform (e.g., Vendor notifications of bugs, attacks, patches), and apply any compensating controls and remedial measures to maintain the highest level of defense.
- f. Vendor shall utilize state-of-the-art and up-to-date anti-virus and anti-malware software, and properly configured intrusion prevention systems and firewall protection devices in order to secure State of Iowa Confidential Information from unauthorized access by third parties.

3. Service Monitoring & Management

Vendor will perform continuous monitoring and management of the Services to optimize availability of Services. Included within the scope of this section is the proactive monitoring of the Server and all service components of Vendor’s firewall for trouble on a 7 day by 24 hour basis, and the expedient restoration of components when failures occur within the time period set forth in Section 8 (Service Outages) of this Exhibit. Vendor shall maintain redundancy in all key components such that service outages are less likely to occur due to individual component failures.

Vendor will monitor “heartbeat” signals of all servers, routers and leased lines, and HTTP availability of the Server, by proactive probing at 5 minute intervals 24 hours a day using an automated tool. If a facility does not respond to a ping-like stimulus, it shall be immediately checked again. When Vendor

receives a "down" signal, or otherwise has knowledge of a failure in the Server or the application software and/or hardware, Vendor personnel will:

- a. Confirm (or disconfirm) the outage by a direct check of the facility;
- b. If confirmed, take such action as may restore the service in one hour or less, or, if determined to be a telephone company problem, open a trouble ticket with the telephone company carrier;
- c. Notify the State of Iowa Manager by telephone, email, or pager according to mutually agreed upon procedures that an outage has occurred, providing such details as may be available, including the Vendor trouble ticket number, if applicable, and time of outage.
- d. Work through the problems until resolution, escalating to appropriate management or to engineering as required;
- e. Notify the State of Iowa of final resolution, along with any pertinent findings or action taken, and request concurrence by the State of Iowa prior to closing the applicable trouble ticket.

4. Backups

Vendor shall provide for both the regular back-up of standard file systems relating to the Server and Services, and the timely restoral of such data on request by the State of Iowa due to a site failure. In particular, Vendor shall:

- a. Perform weekly full back-ups;
- b. Perform daily incremental back-ups;
- c. Send back-up media to secured, off-site storage facilities with a thirty (30) day rotation of media;
- d. Retain one back-up tape per month for one year;
- e. Fulfill restoral requests as directed by the State of Iowa due to site failures. Such restoral will be performed within the interval of twelve 7 days depending on the urgency of the request, and the agreed upon location of the desired backup media; and
- f. If the Server or hosting location is expected to be down for more than 48 hours, Vendor shall immediately transfer appropriate back-up data and re-establish all hosting operations in an appropriately functioning secondary server or location. Such secondary server and/or location shall be subject to the State of Iowa's approval and consent, which shall not be unreasonably withheld.

5. Service Levels

5.1 Support Request Service Levels

5.1.1 Vendor shall Respond to and Resolve Support Requests as set forth below.

5.1.1.1 Support Requests

The State of Iowa shall classify its requests for Error Corrections consistent with the descriptions below. Each such request shall be referred to herein as a "Support Request." All requests that are identified as "Urgent" by the State of Iowa must include the text "[Urgent]" in the subject line of the support request email message sent to the Vendor at "support@whofi.com." All Vendor technical support personnel providing telephone support must do

so in a manner such that the communication does not diminish the State of Iowa's ability to effectively utilize the Application Services or negatively impact the satisfaction of the users with the Application Services. Such impacts could arise from technology issues such as delays or jitter in telecommunication lines, or the failure of the Vendor technical support personnel to provide support in standard American English with understandable accents or otherwise demonstrate sufficient language skills as reasonably determined by the State of Iowa.

Support Request Classification	Description
Urgent	<ul style="list-style-type: none"> ▪ Issue affecting entire system; ▪ Issue affecting single critical production function; ▪ System down or operating in materially degraded state; ▪ Potential services to Users affected; ▪ Data security or integrity at risk; ▪ Material financial impact; ▪ Declared a Critical Support Request by the State of Iowa CIO or designee; and/or ▪ Widespread access interruptions.
Normal	<ul style="list-style-type: none"> ▪ System is operating with minor issues that can be addressed with a work around; ▪ Request for assistance, information, or services that are routine in nature.

5.1.1.2 Support Response Time Service Level

"Response Time" shall be measured from the time when Vendor receives the Support Request until the time Vendor has Responded to the Support Request. "Respond" means that Vendor has engaged on the Support Request; is working continuously to diagnose the corresponding Errors, formulate a plan to address any such Errors, and execute that plan; and has notified the State of Iowa user originating the Support Request that such support has begun, in the manner requested by the user originating the Support Request e-mail or, if a specific means of communication is not requested, using direct interactive (person to person) method of communication to achieve contact with such user (e.g., no email or automated voicemail).

Support Request Classification	Service Level Metric (Response Time)	Service Level Credits
Urgent	100% (Same business day for requests received before 3:00 PM CST)	1% of monthly Application Service fees for the initial service level failure and .5% of monthly Application Service fees for each additional one business day increment that begins after the initial service level failure

Normal	100% (Two business days for requests received 3:00 PM CST)	1% of monthly Application Service fees for the initial service level failure and .5% of monthly Application Service fees for each additional two business day increments that begins after the initial service level failure
--------	--	--

5.1.1.3 Resolution Time Service Level

Resolution time shall be measured from the time when Vendor receives the Support Request until the time Vendor has resolved the Support Request. "Resolve" means that, as to Errors, Vendor has provided the State of Iowa the corresponding Error Correction and the State of Iowa has confirmed such Error Correction.

Support Request Classification	Service Level Metric (Resolution Time)	Service Level Credits
Urgent	100% 7 Business Days	3% of monthly fees for the initial service level failure and 1.5% of monthly fees for first additional seven (7) business day increments that begins after the initial service level failure and doubling for each additional (7) seven business days
Normal	100% 30 Days	3% of monthly fees for the initial service level failure and 1.5% of monthly fees for each additional thirty (30) day increment that begins after the initial service level failure

5.1.1.4 Escalation

With respect to any Critical Support Request, until Resolved, Vendor shall escalate that Support Request within sixty (60) minutes of Receipt to the appropriate Vendor support personnel (as designated by Vendor), including, as applicable, Vendor's SVP of Client Operations.

The Application Services shall be Available for the percentage of the time each month of the Term of the Agreement as set forth below.

5.2.1 Availability during Critical Hours

Service Level Metric	Service Level Credits
At a minimum, 99.9% Availability for the Application Services in each calendar month of the term of the Agreement during Critical Hours.	In the event 99.9% Availability during Critical Hours for the Application Services is not achieved, but at least 98.0% Availability for the Application Services during Critical

“Availability” means the number of hours the Application Services (only referring to the WhoFi application and not the WhoFi marketing website) are Available For Use during Critical Hours in a given calendar month expressed as a percentage of Critical Hours during a calendar month (i.e., Availability % = ((Number of Critical Hours – Downtime during Critical Hours)/(Number of Critical Hours)) x 100%).

“Downtime” means the aggregate duration of Outages for the Application Services during the applicable Scheduled Uptime during a calendar month.

“Outage” means any time during which the Application Services (only referring to the WhoFi application and not the WhoFi marketing website), is not Available For Use during a calendar month, measured from the earliest point in time that such Outage is or reasonably should be detected by Vendor, but in any event no later than the time the Outage actually occurred. An Outage is an Error. An Outage also constitutes a Critical Support Request.

“Scheduled Downtime” shall have the meaning ascribed to it in Section 8.1 of this Exhibit.

“Unscheduled Downtime” shall mean an Outage that is not Schedule Downtime.

“Scheduled Uptime” shall mean any time during a Calendar month that is not Scheduled Downtime.

“Available For Use” shall mean the ability of the Application Services to be utilized or accessed as contemplated under the Agreement(s), including conformance to the Specifications, and without material degradation of performance, but excluding Scheduled Downtime.

2% of monthly Application Services fees for the third consecutive month and each consecutive month thereafter.

2.5% of monthly Application Services fees for the second consecutive month, and

4.5% of monthly Application Services fees for the second consecutive month,
5% of monthly Application Services fees for the third consecutive month and each consecutive month thereafter.

5.2.2 Availability during non-Critical Hours

5.3 Termination for Chronic Service Level Failures

In addition to its termination rights under the Agreement, the State of Iowa may, in its sole discretion, terminate the Agreement without further obligation to Vendor in the event Vendor fails to achieve any of the required Service Levels for (a) three (3) months consecutively, or (b) any three (3) months during a consecutive six (6) month period.

6. Service Outages

6.1 Scheduled

Vendor shall notify the State of Iowa of scheduled outages at least twenty-four (24) hours in advance, and such outages shall last no longer than one hour. Such outages shall last no longer than 8 hours. Such outages shall be scheduled during Non-Critical Times (**“Scheduled Downtime”**). Vendor may request extensions of scheduled down time above one (1) hour and such approval by the State of Iowa, which may not be unreasonably withheld or delayed. Unscheduled outages (such as the kind described in Section 9 of this Exhibit below) are not excluded from the Availability service levels set forth above (i.e., an Unscheduled outage, except due to the actions of the State of Iowa and its agents, shall not relieve Vendor of its obligation to achieve the service levels set forth herein).

7. Security Breaches

In the event of an attack or threatened or suspected breach of security against the Services and/or Server, Vendor will take whatever reasonable steps that are necessary to halt such action, including taking the Services down. Down time due to external attacks shall not count against Availability requirement set forth above. Vendor will immediately contact the person designated by the State of Iowa to discuss what measure to take. However, if time is critical, action may be required before the contact can be reached. Vendor's actions will include, as appropriate:

- a. Confirm the threat;

EXHIBIT D—INSURANCE

1. Insurance Requirements

Vendor shall, at its sole expense, maintain in full force and effect, with insurance companies admitted to do business in the State of Iowa, insurance covering its work of the type and in amounts required by this Exhibit. Vendor's insurance shall, among other things, insure against any loss or damage resulting from or related to Vendor's performance of the Agreement regardless of the date the claim is filed or expiration of the policy. All insurance policies required by this Exhibit shall: (a) remain in full force and effect for the entire Term of the Agreement; and (b) not be reduced, changed (to the detriment of the State of Iowa or any Governmental Entities), or canceled (without being simultaneously replaced by another policy meeting the requirements of this Exhibit). The State of Iowa shall be named as additional insureds on all such policies, and all such policies shall include the following endorsement: "It is hereby agreed and understood that the State of Iowa is named as additional insured, and that the coverage afforded to the State of Iowa under this policy shall be primary insurance. If the State of Iowa has other insurance that is applicable to a loss, such other insurance shall be on an excess, secondary or contingent basis. The amount of the insurer's liability under this policy shall not be reduced by the existence of such other insurance." Notwithstanding the foregoing, the requirement that the State of Iowa be named as additional insureds on all policies of insurance shall not apply to Vendor's Workers Compensation Insurance. The State of Iowa will accept a combined Technology Errors and Omissions and Cyber Liability policy or a separate Technology errors and Omissions and separate Cyber Liability policy. Such insurance shall, (a) cover the liability of Vendor by reason of any actual or alleged error, omission, negligent act or wrongful act of Vendor committed in rendering or failing to render any products or services, and shall specifically include coverage for liabilities caused by a security breach, breach of privacy or a breach of privacy regulations, including but not limited to unauthorized disclosure of information, unauthorized access, or failure to protect a network security breach; liabilities resulting from the unauthorized release, transmission or publication of private or technical information in your possession under the scope of the Agreement; (b) including the indemnification of the State of Iowa for any costs and expenses, including the State of Iowa's notification expenses, incurred by the State of Iowa arising out of a security breach, privacy breach or breach of privacy regulations; with an occurrence or per claim limit and annual aggregate limit of not less than \$15,000,000 each claim/\$15,000,000 annual aggregate; and (c) if underwritten on a claims made insuring agreement, be maintained for a period of not less than two (2) years after the expiration of the Agreement. In the event Vendor fails to secure and continuously maintain the insurance coverage required under this Exhibit, the State of Iowa may charge Vendor, and Vendor shall pay the State of Iowa, (a) the State of Iowa's actual expenses incurred in purchasing similar protection and (b) the value or amount of any claims, actions, damages, liabilities, costs, and expenses paid by the State of Iowa which would not have been paid by the State of Iowa if Vendor had complied with the requirements of this Exhibit.

3. Claims Provision

All insurance policies required by this Exhibit, with the exception of the policy for Errors and Omissions Insurance, must provide coverage on an “occurrence basis” for all claims arising from activities occurring during the term of the policy regardless of the date the claim is filed or expiration of the policy. The policy for Errors and Omissions Insurance will provide coverage on a “claims made” basis, provided however, that such policy includes extended reporting period or tail coverage acceptable to the State of Iowa.

4. Certificates of Coverage

At the time of execution of the Agreement, Vendor shall deliver to the State of Iowa certificates of insurance certifying the types and the amounts of coverage, certifying that said insurance is in force before the Vendor starts work, certifying that said insurance applies to, among other things, the work, activities, products and liability of the Vendor related to the Agreement, certifying that the State of Iowa is named as an additional insured on the policies of insurance by endorsement as required herein, and certifying that no cancellation or modification of the insurance will be made without at least thirty (30) days prior written notice to the State of Iowa. All certificates of insurance shall be subject to approval by the State of Iowa. The Vendor shall simultaneously with the delivery of the certificates deliver to the State of Iowa one duplicate original of each insurance policy.

5. Liability of Vendor

Acceptance of the insurance certificates by the State of Iowa shall not act to relieve Vendor of any obligation under this Agreement. It shall be the responsibility of Vendor to keep the respective insurance policies and coverages current and in force during the life of this Agreement. Vendor shall be responsible for all premiums, deductibles and for any inadequacy, absence or limitation of coverage, and the Vendor shall have no claim or other recourse against the State of Iowa for any costs or loss attributable to any of the foregoing, all of which shall be borne solely by the Vendor. Notwithstanding any other provision of the Agreement, Vendor shall be fully responsible

and liable for meeting and fulfilling all of its obligations under this Exhibit and Section 17 (Insurance) of the Agreement.

6. Waiver of Subrogation Rights

Vendor shall obtain a waiver of any subrogation rights that any of its insurance carriers might have against the State of Iowa. The waiver of subrogation rights shall be indicated on the certificates of insurance coverage supplied to the State of Iowa for all policies except for the policy for the Errors and Omissions Insurance.

7. Filing of Claims

In the event the State of Iowa suffers a loss and is unable to file a claim under any policy of insurance required under this Agreement, the Vendor shall, at the State of Iowa's request, immediately file a proper claim under such policy. Vendor will provide the State of Iowa with proof of filing of any such claim and keep the State of Iowa fully informed about the status of the claim. In addition, Vendor agrees to use its best efforts to pursue any such claim, to provide information and documentation requested by any insurer providing insurance required hereunder and to cooperate with the State of Iowa. Vendor shall pay to the State of Iowa any insurance proceeds or payments it receives in connection with any such claim immediately upon Vendor's receipt of such proceeds or payments.

8. Proceeds

In the event the State of Iowa suffers a loss that may be covered under any of the insurance policies required under this Exhibit and Section 17 (Insurance) of the Agreement, neither the Vendor nor any subsidiary or affiliate thereof shall have any right to receive or recover any payments or proceeds that may be made or payable under such policies until the State of Iowa has fully recovered any losses, damages or expenses sustained or incurred by it (subject to applicable policy limits), and Vendor hereby assigns to the State of Iowa all of its rights in and to any and all payments and proceeds that may be made or payable under each policy of insurance required under this Exhibit and the Agreement.
