RE: Kimball & University of California Contracts 2019.00186  
- July 1, 2022, Fuel Surcharge

This memo will serve as notice that the fuel surcharge from April 2022 of 3% will be increasing to a 9% fuel surcharge for both Agreements UC Campus and the Omnia National Agreement. This has been agreed to by the University of California and will be in effect on July 1, 2022.

The surging inflation rate, continued material, and labor constraints, as well as escalating fuel costs contribute to this increase for all Kimball (including David Edward), National, Interwoven, and Etc. brand orders, this excludes Poppin.

All other terms and conditions of the agreement shall remain in full unless changed, altered, or amended on a formal contract amendment signed by both parties per the requirements of the contract.

Thank you,

*Marilyn Biscotti*
