

**MEMORANDUM OF AGREEMENT  
Between**

**The University of Iowa**  
Iowa City, Iowa

Iowa State University  
Ames, Iowa

The University of Northern, Iowa  
Cedar Falls, Iowa  
and

**Office Depot, Inc.**  
Boca Raton, Florida

**THIS MEMORANDUM OF AGREEMENT** (hereinafter "Agreement") is made and entered into on March 01, 2016 by and between The University of Iowa, Iowa City, Iowa; Iowa State University, Ames, Iowa, and The University of Northern Iowa, Cedar Falls, Iowa (hereinafter "University") and Office Depot, Inc., 6600 North Military Trail, Boca Raton, FL, 33496-2434 (hereinafter "Supplier").

**RECITALS**

**WHEREAS**, it is the desire of the Universities to enter into an Agreement with Office Depot to provide The University of Iowa, Iowa State University, and The University of Northern Iowa with services as outlined in this agreement, and

**WHEREAS**, the Supplier desires to provide, office related products and services to the Universities in accordance with the terms and conditions as outlined in RFP 15616, and

**THEREFORE**, In consideration of the promises and the mutual covenants contained therein, the Parties agree as follows:

Unless specifically altered herein, all specifications, requirements, and terms and conditions of RFP 15616, and the Supplier's responses thereto, form the basis for and are hereby incorporated into this agreement.

**TERM**

This Agreement shall begin on or about **March 01, 2016** and remain in effect for 5 year(s) (for a total of 60 months), through and including **March 01, 2021** unless earlier terminated.

Thereafter, the Agreement may be extended for 2 additional 12 month period(s), each upon the written mutual consent of the parties, for a potential 7 year Agreement. These requests to extend the agreement must be exercised at least 30 days prior to the expiration date of the agreement.

The Universities may terminate the Agreement any time within the first 90 days of the initial contract or any and all extension periods, should the Universities determine the Supplier's performance is or becomes unsatisfactory in the sole opinion of the Universities, then the contract may be terminated.

**DESCRIPTION OF SERVICES OR PRODUCTS**

Office Depot shall provide a strategic partnership that addresses the needs of office related products including copy paper, toners, and other miscellaneous office products, and services to the Regent Universities as well as the participating entities in this agreement including the Iowa Biotechnology Association (IBA) and the Iowa Department of Administrative Services (DAS) per the specifications detailed in Request for Proposal number 15616.

## THE SUPPLIER AGREES TO

1. Provide a single point managerial-level contact for the Universities to coordinate all requirements; to be the point of contact for any problems/questions that may arise; meet periodically with Universities personnel; research information; and deliver special reports as needed or directed by the Universities related to this agreement.

2. Comply with all applicable Federal and State laws.
3. To possess and maintain all applicable licenses necessary to conduct business in the State of Iowa.
4. Supplier is an independent Supplier and shall not be considered the agent or employee of the Universities.

## FEE STRUCTURE OR PRODUCT PRICING

Please refer to Exhibit A.

This Agreement including incorporated addenda shall constitute the entire agreement between the Parties and shall supersede all previous agreements, written or oral. No modification or waiver of any provision shall be valid unless in writing and signed by the Parties.

In the event any portion of this Agreement is found to be invalid or unenforceable for any reason, the remainder of the Agreement shall remain intact. That portion deemed invalid shall be amended in writing to the minimum extent necessary to be considered valid and enforceable.

The Supplier may not assign this Agreement without prior written consent of the Universities. The Parties agree that the term assigned includes acquisition of the Supplier by another party. Supplier agrees to provide the Universities with written notice of any assignment a minimum of thirty (30) business days prior to date of such event.

This Agreement shall be governed by the laws of the State of Iowa and applicable Federal law.

The Universities' failure to enforce provisions of this Agreement in whole or in part will not negate the Agreement or the enforcement of provisions at a future time.

The Parties are acting herein as independent Suppliers. Nothing herein contained shall create or be construed as creating a partnership, joint venture or Supplier relationship between any of the Parties and no Party shall have the authority to bind the other Party in any respect.

With respect to RFP 15616, the Universities agree only to those exceptions identified in the MOT attached in Exhibit A and only those exceptions are binding on the parties. If not addressed below, all other exceptions taken by the Supplier in responding to RFP 15616 are rejected by the University and the original RFP language is incorporated herein.

IBOR Universities Specific Core List Pricing:</b> All Core List items shall be provided at the net prices stated in the subsequent tabs, including Tab A- IBOR Non-Toner Core List, Tab B- IBOR HP Toner Core List and Tab C- IBOR Non-HP Toner Core List included in this workbook, once agreed upon and finalized. The net pricing documented in the subsequent tabs are EXCLUSIVE of any markups and fees. Pricing for these core items shall remain valid for one year upon execution of agreement. IBOR Universities must be given at least a 30 days advance notice for all proposed pricing changes with proof of manufacturer list price increase backup, and changes shall not go into effect without IBOR Universities' written approval.                                                                                                                                                                                                                                                                                                                                                                                                                         |  | Agree                  | Agree          | Office Depot agrees, however, we have corrected 3 line items on Tab A-IBOR Non-Toner Core List as follows. They have all been lowered to properly reflect our final offer to IBOR as follows: Line 11 - column T- should be \$ 27.15 per carton; Line 12 - column L - should be \$ 28.17 per carton; Line 19 - column L - should be \$ 27.15 per carton. Each item has been lowered and highlighted on Tab A.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                                                                     |
| <b>B. IBOR Universities Specific Core List Refresh and Price Changes:</b> IBOR Universities and Office Depot shall work together to refresh the core list of items twice per year, in February and August, to ensure the core items align with IBOR Universities' purchasing patterns. Office Depot shall work collectively with IBOR Universities to reduce the amount of items on both non-toner and toner core lists, in effort to provide the best pricing for high volume and high spend core items. To ensure savings and limit an excessive amount of substantial price increases, collective pricing increase on core items shall be capped at 3% per year.<br><br>After the initial year, pricing can be updated/changed semi-annually in conjunction with core list realignment based on the contract utilization and spend profile with changes taking effect in February and August. All core item price changes must be reviewed in advance of becoming effective, upon mutual agreement between the IBOR Universities and Office Depot. All pricing changes must be given a 30 days written notice and approved by all IBOR Universities before becoming effective. |  | Agree<br>3/10/16       | Agree          | 1. Pricing Cap of 3% - Please note- We do not see any pricing review cap of any amount in the RFP, any addenda including the answers to questions, nor any BAFO and we do not see that we offered a cap in our response. This is a new request by IBOR that has not previously been discussed or agreed to.<br><br>2. Our pricing offer and subsequent discussion as we reviewed the various BAFO requests was that the August review would be a full Core pricing review. This section states that the August price review is merely an assortment alignment review/refresh and an opportunity to provide pricing for new items added to the Core List and not a full price review of all items. It was our understanding that Core pricing and Non-Core pricing will be held firm for one year initially and then pricing will be reviewed semiannually. This semi-annual Non-Core pricing review would apply only to the items that are identified in our BSD Catalog and the BSD School Supply Catalog. Non-Core Contract Web Item pricing update language can be found in section 37 below. In addition, in two sections of the answers to the questions (Q 4 on page 2 and Q 8 on page 3) IBOR states the reviews are semiannual (after the initial year) with changes allowed at both reviews. Both answers read as follows: "The Universities are allowing both Core and Non-Core items to have a pricing review semi-annually for any approved price changes to take effect in February and August".<br><br>3. Pricing Change Methodology - At least thirty (30) calendar days prior to the pricing review dates as agreed upon in the contract, Office Depot will present to IBOR a formal written request for any pricing increases for core items and any items that are identified in the BSD catalog or the School Supplies catalog. The formal request will include the item and description as well as the current price and unit of measure and the requested new price. When available, Office Depot shall provide IBOR with manufacturer documentation to verify that price adjustments are being appropriately passed through to IBOR. Sample manufacturer documentation is attached to this response. Office Depot will review requested changes with IBOR and such changes will go into effect within three (3) to four (4) business days after receipt of written approval from IBOR. For users who are on hosted catalogs, Office Depot will work with said users to update the hosted file at a mutually agreed upon date, which shall be as quickly as practical after written approval from IBOR. | IBOR accepts the semi-annual pricing updates.<br><br>For any price increases that exceed 5% Office Depot will provide written notification to all three (3) Universities for review, discussions, and approval before any price increase of 5% or greater is implemented.<br><br><i>Office Depot Agrees 3/10/16</i> |

| E. <b>Pricing Protection:</b> In order to ensure maximum Vendor contract utilization and confidence in contract pricing, should a promotional or sales event take place for certain product categories or manufacturers, IBOR Universities end users shall receive either the contract specified IBOR price or the promotional / on sale price advertised on Office Depot's commercial website, whichever is lower.<br><br>Office Depot shall provide IBOR end users with the lowest price available, regardless of the purchasing method. Office Depot shall acknowledge and work with end users to adjust prices that are available at lower costs on Office Depot's public website than the IBOR Office Depot effective contract price. | Agree<br>Note changes in column I, 3/10/16 | Agree | Office Depot is unable to meet the full requirements of this request, and we cannot commit to something that will misrepresent our program to IBOR. At the same time, there is something that we can commit to doing that should provide IBOR with a better comfort level than if we just said no to this request.<br><br>During the term of the contract, there will be many times that Office Depot will be providing product and pricing files to IBOR. Some of those files will be for pricing updates, while others may be for product assortment updates, depending upon the final contract. Office Depot can commit that prior to providing any product file to IBOR, we will do a comparison of all items vs. the current selling price for items that are identified on or public website <a href="http://www.officedepot.com">http://www.officedepot.com</a> . Subject to the following exceptions, in the event the sell price on <a href="http://www.officedepot.com">http://www.officedepot.com</a> is lower than the current contract price to IBOR, Office Depot will provide that lower sell price on the updated file that we provide to IBOR.<br><br>Please note the following exceptions to this:<br><br>Our pricing comparison will be done only against <a href="http://www.officedepot.com">http://www.officedepot.com</a> and not against any other sites or marketing promotions that may be provided to general Office Depot customers via other divisions or initiatives of the company from time to time in various markets.<br><br>This commitment to charge the lowest price is only effective as of the day that the file is prepared. The pricing on <a href="http://www.officedepot.com">http://www.officedepot.com</a> is not fixed and does change potentially on a daily basis, both up and down, so it is possible that during the time period between the date of issuing one file and the date of issuing an upcoming file, it will be possible that there will be a lower price on <a href="http://www.officedepot.com">http://www.officedepot.com</a> .<br><br>Any pricing differences identified between those dates shall not be considered a Breach of any resulting agreement. If at any time, a user identifies an item that may be available at a lower cost on the Office Depot public website <a href="http://www.officedepot.com">http://www.officedepot.com</a> , due to a market fluctuation, and brings it to our attention, Office Depot will work with that user to make available such pricing for their immediate order requirement. This is a one-time adjustment for a specific order that is being made and is not intended to update the master pricing file.<br><br>This commitment is applicable to only core list items and items that are found in our BSD catalog and the School Supply catalog. It is not applicable to web items that are priced in a different manner and are updated quarterly. Pricing methodology for those items can be found in Section II C. of the last MOT submitted to IBOR. | IBOR accepts Office Depot's SPC policy.<br><br>For items not on the core list or identified in the BSD catalog or the School supply catalog, Office Depot will provide the retail <a href="http://www.officedepot.com">retail <a href="http://www.officedepot.com">www.officedepot.com</a></a> price minus 5%. These items will be updated on a quarterly basis and held firm for the duration of the quarter (90 days). In the event of increased occurrences of non-competitive pricing Office Depot shall work with the Universities to ensure price fluctuations and competitive pricing are provided.<br><br>Office Depot agrees with the exception shown in column H for these transactions.<br>Office Depot agrees: 3/10/16 |

| A. <b>Annual Volume Rebate:</b> Office Depot shall provide IBOR Universities with a volume rebate based on total annual contract sales value back to dollar \$1, including spend by the universities, the State of Iowa, and all agencies and political subdivisions of the State of Iowa. The rebates shall be paid to the IBOR Universities annually and the rebate % shall be as follows:<br>• Total Spend \$1 - \$999,999: 1.5% Rebate<br>• Total Spend \$1,000,000 - \$9,999,999: 2% back to dollar \$1<br>• Total Spend \$10,000,000 - \$49,999,999: 2.5% back to dollar \$1<br>• Total Spend \$50,000,000 - \$99,999,999: 3% back to dollar \$1<br>• Total Spend Greater than \$100,000,000: 5% back to dollar \$1                                                                                                                                                                                                                                                                             | Agree               | Agree       | 1. In response to this requirement, Office Depot provided the following in our RFP Response and in the subsequent BAFOs. This financial incentive is an annual incentive. This section states that it shall be paid quarterly which is not something that we proposed, nor, had it been discussed prior to seeing it in this form.<br><br>2. In response to any requirement regarding rebates or financial incentives, Office Depot provided the following in our RFP Response: For the purpose of these incentives the term "Spend" shall mean Customer's paid-for purchases net of taxes, shipping costs, returns, discounts, credits, any incentives amortized for the applicable period, rebates actually paid, employee purchases under any type of purchasing program, postage, shipping and mailing services, technology items, gift cards and warranties, and "Contract Year" shall mean the twelve (12) month period, commencing on the Effective Date and each subsequent twelve (12) month period thereafter during the Initial Term or any Renewal Term. This definition would carry forward to any calculations of all financial incentives being offered. | IBOR verbally accepted the annual payment schedule of the annual volume rebate on 2.18.2016           |
| B. <b>Signing Incentive:</b> Office Depot shall provide an upfront signing incentive of \$350,000 with the ability of achieving an additional \$650,000 during the contract term upon reaching total spend milestones, for a total of \$1,000,000 in signing financial incentive. The milestone payment schedule for the \$1,000,000 signing financial incentive is listed below:<br>• Within 60 days of contract signature: \$350K<br>• Upon total spend reaching \$10M: \$130K<br>• Upon total spend reaching \$20M: \$130K<br>• Upon total spend reaching \$30M: \$130K<br>• Upon total spend reaching \$40M: \$130K<br>• Upon total spend reaching \$50M: \$130K<br><br>The upfront signing bonus shall be paid to the IBOR Universities within 30 days of the contract start date while the remaining milestone achievements shall be paid within 60 days of reaching the total contract spend amount.                                                                                           | Agree               | Agree       | In response to this requirement, Office Depot provided the following in our RFP Response: The payment made under this financial incentive shall be paid within sixty (60) days after the final execution of the Agreement and subsequent payments will be paid within sixty (60) days after applicable spend goals are reached.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | IBOR verbally accepted the 60 day payment schedule of the financial signing incentive on 2.18.2016.   |
| C. <b>Signing Incentive Terms and Conditions - In Event of Contract Cancellation:</b> In the event that IBOR terminates the Agreement without cause, or Office Depot terminates the Agreement for cause, prior to the end of the Initial Term, or IBOR does not achieve \$17,501,000 in Spend over the Initial Term, IBOR shall, within thirty (30) days after the effective date of such termination, pay to Office Depot a prorated portion of the Three Hundred and Fifty Thousand Dollar (\$350,000.00) Contract Signature Bonus Incentive equal to the Contract Signature Bonus Incentive multiplied by the percentage of cumulative Spend Requirement shortfall. The percentage of shortfall shall be determined by the cumulative Spend from the Effective Date of the contract to the effective date of termination as the numerator and Seventeen Million Five Hundred and One Thousand Dollars (\$17,501,000.00) as the denominator, expressed as a percentage, being subtracted from 100%. | Agree               | Agree       | In response to this requirement, Office Depot provided the following in our RFP Response and also in the final BAFO. It is slight different than the IBOR language in the event that IBOR terminates the Agreement without cause, or Office Depot terminates the Agreement for cause, prior to the end of the Initial Term, or IBOR does not achieve \$17,501,000 in Spend over the Initial Term, IBOR shall, within thirty (30) days after the effective date of such termination, pay to Office Depot a prorated portion of the Three Hundred and Fifty Thousand Dollar (\$350,000.00) Contract Signature Bonus Incentive equal to the Contract Signature Bonus Incentive multiplied by the percentage of cumulative Spend Requirement shortfall. The percentage of shortfall shall be determined by the cumulative Spend from the Effective Date of the contract to the effective date of termination as the numerator and Seventeen Million Five Hundred and One Thousand Dollars (\$17,501,000.00) as the denominator, expressed as a percentage, being subtracted from 100%.                                                                                      | IBOR accepted Office Depot's language regarding signing incentives terms and conditions on 2.18.2016. |

| <p><b>D. Single Point Delivery Incentive:</b> In the event the IBOR Universities and participating members receive deliveries to a single delivery point (i.e., one location) on a consistent and on-going basis, Office Depot shall pay the IBOR Universities and participating members a "Single Point of Delivery Incentive" as stated in Office Depot's proposal response. The single point delivery discount shall be 2.5% discount for all IBOR Universities and participating members that are not utilizing a third party, EDI, punch-out or hosted catalog of any kind.</p> <p>The single point delivery 2.5% sale discount and point of sale rebate 2.5% are mutually exclusive. If both requirements are met, the IBOR Universities and participating IBA members will receive the single point delivery incentive and the point of sale rebate.</p>  | Agree<br>3/10/16 with updates in Column I | Agree | <p>In response to this requirement, Office Depot provided the following in our RFP Response- Single Point of Delivery. In the event the Board or a Participating Member receives deliveries to a single-delivery point (i.e., one location) on a consistent and on-going basis, Office Depot shall pay the "Single Point of Delivery Incentive", as follows: The Board or an eligible Participating Member that is not utilizing a third party, EDI, punchout or hosted catalog of any kind, shall receive a point-of-sale discount of two and one-half percent (2.5%), based on pre-tax order size of greater than \$1.00. This point-of-sale discount excludes orders that include inventory that is not stocked in an Office Depot facility at the time of the order, special orders, furniture, technology products, in-store purchases, and services (i.e. assembly and product protection plans). Applicable discounts will be reflected on the corresponding invoice. This discount is applied at the time the order is processed in the Office Depot ordering system.</p> | <p>IBOR understands that the single point delivery 2.5% sale discount and point of sale rebate 2.5% are mutually exclusive. If both requirements are met, the IBOR Universities and participating IBA members will receive both the single point delivery incentive and the point of sale rebate. For the IBOR Universities the single point of delivery incentive will be processed in the form of a rebate and not a discount off of the invoice. In addition the IBOR Universities shall be entitled to the 1% technology fee agreement.</p> <p>Office Depot agrees that IBOR Universities are eligible for the 1% Technology fee agreement.</p> <p>As it relates to the Single Point of Delivery incentive, if an Office Depot's intent to provide a financial incentive of 3% for those agencies that are receiving orders on a consistent basis as stock drop point deliveries. The method of payment of the 3% will be determined by the manner in which agencies process their orders. In the event an agency is utilizing a third party, EDI, punchout or hosted catalog they will receive an annual rebate of 3% of the Annual "Spend" (as defined in section III, A, column H, # 2) for all orders delivered to that location. In the event an agency does not utilize a third party, EDI, punchout or hosted catalog, they will receive a Point of Sale Discount (POS) at the time of placement of the order, subject to the exclusions included in column H of the MOT. To further clarify, the incentive for IBOR Universities shall be the total of 1% for the Technology Fee plus 3% for the single point of delivery incentive. (Office Depot updated 3.10.16)</p> |

| <p><b>C. Delivery and Freight:</b> Office Depot shall provide IBOR Universities with next day, FOB Destination prepaid and allowed product deliveries to each University's central receiving facilities at no cost to end users, regardless of delivery campus location. In the event next day delivery is not available, it is desired that deliveries occur within 3 to 5 days. On-time delivery, defined as next day delivery of order within 1 business day of placement of order to all campus locations, shall be maintained at 95% or greater. Late orders are any orders greater than 1 delivery day, unless with approved notification. The location of work, deliveries, and services will take place at designated University of Iowa, Iowa State University and University of Northern Iowa campus locations. | <p><b>E. Pricing Audits:</b> Pricing that is offered/invoiced at a discount level that is greater than the base contract rate will be considered to be in alignment with the Contract and at no point will it be considered an undercharge requiring reimbursement to the supplier. In the event of an audit prices paid over the contracted discount/core list pricing shall be reimbursed to the appropriate University. Under no circumstances shall an invoice or price paid that provides a discount that is greater than core list or category discounts, whether due to error or other cause, will the Universities be expected to reimburse the difference to the supplier nor will the amount be netted against any overcharges.</p> <p>In the event of pricing issues The Universities reserve the right to implement an audit penalty equaling 1% of the total corrected invoice(s) value resulting in over one (1) hour of review/resolution per audit as a whole by respective University. Audit penalties shall be reimbursed to the University for any invoice(s) in question including both under charges and over charges. IBOR Universities shall not be solely responsible for audit costs.</p> <p>Supplier shall provide a compliance report, as may be requested by The Universities, which tracks service level commitments to actual performance and contract pricing to settlement. In the event pricing or discount levels reflected on invoices do not match pricing levels as stated in the Contract, The Universities and supplier shall work together to calculate and issue the indicated adjustment. Office Depot shall provide a compliance report, as may be requested by IBOR Universities, which tracks service level commitments to actual performance and contract pricing to settlement. In the event pricing or discount levels reflected on invoices do not match pricing levels as stated in the agreement, IBOR Universities and Office Depot shall work together to calculate and issue the indicated adjustment.</p> | Agree                  | Agree          | <p>In response to this requirement, Office Depot provided the following in our RFP Response:</p> <p>Access to Supplier Records/Audits - Unless otherwise required by statute, Office Depot requests that audits and records inspection be limited solely to review of the non-confidential and non-proprietary records and that any such audits be performed at mutually acceptable times and places. Office Depot further requests that audits be performed no more than once per calendar year, and each party will pay for the costs of their own audit process. No audits shall occur after the date that is 7 years following termination or expiration of the contract. In the event that a third party auditor is used, Office Depot reserves the right to approve such auditor, which approval shall not be unreasonably withheld. Additionally, the auditor must execute a non-disclosure and confidentiality agreement with Office Depot, the form of which will be provided by Office Depot.</p> <p>To the extent that any custom audit reports are requested from Office Depot by IBOR, Office Depot will use its best efforts to work with IBOR to develop and provide such reports in a mutually agreed upon time period and reporting format.</p> | Office Depot agrees to provide audit reports to the best of their ability. |

Quarterly Business Review Meetings:</b> In order to maintain and enhance the long-term business relationship, the Office Depot account management team and IBOR Universities will meet once quarterly, at a minimum, to review reports, pricing, product updates, performance, service-related issues, and proposed initiatives. Office Depot will also provide cost reduction recommendations to further reduce costs related to IBOR Universities' account as they become apparent.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | Agree | Agree |  |
| <p><b>B. Reporting:</b> Office Depot shall make every effort to provide reporting, as requested by IBOR Universities. If requested to provide usage reports, supplier shall deliver the report within 5 business days of request at no additional charge to IBOR Universities. The Universities will require regular monthly and annual usage reports that are shared with Central Stores/General Stores/Campus Supplies. At a minimum, the ability to report on the following criteria is required:</p> <ul style="list-style-type: none"> <li>Catalog number (SKU) number for items purchased</li> <li>Manufacturer number for items purchased</li> <li>Order / invoice number</li> <li>Unit of Measure</li> <li>Unit Manufacturer List Price</li> <li>Core List Price (if applicable)</li> <li>Total dollar value of purchases and total number of orders</li> <li>Total value of purchases and total number of orders by each campus/department at each Regents University</li> <li>Total purchases by item number</li> <li>Total value of purchases of Core Items</li> <li>Total purchases paid by purchase order vs. purchasing/procurement card</li> <li>Number of orders returned due to errors by each Regents University</li> <li>Number of orders returned due to Supplier error</li> <li>Total dollar value of surcharges, transaction fees, delivery charges, and other miscellaneous charges, if any.</li> <li>Total purchases by type of order (email/procurement, email, fax, etc.)</li> <li>Other customized reports as requested</li> </ul> <p>All Universities will require monthly financials to be sent to Central Stores, General Stores and Campus Supply that include at a minimum the dollar volumes by item purchased and mark-up earned. The monthly financial reports are to be emailed to respective entities by the 10th of each of month for the previous month purchases.</p> | Agree | Agree |  |
| <p><b>C. Marketing and End User Education:</b> Office Depot will partner with IBOR Universities to market and promote the new ORP Preferred Supplier agreement to facilitate smooth and successful implementations. Office Depot shall prepare the marketing material for distribution to IBOR Universities end users and begin end user training as part of the implementation program. Office Depot will partner with IBOR Universities to educate and market to campus users via product shows and other promotion formats to ensure continued high-utilization of the Preferred Supplier agreement.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | Agree | Agree |  |

| <p><b>A. Indemnification:</b> The Supplier shall indemnify and hold harmless the Universities and their agents and employees from and against all claims, damages, losses and expenses, including but not limited to attorneys' fees, arising out of or resulting from (A) the material non-performance, non-compliance or breach with terms and obligations of this Contract or (B) any negligent or wrongful act or omission of the Supplier or its subcontractor, or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, regardless of whether or not it is caused in part by a party indemnified hereunder. Such obligation shall not be construed to negate, abridge, or otherwise reduce any other right or obligation of indemnity, which would otherwise exist as to any party or person.</p> <p>Supplier's indemnification obligation shall not be limited in any way by any definition or boundary on the amount or type of damages, compensation or benefits payable by or for the Supplier or any subcontractor under workers' compensation, disability benefits or other employee benefit acts.</p> | Agree          | Agree                 | <p>Office Depot agrees with the IBOR MOT statement, however, as per the RFP response we would request that the following be added to any resulting agreement: In no event shall any party be liable for consequential, special, indirect or incidental damages, including, but not limited to any damage resulting from loss of profits arising out of or in connection with any resulting agreement, whether in an action based upon contract, tort (including negligence) or any other legal theory, even if the party has advised of the possibility of such damages.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| <p><b>B. Access to Supplier Records:</b> Supplier shall retain all records and documents and shall provide unlimited access, at all reasonable times and upon reasonable notice, to all accounting records and supporting documentation relating to the goods and services furnished during the term of this Contract and for a period of seven (7) years thereafter, unless required to retain for a longer period by state or federal statute. The Universities reserve the right to audit such records and employ the Auditor of the State of Iowa or any other auditor the Universities deem appropriate to perform an audit of Supplier records. Should such audit disclose incorrect billings or improprieties, the Universities reserve the right to charge Supplier for the cost of the audit and pursue appropriate reimbursement. IBOR Universities shall not be solely responsible for audit costs. Evidence of criminal intent will be turned over to the proper authority.</p>                                                                                                                                                                            | Agree          |                       | <p>In response to this requirement, Office Depot provided the following in our RFP Response:</p> <p>Access to Supplier Records/Audits - Unless otherwise required by statute, Office Depot requests that audits and records inspection be limited solely to review of the non-confidential and non-proprietary records and that any such audits be performed at mutually acceptable times and places. Office Depot further requests that audits be performed no more than once per calendar year, and each party will pay for the costs of their own audit process. No audits shall occur after the date that is 7 years following termination or expiration of the contract. In the event that a third party auditor is used, Office Depot reserves the right to approve such auditor, which approval shall not be unreasonably withheld. Additionally, the auditor must execute a non-disclosure and confidentiality agreement with Office Depot, the form of which will be provided by Office Depot.</p> <p>To the extent that any custom audit reports are requested from Office Depot by IBOR, Office Depot will use its best efforts to work with IBOR to develop and provide such reports in a mutually agreed upon time period and reporting format.</p> |
| <p><b>C. Software Accessibility:</b> Software solutions, when provided to the Universities as a part of this Contract, shall be compliant with Federal statute Section 508 standards and W3C.org Web Content Accessibility Guidelines (WCAG 2.0 Level AA) for accessibility for persons with disabilities for the minimum level of accessibility. Please review the links provided for specifics related to these referred to standards and guidelines: WCAG guidelines <a href="http://www.w3.org/TR/WCAG20/">www.w3.org/TR/WCAG20/</a> and Section 508 <a href="http://www.section508.gov/">www.section508.gov/</a>. The Universities reserve the right to request that the Supplier provide audit and/or test results that document the software's compliance and the testing methodology utilized. Areas of non-compliance shall be resolved in a timely and orderly manner.</p>                                                                                                                                                                                                                                                                                   | Agree          | Agree                 | <p>In response to this requirement, Office Depot provided the following in our RFP response: We do not currently meet a few of the requirements of 508 and we have included reports that describe our compatibility in detail. The report is attached "Office Depot website VPAT - 2-21-2016_v1.6". You will note those few areas of non-compliance are detailed and estimated to be resolved between Q2 and the end of 2016. Please note that new requirements are continuously being introduced in these requirements as technology evolves and we expect many more concerning mobile devices this year.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
