

# Iowa DNR and Quotes using State Contract: #17288A

## Overview:

Going forward, all John Deere dealer quotes involving Iowa DNR Government entities must be supplied (upon request) from Iowa State Contract # MA17288 via JDQuote 2.

## Process?

Iowa State DNR entities requesting John Deere product quotations may reach out to select John Deere dealer(s) and request JDQuote 2 using the Iowa State Contract #17288A emphasizing quotes via State contract only.

1. Dealer(s) supply product quotations via Iowa State Contract #17288A via use of JDQuote 2. All quotes to be initially submitted to Mike Garrette to ensure accuracy.
2. Dealer(s) needing assistance with actual quote will leverage Government Business Manager, Mike Garrette (Cell#: 908-442-3455 and/or email: [GarretteMichael@JohnDeere.com](mailto:GarretteMichael@JohnDeere.com)).
3. At times, entities may reach out directly to Mr. Garrette for product quotations via the contract. When this occurs, DNR agencies may solicit dealer quotes asking them to mirror.

## What does this solve?

This approach allows for more consistency and less invoicing issues.
