General Terms and Conditions/Notes:

- ChargePoint has assessed a temporary handling fee on certain items to ensure a steady flow of microchips during the worldwide shortage. It is expected to last 6-9 months from Q3 2021.
- Prices do not include value added, sales or other applicable taxes or any regulatory charges that may be imposed by any governmental authority.
- Subscriptions for ChargePoint Services require acceptance of the terms and condition set forth in the Master Services and Subscription Agreement ("MSSA").
- Subscriptions for ChargePoint Services are effective commencing on the date on which a station is activated or 180 days after shipment, whichever occurs first, and continues for the applicable Subscription Term.
- Customer is responsible for ensuring adequate cellular coverage for stations to communicate with network (generally -85db or stronger).
- Assure warranty valid only upon successful Site Validation or Commissioning.
- CPAAS orders will be contracted directly with ChargePoint but coordinated through National Car Charging.
